Academy Football Team Motoring to Philadelphia.

The Bellefonte Academy football team, thirty strong, and accompanied by a number of friends, will leave Bellefonte in automobiles about seven o'clock this (Friday) morning, to motor to Philadelphia where tomorrow they will play the Penn Freshmen on Franklin field as a preliminary contest to the Penn-Western Maryland University contest. The motor party expects to reach Philadelphia by four or five o'clock this afternoon, and the boys will be entertained during their stay in the Quaker city at Penn fraternities.

This will be the first time that the Academy and Penn cubs clash on the gridiron, and naturally considerable interest is manifest as to the outcome of the game. If the Academy team deals out the same kind of football they did last Saturday against Potts College the Quaker freshmen will find them a stiff proposition.

DuBois Publisher Dies as Result of Auto Accident.

Edwin W. Gray, president and general manager of the Gray Printing company, of DuBois, publisher of the Morning Courier, died at the Brookville hospital, last Thursday evening as the result of a peculiar accident. He was a guest of J. R. Osborn on a motor trip to Clarion to attend a meeting of the Lakes-to-Sea Highway association. Motoring along on top of a hill another car ran out into the road from a byway and to avoid a collision Mr. Osborn stepped on the accelerator, knocked down a mailbox post but escaped the other car. He then stopped to see how the other car got along and was dismayed to find Mr. Gray unconscious. A physician was hastily summoned who found that Mr. Gray's skull had been fractured when he was thrown against the side of the door of the car. He was taken to the Brookville hospital but died the same evening.

Peter Bennett, Snow Shoe Miner, Commits Suicide.

Peter Bennett, a Slavish miner of Snow Shoe township, committed suicide last Thursday evening by cutting his throat with a razor. The man worked for the Lehigh Valley Coal company and for some time past, it is reported, his mind had been affected and on two other occasions he had attempted self-destruction. Bennett was married and he and his wife kept a number of boarders. Last Thursday evening they all sat down to supper but after eating a portion of food Bennett got up from the table, borrowed a razor from one of the boarders and walking out into a field a short distance from his home cut his throat. His struggles were heard by his wife and the men at the table who hurried to his side but death had already ensued. Burial was made in the Snow Shoe cemetery on Saturday.

Attention, Housekeepers!

The Bellefonte hospital Auxiliary will hold a rummage sale on Wednesday, October 17th. Lay aside any clothing and furniture you have no use for. Collections will be made on Tuesday, October 16th. Call Mrs. Schloss, Mrs. W. S. Katz or Mrs. M. E. Brouse.

According to an appraisal completed on Monday stockholders in the R. L. Dollings Co. will receive about 25 per cent. on their investments. The company, which had an office in Altoona, went into a receiver's hands some two months ago. While considerable stock was sold in Centre county the holders of same have been keeping pretty quiet about it, so that it is impossible to give any figures as to the total amount of stock dumped in this section.

The American Legion auxiliary will hold a card party in the Legion room, in the Centre County bank building, on Tuesday, October 9th. Admission, 25 cents. The public is invited.

Week-Ahead Program

SATURDAY, OCTOBER 6:
RICHARD TALMADGE in "THRU THE FLAMES." This stunt king is always interesting and gives some thrills worth while seeing for those who enjoy a live picture. Also, a good two reel Vitagraph Comedy.

MONDAY, OCTOBER 8:
All Star cast in "THE STRANGER'S BANQUET," an eight reel film produced by Marshall Nellan, a plot founded upon the anarchistic hate of society for self gain and the adopting of repressive methods by appealing to better nature. A well directed and well handled story. Also, Pathe News and Topics.

TUESDAY, OCTOBER 9:
DOUGLAS MACLEAN in "THE MAN OF ACTION," a six reel gem of a story, in a comedy melodrama vein, in which you are either laughing or absorbed with interest. A young hero born with silver spoon who becomes a man of action to please his sweetheart (Marguerite Lamotte). Also, 2 reel Century Comedy.

WEDNESDAY AND THURSDAY, OCTOBER 10 AND 11:
NORMA TALMADGE in "WITHIN THE LAW," an eight reel picturized version of the play of the same name. A fine piece of dramatic work by this star, her work being magnificent. Lew Cody, Eileen Percy and Helen Ferguson are capable support. The prison scenes were actually taken in Mount Auburn prison. A shop girl's unjust imprisonment for theft, her getting even and finally finding love make a fine story. Also, 2 reel Sunshine Comedy.

FRIDAY, OCTOBER 12:
ROOT GIBSON in "OUT OF LUCK," is a good comedy drama in which our hero appears in the new role of a "gob" with much of the action occurring on a regular U. S. super dreadnaught. Lots of comedy features and a final romance will. Also, the eighth episode of the dandy thriller, "THE EAGLE'S TALONS."

OPERA HOUSE.

FRIDAY AND SATURDAY, OCTOBER 5 AND 6:
All Star cast in "PENROD AND SAM," a seven reel story founded around the two famous kids, Ben Alexander and Joe Butterworth, supported by Buddy and Gertrude Messinger, Gladys Brockwell and Garrett Hughes. Also, 2 reel Larry Semon Comedy.

FRIDAY AND SATURDAY, OCTOBER 12 AND 13:
CHARLES RAY in "THE GIRL I LOVED," a dandy seven reel play by this always interesting actor. It is a work of art and will please all. A motion picture classic. Don't miss it by any means. Also, Keaton Comedy.

Merchants and Farmers Build and Own Railroads

The Symbol of Service

Samuel Harden Church, President of the Carnegie Institute, in a recent statement, says:

"The railroads were not built by railroad men, and they are not owned by railroad men. They were built by the merchants and farmers of the United States, and they are now owned indirectly by all the people of the United States.

"The whole splendid system of railroads as it exists today was built with capital, energy and brains furnished by American business men and American farmers with the high purpose of developing the commercial and agricultural interests of the country.

"Every one knows that as soon as the iron horse drew his shadow across the land the farms which the Government could scarcely give away suddenly jumped in value to fifty or a hundred dollars an acre, because the railroads had supplied them with the means of development, production and distribution.

"When the railroads are making plenty of money every shop is humming a song of happiness and every farm is growing rich."

THE RAILROADS OWNED BY ALL THE PEOPLE

merit the support, friendship and co-operative interest of the people—Hostility to your own property, either by legislation or individual act, does not accord with self-interest or the good judgment and common sense, so characteristic of American citizenship.
