Bellefonte Postoffice Has High Rating in Treasury Savings Certificates.

The Bellefonte postoffice hit a high mark in handling the United States treasury savings certificates during 1922, according to advices received from the savings division, Third Federal Reserve district. Of the estimated total of \$160,000,000 for the country, Bellefonte is credited with more than \$206,750, maturity value, treasury savings certificates placed in the hands of Centre countians.

"This surely reflects the integrity and thrift of your people," writes savings director George E. Lloyd to postmaster John L. Knisely and W. Harri- Burial was made at Decatur. Y. M. C. A. Notes.

Trainer Sarson, who has charge of the wrestling class, is much encouraged with the progress some of the boys are making and is planning to meet the boys on the mat Friday evening from 7 to 8, as well as Monday evening from 7:30 to 8:30, classes to start this week. Among those in training are Bullock, Ichkowitz, Shultz, Little, Bailey, Searson, Sones and several new members are enheld towards the latter part of March. HI-Y. CLUBS.

A number of the student members BRYAN.—James Monroe Bryan met with men from State College per and conference relative to organizing chapters of the Hi-Y. clubs. The work will be promoted by State College students who have been officers in Hi-Y. clubs in their home towns.

NEW GYM SCHEDULE. With the coming of spring and ending of the basket-ball season there will be a slight change in the gymnasium schedule for the boys. On Tuesday and Friday afternoons coach will train our boys for an in-door athletic meet to be held shortly. Boys will be graded in weight classes and compete for honors.

Evangelical Church Appointments.

The annual conference of the United Evangelical church came to an end at York, on Tuesday, with the announcement of the various appointments. Those for Centre county are as follows:

Bellefonte-Reed O. Steely. Howard-F. F. Mayer. Nittany-Jacob Lang. State College-Paul E. Keene. Sugar Valley-H. P. Maneval. Centre Hall-J. F. Bingman. Millheim-C. B. Snyder. Rebersburg-M. A. Herman. Spring Mills-E. E. Haney. Zion-A. J. Chamberlain.

The Music Club.

Do not forget the concert in the Presbyterian chapel Monday evening, March 12th, at 8:15 o'clock. Program, State College orchestra assisted by Mrs. Packenham, member of the Royal Academy of London, England, and Miss Mary Kestler, of Millheim. All are invited. A collection will be taken to defer current expenses. There will be no meeting of the club on the following Friday evening.

Floyd Smith Electrocuted.

Floyd E. Smith's long drawn out fight for his life ended on Monday morning when he was sent to the death chair for the murder of his wife's three weeks' old child, a crime committed almost three years ago. Smith had virtually lived within the shadow of the chair for a year and five months, ever since he was brought to the death house from Bradford county on October 1st, 1921. At that time a respite was granted only a few hours before he was to have been sent to the chair, and ever since he has occupied a cell in the death house and has seen and heard a number of condemned men enter only to pass out by way of the electric chair.

But through it all he never lost hope and always maintained confidence in the belief that he would in some way escape treading the same path. Even as late as Sunday, when every known avenue of escape was closed, he still expressed a belief that something would happen to save his life, but such did not prove to be the case and on Monday morning he was compelled to pay the penalty exacted by law.

Maintaining his innocence of intentional murder he went to the death chair with apparent composure. He was accompanied by the prison chaplain, Rev. George L. Courtney and at 7:08 o'clock the first contact was pronounced dead by Dr. Robert M.

Campbell, the penitentiary physician. Smith was from Bradford county and the crime for which he was electrocuted was committed in April, 1920. He was tried, convicted and sentenced to death in February, 1921, and the first date for his electrocution was October 3rd, 1921. Since that time he had been granted seven respites and his case was carried to the Supreme court twice and been up before the board of pardons two times. Before he was elected United States Senator George Wharton Pepper was active in Smith's behalf.

SMITH'S FAREWELL LETTER.

Smith, it is said, spent a good part of Sunday writing last letters to friends, one of which was to Rev. T. W. Young, who as chaplain of the penwas an inmate of the death house, visited him almost daily and through his association had ample opportunity to ing. They were instructed to do so. judge of the man's character. The letter follows:

Rev. T. W. Young, Bellefonte. My Dear Brother, Mr. Young. I am

so sorry this will be my last letter I will ever write to you, but I am sure some day we will meet in that beauti-ful home God has prepared for us all Bellefonte, died at her home in Ayer, that trust in Him. I am going to Mass., on February 22nd, aged eighty- meet my God with a clear conscience, immediate survivor is one sister, Miss girl, that is calling for me where all this expense. A motion was passed innocent man of intent murder from the electric chair. I am also sending you a little token to remember me by. It's a picture of myself and my dear wife I will be with soon. Good bye till we meet again in Heaven.

May God bless you, a prayer from Brother. M. FLOYD SMITH.

P. S .- No, I never made any threat against my wife Ruth since I knew her: I have no cause to.

Of Interest to County School Directors

The directors of the various school districts in Centre county should be vitally interested in what is going on in Harrisburg in relation to the basis upon which it is proposed to place future distribution of State funds.

At present the basis of distribution is on the population of the district. The fact that the sparsely populated rural districts have not, under this system, received as large a percentage. of money as the more densely populated ones, when they actually needed it more, has appeared inequitable and it is now proposed to make the allotments on the basis of the assessed valuation of all property in the district.

The modifications of the Edmonds act proposed would provide for five classes of school districts, instead of four, as at present. On the basis of the taxable valuation of each of the five classes of districts, computed on actual figures, the valuation per teacher and the percentage of minimum salaries allowed by the State would be as follows:

Valuation per teacher ries allowed \$50,000 or less -\$51,000 to \$150,000 \$151,000 to \$200,000 \$201,000 to \$300,000 \$801,000 or above

----When you come to Bellefonte this evening and tomorrow to see the big auto show don't forget to visit the Scenic and see the wonderful motion row afternoon. Scenic pictures always appeal to the motion picture fans, because they are especially selected by manager T. Clayton Brown lows: on their merit alone, and are the best obtainable.

Miscellaneous Business Transacted by Borough Council.

Seven members were present at the Monday evening. A written statement was received from Leonard A. Breon, of west Beaver street, stating that complaint has been made about him leaving his car stand on the street in front of his house, the complainant claiming that he blocked the roadway. Mr. Breon stated that the street is not the proper width and asked that it be made wider. The mater was referred to the Street committee.

The Deitrick-Dunlap Cadillac company presented a written permission from the Public Service Commission for the installation of a new tank and two gasoline pumps at their garage picked the switch and the ponderous on the corner of Bishop and Allegheny streets. The matter was referred to the Street committee.

The Street committee reported repairs to the Howard street sewer. The Water committee reported the collection of \$20.00 on the 1921 water

The Fire and Police committee presented the burgess' check for \$170.00 in shape, and it was almost five when for license fees. The question of keeping vagrants over night was again brought up when Mr. Flack stated that the old lock-up could be repaired at an estimated cost of \$100. Reference to the auditor's statement showed that it cost but \$54.50 last bury light, as the engine was sent to made. Nine minutes later Smith was year for the keeping of vagrants in the shop for some minor repairs. the county jail, and after considerable discussion the Fire and Police committee was authorized to use their judgment and keep such people wherever it was most economical.

> The Finance committee presented the report of the borough treasurer which showed a balance in bank on March 5th of \$15,482.94. The treasurer also asked for the renewal of eight notes totalling \$34,630, which was authorized.

The Special committee reported that burgess W. Harrison Walker and councilmen Thomas Hazel and Darius Waite attended the convention of boroughs held in Harrisburg two weeks ago, and Mr. Waite made a brief re- holders of the Sutton-Abramsen Engiport of the work of the convention.

The Water committee reported that the pumping station building at the place, Monday evening, March 12th, at itentiary for many weeks while Smith | big spring is badly in need of repairs and requested permission to get bids on the work and report at next meet-

Mr. Flack reported that the Fire and Police committee had granted the Undine Fire company permission to take their steamer to Lock Haven to help pump water out of the flooded cellars.

Mr. Flack also stated to council that the fire companies have each been paying a man five dollars a month to keep the pumpers cleaned and in shape and they felt that council should bear the good people go that trust and accepting the responsibility. Mr. Em- ed up all week suffering with grip. Mrs. E. C. Tuten and son Tirrill went believe in our Lord Jesus Christ. Engine 408 Jumped the Track.

"Trains late" have grown to be an old song and story in Bellefonte soregular meeting of borough council on that few people expect anything different. Such was the condition last. Saturday morning when all the trains reached Bellefonte at or about ten o'clock. The morning train from Lock Haven to Tyrone was standing on the main line track waiting to get the transfer passengers, mail and express from the Lewisburg train while the train from Tyrone was waiting to get onto the block.

As the Lewisburg train hove in sight engineer William McCollum was given the signal to come in, the switch having been set for the eastern track, but the pony wheels on old 408pile of metal ran off the track at the north end of the bridge over Spring creek. The train was stopped within eighty feet but the locomotive was socompletely derailed that it was necessary to call the P. & E. work train to Bellefonte to put it back on the track. It was almost four o'clock before theengine was replaced and the track put the Lewisburg train, with another engine sent here from Sunbury, pulled out on the return trip to Sunbury. Fortunately no person was hurt and the damage comparatively trivial. Old 408, however, was run back to Sun-
