As to Those Christmas Cards.

Several weeks ago we called attention to the rather exceptional line of Christmas cards we have in stock.

They are all opened now and on display. They run in price for lots of 25, with envelopes to match, at \$3.50, \$4.50 and \$5.75. These prices include the printing of your name and any Greeting you may select.

We do not sell cards separately or break boxes. We will sell the cards in lots of 25 or more to any who desire to write their own Greetings.

For engraving the prices are higher, but not greatly so, if you have your own name plate.

Come in and see them. A card of Greeting to your friends means far more to many of them than a real present would. And think of the number of friends you can remember at a very small outlay.

Menu for Cafeteria Supper.

The following is the menu for the Boy Scouts cafeteria supper at the Presbyterian chapel, Tuesday evening, December 4th: Chicken pie, roast beef, roast pork, with sweet potatoes, meat loaf, scalloped potatoes, corn, baked beans, macaroni, chicken salad, cabbage salad, Waldorf salad, potato salad, fruit salad, rolls, pie, cake, ice cream and sherbert, coffee and cocoa. The prices will be reasonable, and either a dinner or a supper may be enjoyed according to taste and pocketbook. The public is cordially invited.
