## Memorial Services Friday Afternoon for Late President.

Practically every business place in Bellefonte was closed last Friday afternoon as a mark of respect to the late President Harding, whose remains were laid to rest in the little cemetery at Marion. As previously announced, memorial services were held in the court house at three o'clock in the afternoon. Several hundred people ness. were in attendance. Judge Henry C. Quigley presided and paid a brief tribute to the dead.

In the absence of Col. J. L. Spangler his place on the program was very ably filled by Rev. David R. Evans. The principal speaker for the afternoon was Dr. John M. Thomas, president of The Pennsylvania State College. This was the first opportunity many Bellefonte people had of hearing him and his talk was a tribute worth hearing. In closing he stated that he had been a member of the National Republican convention which nominated Mr. Harding for President and aside from the political equation he now believes he was the best man that could have been chosen. He may not go down in history as one of the great Presidents, but any mistakes he may tre county; Jared D. and Charles F., have made were not of the heart, because all his energies were directed towards bringing peace to the world and prosperity to his beloved country.

Speaking of our new President, Calvin Coolidge, Dr. Thomas stated that it was his good fortune to be personally acquainted with the man who now occupies the presidential chair. That he has known him through all his public career and he feels confident that he will measure up to the full standard of the arduous duties that will fall upon him. In fact, the Doctor said, he believes he is a greater man in many ways than any who have occupied the presidential chair possessed of keen vision and the will ver to do what he believes will be

MAYES .- Jones B. Mayes, the veteran marble dealer of Lemont, died very unexpectedly at his home in that place on Sunday evening. Six months ago he suffered a rather severe illness and although he recovered therefrom he never regained his former robust health. He was able, however, to devote a part of his time to his business interests and on Saturday he was feeling so well that he came to Bellefonte and spent the night and most of Sunday with his daughter, Mrs. Robert F. Evey and family. On Sunday afternoon his grandson, Kenneth Mayes, motored to Bellefonte and took him home. He ate his supper as usual on Sunday evening and made no complaint of feeling ill. Shortly after retiring for the night his wife was attracted by an unusual noise and turn-

ing on the light was dismayed to find her husband dead, he having passed away without an apparent struggle. Mr. Mayes was a native Centre countain, having been born on August 20th, 1849, hence was within a few days of being seventy-four years old. As a young man he learned the wagon making trade, an occupation he followed at Houserville for a number

of years. Later he engaged in the marble and granite business at Lemont, in which his son, L. Frank Mayes, later became a partner and which today is the only establishment of the kind in that section of the county. It might be noteworthy to mention that five of Mr. Mayes' six sons are now engaged in the marble busi-

Mr. Mayes was a member of the Evangelical church, of Lemont, and a

man who not only believed in the Divine teachings of the bible but made them a guiding rule for his daily life. He was an ardent advocate in the cause of temperance and a man whose death is a loss to the community in which he lived. In politics he was a Republican but never craved public office for himself, being content to support the standard bearers of his party. He was twice married, his first wife being Miss Mary E. Brown, who died November 26th, 1912. Several years later he married Mrs. Nathan Grove, who survives with the following children by his first marriage: J. Will Mayes, of Howard; L. Frank Mayes, of Lemont, present treasurer of Cenof Milton; Mrs. Robert F. Evey, of Bellefonte; Mrs. John H. Mokle and W. A. Mayes, of Lehighton; Thomas E. Mayes, of Johnstown, and Miss Maude M. Mayes, of New York city. He was the last surviving member of

a family of seven children. Funeral services were held at his late home at Lemont at ten o'clock vesterday morning after which burial was made in the Boalsburg cemetery.

An Appreciation.

In closing my pastorate in Bellefonte, I desire to express my deepest appreciation of the service rendered me and the church I have had the honor of serving, by the press of the town. In the amount of space granted for church purposes you have been most gracious and generous. No small part of the success of the pastorate is due you for your uniform kindness in assisting me in keeping before the people the activities of the Bellefonte Presbyterian church. Yours has been a labor of love and the only pay will have to be in the "coin of the kingdom of love;" but your service will constitute one of the many pleasant memories of my labors among you as a minister of the Gospel of the Son of God. I rejoice in the privilege which is yours of shaping public opinion and in promoting every worthy enterprise that touches the body, mind and soul of man. May the Heavenly Father's benediction be your portion for the service you have rendered His kingdom, is the wish of your friend and fellow citizen.

REV. DAVID R. EVANS, M. A.

We know that in every newspaper office in the country the expression that Rev. Evans has voiced to those of Bellefonte will prove gratifying. It is not undeserved, for the public press is the world's greatest agency for good, though least recognized in that field. Speaking entirely for ourselves we dedicate the above to the few shallow persons, with whom we occasionally come in contact, who can't differentiate between the news that a newspaper must sometimes publish and the real spirit of the publication.-Ed.]
