Round Table Conference.

The spring session of the Central Pennsylvania round table conference of superintendants and principals will be held at Lock Haven, on Friday and Saturday, April 6th and 7th. The Friday afternoon and evening sessions will be held in the Normal school chapel and the Saturday forenoon session in the High school auditorium.

The conference will be in the nature of a round table discussion, no formal speeches being scheduled, and thus affording any one attending a full opportunity to call for the discussion of any question or problem on the program.

The conference includes the superintendents, principals and teachers in eleven counties of the central and schools, Lock Haven; secretary, Geo. kenbach in their car. E. Zerfass, superintendent of schools, Clearfield. Members and visitors to ily moved into the hotel at Millheim. mon by the pastor. Them of Waiting 'On the Lord.' E. of Bellefonte and for that reason he the late Washington F. Wieland, died would like to know as soon as possible at her home near State College on The question was referred to the Special committee to ascertain what action the borough solicitor had taken relative to the old franchise and report at the next meeting.

Borough manager J. D. Seibert reported that residents of east High as soon as the sewer is completed. which will naturally assure the putting down of the sewer.

Mr. Seibert also reported that he has secured prices on four inch pipe in anticipation of any action council may take regarding the extension of water service to Coleville and the best price he can get is 72 cents a foot.

Bills to the amount of \$566.79 were approved for payment after which council adjourned.

Parent-Teacher's Association Meeting.

The April meeting of the Parent-Teacher's association will be held in the high school auditorium at 8 and in addition to the regular business, Dr. J. Bruce McCreary, M. D., associate chief medical director of the State Department of Health, will speak on the subject, "Diphtheria-Its Prevention and Control." Dr. McCreary has been secured by Dr. J. L. Seibert and information in regard to contagious diseases is quite opportune at this time, owing to the prevalence of contagious and infectious diseases of children. The general public is invited to attend this meeting, regardless of membership in the association or children attending school, as the State Department is desirous of giving this information to as large a number as possible. A number of visiting doctors from Centre county are expected to be present.
