-The Bellefonte Academy football team won their opening game, last Saturday, from the Potts College eleven, of Williamsport, by the score of 58 to 0. The visitors were not only too light but entirely outclassed by the heavy Academy team. There is no argument but that coach Carl G. Snavely has a bunch of brawny men and he has already shown ability in training and placing his men to the best advantage, and at this early day it looks as if the team will be a winner this year.

MANY WORKMEN LAID OFF. American Lime & Stone Co. Reducing Working Force but not Output.

Wages Also Reduced. Sixty men were laid off by the American Lime & Stone company last Saturday and notice given that effective October 1st all wages would be reduced approximately ten per cent. Other men are being laid off this week and the reduction in the working force will continue until the services of one hundred and fifty men have been dispensed with. The lay-off is not a temporary move but a permanent reduction.

The ZR-1 is 690 feet long, 90 feet high, 78 feet in diameter at one point, weighs nearly 100,000 pounds, carries 2,150,000 feet of helium gas, which is non-explosive, and has a crew of nine officers and 22 enlisted men.

The big ship reached St. Louis early Tuesday morning, landed outside the city, took aboard a supply of oil and gas, as well as provisions, took to the air and returned east by way of Chicago, Cleveland and Buffalo, landing at Lakehurst, Long Island, Wednesday morning. On Tuesday evening reports reached Bellefonte that was diverted via Buffalo. What is Being Done in Public Health Work.

After the summer vacation, the attendance at the Red Cross well-baby clinic, on Wednesday afternoons, is gradually increasing. The second and third Wednesdays in September there were five babies, the fourth Wednesday there were eight, and Wednesday of this week there were twelve. Dr. LeRoy Locke, who has charge of the clinic from three to three-thirty o'clock, is arousing enthusiasm in the mothers for better babies and there It is also reported that the road has been marked improvement in the condition of several babies brought regularly to the clinic.

Since the 17th of September, the Red Cross nurse has made house visits to seventy of the seventy-eight babies under her observation.

Up to date, there have been ninetysix children of pre-school age given the toxin antitoxin treatment in the diphtheria prevention campaign conducted by the State Department of Health the past two months. Seven new patients were given a first treatment at this week's clinic.

These prizes will be open to all residents of Centre county. Not less than four bands will be secured for the big parade.

A charity ball will be held in the armory the same evening, a well known orchestra to be secured to furnish the music.

The entire proceeds of the harvest ball will be turned over to the Bellefonte hospital, and this fact should appeal to residents in every section of Centre county and enlist their aid in making it a success.

Milesburg Baptists Open Their Purses as Well as Hearts.

On Tuesday morning Mr. Frank L. Wetzler, of Milesburg, delivered to the treasurer of the Bellefonte hospital a a collection lifted in the Baptist Sunday school, last Sunday, for the benefit of the hospital. When it is considered that sixty-five men, women and children is considered a very good attendance at the Sunday school it is very evident that Milesburg Baptists open their purses as well as their hearts and give accordingly.

Of course Milesburg people are so surprised at this last act of philanthropy. Teachers' Institute October 22nd.

County superintendent David O. Etters is rapidly completing preparations for the annual teachers' institute, which will be held in the court house, Bellefonte, October 22nd to 26th, inclusive. Inasmuch as the date is only two weeks distant teachers who expect to spend all the time in Bellefonte are making their reservations for lodging. As no night entertainments will be held, owing to the prohibitive expense, many teachers will motor to Bellefonte in the morning and return to their homes at the close of the afternoon sessions.

Superintendent Etters has secured as instructors for the week Dr. L. H. Bealer, of Chicago, who made such a good impression before the institute last year; Dr. J. F. Marsh, of West Harold had been on a motor trip through Virginia; Dr. J. Freeman Guy, of eastern Pennsylvania with Mr. and Mrs. Pittsburgh; Miss Zoe Thralls, of the W. H.
