When the correct letters are placed in the white spaces this pussie will spell words both vertically and horizontally. The first letter in each word is indicated by a number, which refers to the definition listed below the puzzle. Thus No. 1 under the column headed "horizontal" defines a word which will fill the white spaces up to the first black square to the right, and a number under "vertical" defines a word which will fill the white squares to the next black one below. No letters go in the black spaces. All words used are dictionary words, except proper mames. Abbreviations, slang, initials, technical terms and obsolete forms are indicated in the definitions. are indicated in the definitions.
