Mrs. Morris Furey Celebrates Seventy-eighth Birthday Anniversary.

Bellefonte was the scene last week of an anniversary which interested many old residents of Centre county, and brought to town a group of visitors from distant cities. The anniversary was the birthday of Mrs. W. Morris Furey and the occasion was marked by a celebration that will not soon be forgotten by those who were fortunate enough to be participants.

Mrs. Furey, who has lived many years in Centre county, reached her seventy-eighth year on Saturday, May 30th, and at her home on Bishop street had prepared to receive and entertain the immediate members of her family. But this group of kinsfolk was augmented by a coterie of good friends from New York and Pittsburgh, who were not willing to allow the anniversary to pass by unnoticed. As a result there filed into the Furey home on Friday night, a veritable regiment of well-wishers. They came in small parties, each successive group adding to the happy surprise of Mother Furey, than whom there is no more hospitable hostess in all Centre county. And they came not only to pay their respects and pass the compliments of the natal anniversary, but also to spend the week-end in a merry-making that is significant in its expression of sincere affection for the hostess. The guests formed a house-party which remained until late Sunday evening and gave anew many evidences of their fondness and love for the genial woman, whose sunny disposition is perennial and whose youthful outlook upon life, in spite of nearly four score years, is proverbial.

Among the folk who came from New York and Pittsburgh to express their love for Mother Furey, were her brother, Mr. H. D. W. English and Mrs. English, her son William M. Furey and Mrs. Furey, her nephew, W. Rankin Furey and Mrs. Furey, Mr. and Mrs. Eugene L. Connelly, of Pittsburgh, and Mrs. Charles W. Riecks, of Brooklyn, N. Y.

From Bellefonte and its environs came her sister, Mrs. Millie P. King, of Centre Hall; her son, George E. Furey and Mrs. Furey, of Bellefonte; her daughter, Mrs. S. W. Kerstetter and Mr. Kerstetter, of Curwensville; her daughter, Mrs. Hiram Lee and Mr. Lee, of State College, and nieces and nephews, grand-children and great grand-children in large numbers. There were telegram and telephone messages from distant points where friends and relatives, prevented from being present in person, sent their compliments by wire.

Neighbors came in throughout the three days to say "Many Happy Returns," and to felicitate Mother Furey on the attainment of another happy and healthful anniversary.

POTTER.—George Latimer Potter, a native of Bellefonte and one of the Centre county men who attained distinction in the business world, died at his home at Rodgers Forge, Md., on Saturday morning, as the result of heart trouble, following several years of impaired health.

He was a son of Dr. George L. and Thomazine Harris Potter, and was born in Bellefonte on December 28th, 1856, hence was in his 69th year. As a boy he was educated at the Bellefonte Academy, after which he entered The Pennsylvania State College. After completing three years of study at that institution he went to Renovo and entered the shops of the Pennsylvania Railroad company, intent upon taking a thorough course in railroad mechanics. After serving his apprenticeship in the Renovo shops he was transferred to the shops at Fort Wayne, Ind., where in due course of time he was made superintendent of motive power. Later he was promoted to the position of general manager of the western division, with headquarters in Pittsburgh.

In 1900 he left the service of the Pennsylvania and went to the Baltimore and Ohio railroad, in due course of time being elected third vice president. About twelve years ago he was compelled to retire from active duty on account of impaired health and had since been living quietly at his home at Rodgers Forge.

While located at Fort Wayne he married Miss Susan R. French, who survives with one daughter and a son, Mrs. Chauncey O'Neill and Harris R., both of Sewickley, Pa. He also leaves one brother and two sisters, James H. Potter and Miss Lucy Potter, of Bellefonte, and Miss Thomazine Potter, of Elkin's Park.

The remains were taken to Sewickley, Pa., where funeral services were held on Tuesday afternoon at the home of his daughter, Mrs. O'Neill, burial being made in the cemetery at that place.

LOWERY.—Joseph Lowery, a veteran of the Civil war, died at his home at Coleville at 1.30 o'clock on Tuesday afternoon as the result of a heart attack due to his advanced age.

He was a son of Christian and Annie Lowery and was born at Rock Forge on February 22nd, 1845, hence had reached the age of 80 years, 3 months and 9 days. When the Civil war broke out he was not yet seventeen years of age but he enlisted for service in Company C, 149th Pennsylvania volunteer infantry, and served three years and six months. He was a laborer by occupation and a good citizen.

On March 11th, 1866, he married Miss Leah Meyers, who died on December 20th, 1920. They had six children, four of whom preceded their father to the grave, the survivors being one son and a daughter, William Lowery, of Bucyrus, Ohio, and Mrs. Ella Roan, of Spring township. He also leaves one brother, Henry Lowery, of McKeesport, as well as eleven grand-children and eight great grand-children, and an adopted son, Sherman Lowery, of Coleville, at whose home he died.

Funeral services were held at his late home at 10.30 o'clock yesterday morning by Rev. Reed O. Steely, of the United Evangelical church, assisted by Rev. Shuey, burial being made in the Meyer's cemetery.

LONG.—Mrs. Minnie Long, wife of John Long, died at her home on East Howard street, Bellefonte, last Thursday morning as the result of a stroke of apoplexy sustained the Sunday evening previous. She had been a sufferer for a year or more with arterio-sclerosis and her condition had been quite serious previous to suffering the stroke which caused her death.

A daughter of Christian and Nancy A. Fredericks Uhl she was born in Spring township on July 16th, 1875, hence was 49 years, 10 months and 12 days old. In addition to her husband she is survived by the following children: Elmer C. Long, of Philadelphia; Clyde W., Harry A. and Mrs. Charles Martin, of Bellefonte, and Charles A., at home. She also leaves three sisters, Mrs. John Forcey, of Wilkes-Barre; Mrs. William Kerstetter, of Pleasant Gap, and Mrs. Scott Lambert, of Bellefonte.

She was a member of the Episcopal church and Rev. Dr. Frear, of State College, had charge of the funeral services which were held at 2.30 o'clock on Sunday afternoon, burial being made in the Union cemetery.

MOORE.—Thomas D. Moore, a native of Centre county and for many years a yard engineer in the employ of the Pennsylvania Railroad company, at Altoona, died at his home in that place last Thursday morning. He was born in Halfmoon valley in 1859, and upwards of fifty years ago went to Altoona and entered the employ of the railroad company as a brakeman.

He was later promoted to a fireman and then an engineer. His wife has been dead for six years but surviving him are five children, all residents of Altoona. Burial was made in that city on Saturday morning.

McEWEN.—Miss Mary Elizabeth McEwen, a native of Lewistown but who had many relatives in Centre county, died at her home in Coquille, Oregon, on May 13th, aged 82 years. The greater part of her life was spent at Lewistown, where she will be held in loving remembrance.

BANEY.—Mrs. Elizabeth C. Baney, wife of Harvey Baney, died at the Centre County hospital yesterday morning, where she had been under-

going treatment the past six weeks. She was born at Port Matilda and was 64 years old. In addition to her husband she is survived by one son, Wilbur C. Baney, and a half-brother, Harry Winton. The funeral will be held tomorrow.

HARTMAN.—Mrs. Gertrude Hartman, a widow, died at her apartments in the McClure building, on Bishop street, on Sunday, following an illness of some months with diabetes. She was a native of Reading and was 68 years, 8 months and 19 days old. She came to Bellefonte with her daughter, Mrs. Mary Ferris, whose husband, James F. Ferris, is a salesman in the employ of the Decker Bros. The remains were shipped to Reading where burial was made yesterday.

Borough Dads Hold Brief Session.

Only five members turned out for the regular meeting of borough council on Monday evening, and the result was a brief session.

The Street committee reported repairs on the various streets and \$41.53 collected from the Miller Construction company for the use of road roller, and \$10 for a sewer permit.

The Water committee reported the collection of \$67.25 on the 1923 water duplicate and \$5.00 for water from a carnival company.

The Finance committee asked for the renewal of notes aggregating \$7,600 and for a new note for \$1,000, which were authorized. The committee also recommended that the millage for the ensuing year be fixed at the same rate as for 1925, 10 mills for street purposes, 10 mills for borough and 5 for interest. Council approved the recommendation.

The Fire and Police committee presented a check for \$50 sent to the Undine fire company as a contribution from W. C. Smetzer for the company's efforts in saving his barn from destruction when his house was consumed by fire about a month ago. One-third of the above sum will be paid to the fire company and two-thirds go into the borough treasury.

Borough manager J. D. Seibert called attention of council to the utter disregard of a number of borough ordinances by many residents of the town and requested information in regard to their enforcement. This led to a brief discussion of the legality of a number of borough laws. Various ordinances framed by incumbent borough solicitors, are utterly disregarded because the burgess claims they are not properly framed and cannot be enforced. The result is that any person who wants to disregard an ordinance goes ahead and does it with perfect impunity.

The Street committee was instructed to consult with the borough solicitor regarding several important ordinances, and if they are faulty, have new ones drawn up in such a manner that they can be enforced.

The borough manager also reported the need of another light on Willowbank street and the matter was referred to the Street committee.

Bills to the amount of \$2813.84 were approved for payment, after which council adjourned.

Annual Report of the Woman's Club of Bellefonte.

The Woman's club of Bellefonte composed of one hundred and eighty members has just closed a successful year.

The work of the club is carried on through three departments, Civic, Educational and Charity. The outstanding work of the Civic department, for the year just closing has been the preservation of the trees on Spring street between Bishop and High; of the Educational department, teaching of sewing to the grade pupils of our public schools by members of the club, 110 girls benefiting under this department. The tuberculosis committee through the sale of Christmas seals afforded means to maintain a room for the weekly well baby and chest clinics, conducted by the State Department of Health. The legislative committee kept us in touch with the various important questions of legislation.

Under the charity department the club distributed candy, oranges and toys to the poor children of town at Christmas time; also supplied clothing, etc., to needy families, among them one whose home was destroyed by fire.

Through its treasury, contributed to the library fund of the Y. M. C. A., to the Centre County hospital, the Near East relief, to the Pine Mt. settlement school, and made a loan of \$100 to a girl student of State College.

Mrs. ROY WILKINSON, Secretary.

Double Electrocution at Rockview.

Refusing the attendance of a clergyman to accompany them to the death chair Tony Burchanti and John Torti, convicted of first degree murder in Lackawanna county twenty months ago, were electrocuted at the Rockview penitentiary on Monday morning. Both men displayed supreme indifference as they were led to the chair. Burchanti was the first to go, being taken to the chair at 7:02, and in the brief space of thirteen minutes both had paid the penalty of their crime.

Burchanti and Torti went from Pittsburgh to Scranton and were members of a gang of seven bandits that held up a Laurel Run trolley car at Moosic, not far from Scranton, on July 30th, 1923, killed Edward Murphy, of Lock Haven, a passenger on the car, held up the paymaster of the West End Coal company and escaped with a payroll of \$75,000. A month later three of the bandits were located in Ohio. One resisted arrest and was shot and killed while Burchanti and Torti were captured. They were taken back to Scranton, were tried in October, 1923, and convicted. Appeals to the Supreme court and board of pardons failed to save their lives.

The men were brought to the death house on May 14th because the sheriff of Lackawanna county became suspicious that they were planning an escape. During the two weeks they lived within the shadow of the death chair the men displayed the utmost unconcern regarding their fate.

They ate and slept and spent the hours while awake in reading the bible and magazines furnished by the prison authorities, but at all times steadfastly refused the ministrations of a clergyman. When the death warrant was read to them on Saturday morning Torti asked permission to send a telegram to his attorney, inquiring if everything had been done that could be. Burchanti merely shrugged his shoulders and remarked, "well, I guess it's all up with us." A half hour later both men were whistling and singing. The bodies of the men were unclaimed and were buried in the penitentiary cemetery.

Bellefonte Wins Both Games from Hecla on Saturday.

Bellefonte celebrated the opening of the Centre county baseball league, last Saturday, by taking two games from Hecla park. The morning game of seven innings was played on Hughes field, Bellefonte. Up to the seventh inning not a run was tallied by either side. In Bellefonte's final half Deitrick got on first, Gross was sent in to hit for Wetzel and fanned a safe single which enabled Deitrick to make third. An overthrow to third by Hecla's second baseman gave the runner a chance to reach the plate, scoring the only run of the game.

The afternoon game was played at Howard and was nip and tuck up to the 5th inning, when Bellefonte scored five runs. In the sixth they added three more and in the seventh four men crossed the home plate, making a total of 12 runs to 0 for Hecla. Every man in the Bellefonte roster who figured in Saturday's games made a fine showing, which is very encouraging for the outlook for the season.

Millheim defeated State College in both games on Saturday.

Yesterday evening Millheim played Bellefonte on Hughes field and tomorrow State College will be Bellefonte's opponent. This game will also be played on Hughes field and fans are urged to go out and see the battle.

Bellefonte High School Won Athletic Meet at Clearfield.

The Bellefonte High school track team went over to Clearfield in force, last Saturday, and with fourteen schools contesting won the meet by the small margin of half a point. Of course Bellefonte's Champion relay team contributed to the victory by winning their final relay race, giving them a clean slate for the season. Coach E. C. Stock is so much elated over the performance of the relay team that he would like to take them to Chicago for the big interscholastic meet on June 13th, but so far he has not been able to see his way clear to doing so.

The result of the Clearfield meet, in points scored by the various teams contesting, was as follows:

| | |

| Bellefonte | 30 1/2 |

"Davy" Chambers Gets a Verdict.

That famous case, J. H. Rockefeller, receiver of the Bird Coal and Iron Co., vs. David Chambers, which occupied the time and attention of the Centre county court for a full week, was concluded late last Thursday afternoon when the jury returned a verdict in favor of the defendant.

As stated last week, the plaintiff brought action against Mr. Chambers to recover on alleged unpaid royalties in an amount not in excess of \$9,400. The case was ably tried and hotly contested by experienced attorneys on both sides. It took the jury less than two hours to reach its conclusion in favor of the defendant. The case will likely be appealed to a higher court.

P. R. R. Co. Trying Out Gasoline Train on Lewisburg Branch.

The Pennsylvania Railroad company is this week trying out a gasoline operated train on the Lewisburg branch, between Sunbury and Bellefonte. The train consists of combination baggage and smoking car in which is located the powerful gasoline motor, and a fifty passenger coach as a trailer. The motor equipment is of 250 horse power capacity and was built by the J. G. Brill Co., of Philadelphia.

The first trip was made on Tuesday afternoon, the train leaving Sunbury at the regular time and reaching Bellefonte five minutes late. This was accounted for, however, in time taken up in loading a lot of young chicks. In fact the train was ten minutes late leaving Centre Hall and made up five minutes of that time on the run to Bellefonte. The one drawback is the limited capacity of the baggage compartment which is not large enough to accommodate the demands made upon it.

As to the cost of operation, the big motor consumed 37 gallons of gasoline on its run from Sunbury to Bellefonte on Tuesday afternoon, the cost of which was much less than the cost of coal consumed in a locomotive on the same run.

The try-out lasted only two days, however, as the gas train could not successfully make the steep grades, such as the one at Dale's Summit, and yesterday the old-time train was put back into service.

Memorial Day Celebration at State College.

Students of The Pennsylvania State College joined with the American Legion Post in the celebration of Memorial day. Congressman William I. Swoope, of Clearfield, gave the address on the front campus where several thousand people gathered.

The military regiment of the college R. O. T. C., boasting 1700 rifles, joined in the parade through the town and over the campus headed by the Penn State military band. There were divisions in the parade for the Civil war veterans, the Boalsburg Machine Gun troop, a part of the National Guard of Pennsylvania, mothers of war veterans, and the Spanish-American and world war veterans.

Dr. John M. Thomas, president of the college, who is a chaplain in the officers' reserve corps with the rank of major, had charge of the formal exercises and introduced Congressman Swoope. A salute was fired by student soldiers over the grave of Dr. George W. Atherton, Civil war veteran and former president of the college. The national salute of twenty-one guns closed the exercises. No classes were held at the college during the day.

Johnson, of Lewisburg, Judge of the U. S. District courts, will deliver the memorial address. The Civic club of Boalsburg will serve refreshments. Every member is earnestly requested to attend, as transportation has been arranged for all. The public is cordially invited to attend.

HARRY A. ROSSMAN,
Recording Secretary.

Memorial Day as Observed in Bellefonte.

Memorial day services in Bellefonte, last Saturday, were in charge of the Brooks-Doll post of the American Legion, but the parade and general turnout was not up to former years. The Brooks-Doll post, Troop B, the I. O. O. F. band and members of the Logan and Undine fire companies made up the line of parade. In former years the P. O. S. of A. and school children joined in the parade but for some reason did not turn out this year. The few remaining veterans of the Civil war were conveyed to the cemetery in automobiles.

The services at the cemetery were similar to those performed in previous years, and were not lacking in solemnity, even though the crowd was not so large. The address of the day was delivered by Rev. Homer C. Knox, pastor of the Methodist church.

Socially.

Mrs. Robert F. Hunter was hostess at a camp party Thursday of last week, at her bungalow on Fishing creek, her guests being the girls employed in the Katz store. The party left immediately after the closing hour in Mrs. Hunter's, Mrs. Widdowson's and Miss Flack's cars, going down in time for lunch, a chicken and waffle supper being served in the evening.

Miss Lewis and Miss Mackey, instructors in the schools of Bellefonte, entertained the High school faculty at the Mrs. D. I. Willard home on north Thomas street, Thursday evening of last week.

—Among former Bellefonte people who were here for Memorial day were Jesse Cox, of Reading, and V. J. Bauer, of Somerset. On the coast he will visit Los Angeles, San Diego and San Francisco, in California, then go north to the ranch of his brother Harry, at Medford, Oregon, his final objective being the triennial convocation of the Knights Templar, at Seattle, Wash., the latter part of July. He has been trying for three months to secure reservations for a trip to Alaska but so far has not been able to secure any. Should he find reservations at Seattle when he reaches there he will extend his trip to that country, otherwise he will come east over the Northern Pacific to Yellowstone Park, thence east to Niagara Falls, the Thousand Islands and up to Toronto to take in the exposition to be held there. In toto it will be a swing around the country of eight to ten thousand miles. Wilson I. Fleming will also go to Seattle for the Knights Templar convocation, but will not leave Bellefonte until about the middle of July.

Penn State Student Took the Moon.

The above heading does not mean that the student literally captured the moon out of a clear sky, because such was not the case. The moon he took was Van Jodon's Moon car, which was stolen from in front of the "Waterman" office on the afternoon of May 8th, and recovered at State College six days later. It was not until a few days ago, however, that Mr. Jodon learned who it was that had taken the car. The student in question is a Sophomore from Philadelphia, and a member of a highly respected family. Shortly after the recovery of the car the young man left the college on the pretense of illness and is now at his home in the Quaker city.

According to the student's story he drove the car direct from Bellefonte to State College, stored it in a private garage and repainted it himself. A warrant has been issued for his arrest but at last reports had not been served, pending a possible settlement.
