

NEWS ABOUT TOWN AND COUNTY.

—William Hipple, a well known resident of Burnside township, died on Tuesday.

—Mrs. Thomas Beaver entertained yesterday afternoon with three tables of bridge.

—Don't forget the faculty play, "Come Out of the Kitchen," at the Moose Temple theatre next Tuesday evening.

—A regular meeting of the American Legion Auxiliary will be held in the Legion rooms Thursday evening, October 23rd, at 8 o'clock.

—The Decker Bros. moved on Friday from their old location, on south Water street, to their new garage, corner of High and Spring streets.

—On Wednesday evening of last week the United Brethren church congregation extended an official welcome to their new pastor, Rev. J. A. Mills and family who recently arrived here from Mapleton.

—Mrs. McClure Gamble's dancing school will open Friday, November 7, at the Logan hose house. The children's class from 4 to 6 in the afternoon, and the juniors from 7:30 to 9 in the evening.

—A large delegation of the Bellefonte Lodge of Odd Fellows, including the band, will motor to Tyrone this evening to deliver to the Tyrone lodge the "Keystone Traveler" which has been in possession of the Bellefonte lodge the past fortnight.

—The Bellefonte High school football team defeated Millheim, on Hughes field last Saturday morning, by the score of 46 to 13. State College defeated Gettysburg 26 to 0, while the strong Bellefonte Academy eleven downed the Susquehanna University reserves, on Friday, 113 to 0.

—Members of the American Legion have made an offer for the purchase of the stone house on Howard street, for many years the residence of the late John P. Sebring, as a home for the organization. The heirs of the estate, however, are anxious to dispose of the two properties together, but failing to do this the Legion may be able to secure the stone building.

—Invitations were received in Bellefonte this week for the marriage of Miss Louise Houston Furst, daughter of Mr. and Mrs. John Shuman Furst, of Overbrook, and Thomas Harris Keon. The wedding will take place Saturday, the first of November, at the Overbrook Presbyterian church. Mr. and Mrs. Keon will live at the Manheim apartments at Germantown. Miss Furst is known here through her visits to her grandmother, Mrs. Austin O. Furst.

—Washington won the world's series baseball games, which was in accord with the wishes of about nine out of ten fans but one hundred per cent. of the movie fans think the scenic the best place to watch the motion pictures. They all feel more at home there and know that the programs will always be up-to-date and interesting. School teachers coming to Bellefonte for teachers' institute next week will find the scenic an ideal place to spend their evenings.

—Mrs. Mary E. Winton, of Scranton, Pa., is said to have made a bequest of \$5000 to the Bellefonte hospital as an expression of her gratitude for treatment received by her son Walter, an Academy student, while suffering with pneumonia in the institution. It will be recalled that Walter was the boy who was afterwards killed when his automobile overturned just east of State College three years ago. Mrs. Winton, who was very rich, died in Scranton two weeks ago.

—The six inch iron pipe to be laid in Spring creek for the purpose of conveying sewage from a point below the falls down the stream to under the High street bridge, is now on the ground, and will probably be put down during the ensuing week. The pipe is to be laid in conformity with an order of the State Board of Health as a means of preserving the big trout which frequent the deep pool below the falls, and naturally the borough was compelled to follow the decree coming out of Harrisburg.

—Elliott Lyon Morris has tendered his resignation as general superintendent of the American Lime and Stone company operations in this place to take effect as soon as his successor can be named, with a maximum period of thirty days, for the purpose of going to Macon, Ga., to join his father in the management of the A. G. Morris stone operations at that place. Mr. Morris and his wife will leave Bellefonte just as soon as he is released from service with the American Lime & Stone company, which is likely to be any time within the next month.

—Cards were received in Bellefonte this week announcing the marriage of Miss Mary Negley Stein, daughter of Rev. and Mrs. James B. Stein, of Harrisburg, and Mr. Lemuel Morse Shreve, of the same city, the happy event taking place last Saturday. The bride will be remembered by quite a number of people in Bellefonte from having lived here during the time her father was pastor of the Methodist church. She later graduated at Syracuse University, and spent several months this summer in Paris, France, and other cities on the continent. She and her husband will be "at home" in Harrisburg after November first.

CORPORATE MEETING OF CENTRE COUNTY HOSPITAL.

Most of Present Board Re-elected. Treasurer's Report in Full.

Two hundred or more men and women from those portions of Centre county served by the Centre County Hospital attended the corporate meeting held in the court house on Monday evening. The meeting was called to order promptly at eight o'clock by Ralph Mallory, secretary, and on motion Rev. Wilson P. Ard was chosen to preside. The secretary read the minutes of the last corporate meeting held on June 9th.

John Blanchard Esq., presented the action of the court of Centre county in approving the change in the corporate name of the institution from the Bellefonte Hospital to Centre County Hospital.

Treasurer Edward R. Owens presented his report and because the finances are the one thing in which the public is especially interested we publish the same in full.

Mr. Owens stated that the "Serve Centre's Sick" drive did not quite reach the one hundred thousand dollar mark, owing principally to the fact that no returns had been received from Division C, Snow Shoe and vicinity, owing to the depression in the coal mining industry, but Mr. Chambers, chairman of that district, has given assurance that as soon as business improves the district will meet its quota. The entire amount pledged was \$94,128.32. The pledges by districts and amount already paid are as follows:

Table with columns: Division, Pledges, Paid. Totals: \$94,128.32 / \$36,942.83

To the above total of pledges paid is added \$434.21, cash at Howard, and \$1.75 interest on bond, making a grand total of \$38,227.87. This money is deposited in the following banks:

Table with columns: Bank Name, Amount. Total: \$37,495.76

The above total is \$116.97 more than was posted on the cards. In addition to the above \$849.08 has been paid in from August 9th to October 1st, making the total receipts from the drive so far \$38,227.87. When the drive was made the contemplated proceeds were allotted as follows:

Table with columns: Item, Amount. Total: \$11,100.00

The board also purchased Liberty Bonds from Bellefonte Hospital, \$2500.00, deriving 4% interest for the benefit of the fund. The recapitulation is as follows:

Table with columns: Receipts, Amount. Total: \$14,886.62

Mr. H. S. Moore, chairman of the Building committee, made a brief report of the work so far done, which includes the foundation for the new wing to the hospital, and that additional work will be pushed as rapidly as possible.

Chairman Ard announced that the next thing in order was the election of trustees, and appointed as judges Capt. W. Frederick Reynolds, of Bellefonte, and Dr. R. M. Krebs, of Pine Grove Mills.

W. Harrison Walker made a motion that all members of the present board in District No. 1, which includes Bellefonte and vicinity, be renominated, and the motion was seconded. These members are John Blanchard Esq., George Hazel, Edward R. Owens, Col. W. Fred Reynolds, W. T. Kelly, Ralph Mallory, H. S. Moore and Calvin Troup. Col. Reynolds requested permission to withdraw his name and substitute W. J. Emerick. Mr. Emerick objected. No other nominations being made a motion was passed that the secretary cast the ballot electing the above named.

As none of the other districts had exercised their right to elect their own members of the board it devolved upon the meeting to do so, with the following result:

- District No. 2, State College and vicinity—J. Laird Holmes and Dr. Thomas E. Gravatt, of State College. District No. 3, Centre Hall and vicinity—Frank A. Carson, Potters Mills. District No. 4, Millheim and vicinity—W. S. Shelton, of Millheim. District No. 5, upper Bald Eagle valley—Thompson Henry, of Martha Furnace. District No. 6, lower Bald Eagle valley—Thomas A. Fletcher, of Howard.

District No. 7, Snow Shoe and vicinity—David Chambers.

Mr. Blanchard then explained that according to the by-laws the members of the board are divided into three classes, first class to serve for one year, second class two years and third class three years. The first class men are all in Bellefonte and are Messrs. Blanchard, Hazel, Kelly, Mallory and Moore. The second class are the other three members from Bellefonte, Messrs. Owens, Reynolds and Troup, and the two members from State College, Messrs. Gravatt and Holmes, while the third class men who will serve for three years are those from the other five districts, Messrs. Carson, Chambers, Henry, Pletcher and Shelton.

Mr. Blanchard called attention to the fact that the members of the old Woman's Auxiliary were in doubt as to their standing under the change of the corporate name of the hospital and called attention to the section of the by-laws which provides that the Auxiliary shall continue to function as before. Mrs. M. E. Brouse stated that in her opinion it would be best if the present board of trustees appoint members of the Auxiliary, but Mr. Blanchard specified that the Auxiliary was an organization independent of the board, with the power and right to elect its own officers and members, and should continue to exercise this privilege.

That the present board is not only desirous but anxious to have the co-operation of the Auxiliary in making any criticisms or suggestions as to the conduct of the hospital or in regard to the building and improvements to be made. At the suggestion of George Hazel, president of the board, he stated that a special meeting will be held in the near future for the express purpose of meeting the members of the Auxiliary and hearing any suggestions they may have to make.

There being no other business the meeting adjourned.

In connection with the big drive in the spring it might be said that quite a number of the subscribers have not yet paid their first installment, and the second will be due November 1st. Statements will be sent to every subscriber at that time and the board will appreciate a prompt remittance.

Some Compliment.

A friend writing from Lewisburg, W. Va., to ask for a copy of a recent issue that failed to reach him, says: "I take two county papers, but there's none like the 'Watchman.'" To miss one is as bad as to have to eat eggs without salt."

Musical Notes.

On last Saturday afternoon a studio tea was given at the home of Miss Rebecca Pugh Lyon, on Howard street. Miss Lyon gave a short talk on "The Secret of the Piano Touch," which she discussed from two angles, physical and mental, and illustrated with tone pictures from the compositions of Schumann, Chopin, Rubenstein and Poldini.

They Wouldn't Have Perry.

In reporting the arrest of Perry Krise, of Pleasant Gap, for the killing of a doe deer, the "Watchman" last week stated that "it is said he is a member of the United Sportsmen's club, of that place." In this we were misinformed, as the secretary of the club states that "he never was a member of the club and could not be if he so wished, as the Sportsmen are not looking for men of his calibre for membership."

—We can satisfy you—That's our claim to your patronage.—West Company.

Painter Dan Returns to Bellefonte to Make Good.

Daniel Bernard, otherwise known as "Painter Dan," who left Bellefonte two weeks ago after negotiating a number of forged checks and with other obligations outstanding, returned to town last Friday night and backed up his declaration of intent to make good by making a first payment to most, if not all, his creditors. He also went to work on Monday morning on a job of painting which will materially help him out of his financial difficulties. If he makes good, and all those who have befriended him during the past summer have confidence to believe he will, he will be encouraged in his endeavor to earn an honest living with his paint brush, which is literally gold-tipped so far as his earning capacity is concerned.

Potato Digging Demonstration Next Week.

Potato growers of the county will be interested in a meeting to be held at A. C. Kepler's, west of Pine Grove Mills, next Tuesday afternoon, October 21st, at 1:30 o'clock. E. L. Nixon, potato specialist of The Pennsylvania State College, will be present and discuss sources of seed as well as any general questions any one will have to bring up.

At that time the seed source tests will be dug up and yields figured in order to determine the best sources of early and late seed potatoes.

The tests include the russet varieties, 1st year Michigan russetts, 2nd ties, 1st year Michigan russetts, 2nd year county russetts, and of the white skin varieties, Somerset Rawleighs, North Dakota cobbles, Maine cobbles and Maryland cobbles.

Mt. Carmel Girl Found Unconscious on Bellefonte Streets.

An honest looking girl who gave her name as Elsie Jill, of Mt. Carmel, apparently about nineteen years old, nicely dressed and apparently well-to-do, with not a cent of money in her purse was found unconscious on north Spring street, this place, about seven o'clock Wednesday evening.

She was lying on the pavement in front of the old Powers property where it was so dark that the man who made the discovery almost stepped on her. Harry Thompson happened along at the moment and both men thought the girl was dead. They called a physician and carried her into Robert Irwin's home where she revived, but would say nothing as to what had happened.

Two kindly disposed ladies took her in charge and suggested sending her to the hospital. This was done but after being admitted she still maintained her reticence.

Later she said to the ladies who had befriended her that she would tell them all next morning. Accordingly they went out to the hospital yesterday and this is the substance of her story:

She had been out walking in Mt. Carmel when a man she had known for a long time invited her to take a ride. After getting into his car they never stopped until they reached this place. The street lights were on and he stopped somewhere, she did not know the location, and said: "Let us get out and get something to eat. No sooner had she left the car than he bolted off leaving her penniless in a strange town and called out 'I'm going back to Mt. Carmel.'"

She says she was just so dazed and frightened that she walked and walked until her collapse as above stated. She said the man had not abused her in any way and declared that they had nothing to drink.

Her accidental protectors telegraphed her mother as to her whereabouts and procured a ticket to carry her back to Mt. Carmel yesterday afternoon.

She seemed greatly concerned about the effect of her absence on her mother. It seems to us that Elsie and every other girl should have such consequences in mind before they put themselves in positions that might end disastrously.

She was most profuse in her expressions of gratitude for the kindness shown her both by the two young benefactors and the women at the hospital. It was learned that she had been working in the Firestone tire factory at Akron, Ohio, and was probably only at home on a visit.

Is Centre County to Have a Cement Mill?

George P. Steel, formerly engaged in the iron and steel business in Williamsport, has been in Centre county for some time working on the organization of a million dollar corporation to develop and manufacture Portland cement. He has taken options on 185 acres of ground just east of the P. R. R. station at Lemont which is said to be underlain by very valuable veins of cement rock. It has all been checked up and proven by geologists and chemical engineers of high standing in their professions.

The properties included in the option to buy are the former Dr. J. Y. Dale farm with contiguous territory known as the Shirk, Thompson and Evey lands.

Associated with Mr. Steel are some State College people and well known business men from other parts of Centre county.

Their present plans contemplate the erection of a mill with a capacity of 1500 barrels per day, with provisions for enlargement. Such a plant would employ approximately 100 men at the start.

The enterprise is to be financed through the issue of first mortgage bonds. It is not definitely assured as yet, but Mr. Steel talked very hopefully of it yesterday morning. He is positive, so far as thorough investigation and analysis of experts can be relied upon, that the raw material is there in unlimited quantities, and that the cement industry is rated by the Federal Reserve bank as being the most consistently normal of any coming under the surveys it has made of American manufactures.

Older readers of the "Watchman" will recall that years ago a very high grade of cement, called Logan, was manufactured at a small mill that stood on the bank of Logan's branch just opposite the black barn on the Jodon farm near the fish hatchery.

Her home has been rented furnished, to B. L. Weaver, who will come here from Birdsboro, Pa., at that time, to be with the Titan Metal Co.

—Peter Mendis came in from Detroit last week to look after some property interests he has in Bellefonte and also to see his many acquaintances made during the years he lived here. Peter is now comfortably fixed in the city of many auto factories, where his boys have all got good jobs, and is as about as contented and happy as a man need be.

—A. Fauble, vice president, and Ray T. Noll, general manager of Whitetock Quarries; Geo. C. Bingham, purchasing agent of the American Lime and Stone Co., were guests of Charles R. Beatty on a drive to Clearfield on Wednesday. They went over to witness a demonstration of the Fordson tractor's adaptability to use in shifting and hauling mine cars.

—Mr. and Mrs. George N. Van Dyke arrived in Bellefonte early in the week from Pittsburgh, to spend a short time with Mrs. Van Dyke's mother, Mrs. John Noll, before going on to their new home in Philadelphia, to which place Mr. Van Dyke was recently transferred. Mrs. Noll, who has been ill for several years, was again in a very critical condition Tuesday.

—Miss Margery McGinley is here from Washington to spend the remainder of October with her parents, Mr. and Mrs. A. Linn McGinley, coming at this time to be with her sister, Mrs. Harold Thompson and her family for a visit before they leave for New York. Mr. Thompson is on his way to New York State. Owing to Mr. Thompson's ill health Mrs. Thompson and the children have been at the McGinley home for the greater part of the summer.

—J. G. Dauberman, of Centre Hall, was a Bellefonte visitor last Friday and a caller at the "Watchman" office. Commenting on the corn crop he said that he expected to husk a pretty fair yield, with not less than sixty per cent. of it good, marketable corn, notwithstanding the fact that this is not a very good corn year. He also stated that there are quite a number of fields in Pennsylvally just as good as his, but there are also some that are good for silage only.

—Mike Sechick and a friend, of Clearcense, were in Bellefonte Monday on a rather unusual mission. Mike wanted to make a record of his finger-prints. They were necessary to complete his record as a soldier in the late war. He had tried making an impression after inking his fingers with an indelible pad, but it didn't give satisfactory results, so he came to the printer to be helped out. Pressing his fingers lightly on an inked roller he then made the impressions on the documentary sheet with surprising effect.
