Christian Temperance Women Hold Interesting Convention.

The annual convention of the Woman's Christian Temperance Union, held in the Christian church at Howard, Wednesday and Thursday of last week, proved an enthusiastic and interesting gathering. Miss Rebecca N. Rhoads, president of the Union, presided and emphasized the need of her own department of work, that of the soldiers and sailors in the various army camps, at every opportunity.

Nearly all the active Unions were represented by delegates. Reports of officers and department superintendents showed unusual activity along all lines of work. With a balance in the treasury, with all debts paid and obligations met the treasurer's report was heartily approved.

The Gold Medal contest held at 7:30 Wednesday evening was a credit to the six contestants who took part and created much enthusiasm in this department. Emily Goodling, of State College, received the highest number of points in voice, articulation, gesture, memory, and general effect, and was awarded the gold medal. The building was too small to hold all who desired to be present at this, the first "young peoples night" in the history of the county. The Howard Boy Scouts, who attended in a body, the appropriate music by the Howard girls' chorus, the sweet solos rendered so beautifully by Virginia Weber, the catchy humorous playlet by the Centre Hall Y. P. B's, the bright and eager faces of the more than one hundred children who were present, all served to make this night long to be remembered.

Dr. Mitchell Bennetis, head of the State Anti-Saloon League, brought a strong and comprehensive address on "America's Perils." It was a ringing challenge to every white ribboner for their very best service. Our greatest peril is "the unchurched masses in this country today." The most important task is the religious training of American youth. Sixty-seven per cent. are receiving no systematic re- ed at the morning service. Vesper ligious instruction. Twenty-seven million children are not enrolled in God." any Sunday school and only one out of every four of our boys and girls are receiving any religious instruc-

Thursday afternoon was taken up with reports of department superintendents. Mrs. Gardner, of the de- Run valley, was totally destroyed by partment of Scientific Temperance Instruction, urged the holding of essay farm is tenanted by Cal Rider and and poster contests in the public none of the men were at home at the schools, distribution of literature and blotters, and the importance of getting into vital touch with the teacher. Mrs. Stelly, for the L. T. L., outlined plements went up in smoke. Both Mr. the necessity of making the children Witmer and Mr. Rider carried some sign the total abstinence pledge with insurance but not enough to cover the pledge of allegiance, teaching loy- their loss. The origin of the fire has alty to God and country. Mrs. Beach, not been determined. of the Citizenship department, reminded the women of their duties as loyal citizens. "If every women in the W. the polls we would win out in our efforts to elect good men. Try it. "If you like make it that kind of a town."

nominee Mr. Holmes and Miss Chormost interesting meeting, the speakers putting themselves upon record as favoring the rigid enforcement of the prohibition laws. They paid a fine tribute to the work of the Woman's Christian Temperance Union, acknowledging that this organization had been one of the prime factors in bringing about the Eighteenth Amendment, one of the greatest reform movements in the world's history.

7:30 o'clock found the house crowded to listen to the woman from Kansas. Mrs. Michener, State president of the Kansas W. C. T. U., was the eloquent speaker. She gave a strong address, winning the hearts of her audience by the force of her personality and the incontrovertible arguments she put forth. She is a remarkable woman of great ability and rare personal charm.

Mrs. L. H. Leitzell reported for the committee on resolutions. The differents points emphasized were: Allegiance to our declamation of principles, strengthening our department work, organizing a Y. P. B. and L. T. L. in every Union in the county, carrying on a "win one" membership campaign, urging the need of being constant in prayer, continuing our slogan "Back to the Bible and the family altar," protest against the growing tendency of militarism, the urgency of developing the sphere of thought which regards war as a calamity to be avoided if possible, the necessity of securing total abstainers, and an intensive campaign against all habit forming drugs, education in the use of the ballot, special effort to get women to the polls on election day, the support of dry candidates regardless of party affiliation, opposition to the efforts of the outlawed liquor triffic to repeal the Eighteenth Amendment and restore the sale of light wines and beer, and that we appeal to men's organized Bible classes of Centre county to aid in the securing of the balance on the Law Enforcement fund.

All the old officers were elected and at the tap of the gavel the 39th annual convention of Centre county passed into history.

-The Allegheny conference of the United Brethren church closed its sessions at Greensburg on Sunday, and in the assignment of ministers for the coming year Rev. Frank Hackett was transferred from the Bellefonte church to Hollsopple, Somerset county, while his successor in Bellefonte will be Rev. J. A. Mills.

Millions Now Living will Never Die!

In a Free Lecture, Thursday October 2, G. R. Pollock will tell the people why the greatest crisis of the ages is upon the world; why all nations are mustering their forces for the greatest conflict of all time, as foretold by the prophets of God; how that trouble will be cut short by the Lord, and millions now living will never die.

After centuries of laborious effort to better conditions man's civilization is nearing complete collapse. Selfishness has gone to seed and the harvest of destruction has begun. All nations are in distress and perplexity. War has bankrupted Europe and demoralized America, yet the nations go feverishly on preparing for more war. The people are fleeced, robbed and oppressed. Millions are out of employment. They have lost confidence in their leaders and are rapidly turning to Bolshevism, radicalism and anarchy. Disaster stalks abroad and all nations are rushing madly to the greatest time of trouble the world has ever known.-Matt. 24: 21, 22. But hope for the people lies in the kingdom of God now in hand. Millions are now living who will see that kingdom in operation and if obedient to its righteous laws will never die but live on earth forever in happiness, peace and prosperity. The world's darkest hour is just before its greatest blessing. The kingdom of heaven is at hand.

The cause of the world distress and the answer to the above questions will be given in this lecture by
