Secretary Weeks' Blunder.

Every time Secretary of War Weeks opens his mouth "he puts his foot in it." The other evening he broke into the campaign in a speech delivered in Washington and distributed by radio in which he denounced the supporters of LaFollette in true livery stable language. He said: "Communists, socialists, I. W. W.'s, malcontents, converts of Lenin, Trotsky, Debs and Emma Goldman, people who want something for nothing and individuals with grievances, real or imaginary, have rallied to the support of LaFollette." Inferentially he adds to this list such stupid as can be deceived by specious misrepresentations.

The "fish market" style of argument, apparently natural to Mr. Weeks, is bad enough but not the worst break of his radio speech. His reference to the indictment of Senator Wheeler was not only bad form but bad politics. It brings forcefully to public notice the worst crime of the Coolidge administration. Mr. Coolidge was not President when the Teapot Dome scandal was perpetrated and to that extent has an alibi. But he was President when the Department of Justice and the Republican National committee framed up an indictment against Senator Wheeler in the hope that he might thus be diverted, either through fear or favor, and abandon his masterly investigation of Daugherty's maladministrations.

If the friends of President Coolidge are wise they will try to get people to forget about that infamous feature of the present administration. The oil leases which might in an emergency deprive the country of its most vital source of defense was bad enough but it was only a property damage. But the conspiracy in which the government was an active element, to destroy a distinguished citizen in reputation and service, was an atrocity so despicable as to make the perpetrators appear inhuman. Secretary Weeks has brought this great crime of which Coolidge must have known, fresh to the public mind.

Eagleville to Get Railroad Station.

Eagleville won out over Beech Creek in the contest before the Public Service Commission as to which place is entitled to an agency station on the line of the Bald Eagle Valley railroad, and the Pennsylvania Railroad company has been directed to maintain an agency station there.

A number of years ago the two villages had a like contest and Beech Creek won out, with the result that a station was built at that place. Last spring D. A. Barrett, of Bellefonte, was promoted to agent at that place and during the summer the station building caught fire and burned to the ground while Mr. Barrett was at his home in this place. A box car was run onto a siding at Beech Creek and fixed up as a temporary station for the agent, which was all right during the warm weather but rather cool on frosty mornings.

The railroad company claimed there was not sufficient business at Beech Creek to warrant the rebuilding of a station at that place and this opened the way for another contest between the citizens of that town and residents of Eagleville as to which place was entitled to a station. Several hearings were held before the Public Service Commission and last Friday that august body handed down a decision directing the railroad company to maintain an agency station at Eagleville. The probability is that the building will be erected at once and Mr. Barrett put in charge as agent.

KAUP.—Mrs. Margaret M. Kaup, wife of Reuben M. Kaup, passed away at 3:30 o'clock on Sunday afternoon as the direct result of a stroke of paralysis sustained two weeks previous. She had been in poor health, however, the past year and had been confined to bed for four months.

She was a daughter of Josiah and Amelia Owens and was born in Ben Avon, Wales, on October 5th, 1861, hence was 63 years and 7 days old. She came to Bellefonte with her parents when but eight years old and this has been her home ever since. Early in life she became a member of the Presbyterian church and has been a faithful attendant ever since.

On October 12th, 1882, she married Reuben M. Kaup, who survives with the following children: Mrs. Arthur E. Kline, of Altoona; Mrs. Charles Corman, of Cresson, and Fred A., of Birmingham. One son, George E., died in childhood. She also leaves these brothers and sisters: Mrs. Annie Williams, of Braddock; Mrs. James Witmer, of Bellefonte; John M. Owens and Mrs. Rose A. Love, of Altoona; William M. Owens, of Bellefonte; Josiah W., of Swissvale; Mrs. Ella Gfrerer and Edward R. Owens, of Bellefonte.

Funeral services were held at her late home on Wednesday morning by her pastor, Rev. William C. Thompson, after which burial was made in the Union cemetery. A peculiar coincidence in her passing was the fact that her death occurred at the exact hour of the ceremony on the forty-second anniversary of her marriage.

HEATON.—Daniel W. Heaton died on Tuesday of last week at the home of his son, Dr. W. R. Heaton, in Phillipsburg, as the result of general debility. He was a son of Michael and Mary Heaton and was born on Marsh Creek July 23rd, 1845, hence was in his eightieth year. In 1879 he married Miss Sarah Elizabeth Stiver, of Martha Furnace. Immediately following his marriage he and his wife located in Phillipsburg where he engaged in blacksmithing. Two years later he moved to Morrisdale but at the end of six years gave up blacksmithing, moved to Martha Furnace and engaged in farming.

During his brief residence at Phillipsburg he was instrumental in organizing the United Brethren church of that place and while living at Morrisdale he also assisted in organizing a church of the same denomination there. When he moved to Martha Furnace he joined the Baptist church and for twenty-five years was one of its deacons. His wife died some years ago but surviving him are one son and a daughter, Dr. W. R. Heaton, of Phillipsburg, and Miss Virgil B. Heaton, of Martha Furnace. He also leaves two sisters, Mrs. Sarah Poorman, of Bellefonte, and Mrs. Belle Robb, of Avis.

Brief funeral services were held at the Dr. Heaton home in Phillipsburg at 12:45 o'clock on Friday after which the remains were taken to Martha Furnace where services were held in the Baptist church at 2:30 o'clock, burial being made in the cemetery adjoining the church.

CONLEY.—Mrs. Catherine Conley, widow of John W. Conley, died at Sioux Falls, South Dakota, Tuesday evening, October 14th. Leaving her home in Centre Hall, three years ago, which was necessitated by advancing age and failing health, she went west to make her home with her only surviving son, James. Her death was the result of a general decline, due to her advanced age.

The remains will be brought to her old home at Centre Hall, arriving tomorrow afternoon. Services will be held in the Reformed church by Rev. Keener and interment made by the side of her lamented husband in the Centre Hall cemetery.

Mrs. Conley was a daughter of John and Rachael Keller and was born on the old Keller homestead on May 10th, 1840, hence was in her eighty-fifth year. Her entire life up to the time of her going west was spent in the vicinity of her birth and she was the last of her generation of the Keller family.

COX.—Mrs. Lucy B. Cox, wife of Harry C. Cox, died at her home at Nealmont, near Tyrone, on Wednesday morning of last week, following five years' illness as the result of a stroke of paralysis.

She was a daughter of Samuel and Henrietta Tate Bryan and was born at Curtin, Centre county, on January 18th, 1861, hence was in her sixty-fourth year. She married Mr. Cox in 1882 and he survives with three children: Edward R., of Hill Crest; Mrs. A. C. Grazer, of Tyrone, and Miss Linnie Cox, at home. She also leaves three brothers, Samuel Bryan, of Bellefonte; Elmer, of Milesburg, and Edward, at Curtin.

Mrs. Cox was a member of the Ironville Methodist church and Rev. R. B. Dysart had charge of the funeral services which were held at 2:30 o'clock on Friday afternoon, burial being made in the Birmingham cemetery.

BREW.—Mrs. Josephine Brew, widow of the late Harry C. Brew, passed away at eleven o'clock on Wednesday night at the home of her daughter, Mrs. A. D. Riley, at Crafton, following a brief illness with pneumonia.

She was a daughter of Daniel Z. and Lucretia Keister Kline, and was born in Bellefonte. Her girlhood and early married life was spent in this place but twenty-five years or more ago the family moved to Pittsburgh where she lived until the death of her husband a few years ago, since which

time she had made her home with her daughter at Crafton.

In addition to her daughter her only survivor is a half-sister, Mrs. John G. Love, of Bellefonte. The remains will be brought to Bellefonte on the 1:20 p. m. train tomorrow and taken direct to the Union cemetery for burial.

PANTON.—Word was received in Bellefonte last week of the death of May Barrett Panton, of Ponca City, Oklahoma, who died at her home in that place, Thursday, October 9th.

Mrs. Panton was the younger daughter of J. M. and Sarah Thomas Barrett, and lived in Wilkes-Barre, until coming here with her sister Lilly and two brothers, Charles and Edward, following the death of her parents, to make their home with their mother's people.

As Miss May Barrett, Mrs. Panton grew to womanhood in Bellefonte and through her great popularity was closely associated with all its social life. A member of St. John's Episcopal church, with strong church affiliations, her personality in the social and church life here at that time, will quickly recall her very pleasantly to many in Bellefonte.

Leaving here a number of years ago to join her brothers in the west, she was married there to Owen Panton, who, with one daughter, Mrs. Claude Cook, and her younger brother, Edward Barrett, of Ponca City, survive.

REARICK.—Mrs. Amanda Rearick, wife of John Rearick, of Spring township, died at the Centre County hospital on Monday morning as the result of a stroke of paralysis sustained on Saturday night while sitting in the family automobile on the streets of Bellefonte.

She was a daughter of George and Mollie Breen and was born in Benner township fifty-eight years ago. She married Mr. Rearick in 1897 and he survives with the following children: Miss Mary, at home; Mrs. Wallace Emil, of Spring Mills; Pearl, of Bellefonte, and Mrs. Jacob Jackson, of Lemont. She also leaves two brothers, John Breen, of Centre Hall, and Jackson Breen, of Lemont.

The funeral was held yesterday morning, burial being made at Unionville.

Open House Week at Y. M. C. A.

The Bellefonte Y. M. C. A. will be fifty-five years old on Sunday, October 19th. By way of celebration it will hold open house with an attractive program for the boys and girls, who will have time on their hands on account of the teachers' institute. The feature of the week will be an indoor baseball league series for the boys of the grades of the public schools. A supper will be given the winning team. Program for the week:

Monday.—Two indoor baseball games, 9:30 and 2. Opening of the bowling league, 8 p. m.

Tuesday.—Hike and weiner roast for younger boys, 9 to 3:30. Business men's volley ball game, 8 p. m.

Wednesday.—Two indoor baseball games, 9:30 and 2. Juniors gym frolic at 4:30. Older boys trip to Camp Kanawatch. Return Thursday.

Thursday.—Girls indoor baseball game 2 p. m. Girls gym class 4:30. Opening of women's gym class, 7:30. Ladies night in bowling alleys.

Friday.—Semi-finals in school baseball, 9:30 and 2.

Saturday.—Juniors gym, class 9 a. m. Final game in indoor baseball, 2 p. m. Bowling match, Renovo Y. M. C. A. vs. Bellefonte Y. M. C. A., 8 p. m.

The physical director will have charge of the indoor baseball league and the junior hikes. The general secretary will accompany the older boys on the over night trip. A meeting of the captains appointed will be held at the Y. M. C. A. on Friday night to make final arrangements for the league games. Boys are asked to sign up this week for the trips. Boys not members may join the groups.

Dr. Martin to Speak at Conference of Women's Clubs.

Dr. A. E. Martin, head of the department of history at State College, will speak at the afternoon session tomorrow at the Centre county conference of Women's clubs to be held in the High school building, Bellefonte. His subject will be "Intricacies in Our Relations with Japan." Dr. Martin is an exceptional master of his department and never fails to entertain and instruct his audiences.

The Women's club of Bellefonte will be hostesses to all the women's organizations in the county that will attend this annual conference tomorrow. It will be an opportunity to meet members of other clubs and organizations and hear what they are doing in their communities. Therefore, the president of the Bellefonte club would like as many members as possible to attend both morning and afternoon sessions. Do not forget the box luncheon. If it is impossible to attend both sessions plan to be present at one, at least, for an interesting program has been arranged. The public is cordially invited.

—Centre county hunters are beginning to burnish up their guns owing to the fact that the pheasant, squirrel and wild turkey hunting season is rapidly approaching. In fact November first will be the opening of the season. The woods will likely be full of hunters. Woodcock and raccoon are now in season but there are very few of the former in Centre county while coon hunters prefer colder weather for that sport.

ANOTHER BIG HALLOW-EEN.

Bellefonte Lodge of Elks will Hold Fifth Annual Carnival and Charity Ball.

The Bellefonte Lodge of Elks will hold their annual Halloween carnival this year, as usual, on the night of October 31st, and in connection therewith will conduct a Harvest Queen contest and give a charity ball immediately following the carnival. The prizes this year will be something worth working for.

In the Harvest Queen contest, which was started this week, the winner will be given a \$55 diamond ring. A second prize will be a \$25 pearl necklace while other prizes will be awarded the other contestants.

Three prizes, \$25, \$15 and \$10 will be given for the best float in the parade while \$15, \$10 and \$5 will be awarded for the fanciest ladies' costumes. Of course many prizes will also be contributed by Bellefonte business men along the same line as those awarded in previous years, so that all who excel in their get-up for that night are almost sure to win a prize.

Halloween will be just two weeks from tonight, which means that everybody who intends taking part will have to get busy. All candidates for the Harvest Queen will have to hustle to stay in the contest and the best time to do the work is in the beginning. A good showing early in the contest will win more ardent support at the finish.

W. T. Kelly is chairman of the general committee in charge of the celebration while the chairmen of the sub-committees are as follows: G. W. Rees, "Harvest Queen" committee; W. H. Brown, parade; John J. Bower, decorations; O. A. Kline, charity ball; Homer P. Barnes, fireworks; Charles Schlow, prize solicitation and awards; B. J. Beezer, publicity.

The contest for the Harvest Queen will close Wednesday night, October 29th, at 10 o'clock. The money derived from the contest, after the expenses of the carnival and charity ball are deducted, will be donated to the maintenance of a community nurse.

All military, fraternal and civic organizations, as well as fire companies desiring a place in line of parade, as well as parties anticipating placing floats in the parade, must notify William H. Brown, chairman, not later than October 24th, so that the line of parade can be properly arranged so as to avoid confusion on the big night.

The Penn Centre Eight orchestra has been engaged for the charity ball, and the small admission fee of 50 cents a person will be charged.

Three young ladies were entered in the Harvest Queen contest yesterday. They are Emma Gehret and Hester Hines, of Bellefonte, and Sarah Uzzle, of Snow Shoe.

A PROCLAMATION. Whereas, The fifth annual Elks Halloween carnival and mummies parade will take place in Bellefonte on Friday evening, October 31st, 1924; and,

Whereas, It is the desire of all participants to properly care for the safety of the public and to make this year's celebration a greater success, if possible, than that of one year ago; and,

Whereas, To insure absolute safety not only to participants but also to spectators, it is necessary to limit for a short time the movement of all cars and the parking of same upon and over portions of certain streets.

And Therefore, by virtue of and in conformity with the provisions of an ordinance of the borough of Bellefonte, I do hereby direct and proclaim that the following parts of streets be and they are hereby declared closed to all traffic and parking privileges on Friday, October 31st 1924, between the hours of 6 o'clock and 10 o'clock p. m. viz: Bishop street from Ridge to Spring; Spring street, from High to Howard; Howard street, from Spring to Allegheny; Allegheny street from Linn to Logan; High street, from Diamond to P. R. R. Co. crossing.

The parts of streets above designated must be kept clear in order that all of our people may have uninterrupted enjoyment and the children's safety guaranteed.

Make it unnecessary for any one to complain of any infraction in any way relating to traffic and parking privileges during this celebration.

Information has just been received that a number of children, as well as some grown-ups, are arranging to start soaping windows, tearing up walks, etc., on next Monday night, and to continue in this disorderly practice until Saturday, November 1st. This is therefore to give the grown-ups as well as the parents of the children to distinctly understand that this practice will not be tolerated. The Halloween and mummies parade should be sufficient entertainment to please every one during this season of the year. No person, either large or small, has any right to deface or destroy any property. The police officers have been given positive instructions to take in charge any violators of the ordinance which covers these particular matters.

Given under my hand this 15th day of October, A. D. 1924.

W. HARRISON WALKER, Burgess.

Alfalfa the Best Ration for Dairy Cows.

According to a survey made by one of the leading creameries in the Mifflin valley the conclusion reached by those in charge of it was to the effect that one dairy cow will thrive better and produce more off one acre of alfalfa in a year, than she will from any other forage or grain that the acre can be made to produce.

Young Man Smothered to Death in Phillipsburg Lockup.

Frederick Beam, twenty year old son of Emmett Beam, of Shawsville, Clearfield county, was smothered to death in a steel cell in the Phillipsburg lockup, early Monday morning, as a result of a fire in the building, and Walter Ralston, of Kylertown, was overcome by the smoke and is now a patient in the Cottage State hospital, in Phillipsburg.

Both young men were arrested on the streets of Phillipsburg on Saturday night on the charge of intoxication and also driving a car while in that condition. They were placed in the borough lockup, which is in the basement of the public building. As Burgess Todd, of that place, does not hold hearings on Sunday the young men were kept in confinement all day and Sunday night. Early on Monday morning people living in the vicinity of the public building heard the loud and persistent calling of the men but paid little attention to it until they detected cries of distress.

Harry Haines then got out of bed and went to the public building to see what was wrong and discovered fire in the basement. He had no way of getting into the lockup to release the prisoners and the fire alarm would not work. The result was, considerable time elapsed before the firemen were routed out and broke in the door to the lockup. The entire basement was so filled with smoke it was almost impossible to get inside but Beam was finally dragged from his cell with life already extinct. Ralston was found lying on the floor of his cell covered with a blanket, and this probably saved his life.

How the fire originated is unknown, as it was not in any of the occupied cells. Beam, the man who smothered to death, was twenty years old and has been living at Tylersville for some time, where he was employed on a lumber job. In addition to his father he is survived by a step-mother, five sisters and one brother.

Woman Dies of Burns Sustained While Stirring Applebutter.

Mrs. Fannie Graham, aged widow of Arthur Graham, died at the Centre County hospital on Thursday of last week as the result of burns sustained on the 28th of September while engaged in stirring applebutter. She lived with a family by the name of Eye on the William Holt farm, in Snow Shoe township, and while engaged in the above task at the home of Frank Tabridy her clothing caught fire. Mrs. Culver ran to her assistance and succeeded in extinguishing the flames but not before sustaining badly burned hands. Mrs. Graham was seriously burned about the hips and lower extremities and was brought to the Centre County hospital where she suffered considerable agony until passing away last Thursday.

She was a daughter of John and Margaret Bowes Eye and was born in Burnside township eighty years ago. She married Arthur Graham and most of their married life was spent near the home of her birth. Her husband died some five or six years ago and her only survivor is one sister, Mrs. John Kraner, of Snow Shoe. Funeral services were held on Sunday afternoon, burial being made in the Askey cemetery, in Snow Shoe township.

"State" Alumni to Hold Fifth Homecoming Day.

The fifth annual alumni homecoming day celebration will be observed at The Pennsylvania State College on Saturday, October 25th. This holiday for graduates and former students of the college has now become the biggest annual feature for alumni on the campus, and an attendance of several thousand is expected.

The outstanding feature of the day will be the annual football game between Penn State and Syracuse University. This will be the third consecutive meeting of the two teams. The first game ended in a scoreless tie and the second was won last year by Syracuse. The Nittany Lion eleven is out to avenge last year's defeat and the game should turn out to be one of the best ever staged in Central Pennsylvania. An alumni smoker in the college armory will close the big reunion day for the former students, many of whom travel hundreds of miles to attend the occasion.

Bellefonte High School Football.

Tomorrow afternoon, at Hughes field, the High school football team will play Altoona Catholic High school. Although little direct information is available concerning Altoona's strength rumor says they have plenty of material, with a former Dickinson star as coach. They won their early season games with ease. The Bellefonte High school squad has been hard at work this week, polishing off the rough edges and developing a smooth running team. The team will go away next week, not playing in town again until November 1st, when they will meet Milton. Saturday's fracas starts at 2:30.

Two More Prisoners Escape.

Officers and guards at the Rockview penitentiary are looking for two more prisoners who made their escape some time between 5:30 and 8 o'clock on Tuesday night by climbing over the stockade. The escapees are Howard Ardey, sent up from Clearfield county for from 2 to 4 years for breaking and entering and larceny; and J. C. Creghan, of Allegheny county, sent up for from 4 to 8 years for highway robbery.

Charles Hunter Dukeman Killed on N. Y. C. Railroad.

Charles Hunter Dukeman, a native of Centre county and a brother of chief of police Harry Dukeman, of Bellefonte, was killed on the New York Central railroad, in Clearfield county, shortly after dinner last Thursday while in the act of saving a fellow workman from meeting a like fate. Dukeman was employed as a brakeman on local freight and was assisting in making up a train at Lumber City. While so engaged Clarence McFarland, another brakeman, stumbled and fell across the track just as Dukeman gave the signal to the engineer to back up the train. He could not countermand the signal and promptly rushed to the aid of the fallen man. He was able to push him far enough from the track to escape serious injuries but was himself caught between two cars and badly crushed. He was quickly put upon a train to be taken to the Clearfield hospital but died before the train had proceeded far.

The unfortunate man was a son of Miles and Mary A. Dukeman and was born at Curtin thirty-nine years ago. He had been in the employ of the N. Y. C. railroad about seven years. He never married but is survived by the following brothers and sisters: Harrison Dukeman, of Clearfield, with whom he made his home; Harry, of Bellefonte; William, of Altoona; Mrs. John Osman, of Sunbury; Mrs. Howard Martin, of Bellefonte, and Mrs. William Billett, of Coleville.

Brief funeral services were held at the Dukeman home in Clearfield on Saturday evening and on Sunday the remains, accompanied by almost one hundred railroad men, members of the Brotherhood, of which he was a member, were taken to Curtin where services were held in the Methodist church at 2:30 o'clock in the afternoon, burial being made in the Curtin cemetery.

Winner in Ton Litter Contest.

The distinction of producing one ton of pork from a litter of pigs in 180 days was earned by the Peters Brothers, of Stormstown, according to county agent R. C. Blaney. This honor makes them a member of the Keystone Ton Litter club, of Pennsylvania.

This litter is the product of a pure bred Poland China sow and contained ten pigs. They were farrowed April 4th and were weighed on October 4th, making a total weight of 2381.5 lbs., or an average of 238 lbs. per pig. During the feeding period they made an individual gain of 1.3 lbs. per day. From the cost records one pound of pork was produced for 9.4 cents and sold for 11 cents, making a net profit of 1.6 cents per pound.

This litter was pastured on alfalfa and sweet clover, and in addition were fed mixed corn, middlings, corn and skim milk, which was later supplemented with tankage.

A lot of interest has been shown over the State in this contest and as far as the results have come in this record stands among the highest.

Presbyterians Lead in Penn State Student Body.

There are twenty-five different religious denominations represented in the student body at The Pennsylvania State College this year. The Presbyterians lead with a total of 831, according to a census taken by W. S. Hoffman, the college registrar. The Methodists are a close second with 769 students. The Lutheran faith is represented by 455 students and the Roman Catholic by 365. There are 253 of the Reformed faith; 194 Episcopal; 139 Baptist and 102 Hebrew. The Evangelicals are represented by 62 students, the Friends by 52 and the United Brethren by 43. The balance of the student body of almost 3500 men and women are associated with fifteen other religious faiths.

Dentists Organize.

On Wednesday evening of this week the dentists of Bellefonte held a get-together meeting at the home of Dr. J. J. Kilpatrick, on east Curtin street, and formed an organization to be known as the Bellefonte Dental association, with Dr. J. J. Kilpatrick as president, and Dr. R. L. Stevens secretary. Other dentists present were Dr. E. S. Maloy, Dr. R. B. Tinsley and Dr. G. A. Robinson. Following the organization there was a pleasant hour of social enjoyment after which the meeting adjourned. The next gathering will be held at the home of Dr. Tinsley on Monday evening, October 20th.

An Old Fashioned Dance.

Frank Detrick is sponsor for a movement to revive the old fashioned dances in Bellefonte. The effort to bring back the waltz, the jolly old quadrille and the lancers will be launched at the Logan hose house next Wednesday evening, October 22nd. Mr. Detrick will bring out the old violin that tickled the toes of Bellefonte dancers years ago and, with the assistance of good piano accompaniment and a competent caller, will guarantee all who attend an evening of real enjoyment.

The dance will continue from 8 to 12 and everybody is invited.

—Harry Johnson, who carries the mail through Nittany valley by auto bus, has made application for a certificate of public convenience for the establishment of a motor bus line between Bellefonte and Tyrone by way of Bald Eagle valley.
