marked attention. WEDNESDAY AFTERNOON.

Owing to an irritated eye Prof. Guy

was unable to continue his instruction not accurate, but composite judgments and departed for his home on the afternoon train. Because of this fact Supt. Park took the first period and talked on the teacher and the patron. He divided his subject as follows: Plant, patron, pupil, teacher. He compared the teacher with a doctor and other professional people, but declared that the teacher was generally room school should be made the best found to be more influential in a community than any other professional person. In teaching a teacher must first know his subject matter. Second, measure his pupils individually, and third, put the knowledge across to the pupil in such a way that he will think and understand. The teacher must touch the life of the community. Following a brief intermission Miss Sarah Shuey sang a solo and Miss Shuev and Miss Sunday favored the institute with a piano duet.

In discussing some life problems for teachers Dr. Beeler said, teach boys and girls the power of initiative. He told the teachers to read the book, "A Message to Garcia," if they have never done so. In discussing mental alertness he said that the only knowlsocial efficiency, and spiritual sensitiveness, the greatest of all. Here are the pathways that lead to power for every teacher-knowledge turned into wisdom; fellowship; spirit of communion.

Miss Elizabeth Meek told of the work being done among the school pupils by Miss Watters, the dental hygienist. Her work is only prophylactic, not corrective, hence she does not interfere with dental practice. A demonstration was then given by Miss Watters, after which institute adjourned.

THURSDAY MORNING SESSION.

The opening musical exercises Thursday morning were greatly appreciated by institute. After the rendition of "Holy, Holy, Holy," Dr. Beeler read the scripture lesson and then Mrs. Krader sang a solo, accompanying herself on the zither, and she was | tical shaft water wheel and direct concompelled to respond to two encores. nected generator in the power plant Dr. Beeler occupied a brief period in discussing the community life, or Milesburg.
