DEER HUNTING SEASON WILL CLOSE ON MONDAY.

Many Bucks Slaughtered and a Number of Does Killed Illegally.

The "Watchman's" prediction that this would be a great year for bucks has proven true by reports reaching this office of the number killed so far. Many hunting parties got the limit during the first few days of the hunt and while it is impossible at this time to get an accurate report of the number of deer killed in the Centre county mountains there is hardly any doubt but that it will exceed last year's bag.

Of course with so many hunters in the woods, several thousand of them, at least, some deer were certain to be killed illegally. Up to the time this article was written fourteen does and short horn bucks had been brought to Bellefonte by game wardens. Four of the number were sent to the Cottage State hospital, at Philipsburg, on Monday. The Centre county hospital has been given all it can handle and what will be done if any more are brought in remains to be seen. At that the number of deer killed illegally is not as large as last year. This is probably because the game wardens have been very active in patrolling the woodlands and keeping an eye on every hunting camp.

While it is impossible to give an account of all the deer killed we append the following list of successful hunting parties:

HUNTING ON OLD TUSSEY WAS GOOD.

From our Pine Grove Mills correspondent we learn that the Raymond crowd set the pace for all hunters this year, killing seven fine bucks in eight hours the first day of the season. Of course they had to surrender one to the game warden but they were not liable to a fine, as four of the deer were killed on the last drive made.

The Modoc hunting club got their limit of 6 deer.

No Decision Yet in Bank Case.

Up to yesterday the United States Supreme court had not handed down a decision in the Centre County bank case.

It had been thought that one would be forthcoming last Monday morning, when the decrees for the week are usually handed down. If one should not come next Monday then the probabilities are that it will not be handed down until the New Year as the court will adjourn on that date until January 5th, 1925.

With the Sick.

There are at present twenty-one patients in the Centre County hospital. Those from Bellefonte include Mrs. William Brown, Mrs. John Hartwick, Mrs. Sarah Heverly and Miss Lida Morris.

Homer Barnes, among the sick of the town, and who during the week was thought to be seriously ill, is now slowly recovering.

While in Bellefonte on Saturday for the big farm products show the forty or more members of the junior farmer's association were taken on a sight-seeing trip to the silk mill, the plant of the Federal Match company, the creamery and the big plant of the American Lime and Stone company. In the afternoon they were guests of T. Clayton Brown, at the Scenic theatre.

KELLY.—Thomas F. Kelly, a well known coal operator of Central Pennsylvania, died at three o'clock on Sunday morning at the Jefferson hospital, Philadelphia, as the result of uraemic poisoning. He had not been in good health for a year or more, being a victim of chronic neuritis and leakage of the heart and during the summer spent several months undergoing treatment at Hot Springs, Ark. Recently, however, he was feeling considerably improved but suddenly became worse last week and on Friday was taken to the Jefferson hospital but died on Sunday morning.

He was a son of Thomas F. and Mary Kelly and was born on Spring creek forty-nine years ago last June. When less than a year old his parents moved to Snow Shoe and it was there he grew to manhood. As a young man he went to work for the railroad company and for a number of years was ticket agent at Clearfield. It was while there that he conceived the idea of going into the coal business and organized the Cato Coal company. After a number of years with that company he disposed of his interests and organized a company which purchased a mine at Ironva, Clearfield county, which has been operated under the name of the Ironva Coal company, of which he was president and general manager, and in which a number of Bellefonte people are interested.

Mr. Kelly married Miss Martha Price, of Burnside township, who survives with nine children, Martha, Margaret, Christine, Louise, Catherine, Paul, Francis, Thomas and Billy. He also leaves two brothers and three sisters, Margaret, who made her home with her brother; Joseph, whose whereabouts could not be learned; John A., of Bellwood; Mrs. John P. Kelly and Mrs. Lawrence Redding, of Snow Shoe.

The remains were brought from Philadelphia and taken to Snow Shoe on Tuesday and the funeral held in St. Mary's Catholic church at 9:30 o'clock on Wednesday morning. The services were in charge of Rev. Father McKenna and burial was made in St. Mary's cemetery.

MUSSER.—Doris Evelyn, the three and a half year's old daughter of Mr. and Mrs. Earl C. Musser, of Bellefonte, passed away last Friday night as the result of sarcoma, or a tumor in the throat and head. She had been ill for eight weeks and her case was so baffling to local physicians that she was taken to the Methodist hospital, Philadelphia, but nothing could be done to save her life. She was a bright and interesting child and had always been in perfect health up until her fatal illness. In addition to her parents two sisters and two brothers survive, Mabel, Louise, Elmer and Earl Jr. Funeral services were held at the Musser home at two o'clock on Sunday afternoon by Rev. W. P. Ard, after which the remains were taken to Pine Grove Mills for burial in the cemetery there.

BRESSLER.—Mrs. Ella Elizabeth Bressler, wife of Charles Bressler, died at her home in Miles township on Thursday night of last week following a stroke of paralysis. She was 60 years, 7 months and 3 days old and was a daughter of Nathaniel and Catherine Bowersox. In addition to her husband she is survived by five children, John, Floyd, Mrs. Nora Weber and Mrs. Harry Winkleblech, all of Rebersburg, and Wilmer, at home. She also leaves her mother, four brothers and three sisters. Burial was made in the Rebersburg cemetery on Monday afternoon.

OSMAN.—Alfred Osman, a well known employee of the Pennsylvania railroad in Altoona, died quite suddenly on Monday following a brief illness. He was born at Boalsburg, Centre county, on October 20th, 1860, hence was 64 years, 1 month and 18 days old. He married Miss Mary E. Messinger, of Tusseyville, who survives with five children. Mr. Osman was a member of the Reformed church and Rev. Victor Jones had charge of the funeral which was held yesterday afternoon, burial being made in the Rose Hill cemetery, Altoona.

CARPER.—Mrs. Annie E. Carper, widow of the late Adam Carper, died at her home at Stover's Station, Blair county, on Monday of last week. She was seventy-seven years old and was born in Buffalo Run valley, this county. Her husband died eight years ago but surviving her are nine children. She also leaves three sisters, Mrs. Martha Edminston, of State College; Mrs. Rachel Hamer, of Warriorsmark, and Mrs. Rose Roan, of Buffalo Run. Burial was made in the Burket cemetery, near Warriorsmark, last Friday.

BEIGHTOL.—Jacob A. Beightol, of Clearfield, died on Sunday while visiting his daughter, Mrs. Clyde Barger, at Moshannon. He was 62 years old and formerly lived in Burnside township. He is survived by his wife, two sons and two daughters, J. L. Beightol and Mrs. W. M. Jones, of Clearfield; E. L. Beightol, of Buffalo, N. Y., and Mrs. Barger, of Moshannon. The remains were taken to Clearfield for burial on Wednesday.

HALTON.—Norma Jane Halton, two month's old daughter of Robert and Mary Burket Halton, died at the family home at Unionville on Sunday morning. The remains were taken to Altoona where burial was made in the Grandview cemetery on Monday afternoon.

MILLER.—Mrs. Ruth Furey Miller, wife of Levi A. Miller, of Pleasant Gap, passed away at her home in that place at one o'clock last Saturday morning of carcinoma of the liver and other complications. Though she had been confined to her bed only a few weeks she had been an invalid for many years. In fact some twenty-five years ago while attending services in the Knoxville Presbyterian church, Pittsburgh, of which she was a member, the church was struck by lightning. Seventeen people were more or less injured and Mrs. Miller sustained a nervous shock from which she never completely recovered. Ten years previous to that time her mother was lost in the Johnstown flood and the two catastrophes left her a confirmed invalid.

She was a daughter of John and Mary Furey Sweeney and was born at Pleasant Gap on May 19th, 1846, hence had reached the age of 78 years, 5 months and 17 days. When a young woman she married Mr. Miller and their early married life was spent in Bellefonte. Later they moved to Pittsburgh where they lived many years, and it was while residing in that city that their only son, Harry Miller, died of typhoid fever. Some years ago, owing to Mrs. Miller's ill health, they returned to Centre county and took up their residence at Pleasant Gap, which had been her home ever since. Her only survivors are her husband and one sister, Mrs. Eliza Miller, of Kansas City.

Funeral services were held at the Miller home on Monday and burial made in the Bellefonte Union cemetery.

MOFFETT.—Mary Moffett died last Thursday at the home of her sister, Mrs. James Gilliland, near Rock Springs, aged 69 years. She was a resident of Mooresville, Huntingdon county, but early in the fall went to Rock Springs to visit her sister. She became ill while there and died at the time above stated. She was a life-long member of the Presbyterian church and a good christian woman. Her survivors include a number of brothers and sisters. Rev. H. D. Fleming had charge of the funeral services which were held on Saturday at one o'clock p. m., the remains being taken to Mooresville for burial.

MOTZ.—Thomas B. Motz died at his home in Millheim last Thursday morning as the result of a stroke of paralysis. He was a son of Samuel and Phoebe Motz and was born in Haines township a little over seventy-six years ago. The early part of his life was spent in the oil fields of western Pennsylvania and in the west. Returning to Centre county he married Miss Mary E. Stover in 1890 and since that time had lived in Penn township and Millheim. His wife is his only survivor. Burial was made in the Millheim cemetery on Saturday afternoon.

The Centre County Credit Association has opened an office in the Odd Fellows building, over the Olewine hardware store, with Mrs. John Woods in charge. John W. Jacobs, of Williamsport, who organized the association, is the managing head of the concern and will spend at least one day a week in Bellefonte looking after the interests of the organization.

In memory of the seven young women and men, former pupils of the Bellefonte High school, who have died of tuberculosis during the past five years, and to show your interest in the fight against the white plague, the tuberculosis committee asks you to put a tuberculosis Christmas seal on every letter and parcel sent out tomorrow, December 13th. Seals are on sale at Parrish's, the Variety Shop, Montgomery & Co., Hazel's dry goods, Mott's and Clevestine's. Also in the postoffice all day.

Investigation has shown that it costs about six times as much to cure tuberculosis as to prevent the disease.

The heart of this preventive effort is the Christmas seal. The seal carries the lessons of wholesome food, fresh air and proper sleep. One of the fine things about the Christmas seal is that while carrying happiness and cheer at the Christmas season, it provides funds for carrying on this preventive work all through the year. Another thing which commends the seal to every person is that it costs each individual little. One can place a Christmas seal on each of his or her letters and packages at the holidays at an expense not exceeding what might be spent to see a motion picture or the price of several cigars.

Bellefonte Has Direct Telephone Connection with Philadelphia.

Bellefonte has direct connection to Philadelphia over a new Bell circuit recently placed in operation. In the past it has been necessary for the Belle operator to "build up" a circuit when calling Philadelphia. She called a city between here and Philadelphia and asked the operator at that place to give her Philadelphia. Now the Bellefonte operator will get the Philadelphia operator direct, which will mean quicker and better service.

Bell engineers are constantly studying "traffic" conditions, that is the number of telephone calls between various points. When the business grows to the point of warranting the expense of an exclusive circuit, the wires are connected up. This new service is a tangible evidence of Bellefonte's growing business relations with Philadelphia. Already this circuit is being used to more than sixty per cent. of its capacity, and as knowledge spreads of the improved service doubtless it will be carrying a full load.

When the United Evangelical church is finally completed it will contain a beautifully designed window, which will be put there with money collected by James Krape for the sale of old papers and in doing odd jobs around town. James started out to raise a fund of one hundred dollars and though it was slow work he persevered, and last week had the satisfaction of reaching his goal and turned the money over to the church treasurer for the purchase of the window.

The Mountain League basket ball season will open next Friday when the Bellefonte High school team will play at Hollidaysburg. The following night Bellefonte will play at Juniata. The nine teams composing the league are from the High schools of Bellefonte, Lewistown, Huntingdon, Mount Union, Hollidaysburg, Juniata, Philipsburg, Houtzdale and Lock Haven.

Ask Limiting of Fishing Devices to Rod and Line.

Representatives of nearly 100 fishermen's associations throughout the State at a meeting before N. R. Buller, Commissioner of Fisheries, and the State board in control of the department of fisheries, at the capitol last week, voted unanimously to ask the Legislature to forbid the issuing of special device permits for spear or gig, fish basket or eel rack, outline, burr hook, loop or snare, fyke net or dipnet, or other device of the kind within the waters of Pennsylvania.

The sportsmen also voted to ask the Legislature to provide that all persons over 16 fishing in the waters of the State be required to take out a license, and in the event of this failing of approval in the Legislature to raise the license fee from \$1 to \$1.25 for those above the age of 18.

Pennsylvania now requires non-residents to pay \$5 for the privilege of fishing in Pennsylvania. The fishermen voted in favor of a reciprocal license, making the fee for the fisherman from another State the same as the non-residence fee in his own State, provided that the minimum shall be \$2.50, and that for non-resident aliens, persons from other countries visiting Pennsylvania, be granted a special permit to fish for a period of two weeks. Aliens are absolutely forbidden to fish under the present law, which is designed to keep foreign fishermen from looting the streams.

The delegates voted in favor of shortening the trout season so that it shall begin May 1 instead of April 15, as at present, and some of those present would have gone further and cut it off July 15 instead of July 31.

WOULD SHORTEN SEASON.

The fishing season for all kinds of bass, pike, perch, or Susquehanna salmon, pickerel and muscalonge, it was recommended, shall be shortened one month, beginning as at present July 1 and ending November 30, instead of December 31.

The Board of Fish Commissioners, which suggested most of these changes, also recommended the removal of the size limit on all kinds of game fish, on the theory that most of the fish caught will die anyway and that the supply actually would be increased rather than diminished by this plan, but the proposal was voted down and the Board will ask the Legislature to let the present limits stand.

The bag limits were fixed as follows in the bill that will be presented: Trout, 15 for one day; white bass, rock bass, crapple, strawberry or calico bass, 15; small or large mouth bass, 10; pike, perch or Susquehanna salmon, 5; pickerel, 15; muscalonge, 3; yellow perch, 25; sunfish, 25, and catfish, 25.

The Commission advised a limit of fifteen for Susquehanna salmon, but the delegates cut it to five.

One rod and one line, instead of two, or one hand line, with no more than three books attached, may be used in game fishing, but for rood fish two rods and two lines would be permitted.

The formulation of this program was preceded by much discussion in which Governor Pinchot took part as a fisherman, urging for the improvement in fishing a shorter season, more vigorous enforcement and the opening of waters to all fishermen, as opposed to tying them up in private clubs. He said the passage of the \$25,000,000 forest bond issue would result in the opening of countless streams for all time to the public.

The board will also consider a proposal by a number of sportsmen providing for the closing of streams after the manner in which districts are now closed to hunting for short periods to increase the supply.
