## UNIQUE SPOT IN BARRENS CUT OFF FROM WORLD.

### Abandonment of Scotia Branch Recalls Many Interesting Incidents.

The May 15th issue of the Pennsylvania News, the official organ of the eastern region of the Pennsylvania railroad, contains the following items of interest:

Due to cessation of activities in the iron ore and lumber industries, the Scotia branch of the Tyrone division, consisting of about five miles of track between Fairbrook and Scotia, has been abandoned.

Years ago when the late Andrew Carnegie operated the Scotia ore mines, and later when the operations were in charge of the late Henry C. Valentine and the late William Burnside, the little town of Scotia was one of the busiest spots in Central Pennsylvania.

I was while Carnegie was operating at Scotia that he picked up Dan Clemson, later transferring him to Pittsburgh and making him one of the "forty millionaires" of the Carnegie Steel operations when they became the chief unit of the United States Steel Corporation.

In the old days the Scotia mines produced sufficient ore to warrant both the Pennsylvania and the Bellefonte Central railroads operating a daily schedule of trains from that point. But the mines eventually played out and the old time activity there ceased to exist. Lumbering yielded a certain amount of railroad traffic for a time but finally this too, proved insufficient to warrant regular schedules.

Quite a number of the older families retained their homes at Scotia, but the majority removed to other sections.

In some respects Scotia, even in the old days, was one of the most unique places to be found anywhere. The town had no elective officials of any kind, not even a policeman, and apparently none were needed. This was because the people there were of the best type in the world, peace-loving, law-abiding, splendid Christian citizens.

The abandonment of the Scotia Branch cuts off one of Tyrone Division's oldest and most interesting landmarks.

Sam Campbell, who is now the watchman on the High street crossing of the P. R. R., in this place, was pumpman at the Snow Shoe Intersection water tank before his transfer.

The annual outdoor track and field meet of the Eastern region of the Pennsylvania railroad will be held in Tyrone on September 8th. These athletic gatherings of railroad workers are growing to great proportions and the Tyrone meet is likely to be participated in by hundreds of contestants.

## Order of DeMolay to be Instituted on May 28th.

The Penn-Centre chapter of the order of DeMolay will be formally instituted in the opera house, Bellefonte, on the evening of May 28th, and as this will be the first chapter in the State between Pittsburgh and Philadelphia it will be made the occasion of quite a gathering of Knights Templar and members of the Masonic order. Invitations have been sent to the Commanderies at Lock Haven, Williamsport, Philipsburg, Altoona, Huntingdon and Lewistown. Ralph Rhinehart of Pittsburgh, right eminent grand commander of the Knights Templar in Pennsylvania, will be present and officially assist in the institution, while the team work will be performed by members of Constans Commandery of Bellefonte, under whose auspices the new chapter has been organized.

A special dispensation has been granted permitting a public appearance of all Knights in full uniform and prior to the institution ceremonies there will be a street parade of Knights and the young candidates for membership in the new chapter, under escort of Wetzler's band, of Milesburg. Upwards of one hundred young men have so far been enrolled as applicants for membership in the organization.

Harrisburg Tech won the big interscholastic track and field meet held at State College on Saturday with a total of 36 points; Altoona was second with 24 points, Williamsport third with 22 and Johnstown fourth with 21. Teams from sixteen high schools competed and most of the events were pulled off in a steady downpour of rain.

GRIMM.—Two weeks ago the "Watchman" published a brief notice of the death of Mrs. George Grimm, for a number of years a resident of Bellefonte, which occurred at her home at North Tonawanda, New York, on May 2nd. Mrs. Grimm suffered an attack of the grip on April 15th, and nine days later she developed a serious case of pleuro-pneumonia. Every possible effort was made to combat the disease but without avail and she passed away on May 2nd.

Her maiden name was Miss Ernestine M. Smith, a daughter of Christopher W. and Mary Smith, and she was born in Mielhausen, Germany, on July 3rd, 1864, hence was in her fifty-ninth year. Her parents and family came to this country when she was a year old and located in Rochester, Pa. It was at that place she was married in 1887 to George S. Grimm and they at once located at Homestead. The family came to Bellefonte in June, 1899, but in March of the following year went to Columbus, Ohio. In May, 1902, they returned to Bellefonte and lived here ten years, during which time they made many friends. After leaving Bellefonte they were located respectively at Punksutawney, Saxton, Macuncie and North Tonawanda, going to the latter place in 1916.

Mrs. Grimm is survived by her husband and two daughters, Mrs. Joseph F. Winslow, of North Tonawanda, and Mrs. John D. Kistner, of Milton, as well as four grandchildren. She was one of a family of nine children, and the first to pass away, but the day following her burial her brother, John W. Smith, passed away at his home in Fairmont, W. Va., following a brief illness with lobar pneumonia.

Mrs. Grimm was buried at Beaver, Pa., on May 4th and her brother was laid to rest in the same cemetery on May 7th.

HUDSON.—Mrs. Susan Harpster Hudson, widow of the late Robert Hudson, of Philipsburg, died at her home in that place last Friday afternoon, following a prolonged illness.

She was a daughter of Mr. and Mrs. David Harpster and was born at Gatesburg, this county, on October 17th, 1840, hence was in her eighty-third year. On Christmas day, 1867, she married Mr. Hudson and they took up their residence in Philipsburg, which had been her home ever since. She was a member of the Methodist church since girlhood, an active worker in the W. C. T. U., and a member of Sheridan circle ladies of the G. A. R.

Her husband passed away in September, 1921, but surviving her are four children, Mrs. Clarence C. French, of Erie; Stanley, of Altoona; Charles and Jesse, of Philipsburg. She also leaves two sisters, Mrs. Maria Reed, of Pine Grove Mills, and Mrs. Sarah Ammerman, of Curwensville. Rev. R. S. Oyler had charge of the funeral services which were held at her late home at 2:30 o'clock on Monday afternoon, burial being made in the Philipsburg cemetery.

BARTGES.—Mrs. Laura May Bartges, widow of Franklin H. Bartges, of Penn township, died at the Geisinger hospital, Danville, last Saturday, following an illness of some months with heart trouble. Her maiden name was Laura Meyer and she was born in Haines township on October 16th, 1868, making her age 54 years, 6 months and 26 days. In early life she united with the Reformed church at Aaronsburg but later transferred her membership to the church at Coburn.

On November 23rd, 1893, she married Franklin H. Bartges, who died in December, 1909. Surviving her, however, are five sons, Calvin N., Daniel W., Ray M., Paul F., and Jacob W. Funeral services were held in the Reformed church at Coburn at ten o'clock on Wednesday morning by Rev. John S. Hollenbach, after which burial was made in the Fairview cemetery at Millheim.

MYERS.—Paul M. Myers, a retired farmer, died at his home in Philipsburg on Saturday morning as the result of a stroke of paralysis sustained early in the week.

He was a son of John and Sallie Duke Myers and was born in Buffalo Run valley seventy-eight years ago. In 1875 he married Miss Matilda Hunter and most of their wedded life was spent on a farm in Bald Eagle valley. About fifteen years ago he quit the farm and moved to Philipsburg. He is survived by his wife and seven children, his being the first death in the family circle. Burial was made in the Philipsburg cemetery on Tuesday afternoon.

BURRIS.—Mrs. Viola Burris, wife of Harry Burris, of Potter township, died in the Bellefonte hospital Saturday morning, a victim of uric acid poisoning. She was a daughter of Mr. and Mrs. Jacob Sharer and was born in Potter township a little over twenty-six years ago. In addition to her husband she is survived by a foster daughter, Sarah P. Burris; her parents, one sister and three brothers, namely: Maybelle W., Jacob Jr. and Franklin, at home, and Ray, of Centre Hall. Funeral services were held on Tuesday morning, burial being made in the Centre Hall cemetery.

SHILLINGS.—Mrs. Margaret Gilmore Shillings died on Wednesday morning at the home of her son, Frank Shillings, on east Howard street, following a lingering illness with a complication of diseases. She was a daughter of William and Jane Gilmore and was born in Ireland seventy-nine years ago. Her only survivor is her son Frank. Funeral services will be held this (Friday) morning, burial to be made in the Union cemetery.

HOUCK.—Frank B. Houck, son of Rev. W. A. Houck, for a number of years pastor of the Methodist church in Bellefonte, died in the Misericordia hospital, in Philadelphia, on May 7th, following a short illness. He was about forty years of age. During the world war he trained at the officers' training school at Fort Niagara, later being transferred to Camp Meade and subsequently sent overseas. His mother passed away in March, 1922, but surviving him are his father, living at Carlisle, four sisters and two brothers, namely: Mrs. William D. Hildrup and Mrs. Henry M. Stine, both of Harrisburg; Countess Bocchi Binanchi, of Florence, Italy; Mrs. William Morris, of St. Joseph, Mo.; Charles D. Houck, of Hazleton, and Herbert F., of Carlisle. Burial was made at Carlisle.

—The body of Mrs. Rebecca Stewart, a native of Centre county, who died at the home of her daughter, Mrs. E. H. Heverly, of San Diego, Cal., on December 5th, 1922, will be brought to Bellefonte tomorrow for interment in the Union cemetery. At the time of her death Mrs. Stewart's body was placed in a receiving vault. She was the widow of the late William Stewart, of Axe Mann, who died seven years ago. She was aged eighty-three years. Only one daughter survives.

## Meeting of the Conservation Council Next Week.

At the annual meeting of the State Conservation Council to be held May 24th and 25th at State College, representatives of hard and soft coal operations, paper and pulp companies, tanneries, distillation plants, and other industries will present their side of the pollution of streams as well as many well known conservationists.

A long distance rifle and clay pigeon shoot will be held at 2 p. m. on Thursday, May 24th, for the State-County championship.

The first meeting of the Conservation Council will be held at 6 p. m., on Thursday, May 24th, at which time Major R. Y. Stuart, State Forestry commissioner; N. R. Buller, State Commissioner of Fisheries; Seth E. Gordon, secretary State Game commission; Dr. T. E. Finegan, Superintendent of Public Instruction; Dr. B. H. Warren, chairman of the state committee on stream pollution, and representatives of industries will address the Council.

On Friday, at 9 a. m., the state committees on forestry, fish, game, songbirds and wild flowers will hold their meetings, and at 10 a. m., the state stream pollution committee. At 11 a. m., will be held the general meeting of the State Conservation Council at which time directors and officers for the ensuing year will be elected. Resolutions presented by the state committees or from the floor will be considered.

At 1 p. m. a conservation dinner will be served. The meetings and conservation dinner will be open to the public.

The directors of the State Conservation Council believe that only by a free and full discussion from many angles can a solution of some of these important subjects be reached.

## Pine Grove Mills Girl Becomes Singer.

Mrs. Sarah Groff, dramatic soprano, of Pittsburgh, who was formerly Miss Sarah Kepler, of Pine Grove Mills, gave a part of the musical program at the monthly meeting of the Women's community club of Berwyn, Maryland, which was held at the residence of Dr. W. Allen Griffith, May 7th, and presided over by Mrs. Groff's sister, Mrs. Devoe Meade, wife of Professor Devoe Meade, of the University of Maryland.

Mrs. Groff is the holder of a scholarship at the Cincinnati Conservatory of music. The selections rendered were "Will o' the Wisp," "Lonely," and a group of German songs, her interpretation of "Die Larke" (Rubenstein) and "Das Steckenpferd" being exceedingly good. Her accompaniment was played by Miss Leonora Jones, Bachelor of Music, Wesleyan College, Macon, Ga., who also rendered "Polonaise A Major," by Chopin.

On this occasion Miss Wilmuth Gary, musical composer of Washington, dedicated her recent composition "Wouldn't You," to Mrs. Groff as an expression of her appreciation of her accomplishments. Miss Gary's compositions won the \$10,000 prize at the Chicago World's fair, and she also has the distinction of being the composer of music selected for fifty of the bands which are to be in attendance at the Shriners' convention to be held in Washington the first week in June.

Mrs. Paul Anderson, of Washington, also added to the pleasure of the occasion by rendering La Serenata (Tosti) "I Love You Little Girl" (Wilmuth Gary). Mrs. Anderson is recording secretary of the D. A. R. Councillor of the French Order of Lafayette, and a member of the Arts club of Washington. Her singing has been a source of inspiration to the disabled soldiers at Walter Reed hospital, and she has thrilled many audiences at the Belasco theatre.

Mrs. Heber Votaw, sister of President Harding, was the speaker of the afternoon, her subject being on the principles of right living. Mrs. Votaw is engaged in welfare work in Washington, and she condemned the dancing craze which has recently broken out.

## World Missions Meetings in Bellefonte

Centre county is to be the center of an interesting experiment in which the protestant denominations will cooperate when the world missions' conferences will be held in the county June 17th and 18th. This conference will be held under the direction of the foreign missions committee of North America, which represents all the different denominational mission boards, and of a local committee of county ministers.

This is a new and forward step in the matter of co-operation and the experiment is being watched with a great deal of interest. The plan is to hold meetings in every church in the county on Sunday and to have as speakers men of splendid qualifications and well versed in the missionary work. Additional meetings for men and women will be held Monday in Bellefonte, State College and Spring Mills, when other speakers of national reputation will address the audiences. There will be no appeal for money, and the object of the meetings is to arouse enthusiasm in foreign mission work.

During the past year this conference method has been tried out by the committee in many of the cities of our country, starting first in Schenectady, and the results were more than gratifying. Great crowds thronged to hear the speakers and many overflow meetings were held. It was a new step toward a denominational co-operation. This plan as outlined for Centre county will be the first attempt at putting on the program in a rural community and it will be watched by religious leaders all over the country with much interest.

When the conference was held in Reading, the "Herald-Telegram" of that city stated in an editorial: "A wonderful thing is about to happen to Reading. That is a missionary assemblage at which 65 distinct churches will be represented, and where fully a dozen denominations will commingle. \* \* \* With 65 churches concentrating their attention upon one missionary purpose, with a zeal to listen, a readiness to learn, a spirit to follow even to the uttermost parts of the earth, if the 65 churches of the town will come together in a cordial unity of purpose, concentrating heartily upon one goal and one aim, one message, one method, that will be a real harbinger of actual millennium." It might be noted that the conference at Reading was a mighty success, as it has been in over a score of American cities where tried.

Whether or not it will be successful in a rural section remains to be seen, and Centre county has been chosen as a test county. This means that the protestant churches of this section now have a unique opportunity. If the series of meetings to be held in June can be made entirely successful Centre county will have the distinction of launching a movement which in all probability will spread throughout the rural sections of the entire country. Detailed announcement will be made later regarding speakers, time and place of meetings, and other general plans.

## Daily Vacation Bible School for Bellefonte.

Bellefonte will this year have a daily vacation Bible school starting Monday, June 18th, and continuing until July 12th. Classes will be conducted from 9 a. m. until 11:30, and will be open for any child of the community between the ages of 6 and 11. This movement is in accord with similar undertakings in over 5000 communities in the United States. The feeling has been growing that the Sunday school instruction of not more than twenty-five full hours in a year should be supplemented by a course of religious training during a part of the vacation period. For that reason this project is being fostered by the Bellefonte Ministerium and it is proposed to enlist the best teachers of the community to direct the various grades and handle the different subjects in the curriculum.

The study will center around the person of Christ's missionary stories, and Bible stories will be told in an interesting manner; some of the beautiful passages of the Bible will be memorized, and there will also be periods for singing, drawing and games.

## Special Musical Service.

## District Sabbath School Convention.

The sixteenth annual convention of the Centre County Sabbath School association will be held in the Presbyterian church at Lemont on Tuesday, May 22nd.

The session will open at two o'clock in the afternoon and there will also be an evening session. Mr. Walter E. Meyer, of Erie, who succeeded Mr. Landis as state secretary, will be present at both sessions and address the convention.

Free luncheon will be served in the church to all who attend.

## GREATEST SHOW ON EARTH COMING TO ALTOONA.

### World's Ten Times Biggest Circus—Ringling Bros. and Barnum & Bailey Headed This Way.

The world's one big circus—Ringling Brothers and Barnum & Bailey combined—draws nearer and on its hundred cars will come "ten thousand wonders" to exhibit in Altoona, Thursday, May 24th.

World toured and world conquering this truly greatest show on earth is now fully a third larger than it was when it last visited that locality.

In addition to the many innovations offered then, the present season's program numbers ten more trained wild-animal displays—making thirty in all—and the most superb trained horse acts that Europe has yet produced. The wild-animal and equine displays of the past were introduced merely that the Ringling Brothers might judge of their popularity. So enthusiastically were these numbers received that the famous showmen immediately arranged for the purchase of the world's finest acts of this kind. An entire equine circus was bought outright and brought to this country last winter. And while the Ringling Brothers and Barnum & Bailey agents were securing this and the trained tiger, polar bear, lion, leopard and jaguar groups, they had orders to engage the foremost men and women performers of the European capitals. And these stars from city and jungle are all to be seen with this wonder circus of 1923. More than 700 men and women, embracing the world's foremost arenic stars take part. These artists include the very biggest acts ranging from extensive companies of foreign performers to the amazing English family of Nelsons—positively one family consisting of father, mother, six daughters and one son. And this group of world-famous acrobats but illustrates the remarkable scope of the human side of this great circus. There are 100 clowns. Aside from the ferocious beasts, the program includes forty trained elephants. There are five companies of trained seals, many dogs, bears, monkeys, pigs and pigeons. Added for good measure is the mammoth menagerie of more than 1,000 animals. It is the biggest circus program the world has ever seen, given under the largest tent.

High School Commencement at Pleasant Gap.

The annual commencement exercises of the Pleasant Gap High school will be held in the Methodist church at that place on Friday evening, June 1st, at eight o'clock. Following is the program:

## Bowlers Reunion Next Week.

On Tuesday evening, at the Y. M. C. A. alleys, the bowlers of the league and their friends will have a night of fun in the competition for prizes for individual honors. Contests for the "lefties" high score, high average, most successive strikes, and booby prizes will be awarded. The challenge cup won by the American Legion again this year will be re-awarded and speeches made. The events will commence at 7 o'clock and continue until 10. The alleys have been well patronized these cool evenings and some of the enthusiasts claim that they will keep it up during the summer.

Garbrick—Aikey.—Fred Garbrick, son of Mr. and Mrs. Charles Garbrick, and Miss Pearl Aikey, youngest daughter of Mr. and Mrs. Toner Aikey, were married in Cumberland, Md., on Monday. They returned home on Tuesday evening and were met at the train by a crowd of young friends who gave them a real, old-fashioned "ride about town" and serenade.

Allison—Harter.—J. I. Austin Allison, of Philadelphia, and Miss Rosetta May Harter, of Howard, were married at the Reformed parsonage in Bellefonte at noon last Saturday, by the pastor, Rev. Dr. Ambrose M. Schmidt. The young couple will make their home in Philadelphia where Mr. Allison holds a good position.

—The Walter L. Main circus, which exhibited in Bellefonte on Monday of last week, had a thrilling experience in Lewisburg where they appeared on Tuesday. The afternoon performance was about half over when the hard storm of that day struck Lewisburg. Five thousand people were in the big tent and the wind was so terrific that the show officials feared the collapse of the big top. With the band playing, the performers sticking to the rings and the clowns cautioning coolness the big crowd of men, screaming women and hysterical children were herded out of the tent in safety and not an accident occurred. Fortunately the big top held but the heavy downpour of rain and hail put a stop to any further performance for the day.

—Save and have. Invest \$10.00 monthly in Centre Building and Loan Assn., and in about 132 months it will grow to \$2000.00. 20-1t

### An Unlucky Man Always Overlooks Great Opportunities.

Some people are born pessimists and are always looking for trouble. Optimists are always happy because they have been vision and are always ready to take advantage of opportunities.

Scientists claim that pessimism in the majority of cases, is due to strained vision.

If you want to be an optimist and see the beauties of nature consult me.
