Sunday school for all ages at 9:30. Juniors 2:30. Epworth League for young people at 6:30. Prayer and praise Wednesday evening at 7:30. Come and worship.

E. E. McKelvey, Pastor.
FIRST PRESBYTERIAN CHURCH.
"We Aim to Serve."
Lord's day services—9:45 Bible-school with a class for every age and a welcome for every one. 10:45 morning worship; 7:30 evening worship. The pastor will occupy the pulpit at all the services Sunday and also give a talk to the junior congregation. He would like to greet you all at the services Sunday.

The pastor closes the two weeks' series of meetings at Milesburg Friday of this week and on Monday evening begins a similar series of meetings at Madera.

The next event of special importance to our church is the celebration of Father and Son day, Monday evening, November 20th. Every father is asked to bring his son as his guest for the evening. Where the sons are grown to manhood, a boy should be "adopted" for the evening. We want every boy in the congregation accompanied by an adult on the 20th. A speaker from Philadelphia has been secured and a fine program is being arranged, and a banquet.

David R. Evans, M. A., Minister.

—The thimble bee of the ladies of the Reformed church will be held at the home of Mrs. A. C. Mingle, on east High street, this (Friday) afternoon.

Brief Meeting of Borough Council.

Only five members were present at the regular meeting of borough council on Monday evening. In the absence of president Walker, Mr. Cunningham was chosen to preside. A communication was received from John J. Bower Esq., urging council to take action relative to the request of the Krader Motor Co. for permission to close up their building on Howard street. As the Street committee had not yet made any report on same no action was taken.

Written applications were received from Charles Ammerman and Philip G. Cathcart for appointment on the police force, but as the Fire and Police committee had no recommendation to make the applications were laid on the table.

The Street committee reported the receipt of \$29.50 from the State Highway Department for the use of the road roller.

The Water committee reported that the new pump has been installed at the Phoenix mill pumping station and was given a preliminary trial last Saturday. A few changes will have to be made before the pump can be put in service but from the test the committee is confident that it will throw anywhere from twenty to twenty-five per cent. more water than the old one.

The Fire and Police committee reported two fires on October 29th and one on November 3rd, though the latter did not amount to anything. Eleven hundred feet of new hose was received on October 28th and divided between the two companies. The committee further reported that the fire marshal has turned over to the borough treasurer ninety dollars, being one-third of the amount voluntarily contributed by residents of Houserville and Centre Hall for the response of the Bellefonte firemen on the occasion of recent fires, and the committee was of the opinion that at least two-thirds of all money contributed from out of town districts should be turned over to the borough, and a resolution to that effect was introduced and passed.

The Finance committee reported that on November 6th the borough treasurer reported a balance in the Bellefonte Trust company of \$4161.56 and in the First National bank \$4305.47, a total of \$8467.03. The treasurer also asked for the renewal of notes for \$18,000 and \$7,000, which was authorized.

Mr. Waite called attention to the fact that the firemen, in his opinion, drive the pumps too fast in going to fires and the fire marshal was requested to caution the drivers.

Bills to the amount of \$6224.66 were approved and council adjourned.

State College Bear Cubs in New Home

"Tiny" and "Punxy" the two bears that have been one of the principal attractions on the campus of The Pennsylvania State College since their arrival there three years ago as cubs, have found a new home in the Zoological Garden at Scranton. For some time past the bears have become a nuisance in the too small quarters at the college forestry building, all that the college could provide for them. Forestry officials with the co-operation of the State Game Commission finally located a new home for the pair. It was considered inadvisable to turn the bears loose as they had never been forced to gather their own food and would therefore be a menace to civilized communities. "Tiny" came from the mountains near Tionesta and "Punxy" came from near Punxsutawney.

—The annual Thanksgiving market of the ladies of the Reformed church will be held in the store room of the Bellefonte Hardware Co., Wednesday, November 29th, the day before Thanksgiving.

The Last Resort Tea House Will Open Tomorrow.

As announced in this paper some weeks ago Miss Helen Valentine will open her new tea house tomorrow, Armistice day. It is located on south Allegheny street, just a bit up the hill from the Brant house corner, and while it is designed principally for motor parties all others are invited to call and partake of the lunches and other dainties to be served.

—Fred I. Kerr, of Beaver county, was electrocuted at the Rockview penitentiary on Monday morning. He was convicted of the murder of Tynnor Celyncak, of Monaca, in December, 1919. He was also charged with the murder of his step-son, Lawrence Stuart Kerr, in June, 1920, but never tried on that charge. Kerr went to the death chair maintaining his innocence of both crimes, alleging that both cases were frameups against him. His body was claimed and shipped to Beaver county for burial.
