-A card party of progressive five DEALERS PLEASED WITH AUTO SHOW.

> Quite a Number of Cars Sold and Many Prospects in Sight.

The second annual auto show of the Centre County Automobile Dealers' associtioon closed on Saturday night with the largest attendance of the week. During the four days of the show there were a few over fifteen hundred paid admissions, which was a little ahead of the attendance during the five days of the show last year. In this respect the show was a suc-

cess. The number of cars sold by the various dealers is estimated at from twenty to twenty-five, though the number may be even greater as most of the dealers were reluctant about giving exact figures. Every one of them, however, admitted that they had booked many prospects. One dealer who was candid enough to admit that he had made only one sale stated that he had more good prospects in view than he booked at both the previous shows held in the armoited with making eight sales as the result of the show.
