Does Centre County Need a Better Organized Farm Bureau?

Suppose we look the condition of agriculture squarely in the face. The farmers of Centre county have no organization which has for its object the improvement of the economic condition of the agricultural industry.

Proper organization will benefit not only the farmer but the consumer of farm products as well. This is not an idle statement but a condition which actually exists in many parts of our country, and in connection with many farm products.

CHAMBERS.—Edward Isaac Chambers passed away last Friday night at the Evergreen sanatorium, Chestnut Hill, Philadelphia, following an illness of five years.

He was a son of Edward R. and Mary Worth Chambers and was born in Bellefonte on April 19th, 1891, hence was 31 years, 6 months and 14 days old. His boyhood and youth were spent in Bellefonte and he was educated in the public schools here.

Throughout his long illness he manifested a surprising cheerfulness of disposition and put up a hard fight for life, notwithstanding the fact that he realized the odds were against him. In fact he never gave up hope and it was probably this strong-willed determination that prolonged his life through a period of five years.

He was a member of the First Presbyterian church, of West Chester, the Pioneer club of that city, the West Chester Lodge No. 322 F. and A. M., and the I. O. O. F.

Of this at one time well known Bellefonte family the only survivor is one sister, Miss Helen S. Chambers, of West Chester. The body was brought to Bellefonte on Sunday and taken to the home of his uncle, William S. Chambers, on east Curtin street, where funeral services were held at three o'clock on Monday afternoon by Rev. David R. Evans, burial being made in the Union cemetery.

SHUEY.—Isaac Shuey, who made his home with his son, Willis F. Shuey, in Bellefonte, passed away last Saturday, as the result of a stroke of paralysis, although he had been in frail health for some time past.

He was a son of Charles and Mary Pauline Shuey and was born in Pennsylvania in March, 1844, hence was seventy-eight years and eight months old. He was twice married; his first wife being Miss Mary Fryberger and his second Miss Jennie Smith. Both preceded him to the grave but he is survived by six children, namely: Mrs. Annie Rossman, of Pine Grove Mills; George Shuey, of Curtin; Mahlon J., of Pittsburgh; Mrs. Bond Fisher, and Willis F., of Bellefonte, and Bessie, of Indiana.

Funeral services were held at the Willis Shuey home on Wednesday by Rev. Reed O. Steely, of the United Evangelical church and burial was made in the Union cemetery.

WHITE.—Miss Annetta White died on Sunday at the home of her sister, Mrs. Benjamin Kaufman, following an illness of six months as the result of an injury sustained six years ago. She was a daughter of John and Mary Stover White and was born in Nittany valley on March 8th, 1857, hence was 65 years, 7 months and 27 days old.

HAMILTON.—Mrs. Irene McMicken Hamilton, wife of Thomas B. Hamilton, of Bellefonte, died at her home on Allegheny street on Wednesday after several weeks' illness with heart trouble. She was a daughter of John B. and Priscilla Antes McMicken and was born at Antes Fort eighty-two years ago.

MUSSER.—Theodore Philip Musser, son of Mr. and Mrs. Samuel F. Musser, of near Spring Mills, died on Sunday morning following an illness of some months. He was born on August 21st, 1905, hence was 17 years, 2 months and 14 days old.

KNISELY.—Mrs. Nancy Jane Kniseley, widow of Hunter Kniseley, passed away on Wednesday afternoon at the home of her son, postmaster John L. Kniseley, on Thomas street, as the result of a fall sustained on Monday of last week.

She was a daughter of Jacob and Eliza Jane Shultz and was born at Curtin. Had she lived until December 15th she would have been eighty years old. About sixty years ago she married Hunter Kniseley and the early part of their married life was spent at Curtin. In 1881 the family moved to Bellefonte and this had been her home ever since.

Mr. Kniseley died some years ago but surviving her are four sons and two daughters, namely: Mrs. Meyers, of Pleasant Gap; John L., George and Jacob Kniseley, of Bellefonte; Andrew, of Harrisburg, and Mrs. Fannie Warner, of Reading. She also leaves twenty grand-children, twelve great grand-children, three sisters and two brothers, Mrs. William Lyons, of Bellefonte; Mrs. Fern Reed, of Blandburg; Mrs. Miles Dukeman, Henry and Edward Shultz, of Curtin.

Funeral services will be held at the Kniseley home on Thomas street at two o'clock this (Friday) afternoon, after which burial will be made at Curtin.

DUBBS.—Andrew G. Dubbs died at his home in Bush's Addition on Tuesday morning following five days' illness with lobular pneumonia. He was a son of Jeremiah and Eliza Reynolds Dubbs and was born in Pennsylvania on July 6th, 1862, hence had reached the age of 60 years, 4 months and 1 day.

He had been a resident of Bellefonte for a number of years, a clerk in the Dubbs implement and seed store. He married Miss Agnes Hoffman, of Hubbersburg, who survives with no children. He leaves, however, two brothers, Thomas R. Dubbs, of Rush township, and George, of Unionville. Rev. George E. Smith will have charge of the funeral which will be held today, Tuesday, to be made at Centre Hall.

MARKLE.—Mrs. Caroline E. Markle, widow of William H. Markle, died at Hubbersburg last Friday as the result of a stroke of apoplexy, following an illness of one week. She was a daughter of David and Catherine Deitz Yocum and was born in Nittany valley on November 4th, 1861, making her age 60 years, 11 months and 29 days.

Thirty or more years ago two Centre county young men, Michael J. and Louis Beezer, decided to go west and grow up with the country. They went about as near to the jumping off place as they could get, in fact it was in Seattle, Wash., that they finally decided to take off their coats and go to work.

Both men had made a study of architecture and in 1892 they hung out their shingle which notified passers-by that Beezer Bros., architects, were ready for business. Business may have been a little slow at first but as the years rolled by it increased until now they are not only recognized as the leading architects on the Pacific slope but have such a high standing throughout the United States that they are frequently selected to make plans for buildings in the east.

Why Does a Brown Cow Eat Green Grass and Give White Milk?

That's the cow's business. If the cow had to have glasses to help her to perform this wonderful feat, we would be able to prescribe the proper glasses.

This is not being necessary, we give all our time to caring for men's, women's and children's eyes so they can see the brown cow, green grass and white milk, as well as anything else. Step inside and let me demonstrate. Prices Moderate.
