Clean-up Suggestions.

Persons who did not observe the cumulations of dirt and unsightly places, as soon as possible. The following suggestions may be of assistance to many:

All alleys must be cleared of ashes, old vehicles and other refuse material, etc.

Clean away all dead growth and under-brush, clean lawn and gardens, renair fences.

Clean and lime stables and stablevards.

Remove all trash, junk and other fire-breeding material. Finish anything which may have

been omitted.

In this clean-up move we ask the co-operation of all our people.

Another Big Boxing Tourney.

The Bellefonte Amusement association will stage their second big boxing tourney of the season at the cil, Mrs. S. R. Lowrie, Mrs. M. H. Moose Temple theatre next Wednesday evening, April 22nd. Fans of the fistic arena who attended the first tourney held a month or so ago will look forward to this second event with anticipations of an evening of good entertainment.

There will be four big bouts featuring bantam weights from Sharon and Steelton, feather-weights from Sunbury and Harrisburg, welterweights from Baltimore and Johnstown and the final bout between a Philadelphian and the lightweight champion of Central Pennsylvania.

The battle royal will be between local talent, all the men blindfolded, and it alone will be worth the price of admission. If an admirer of the science of manly art, the place to see it exemplified is at the Moose Temple theatre, tisement elsewhere for fuller particulars.

slaughter.

Interesting Missionary Meeting.

Unusual interest marked the pro-From various sections of the State ceedings of the annual meeting of the Woman's Missionary society of the Huntingdon Presbytery, held in Philipsburg last week. The reports submitted by the various officers which showed increased interest. At Hunter. -While mulling over the exchanges on the desk Saturday evening the door opened and in walked Ammon Kerstetter, of Pleasant Gap. We hadn't had opportunity for a chat with Ammon for a long time Moore and Olley Borest, of that place, To us Ammon presents a combination and welcomed the visit more than he knew rarely found in men of today. He is a sterling citizen, a fine carpenter, loves In the days when the Kerstetter boys were working under their lamented father the family name was synonymous, all over the county, with the most satisfactory there was to be had in the way of building contractors. Whether it was a barn, a house, a church, or a group of buildings they put them up fast and right. Ammon, for some years, has been heading a construction gang at the penitentiary and there his quiet, even disposition backed by practical knowledge has had the effect of doing a lot of character building as well as the kind for which he is employed. It was impression of the reaction of the inmates of that great penal institution to work and how susceptible some are, and others hopelessly impervious, to a bit of kindness and good advice cautiously given. He spoke particularly of a young man, in for a long term, whose case seemed unsolvable until, almost accidentally, the right line of approach was made. He responded at once putting their feet up over the railing in that place. The new building will to it with the result that today he is as near a model prisoner as could be hoped for and, besides, has an entirely different outlook for the future. Already he has become a very good carpenter and Mr. Kerstetter believes that by the time for Corn -
