We just stumbled into a sur-prise birthday party at the home of Dr. Gliffen where we also met Dr. Neff, who was with Dewey at the battle of Manilla Bay. In brief, our trip was a most delightful one from start to finish. One of the features of the G. A. R. encampment was the parade of Civil war veterans. The ranks of the old veterans were very thin but world war veterans and other mili-tary organizations made the parade quite large and noteworthy. A military pageant proved very thrilling and realistic. The guests were entertained on two automobile rides to various places near Greensburg. The encampment will be held at Wilkes-Barre in 1924.

Milton Furey and wife. The cherry crop in our community is about an average crop. Plums are about 3 of a crop, but apples will scarcely reach one-third of a crop; a number of trees don't have a sign of fruit. Other localities may make up our shortage.

Consumption and not production makes the demand for an article; and this being true, it should be increased, and the best way to increase consumption is to make prices low. Unfortunately our business men in many instances disregard this tip.

It is the very life of some people to talk, and when you encounter such, it is best to let them rattle away and permit them thus to entertain themselves, for if you undertake to talk yourself, you destroy their pleasure, and add none to your own.

Not Due to Sex Alone

Bellefonte Women Have Learned the Cause of Many Mysterious Pains and Aches.

Many women have come to know that sex isn't the reason for all backaches, dizzy headaches and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat spar-ingly, and take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well recommended by Bellefonte people. Ask

your neighbor!

A certain class making shoes, another clothing, etc., and another transporting these to market, and still another practicing medicine, etc., this is what we call society, or in other words society is produced by our wants. Now if in all this intercourse with society is produced. with each other, men were perfectly honest, nothing but peace, harmony and prosperity could result. But men will not be thus honest, and governments are against the dishonest, the weak against the strong.
