Fire in Outside Toilet Proves Disaster.

An outside toilet at the home of Elmer Bryan, near Milesburg, caught fire shortly before eleven o'clock on Wednesday morning and before the flames were extinguished they had consumed Mr. Bryan's garage and the small barns on the properties of John Shultz and Fred Dyke. In Bryan's garage was an almost new Ford car belonging to his son-in-law, Joseph Fisher, which was also burned. Neither of the barns had anything of consequence in them but they were good buildings and their destruction is considerable of a loss to the owners. The

Bellefonte fire department was appealed to for help and the Undines went down with their pumper, aiding materially in not only extinguishing the fire but in keeping the flames from spreading.

Notice.

I respectfully desire to inform my customers of the removal of my store from Allegheny street to the room on High street formerly occupied by D. I. Willard & Son.
