NEWS ABOUT TOWN AND COUNTY.

-Only forty-six more days until Christmas, so don't put off your shopping until the eleventh hour.

-Mrs. Emanuel Noll died at her home in Milesburg on Wednesday evening, leaving eight small children. -The Bellefonte Academy football team will play the Potomac State School eleven at Cumberland, Md., to-

-Pennsylvania's apple crop for this year is given as 11,542,525 bushels, Centre county's production being estimated at 204,178 bushels.

The Bellefonte High school football team met its first defeat of the season, at Tyrone on Saturday, by the Tyrone High, the score being 14 to 7. Bellefonte will play Lewistown on Hughes field tomorrow.

-The total receipts from the Elks carnival, last week, including subscriptions, was close to \$2,500, and when the bills are all paid they hope to have in the neighborhood of \$2000 as their benefit for the Bellefonte hos-

-When Charles C. Keichline came down to his store on Saturday morning he found a two-thirds grown owl lying dead on the pavement. A splotch on the big plate glass window showed that the bird had flown against it with force sufficient to cause its death.

-The Rev. Malcolm Maynard attended, yesterday, in New York, a meeting of the executive committee of the Priests' convention scheduled for Philadelphia in April, 1924, on which committee he has been asked to serve. This convention next year will bring together hundreds of the bishops and clergy who are interested in the Catholic revival in the Episco-

-Bellefonte people who had the pleasure of meeting Mrs. R. E. Gill, during the year she spent with her cousins, Dr. and Mrs. A. M. Schmidt, in Bellefonte, will be grieved to learn that her husband lost his life in the earthquake in Japan on September first. Mrs. Gill is now in London and the sad news was conveyed to Dr. and Mrs. Schmidt in a letter received

from her this week. -The election is now a thing of the past. As usual, only fifty per cent. of the candidates could win but everybody wins who attends the Scenic regularly. There are no blanks there and no chance of defeat. The excellent motion pictures can be seen by each and every one, and they are always pictures which delight and entertain. If you are not a regular get in line and see all the good ones.

-Members of the Reformed church in Centre county, as well as his many friends in Bellefonte will be interested in learning that Dr. A. M. Schmidt, pastor of the Bellefonte church, was elected president of the Eastern Synod of the Reformed church at its 177th annual sessions, held in Philadelphia last week. This is the oldest and the largest of the district Synods of that church in the United States.

-The Ladies Aid society of the Evangelical church are making wonderful preparations for the oyster supper and three day bazaar they are going to start on November 15th. The oyster supper will be served on the evening of the 15th at fifty cents per plate and the bazaar will be continued on Friday and Saturday. For the Saturday sales a lot of delectable Stuck, J. E. Reed, R. M. Krebs. Charles bake products for the Sunday dinner will be offered. The supper and bazaar will both be held in the church on Willowbank street.

-We must certainly give it to the Lutherans when it comes to raising money for church work. Some wery decided improvements are being made to the Bellefonte church, which are going to cost a lot of money and, of course, the congregation has realfixed that fact for some time. Sunday morning was the time set to raise the money and, remarkable as it may seem, in just fifteen minutes \$5,900 were pledged toward the work. This sum may not cover the cost of the work but if it doesn't we have every confidence in the members "chipping in" to make up the deficiency.

-A. L. McGinley has been housed up this week with a badly injured leg as the result of falling through a coal hole opening in the pavement at the First National bank building. The cover on the hole evidently was not properly fastened and when Mr. Mc-Ginley stepped on it it turned and he went down several feet. His left leg was badly skinned and bruised, the flesh torn and the muscles wrenched. He continued to look after his busimess on Friday and Saturday but by Sunday morning his leg was so stiff and painful he was unable to use it, and has been confined to the house

Donation to Bellefonte Hospital.

Last Friday a big truck drove up to the Bellefonte hospital, loaded to the top with the best wishes of the residents of Ferguson township, and in this instance the wishes were in the shape of one of the most bounteous donations received at that institution for some time. The donation was gathered up by Mr. George D. Morrison, of Pennsylvania Furnace, and Mr. and Mrs. Edward Frank, of Pine Grove Mills. The Keller & Co. truck was used to convey the donation to the hospital, and while it is a big truck, if the appreciation of the hospital authorities could have been put in material form it would not have been near large enough to convey them back to the generous contributors. Following is a list of the donors and their contributions:

Freshmen

The Bellefonte Academy football team played in fine form, last Saturday afternoon, and defeated the Pitt Freshmen by the score of 27 to 7. Two weeks previous the State Freshmen were only able to score nine points against the junior Panthers. Saturday's game was especially interesting because of the fact that four former Academy students are on the Pitt Freshman team. One of the Academy's best players this year is from Toronto, Canada, and the Toronhere to cover the game on Saturday.

Was in the Japanese Earthquake.

Word has just reached us that Alex Yarrington and his family were victims of the recent Japanese earthquake. While they escaped with their lives everything else, except the clothes they had on, was destroyed and Alex facetiously wrote that since it was an unusually hot day in Japan they had very few clothes on.

-Logan firemen worked most of Tuesday in an endeavor to extinguish the dump fire on the Bush property in Bush Addition which has been burning for weeks. In fact fires have also been burning on dumps out beyond the borough home and on north Allegheny street, and the question of how to overcome them has been up before borough council on various occasions. Of course, the only sure way is to prevent the dumping of refuse that will burn at the above places, and naturally the draymen get the blame for so doing. But it is not entirely the draymen who are to blame. The big bulk of the inflammable stuff comes from the cellars of store rooms and restaurants, such as paper cartons, excelsior and other packing material, broken boxes, etc. Such material should be hauled to a separate dump and burned at once and if this were done it would go a long ways toward abating the nuisances so much complained of.
