Mothers' Assistance Fund, and How it is Managed.

The regular monthly meeting of the Mothers' Assistance fund board of managers for Centre county was held in Bellefonte on Wednesday of last week, six of the seven members being present. Inasmuch as comparatively few people in the county know much about the fund or how it is managed the board has seen fit to give for publication the following statement:

"The conservation of child life, the State has realized, is of great importance. Also, statistics show that it is much more economical to maintain children in their homes than it is to support them in children's institutions. Children cared for in their own homes, under the care of their own mothers, have a better chance to become healthy, normal children. The State Legislature, with these facts before them, established the Mothers' Assistance fund. In March, 1923, one million, two hundred thousand dollars were appropriated for this work. The division of this appropriation was made according to the class under which the county is listed, the class depending upon the number of inhabitants. Centre county being a Sixth class county, her apportionment is small, being only \$2199.00 per year. To this the county is required to appropriate a like amount—\$2199.00. This gives the board of trustees for their work per year \$4398.00. The Mothers' Assistance law states that the board of trustees may use 10 per cent. of the fund, \$439.80, for maintenance or expenses for each year. The 10 per cent. when not used for maintenance or expense, may revert to the fund for the assistance of the mothers and their children. During the existence of the Centre county board, a period of six years, their account for expense has not exceeded \$25.00 per year.

"The board of trustees receive no remuneration for the administration of this fund. Their duties include the proper administration of the fund, supervision and guardianship of the families, especially as to health and education of the children.

"The Centre county board of trustees is made up as follows: Mrs. Frank D. Gardner, State College, president; Miss Mary H. Linn, Bellefonte, vice president; Mrs. John S. Walker, Bellefonte, secretary and treasurer; Mrs. W. F. Reynolds, Bellefonte; Mrs. Charles E. McGirk and Mrs. L. W. Nuttall, Philipsburg, and Mrs. G. S. Frank, Millheim.

"The board at present has under its care thirteen mothers and sixty children. The small amount of money granted each family per year keeps the home together. The board realizes that the wonderful self-sacrifice of the mothers and the assistance of the children are establishing worth-while homes, where boys and girls are growing into useful men and women under the care of good mothers and the lesson of industry.

"This fund is the best in the State or county, and is more economically administered than any other known fund."

Big Blast at Union Furnace.

On Thursday of last week the American Lime & Stone company put off one blast at its Union Furnace plant which cost them \$7,000, but the blast shattered the whole face of the quarry and loosened 140,000 tons of rock. With a diamond drill eighteen six-inch holes were drilled to a depth of 146 feet, and thirty-two feet back from the face of the quarry which has a length of 370 feet. These holes were loaded with 556 feet. These holes were dynamite and the blast fired with a battery using the cordeau fuse. The cost of the explosive was \$4,000, and the cost of drilling the 2636 feet of holes \$3,000.

"The stage is all set and arrangements complete for the big initiation to be held in the armory tomorrow evening by the P. O. S. of A. Delegations will be here from every camp in the county and it gives promise of being one of the biggest fraternal gatherings ever held in this section of the State. Prior to the exercises in the armory there will be a parade which will include the Bellefonte camp, visiting delegations and the hundreds of new members who will be given their degree tomorrow evening.

—John F. Marks, who has been suffering for some weeks with an affection of the heart, entered the Bellefonte hospital on Monday for observation and treatment.

BEEZER.—Philip L. Beezer, one of the best known business men of Bellefonte, passed away at his home on east Bishop street at eight o'clock on Monday morning as the result of paralysis. He had been a sufferer for two years or longer and had been confined to his bed the past ten months, a good portion of the time almost helpless.

A son of Elias and Margaret Steinkorner Beezer he was born at Axe Mann on July 19th, 1861, hence was not quite sixty-three years old. His father was engaged in the butchering business and as a boy Philip ran errands and delivered meat from his father's market, hence it was only natural that when he grew to manhood he assisted his father. When the latter died Philip took charge of the business and for forty years owned and operated one of the leading meat markets of Bellefonte, thirty years of that time being located in the Benner building on High street where the business continues to flourish.

While the greater part of his time was naturally devoted to his business he gave thought to his duty as a citizen and served several terms as a member of borough council discharging his obligation in a conscientious and creditable manner. He was a life-long member of St. John's Catholic church and a charter member of the Bellefonte camp Knights of Columbus, in the work of which he was especially interested. He was also a member of the Bellefonte Lodge of Elks. Rather quiet and unostentatious in manner few men were more concise and scrupulous in their business dealings than he, while his nature was one of trust and faith in his fellowmen.

About thirty-seven years ago he married Miss Ada Royer, who survives with three children, Mrs. Rose Witterat, Arthur and Miss Helen, all at home. He also leaves one grandson, Philip Witterat, six brothers and two sisters, namely: Elias, Joseph W., Fred, Christ and Henry Beezer, all of Bellefonte; Augustus, of Punxsutawney; Mrs. Charles Kustaborder and Mrs. John Garis, both of Bellefonte.

Funeral mass was held in St. John's Catholic church at ten o'clock on Wednesday morning by Rev. Father Shay, of Pottsville, after which burial was made in the Catholic cemetery.

TEMPLE.—Mrs. Viola Tate Temple died last Friday evening at the home of her daughter, Mrs. J. Fred Montgomery, of Cambridge, Mass., following a prolonged illness.

She was a daughter of Col. D. K. and Theresa Keeley Tate and was born at Coatesville about seventy years ago. When a small girl her parents came to Bellefonte and here she grew to womanhood and married Frederick Schade. The first few years of their married life were spent in Bellefonte but later they moved to Johnstown. After a few years' residence there Mr. Schade died and later she married LeRoy Temple, living in Johnstown until the flood of 1889 when they went east and made their home at Cambridge, Mass. Mr. Temple died in 1913 but surviving here are the following children: Mrs. J. Fred Montgomery, of Cambridge, Mass.; Mrs. P. T. Andrew, of Los Angeles, Cal.; Mrs. G. Houton, of Salem, Mass.; Mrs. M. J. McDonnell and H. A. Schade, of Cambridge, Mass. She also leaves four brothers and one sister, H. A. Tate, of Roanoke, Va.; Benton D., of Bellefonte; D. K., of Newark, N. J.; Wilbur, of Roanoke, and Mrs. George A. Beezer, of Bellefonte.

Benton D. Tate went to Cambridge for the funeral which was held on Monday afternoon, burial being made in that city.

FRANTZ.—Mrs. Mary C. Frantz, widow of John R. Frantz, died last Wednesday at the home of her son, Wilson G. Frantz, four miles west of Port Matilda, following an illness of several years, although she had been confined to bed only about two months.

She was the last survivor of the family of five children of Mr. and Mrs. Samuel Carabagh, and was born in Adams county on April 17th, 1843, hence was past eighty-one years old. When but eight years of age her parents moved to Tyrone and that was her home until her marriage in July, 1865, to Mr. Frantz, since which time she had lived on the Frantz homestead in Bald Eagle valley. Her husband died thirteen years ago but surviving here are one son and two daughters, Wilson Frantz, with whom she made her home; Mrs. H. M. Moore, of Ocoela Mills, and Mrs. Ella Hamer, of Tyrone.

Funeral services were held at two o'clock on Saturday afternoon, burial being made in the Black Oak cemetery, north of Port Matilda.

ANDREWS.—William Clinton Andrews, for thirty-five years a well known business man of Philipsburg, died at his home in that place on Saturday evening as the result of general debility. He was born in Columbia county on March 24th, 1838, hence was 86 years, 2 months and 14 days old. He served during the Civil war in Company B, 210th regiment Pennsylvania volunteers. Following the war he engaged in business at Montandon, Lock Haven and Lewisburg, successively, and in 1889 located in Philipsburg. He conducted a store there until the first of January when he sold out owing to failing health.

He was a member of the Methodist church and a trustee for many years; was a trustee of the Cottage State hospital and a charter stockholder of the Moshannon National bank. He was twice married and is survived by

his second wife and one son, Dr. W. W. Andrews, of Philipsburg. He also leaves two sisters, Mrs. Matilda A. Clees, of Philipsburg, and Mrs. Camden Mears, of Brooklyn. Burial was made in the Philipsburg cemetery on Tuesday afternoon.

FISHER.—Miss Mary Catherine Fisher passed away very suddenly at her home at Centre Hall at 7:45 o'clock last Friday evening. She and her niece, Miss Lola Ulrich, lived together and Miss Fisher had been in apparently the best of health. On Friday afternoon she complained about having a headache but the pain was not sufficient to cause any premonition of what was to follow. Shortly after 7:30 o'clock she collapsed and before a physician could reach her side she had breathed her last, heart failure being the cause of death.

She was a daughter of Jared B. and Sarah Louisa Fisher and was born at Penn Hall on October 21st, 1860, hence was in her sixty-fourth year. She was educated in the public schools of Gregg township and at the Penn Hall Academy. Following the death of her parents she lived in the old Fisher homestead until some five or six years ago when she purchased the comfortable home in Centre Hall where she and her niece have since lived. She was a life-long member of the Reformed church and one of the most active workers in the congregation.

Her immediate survivors are one sister and a brother, Mrs. Ella S. Snyder, of Sunbury, and Frank M. Fisher, of Centre Hall. Funeral services were held at ten o'clock on Tuesday morning in the Salem Reformed church, at Penn Hall. Rev. D. R. Keener, of the Reformed church of Centre Hall, and Rev. J. H. Keller, of China Grove, N. C., had charge of the services, after which burial was made in the Salem cemetery.

Takes Own Life in Fit of Despondency

Weak in mind because of continued ill health Philip Saul, for many years a resident of Centre county, committed suicide late on Saturday evening by hanging himself to the bedpost in his room at the home of his daughter, Mrs. William Fike, near Roopsburg, using his leather belt as the means of ending his life. His lifeless body was found by two sons about 11:30 o'clock Saturday night. He was a native of Germany and was about sixty-eight years old. He came to this country when a lad and for a number of years lived near Centre Hall. Later he came to Bellefonte and worked for the Standard Scale company, going to Beaver Falls when the plant was moved there twenty or more years ago.

His wife, who before her marriage was Miss Susan Samuels, died thirteen years ago, and since that time he had made his home among his children, who are as follows: Mrs. C. V. Smith, Charles, Lottie and Robert, all of Beaver Falls; Mrs. L. D. Kyles, of Waddie, George, of State College; Mrs. William Fike, of Roopsburg; Mrs. Lester Corl, of State College; Claude, in Kansas City, Mo., and Sylvester Washington, in the U. S. navy. Funeral services were held in the Shiloh church on Tuesday afternoon by Rev. Wilson P. Ard, and burial made in the Shiloh cemetery.

Date for State Ram Sale Announced.

Centre county sheep growers will have an excellent opportunity to secure a good, pure-bred ram to head their flock at the State-wide consignment sale of pure-bred rams which will be held at the fair grounds at New Castle, Lawrence county, on August 14th.

The sale will be under the auspices of the Lawrence, Mercer and Venango county Sheep and Wool Growers' Association. About forty head of carefully selected pure-bred rams of the Hampshire, Southdown, Shropshire, Dorset and C Type Merino breeds will be consigned for sale by leading breeders throughout the State. This is the first State-wide ram sale held in Pennsylvania and is being staged by these three counties association as a part of the sheep development program to encourage the use of better sires. Sheep growers interested in attending or securing a ram are urged to get in touch with the county agent or write to W. B. Connell, sheep specialist at State College.

—One of the motor cycle riders performing in the aerodrome connected with the Harry Copping carnival shows on the old fair grounds, met with an accident at the first performance Tuesday evening. His machine fell from near the top of the wall and landed on him. He was rushed to the hospital where it was found that he had not been seriously injured and after being patched up a bit was discharged to go back to his hazardous job.

—Thirty-four members of the Business Men's association of Enola, Cumberland county, traveling in seven cars, made an auto run to Bellefonte on Sunday, coming by way of the Juniata valley and across the Seven mountains and returning home by way of Sunbury and the Susquehanna valley. While in Bellefonte they all took a look at the big trout in Spring creek.

—Howard Wetzel, youngest son of Mrs. H. M. Wetzel, of Bellefonte, who won a fellowship at Carnegie Tech when he graduated at State College last year, will complete his post-graduate course this week and receive his diploma as a mining engineer.

HUGHES.—Summer.—If the completeness of the occasion of the marriage between Miss Ottilie Hughes and Mr. Ralph Summer, on last Monday morning, is an evidence of what their future is to be, then it may be safely predicted that their cup of happiness will fill to overflowing. The wedding took place at the residence of Prof. James R. Hughes, head master of the Bellefonte Academy, and the consensus of opinion is, that it was one of the most attractive home weddings ever witnessed by those present. Mr. Hughes gave the bride away.

Miss Ottilie G. Hughes, the bride, is the daughter of Mr. and Mrs. Luther E. Hughes and the niece of Mr. and Mrs. James R. Hughes. Mr. Ralph B. Summer, the groom, of Waynesboro, was graduated from The Pennsylvania State College this June. The young couple will live in the master's house on Spring street next year, as Mr. Summer will be a member of the Academy faculty.

Mrs. George F. Reiter furnished the music for the nuptial event and the wedding party marched to the altar through a bridal path outlined by huge bouquets of flowers, and stood under an artistic flower arch where the Rev. Wilson P. Ard received them and performed the ceremony, using the ring service. The bride won her way to the hearts of all by the peculiar grace and attractiveness that characterized her on this occasion. She was becomingly gowned in the regulation white of artistic simplicity, and carried a shower bouquet of white roses. The maid of honor, Miss Ruth Stickler, and the best man, Mr. Peter Shank, of Harrisburg, a fraternity brother of the groom, fulfilled their duties most pleasantly. Miss Stickler, was dressed in orchid and carried a bouquet of pink roses.

The decorations in pink and white color scheme were elaborate and exquisite. The wedding breakfast was dainty and delicious. The bride, according to rule, cut the bride's cake while Mr. Hughes informally, after toasting the party in a very gracious manner, called upon several of the guests and the groom, who responded in a manner fitting for this occasion. An interesting feature of the program was that of the service rendered by Academy students who chose to remain here for a few days. The bride was the recipient of beautiful gifts.

Mr. and Mrs. R. B. Summer, parents of the groom; Major Walter Summer, wife and baby; Harris Summer and wife; Clarence Croft, wife and son George; James Dayhoff and wife, all from Waynesboro, together with relatives and friends of the bride, made a delightful party long to be remembered. Mr. Mallory took a picture of the party just before the exciting "get away" of the newlyweds. The happy couple left, showered with every expression possible for joy and success for their future.

Miller.—Derstine.—Thomas Miller, of Erie, and Miss Rose Derstine, of Bellefonte, were married last Saturday morning at the Catholic church by the rector, Rev. Father Downes. The fact will be recalled that their wedding was originally set for May 28th but the bridegroom sustained injuries in an accident at Erie which sent him to the hospital for a few days and he was unable to come to Bellefonte until the latter part of last week, hence the wedding was necessarily delayed until Saturday morning. Following the ceremony the young people went to Lock Haven to visit Mr. Miller's parents before going to Erie where they will make their home.

Cruse.—Hugg.—The home of Mr. and Mrs. Toner A. Hugg, at Milesburg, was the scene of a pretty wedding, at noon yesterday, when their daughter, Miss Elizabeth Hugg became the bride of Allen Cruse, son of Mrs. Rebecca Cruse, of Bellefonte. The ceremony was performed by Rev. M. DePui Maynard, of the Episcopal church, the ring service being used. A small number of intimate friends were present and following the ceremony a wedding breakfast was served.

Eberhart.—Heilhecker.—Mahlon Eberhart, a son of Mr. and Mrs. George Eberhart, of Bellefonte, and Miss Grace Heilhecker, a daughter of Mrs. Jennie Heilhecker, of Williamsport, were married in the latter city last week by the Rev. Alexander Scott. They will live in Williamsport where the bridegroom has been employed for some time.

—There were fifty-seven patients in the hospital last Sunday; ten more than capacity rating. And this congested condition was handled perfectly notwithstanding the shortage of nurses occasioned by the absence of the five recent graduates who were away taking the State Board examination for their R. N. In this connection it will be interesting for you to know that since Miss Eckert has been superintendent of the hospital and Miss Hartman director of its nurses not a graduate of the Bellefonte institution who has taken the State Board examination, has failed to pass.

—The typhoid fever epidemic at Coleville is on the wane. No new cases have developed recently and all those now afflicted are recovering. The most unfortunate outcome of the epidemic was the two deaths that occurred, but at that the percentage of fatalities was unusually low considering the number of cases.

Kiwanis News.

The regular Kiwanis weekly noon meeting was held at the Brockerhoff house, Tuesday, June 10th. Chaplain J. K. Kranke, of the new western penitentiary, gave a very instructive and interesting talk on the reformation of prisoners, contending that the present honor system is the best to fit them for society, upon their completion of a sentence.

Dr. Melvin J. Locke spoke briefly in the interest of the Bellefonte baseball team, which he said is not getting proper local support. There is a sufficient number of citizens in this community who are lovers of the national game but a great many of them do not realize that it is their ball club and should have financial help as well as attendance at the games. In other words, get back of the club and boost it. After all, it is a poor town that cannot boast of a real ball club. President Ard appointed a committee of Kiwanians, Rossman, Deitrick and Noll, to give any assistance possible to correct this situation.

Arrangements have been made to broadcast by radio the opening of the Kiwanis International annual convention at Denver, Colorado, Monday evening, June 16th, at 9:45 eastern standard time. In this section of the country, the program will be relayed by KDKA, Pittsburgh, and WJW Schenectady.

The following guests were present: R. H. Smith, Ridgway; Carroll Coale, Philipsburg; J. K. Shaw, Harrisburg; Arthur Baraclough, I. W. Spear, M. H. Yearick, Dr. Melvin J. Locke and Harry A. Smith, Bellefonte.

—If numbers count the annual picnic given the kiddies at Hecla park yesterday by the Bellefonte Lodge of Elks was a success. Approximately 1130 children had registered when the list closed at noon on Tuesday, but this did not exclude any others from going who reported yesterday morning. As has been the custom in the past, a parade of the children was held on Wednesday evening, led by the Old Fellows band. While it was utterly impossible to count the number that took part there were enough of them to cause consternation and wonderment as how they were all going to be cared for yesterday. But, as usual, the Elks were equal to the occasion. As early as 6:30 o'clock yesterday morning the kiddies began to show up at the Elks home, although the start for the park was not made until nine o'clock. Several of the big trucks of the Emerick Motor Bus company and many private cars were utilized in conveying the children to the park, there being very few stay-at-homes because of the threatening condition of the weather early yesterday.

—The 51st anniversary of the Grange Encampment and Fair will be celebrated at the Grange Park, Centre Hall, from August 30th to September 5th.

Apple Scab Infection Found in Many Counties.

Infection of apple scab has been found in thirty-two counties of Pennsylvania, according to a report just received at the county agent's office from Prof. E. L. Nixon, plant disease specialist at The Pennsylvania State College. Recent inspections of orchards indicate that scab is prevalent in all parts of the State.

The first infection was found in Cumberland county on May 15th and a tremendous amount of damage to the quantity and quality of the fruit crop is predicted unless control measures are successful.

Nixon warns growers to plan on making another spray if they note evidence of scab in their orchards and if the weather continues wet. He advises using only lime sulphur, summer strength, for this application. If wet weather continues, the plant disease specialist looks for a secondary infection of scab which is likely to be more serious and dangerous than the first.

—While there is no salary emolument attached to being a member of the present board of State water commissioners the gentlemen who compose it get lots of pleasure out of their various junkets at the expense of the State. Early this week editor Thomas H. Harter spent several days at the bass and perch hatchery at Pleasant Mount, Wayne county, and is now looking forward to a trip that the water commissioners will make in connection with the members of the fish commission and game commission on the week of July 7th, when they will go to Erie to inspect the hatcheries there, then take a boat trip on the lake and make a visit to Canada.

—Dr. and Mrs. LeRoy Locke are receiving congratulations on the birth of their first child, a daughter, who was born Wednesday night.

On Monday morning two State College students in a Ford car crashed into George Rossman's Overland just as he was leaving the garage at Rock Springs. The Ford car literally turned a flipper, one of the students being thrown out while the one at the wheel was pinned under the car. A large trunk on the back part of the car kept it from crushing the unfortunate driver, so that neither one was seriously hurt. Both cars were badly damaged. A passing autoist took the students back to State College.

One hundred and twenty members of the Reish-Corl clan were present at their annual reunion at Hairy John's park, near Woodward, last Saturday. The original members of these families came to Centre county from Lehigh and Lancaster counties over one hundred years ago and during the century they have spread out like the branches of a sturdy oak tree. Of course the dinner was the big feature of the gathering and it was decided to hold next year's reunion at the same place the first Saturday in June. Returning home quite a delegation had supper on the top of Nittany mountain.
