—Samuel C. Watts, a farmer living near Curwensville, Clearfield county, and a brother of dean R. L. Watts, of State College, collapsed and died just as he got into a dentist's chair in Curwensville, on Monday morning, to have his teeth extracted. Mr. Watts had not been in good health for some time and his physician ascribed the fact to his teeth. Consequently he decided to have them out and had just gotten into the dentist's chair when he collapsed and

School Pays Off Victrola.

Last fall the teacher and pupils of the Sellers school near Fillmore conceived the idea of purchasing a victrola for use in the school. When their friends in Bellefonte and the community surrounding Fillmore learned of their intention quite a number contributed to a fund for the purchase of the musical instrument. And last Friday the school gave a social and play which was largely attended and much enjoyed by all present. The sum of \$35.65 was realized, which was enough to make the final payment on the victrola and leave a small sum with which to purchase records. Miss Elizabeth Beck is teacher of the school and she and her scholars appreciate very much the assistance of all those who helped in any way toward the purchase of the victrola as well as the following contributors of money:

John Rumberger, DuBois; Calvin Spicher, Wilkinsburg; Dr. G. D.
