### The Hagenback-Wallace Shows at Lock Haven Tomorrow.

Tomorrow will be circus day in Lock Haven because the Hagenback-Wallace circus will exhibit there. This is one of the large tented enterprises of the country and, while not so stupendous as Ringlings, is far larger than shows of the Main class with which amusement lovers of this community are most familiar.

The show will give two performances in Lock Haven tomorrow, with a parade in the morning. It travels on two trains and money has not been spared by the management this year in assembling a program that contains the best of the American as well as the European and Oriental headliners. The Orrin Davenport troupe of equestrians which includes Orrin Davenport, highest salaried riding clown, is one of the features. Then for the young folks there will be a regiment of fifty clowns, headed by Joe Coyle, Danny Ryan, Bill Hart, Louis Plamondon, Kid Kennard and others.

Trained animal features will be plentiful. Feats heretofore unseen will be offered and demonstrate wonderful power of man over savage beasts. The menagerie has had many additions since last year and is said to be the most complete in the world. A downtown ticket office will be established on circus day at Hilton-Hefner drug store, where tickets will be sold at the same price as charged on the circus grounds.
