Do You Want a Nice Front Lawn?

A little fertilizer will help. The best results are obtained by allowing a good layer of manure to remain on the lawn over winter. Where this is not possible, an application of ground bone at the rate of 10 or 15 pounds per 1,000 square feet or a good garden fertilizer at the same rate will give good results.

GREATEST ON EARTH COMING TO WILLIAMSPORT.

Ringling Bros. and Barnum & Bailey to Bring Biggest Show that Ever Toured America.

A rumor heard some time since is now confirmed by the official announcement that the Ringling Brothers and Barnum & Bailey Combined Shows will positively exhibit at Williamsport Monday, May 19th.

That this biggest of all amusement institutions is to come within easy distance is of unusual interest to local people because of the many changes that have taken place in this mammoth circus since it last visited this locality.

The Ringling Bros. and Barnum & Bailey super-array of men and women stars has now reached a total of eight hundred of the world's premier riders, Sacrament and athletic champions. There are a hundred of the funniest clowns on earth. The total personnel of this amazing circus exceeds sixteen hundred persons. More than fifty trainers and keepers are alone required for the splendid troupes of jungle animals that are exhibited in four steel arenas as part of the gigantic program.

Polite Regrets.

If there is one thing on earth that young Mrs. Blake likes more than another it is clothes—hats, frocks, coats and—oh, all the rest of 'em!

One morning she rushed into her hubby's private room at his office and burst out gleefully:

"I've just ordered the most beautiful hat to be sent home. It's a sweet thing, dearest, and only \$50. It's a perfect love!"

But "dearest" had reached his limit. Without raising his eyes from the letter he was reading, he replied:

"I regret to have to tell you, my dear, that your love will be returned."

—When you see it in the "Watchman" you know it's true.
