### CAME IN JOHNNY'S ABSENCE

Small Boy Had Been Expecting That Baby, and It Arrived While He Was Visiting.

Johnny's parents lived in the country. He was the only child, and being too young to attend school, got very lonely.

He often expressed the wish for a baby brother, and, hearing of the arrival of a new baby at his aunt's, indignantly demanded why the baby had not been left at his house.

His mother told him it was because his aunt had more clothes for the baby than she had, as most of his baby clothes were worn out, but promised him to be prepared and, when the doctor had another baby to leave in their neighborhood, he would leave it at their house. Several weeks passed, and Johnny's father took him to his grandmother's to spend the day. Toward evening his grandmother told him that his father wished to speak to him on the phone.

After talking a few minutes Johnny dropped the receiver and cried excitedly: "It's come! I've got a baby brother! We had the most clothes, so the doctor left it at our house. I've been expecting that baby for a long time, and the first time I go visiting, here it comes."—Indianapolis News.

### A Better Job.

"Do you take me for a natural-born fool?" exclaimed the quarrelsome passenger to the mild man who had contradicted him.

"I did, yes," replied the mild man.

"Well, I'll let you know that I'm not!" cried the speaker.

"Then I congratulate you," said the other calmly, "for if you did the job yourself you've got nature beat to a standstill."—Boston Evening Transcript

### Key Chain That Stretches.

There are times when the user of a key ring and chain wishes the chain were longer. With one such as this, those wishes will come true, for the chain is made of coiled piano wire and will stretch a considerable distance.—M. E. Hunting in Scientific American.

THURSDAY, JUNE 7: KATHRYN MacDONALD in "THE REFUGE," her greatest picture, being a story of adventures of a young girl in a small European kingdom, with a mystery of a veiled woman that helps along the interest in this fine production. Also, Pathe News and Review.

FRIDAY, JUNE 8: MAHLON HAMILTON, in "THE MIDNIGHT GUEST," is a drama of a girl crook's reformation, something on the nature of Stockton's "The Lady or the Tiger" book, and is interesting as the tale unfolds. Also, the seventh episode of "THE OREGON TRAIL."
