Bellefonte, Pa., February 16, 1923.

## NEWS ABOUT TOWN AND COUNTY.

—Dr. David Dale is now driving one of the newest models of the Franklin Roadsters.

—The Lenten season began on Wednesday and the bluebirds will be here before we realize it.

—The local mills have marked wheat up to \$1.30, which will be gratifying news to the farmers.

—Don't forget the Woman's club food sale on Washington's birthday at Spigelmyer's store, at two o'clock p. m.

—Rev. Nelson A. Price, a returned missionary from Burma, will speak in the Methodist Episcopal church of Bellefonte at 10:45 o'clock on Sunday, February 25th.

—Governor Pinchot has appointed D. A. Boozer to be a Notary Public for the borough of Centre Hall. His new commission will date from February 25th, 1923.

—H. W. Irwin resigned his position as chief clerk to the county commissioners on Tuesday and was succeeded by Walter Armstrong, who went to work on Wednesday morning.

—The Thimble Bee of the ladies of the Reformed church will be entertained at the home of Mrs. Harry Badger, on Bishop street, this (Friday) afternoon; Mrs. Badger and Mrs. Abt being the hostesses of the afternoon.

—On account of the illness of J. A. Fitzpatrick, musical director at St. John's Lutheran church, the special musical service scheduled for Sunday evening, February 18th, has been postponed for a week or two. Full announcement will be made later.

—A 1923 Bellefonte High school class ring, bearing the initials W. B. T., was lost on Tuesday at noon somewhere between the High school building and north Thomas street. The finder will be rewarded with much gratitude by returning same to this office.

—The W. C. T. U. Thimble Bee will meet at the Green home on Linn street, Wednesday, February 21st, at 2:30 p. m. All the members are urged to be there, and take supplies for the bags, which will be filled and forwarded to the Canal Zone hospitals, immediately.

—At the annual meeting of Group Six, Pennsylvania Bankers' association held in Altoona on Monday, Nelson E. Robb, treasurer of the Bellefonte Trust Co., was elected president for the ensuing year. John D. Meyer, of Tyrone, was re-elected secretary-treasurer.

—The engine hauling local freight west on the Lewisburg railroad last Saturday afternoon, broke down over at Gregg station and it was in the neighborhood of four o'clock on Sunday morning when the train, disabled engine and all were pulled into Bellefonte.

—The venerable James C. Waddle, for many years conductor on the local freight on the Bald Eagle Valley railroad, celebrated his 89th birthday anniversary at his home in Lock Haven on Sunday. Notwithstanding his advanced age Mr. Waddle is in splendid health and enjoying life.

—A. J. Musser, of Indiana, Pa., at one time secretary and treasurer of the State-Centre Electric company but later connected with the Clearfield Bituminous Coal corporation, has been elected vice president and general manager of the latter named corporation, with headquarters in Indiana.

—Announcement has been made of the approaching marriage of Miss Dorothy Jenkins, of Harrisburg, a daughter of Mrs. W. R. Jenkins, formerly of Bellefonte, to Charles B. Warner, of Detroit, Mich., the wedding to take place in Pittsburgh on March 3rd. Since going to Harrisburg two years ago Miss Jenkins has held a position in the Commonwealth Trust company.

—The American Lime and Stone company gave a house warming last Saturday night as an informal dedication of their new office building. A few invited friends were present in addition to company officials and the entire office force. A Tyrone orchestra furnished music for dancing and delicious refreshments were served. It is hardly necessary to add that all present had a most delightful time.

—At the recent poultry show in Madison Square garden, New York city, C. S. Platt, of State College, was one of a team of four students of State who were entered in the intercollegiate judging contest. The State team won first in placing standard varieties, won the sweepstakes and was third in utility judging. The team won three medals and two silver trophies in the honor of which Mr. Platt shares.

—Many Bellefonte people have the movie habit because the scenic is the only place in Bellefonte where good, clean entertainment is to be had every evening during the week. Manager T. Clayton Brown exercises wise judgment in the selection of the motion pictures shown at this popular place of amusement, so that the best are always to be found on the program. This, with the comfortable room and good order, makes the scenic a place where everybody delights to go.

## LAW VIOLATORS SENTENCED.

### Two Men Draw Penitentiary Terms for Forgery.

Late last Saturday afternoon Edward Markley, while under the influence of liquor, made his way to the handsomely furnished library in the court house and proceeded to create havoc among the costly mahogany furniture. Tables and chairs were overturned, a leg being broken off of one chair, several panes of glass were broken in the library cabinets, a big dent was knocked into the large mahogany table, and books, pamphlets, etc., were scattered all about the room.

Fireman Kane had just returned from supper and hearing the disturbance in the library went up to investigate. He found Markley standing just inside the door, all the lights on and the interior of the room looking as if it had been swept by a tornado. Kane immediately telephoned for the sheriff who went to the court house and escorted Markley to jail. When questioned later he denied all knowledge of what he had done. He remembered having gone into the lower part of the court house and of taking a drink or two, but farther than that he disclaimed any knowledge. He did not tell where he got the liquor but from the looks of the library it must have been powerful stuff.

At a special session of court on Wednesday morning Judge Quigley had no hesitation in telling Mr. Markley of the gravity of his offense, even though it were no graver than malicious mischief, and admitted that he was constrained to be as lenient as possible because of his wife and children. He then sentenced Markley to pay a fine of \$100, costs of prosecution and imprisonment in the county jail for a period of six months; but further stated that he would not have to go to jail if he did what was right, as he would place him on parole and give him the six months in which to pay the fine and costs, but if at any time he took a drink or in any other way misbehaved he would be taken to jail and be compelled to serve out his sentence. Markley, naturally, promised to be good in the future.

The next case called was that of Peter A. Hitt, of Philipsburg, charged with the forging of the names of his wife and father-in-law, William Pelton, to a note which he had discounted at the Moshannon National bank. Hitt was a policeman in Philipsburg several years ago and later chief of police of Clearfield. He pleaded guilty to the charge and was sentenced to pay a fine of one dollar, costs of prosecution and undergo imprisonment in the western penitentiary for not less than one year nor more than two.

The final case was against Thomas Wolford, of Bellefonte, the young man who was successful in passing a number of forged checks on Bellefonte merchants the latter part of November then made his escape and went to Canada. He returned voluntarily on Wednesday of last week and surrendered to the authorities. In his behalf J. Kennedy Johnston Esq., made a plea for leniency, stating that if the court could see its way clear to placing the young man on parole under a suspended sentence that his father would endeavor to make restitution of all money secured on the forged checks, pay the costs, etc. When questioned by the court young Wolford stated that he was twenty-eight years old and had lived in Bellefonte about four years, coming here with his parents from the vicinity of State College. He stated that he was an electrician and had been engaged in contract work before he got into trouble. When asked by the court how much money he had received on forged checks he stated in the neighborhood of \$1,200, and that almost the entire sum had been spent in gambling.

Before pronouncing sentence the court stated that notwithstanding the feeling of sympathy he had for the young man's family he was not disposed to show leniency to men who took such illegal methods to get money to gratify their whims; and that it was his intention to protect banks and business places against such individuals. He then sentenced Wolford to pay a fine of one dollar, costs of prosecution and undergo imprisonment in the western penitentiary for not less than two years nor more than three.

### More Ticket Sellers Wanted.

The ticket selling contest started last Saturday by the management of the big auto show to be held under the auspices of the Centre County Automobile Dealers' association, is progressing satisfactorily, but to make it more interesting more girls from all sections of the county should enter the race. All that is necessary is to write to W. C. Rowe, show manager, Bellefonte, signifying your desire to compete for the big cash prizes and tickets and instructions will be forwarded at once.

Forty-four cars, representing twenty-three of the standard manufacturers, have already been entered for the big show, which will be held in the armory March 7th, 8th, 9th and 10th. Other entries will likely bring the number up to fifty cars, at least.

—Large audiences were present in the opera house last Wednesday and Thursday evenings to witness the rendition of "Wi Hung's Tea House" by the High school glee club. The parts were all well acted and the play gave general satisfaction. The net receipts for the two performances tallied about three hundred dollars.

—Miss Catherine Hoy, one of the operators in the Commercial telephone exchange, was taken quite ill while at work last Friday and had to be taken home. Her many friends, however, will be glad to know that she is now almost completely recovered.

—If you want to enjoy a good chicken and waffle supper, go to the I. O. O. F. hall in Lemont on Wednesday evening, February 21st, between the hours of five and eight. The fact that it will be given by the young ladies of the Presbyterian church is assurance that it will be worth eating.

—Guernsey Rossman, the nineteen year old son of Mr. and Mrs. McClellan Rossman, of Stover's Station, near Tyrone, was seriously injured on Monday morning when a milk truck he was driving was struck by a trolley car at Orchard crossing, near Tyrone. The young man was taken to the Altoona hospital where it was feared he had sustained a slight fracture of the skull as well as an injured back and body lacerations and bruises. The Rossman family formerly lived near Pine Grove Mills and Centre county friends of the young man hope he may speedily recover.

### Mountain Memorial to Byron Foust Krumrine.

The Pennsylvania Alpine club is planning the erection and maintenance of a log cabin on Penn's creek, in the vicinity of Paddy mountain, as a memorial to Byron Foust Krumrine, the young newspaper man of Altoona, who lost his life by drowning in that locality less than a year ago. The hut will be located on State land and will be maintained at the expense of the Alpine club, the members of which are already planning to hold their next annual meeting there.

—The Bellefonte Academy basketball team played four games on its week-end trip away from home and while they were victorious in only one instance they have no cause to mourn their defeats, as in each case they practically played the team to a standstill. One of the teams which conquered the Academy five was the University of Pittsburgh Freshmen, who will be in Bellefonte for a return game this (Friday) evening. The contest will take place at 8:30 o'clock on the armory floor and basketball fans should be out in force as the Academy quintette will endeavor to get even. Tomorrow (Saturday) evening, at eight o'clock, the Academy will play the Westmont High, of Johnstown. This will also be a game worth seeing.

### State President of Mothers' Congress to Speak.

Mrs. Alice F. Kiernan was unable to be present at the regular Parent Teacher's meeting on Monday evening, but will be in Bellefonte on Tuesday, February 20th, at which time she will give an address to parents, in the community room of the Y. M. C. A., on the subject, "The Teen Age." Her position in connection with the Mothers' Congress and Parent Teacher's association enables her to speak with authority on this subject, and it is hoped that many parents will take advantage of the opportunity to discuss their problems of the teen age of their boys and girls at this time. All interested with work among young people in home, school or church life are invited to attend.

### Academy Football Dance.

The Academy mid-winter football dance will take place in the armory on Friday evening, February 23rd, from nine to one o'clock. The music will be furnished by Harmon's superb orchestra, from Williamsport. While the football dance has always been a great success in past years, the preparations for this dance exceed those of any previous year, and guarantee that it will be the most attractive and successful dance ever given by the Academy and that is saying a great deal. Be sure, all ye lovers of the dance to the accompaniment of entrancing music, to make no other engagements for February 23rd. This is a fixed number in the social program of Bellefonte and deserves the generous patronage of all society folk. A large number of the leading ladies of the town have agreed to act as patronesses. Tickets can be purchased at Montgomery's clothing store, or at Mott's drug store.

### Lincoln Day Observed by P. T. A.

The meeting of the Parent Teacher's association, held on Monday evening in the High school auditorium, had a distinctive Lincoln aspect and was enjoyed by the too small audience for such a program. Rev. Wilson P. Ard gave a sketch of the character of Lincoln and referred to the much-admired statue of Lincoln in Cincinnati by sculptor George Gray Barnard, who was born in Bellefonte. Betty Musser recited "My Captain," and J. Ross Aplin recited "Lincoln's Gettysburg Address." Dr. George P. Bible gave an address on the "Relation of Parents to the Schools." He gave many suggestions which were helpful in stimulating co-operation between the teachers and the parents in the education of the children. Mrs. Gregg Curtin, the first vice president, presided. The association voted to contribute \$50.00 of their funds toward the elimination of the amount due for the services of the nurse in the dental clinic conducted last fall in the schools.

## Report of the Tuberculosis Christmas Seal Sale in Bellefonte District.

The tuberculosis committee of the Bellefonte Woman's club has charge of the Christmas Seal sale in Bellefonte and the townships of Benner, Boggs, Burnside, Curtin, Halfmoon, Howard, Huston, Liberty, Marion, Patton, Snow Shoe, Spring, Taylor, Union, Walker, Worth. Since the money is secured from the public, the committee feels a report of the sale and ways in which it is spent may be of interest to the public and submits the following:

Sales and chairmen of the various districts:

Total sale	37,661
Snow Shoe, Mrs. Cordes Snyder	2,572
Millsburg, Miss Bessie Miles	1,500
Howard, Mrs. James Leathers	1,194
Unionville, Mrs. Alice Griest	724
Zion, Mr. John Zimmerman	690
Pleasant Gap, Mrs. T. Jodon	493
Coleville, Bush's Addition, Halfmoon Hill	103
Two Nittany Valley schools	225

County tuberculosis organizations retain eighty per cent. of the funds they raise for the local campaign against tuberculosis. The other twenty per cent. goes for the State and National work and for committees that do not have sufficient funds for such work.

Total money from Seal sale \$37,661  
Twenty per cent to State Society \$ 7,532  
Cost of Seals, posters and literature 14.90  
To be returned to communities in which Seal sale was conducted 61.96  
Miss Lyde Thomas for dental clinic 5.00  
\$38,161-102.27

### Expenditures since June, 1922:

Plus for Health Crusaders	\$ 14.31
Services of Health Clown	25.00
Transportation and aid to tuberculous patients	8.32
Supplies for health work in schools	9.22
Health films shown at Grangers picnic	7.70
Walter Camp's "Daily Dozen" records for grades in High school building	10.00
Two months' salary for dental hygienist	100.00
Room rent and office laundry for hygienist	25.95
Dental chair, sterilizer, instruments and supplies	93.03
Total expenditures	\$383.62
Deficit	\$154.28

It was hoped that enough money would be realized from the Seal sale to have the dental hygienist continue her work in the schools but it will be impossible. The health education work in the schools including the health clown, literature and movies will also, necessarily, be discontinued.

In 1919 the sale amounted to \$200.35; 1920, to \$389.06; in 1921, to \$287.37; in 1922, to \$286.30. As there are no paid workers on the tuberculosis committee, this entire amount of \$1168.08 plus the deficit of \$154.28 or \$1322.36 has been spent in educational health features in the schools of Bellefonte, a comparatively small amount going to outside districts. It is four years this month since the Women's club offered to introduce this work into the schools and feels gratified to know it was a pioneer, as many of the features are only now being introduced into schools elsewhere. It is to be regretted, however, that a hearty co-operation, financially, from other organizations or individuals has not enabled the committee to put on a permanent basis some of the very excellent work started. Through the efforts of the chairman, a State tuberculosis clinic has been opened here, the committee making itself responsible for one hundred dollars for rent of room. The problem of providing adequate care for advanced cases of tuberculosis will occupy the attention of the committee the coming year.

### Interesting Deer Killing Case.

While out after foxes on December 20th two well known hunters of Snow Shoe came across a badly injured deer. It was unable to move and bleating from pain and suffering and realizing that the animal would die, shot it to end its misery. The men then tried to get into communication with the state police to report the incident but before they could do so other parties who knew of the killing of the deer had made a report. The matter was brought to the attention of game protector Thomas Mosier, of Bellefonte, and he had the hunters arrested for killing a deer out of season.

They were given a hearing before Squire S. Kline Woodring, in Bellefonte, last Saturday evening and the evidence brought out substantiated the account of the killing as told above. The hunters did not profit in any way, as the deer was dressed and the venison distributed among the deserving poor of Snow Shoe and vicinity. The law requires that when an injured or crippled deer is found the fact must be reported to a state officer who will designate what to do with it. It is this technicality of the law that may result in the imposition of a fine of \$100 apiece and costs on the two hunters, although the justice has not yet rendered a decision but continued the hearing until today for the purpose of taking further testimony.

—The annual mid-winter meeting and dinner of the Centre county association in Philadelphia will be held on Saturday evening, February 24th, at 7 o'clock, in the Young Friends' Association building, on the northwest corner of Fifteenth and Cherry streets, Philadelphia. Members can materially aid the committee by sending their subscriptions (\$2.00 per plate) promptly to Dr. S. Gray Matern, treasurer. All Centre countyans residing or visiting in or about Philadelphia are most welcome to attend and take their friends, whether they receive an invitation or not. Good music will be furnished for dancing.

—Good newspaper men are born, not made, and that is probably the reason why editor Karl Reed Bierly, of the Brookville Republican, rejoiced over the arrival of another son in his little family on Tuesday morning, February 6th. Editor Bierly is a son of Willis R. Bierly and was born at Rebersburg, Centre county. The "Watchman" editor made his acquaintance when he was called for service after the United States entered the world war. He came to Bellefonte to take the examination and brought with him his violin and we have no doubt took it along to camp with him. After the war was over he located in DuBois, but finally went to Brookville and became editor and manager of the Republican. He married a Brookville girl and now has two sons, thus keeping up the tradition of the average country newspaper man.
