MEDICAL.

Some Good Advice

Strengthened by Bellefonte Experiences.

Kidney disease is too dangerous to neglect. At the first sign of backache, headache, dizziness or urinary disorders, you should give the weakened kidneys prompt attention. Eat little meat, take things easier and use a reliable kidney tonic. There's no other kidney medicine so well recommended as Doan's Kidney Pills. Bellefonte people rely on them. Here's one of the many statements from Bellefonte people.

Mrs. Boyd Vonada, E. Bishop St., says: "Some time ago my kidneys were in a weak condition. I could hardly rest at night and during the day when I was on my feet doing my house work my back gave out and ached so I often had to stop and rest. I frequently had dizzy nervous headaches and my kidneys acted too often. I used Doan's Kidney Pills purchased at the Mott Drug Co., and they just suited my case. They rid me of the backaches, headaches and dizziness. My kidneys were regulated and I felt fine."

fonte, motored down Sunday and spent the day with Mrs. Vonada's father, J. H. Crouse.

Mrs. Ed. Swann, of Olean, N. Y., spent the week-end with her mother, Mrs. Elizabeth Limbert, who at that time quietly celebrated her eightieth birthday.

J. W. Beaver has vacated the house which he has owned and occupied for a number of years, and which he sold this fall to William Brown. The Beaver family will occupy the farm which they bought, near Milton. G. S. Cunningham vacated the Summer Burd house on Front street, and occupies the Beaver home. Walter Rupp will

occupy the Grenninger house which he recently purchased.

Tobacco Sure Death to Fish.

Tobacco is sure poison to fish. Fishermen who carry a bait kettle are careful not to drop any particles of tobacco into the kettle, as only a little floating on the water will kill the small fish.

He Knew.

Fresh—I don't know what to do with my week-end.
