Political Announcements.

FOR JUDGE OF THE COURTS OF CENTRE COUNTY.

I am a candidate for President Judge of the Court of Common Pleas, subject to the decision of the Democratic voters at the primaries, Tuesday, September 15th.

Should I be nominated and elected, I will bring to the office an experience in the trial of causes and in the general practice of law in our local and appellate courts, of more than thirty-three years; and an administration conducted with fidelity, economy and to the best of my ability.

Your support and influence in my behalf will be much appreciated.

NEWTON B. SPANGLER.

I hereby announce my candidacy for Judge of the Courts of Centre county, subject to the decision of the Democratic voters as expressed at the primary election to be held Tuesday, September 15th, 1925. In the event of my nomination, and finally my election in November, all of my time, energy and efforts will be devoted to the best interests of those who may have business before the Courts of our county; and I now, without reservation, solemnly pledge a courteous, prompt, honest, economic and efficient administration.

Your vote, influence and friendly support most earnestly and respectfully solicited.

W. HARRISON WALKER.

As a candidate I respectfully announce: That if it be the pleasure of the Democratic women and men voters of our county to nominate me for the office of Judge of our Courts at the September 15, 1925, primaries, I shall appreciate it highly.

And if it be the will of our voters to elect me to said office at the general election, I shall consider it as a call of duty to serve all of our citizens in a practical, impartial, just and economic manner without fear or favor; and shall maintain our laws by example as well as by precept, governed by no uncertain principles which our sincerely patriotic citizen demand from all public officials.

I sincerely trust that I may have YOUR hearty co-operation.

J. KENNEDY JOHNSTON.

FOR JURY COMMISSIONER.

We are authorized to announce that James C. Condo, of Gregg township, is a candidate for nomination for Jury Commissioner on the Democratic ticket, subject to the primaries of the party to be held Tuesday, September 15th.

Mr. Condo will appreciate your support and assures faithful and honorable service should he be nominated and elected to that office.

Carload of Holsteins for Sale.

A carload of registered Holstein cows and heifers will be sold at cost Saturday, July 18th, at 2 o'clock p. m., at the farm of J. J. Markle, State College, according to word received from county agent R. C. Blaney.

There will be ten heifers bred to freshen during the months of September and November. These heifers are exceptionally well bred in that they come from bull association bulls and are bred back to bull association bulls. These bulls have a record of 1000 lbs. of butterfat on the dam side. There are ten pure-bred cows in the car, of exceptionally good type and size, bred to freshen this fall. These cows are bred to a bull whose dam at three years of age had a butterfat record of 75,879 lbs., and a milk record of 18,888 lbs. These cattle all come from herds that have not had any reactors for five years and can be taken into accredited herds or herds having one clean test.

The cattle were bought in McKean county and will be distributed at cost plus expenses. Each individual will be brought out separately and those desiring to bid will place their name on a slip of paper and drop it in a hat. The first name drawn out will be the purchaser. The cows can be inspected today or tomorrow morning before the sale, and additional information can be secured from Mr. Markle, at State College, or the agricultural extension office in Bellefonte.

Compensation Case Dismissed.

Among five compensation cases booked to be held before referee Jacob Snyder, in Altoona, was that of Ella McDonald against the Bellefonte Brick company. The woman's husband, Isaiah McDonald, was killed on August 4th, 1923, while working in the clay mines of the above named company on the W. S. Irvin farm near Milesburg. A fall of clay threw him against an automobile causing a fracture of the skull which resulted in almost instant death. Mrs. McDonald was left with nine children, seven of them minors, and was awarded \$643.10 compensation. Recently she asked that she be paid a total of \$1,500 for the purchase of a home near Tyrone, but she failed to appear and press her claim on Monday and the case was dismissed.

The Reformed church reunion to be held at Rolling Green park, near Sunbury, Thursday, July 23rd, will call together Reformed congregations from Centre and Clinton counties, south into Snyder county and as far east as Shamokin. Prof. H. M. J. Klein, of Franklin and Marshall college, Lancaster, will deliver the leading address during the afternoon exercises.

ORR.—David W. Orr, whose entire life was identified with the local history of Little Nittany valley, passed away at his home near Jacksonville, on Tuesday of last week, as the result of carcinoma of the hand and other complications due to his advanced age.

He was a son of William and Nancy McCauley Orr and was born near Jacksonville on January 9th, 1841, hence had reached the venerable age of 84 years, 5 months and 28 days. When he grew to manhood farming was the principal means of sustenance in Centre county and he naturally stuck to the soil with the result that he proved quite successful and his farm was among the best in that section of the county. When he finally decided to retire it was with a feeling of confidence that his life had been spent in a good work and also a feeling of security from the fact that his work had brought a competence for his declining years. In politics he was a Jacksonian Democrat and though he never aspired to high office for himself there was wisdom in his counsel, which was frequently sought by the leaders of his party.

As a young man he married Miss Susan Bell who passed away a number of years ago, but surviving him are one son and two daughters, Albert Orr, of Hublersburg; Mrs. W. H. Thompson, of Howard, and Mrs. Luella Deitz, of Jacksonville.

Funeral services were held at his late home on Thursday of last week, burial being made in the Reformed church cemetery, at Jacksonville.

SCHROYER.—Mrs. Mary Catherine Schroyer, widow of Emanuel Schroyer, died at the Centre County hospital at 8:50 o'clock on Sunday morning as the result of a broken hip sustained in an accident on July 4th, when she was hit and knocked down by a barn door blowing against her.

She was a daughter of Mr. and Mrs. Charles Brooks and was born at Milesburg on April 20th, 1842, hence had reached the age of 82 years, 2 months and 22 days. She married Emanuel Schroyer on April 11th, 1867, and all her life had been spent in the vicinity of Milesburg. Notwithstanding her advanced age she enjoyed remarkably good health and did her own housework until her accident on July 4th. She was a member of the Methodist church since childhood and a splendid type of American womanhood.

Her husband died in 1894 but surviving her are the following children: William H. and Adam W., at the old home in Milesburg; Samuel L. of Oglethorpe, Ga., and Mrs. John M. Fulton, of Osceola Mills. Two daughters preceded her to the grave, Jane L., and Almy A. She also leaves one sister, Mrs. John Peace, of Milesburg. Funeral services were held at her late home at 10 o'clock on Wednesday morning by Rev. M. C. Piper, and burial was made in the Curtin cemetery.

CALDWELL.—Charles Samuel Caldwell, for many years a well known and highly esteemed resident of Milesburg, died at 2:15 o'clock on July 6th, as the result of complications due to his advanced age, following only a brief illness.

He was born at Thong's Bridge, near Uderfeld, England, on December 24th, 1844, hence was in his eighty-first year. His boyhood and youth were spent in the country of his nativity but at the age of 23 years he came to the United States and shortly thereafter located in the western part of the State. He lived in various places until 1881 when he located in Milesburg and that had been his home ever since. By trade he was an expert carpet weaver and the reputation of his loom was well known in many parts of Centre county. He was a member of the Methodist church all his life and a man who had the love and esteem of all who knew him.

In 1869 he married Miss Emma Hohenbury who survives with one son and two daughters, William H. Caldwell, of Curtin; Miss Sarah C., of Bellefonte, and Mrs. Philip McGinley, of Sparrow's Point, Md. Funeral services were held at his late home at 10:30 o'clock last Thursday morning, by Rev. M. C. Piper, after which burial was made in the Union cemetery, Bellefonte.

OLIVER.—Andrew W. Oliver, a life-long and well known resident of Spruce Creek valley, died at his home at Graysville on the morning of July 2nd, as the result of a stroke of paralysis sustained two weeks previous.

He was a son of James and Margaret Campbell Oliver and was born at Graysville on September 14th, 1848, hence was almost seventy-seven years of age. He followed farming all his life and was a good, substantial citizen. In 1885 he married Miss Jane Cummings, of McAlevy's Fort, who survives with two sons, Prof. Stanley Oliver, of Halifax, and James, on the home farm. Mr. Oliver was one of the leading members of the Graysville Presbyterian church.

Funeral services were held at his late home on Monday morning, July 6th, by Rev. H. D. Fleming, assisted by Rev. J. O. C. McCracken and Rev. Johnson, burial being made in the Graysville cemetery.

REED.—James A. Reed, a veteran of the Civil war, died at his home on Thomas street last Thursday, as the result of chronic nephritis. He was a son of Henry and Elizabeth Gill Reed and was born in Bellefonte, being aged 81 years and 27 days. The funeral was held on Sunday afternoon, the remains being taken to Tyrone for interment.

ZIMMERMAN.—Mrs. Eva V. Zimmerman, wife of Oscar Zimmerman, died at her home in Bush's Addition at 5:30 o'clock on Sunday afternoon, July 5th, as the result of a complication of diseases. She had been a sufferer for eight years and had been confined to her room since early last December.

A daughter of James Stevens and Margaret Armstrong Carson, she was born in Spring township on April 26th, 1881, hence was in her 45th year. Her entire life was spent near Bellefonte. She was a member of the Methodist church and a devout Christian woman. Surviving her are her husband and two sons, Dale, aged 11 years, and Billy, aged 4. She also leaves the following brothers and sisters: William Carson, of Woodward; Mrs. John Corman, living near Bellefonte; Clark Carson, of Bellefonte; Mrs. Benjamin Aikley, near Curtin; Mrs. Harry Lyon, Mrs. John Spearley; Mrs. Bliss Aikley and Mrs. Walter Armstrong, all of Bellefonte.

Funeral services were held at her late home at ten o'clock on Wednesday morning of last week by Rev. Homer C. Knox, assisted by Rev. C. C. Shuey, burial being made in the Union cemetery.

HARTLE.—Mrs. Elizabeth Mary Hartle, wife of Christian R. Hartle, of Drifting, was found dead in bed on the morning of July 1st. She was a daughter of Mr. and Mrs. John Viehdorfer and was born at Pine Glen, Centre county, fifty-one years ago. She is survived by her husband and six children; her mother and eight brothers and sisters. Robert Hartle and family, of Spring creek, attended the funeral which was held at Drifting on July 4th.

Work Progressing on New Pump House at Big Spring.

Stonemasons are making good progress on the walls for the new portion of the pumping station at the big spring, on south Water street, and the work is now so far advanced as to give an idea as to what the completed building will look like. The walls are being built of dressed limestone from the quarries of the Oak Hall Lime and Stone company, which for building purposes are regarded superior to the stone in the vicinity of Bellefonte. Only the front portion of the building will be new, the rear portion, in which the pumps are located, has been remodeled and will be covered with stucco to conform with the stone walls of the front portion.

Owing to the fact that the old steam pumps were relegated to the scrap heap the building has been considerably reduced in size, and the new portion will contain an office and borough lockup. The large plot of ground in front of the building will be filled in and leveled off and an appropriate drinking fountain located about the centre of it. The pavement along the entire spring property, on south Water street, is to be straightened, and to be replaced by a two foot stone wall to correspond with the building, and surrounding which will be a four foot ornamental iron fence.

Two strangers visiting in Bellefonte on Sunday walked out to the spring and in commenting upon what a blessing it is to the town stated that the surroundings ought to be in keeping with the spring. If they return four months from now they will probably discover a wonderful change from the present conditions and every resident of the town will then have cause to feel a just pride in the wonderful spring that supplies the town with enough water for all purposes.

Better Telegraph Service for Bellefonte.

Improved telegraph facilities for Bellefonte were inaugurated on Wednesday by the Western Union Telegraph company, by the adoption of a continuous service from 8 o'clock in the morning until 8:30 in the evening. For some time past the office has been closed at 7 o'clock in the evening, which did not permit of much night service. By keeping open until 8:30 o'clock business men will have an opportunity to either send or receive telegraphic communications in the evening. This increase in hours will be taken care of by the employment of an extra man. Manager M. H. Hall will be in charge during the day and until six o'clock in the evening, when the extra man will come on and handle the night work.

While holding a sparkler, at his home at Port Matilda on the night of July 4th, sparks set fire to the clothing of six year old Teddy Crain, son of Mr. and Mrs. Scott Crain, and before the flames could be extinguished he was terribly burned on the back, back of the head and ears. He was rushed to the Philipsburg hospital and while his burns were serious he fortunately did not inhale the flames and will recover.

From all indications there will be candidates a plenty for the various township offices in Centre county this year. Up to this time the county commissioners have given and sent out in the neighborhood of fifteen hundred petitions. The only county offices to fill will be judge, district attorney and jury commissioner.

John T. Laurie, of Tyrone, but who was born and raised in Bellefonte, is a candidate for county commissioner in Blair county. At present he is a member of the Tyrone borough council.

Throwing Out Smoke-Screens.

We are entirely at sea as to how the suggestion made by the "Watchman" in its issue of June 26 was received by the creditors of the Centre County Bank. So far as the writer is concerned we have heard very little comment on it. A few have called to say that they are willing to go in and help start a new bank so that the old one may be revived. Some are said to be asking why Mr. Meek "didn't make this suggestion before," while others are credited with having said: "We don't need a third bank in Bellefonte."

The "Watchman" published Mr. Meek's suggestion of June 26 because it has been the ONLY CONSTRUCTIVE ONE that has been offered in a period of three years and two months, in fact the ONLY ONE that has been suggested by any one since the Centre County bank closed its doors on May 13, 1922.

It was offered with the full knowledge that it would meet with disapproval of those who don't want to see "a third bank in Bellefonte." It was offered with the sole thought of doing something for creditors who selected a committee three years ago and from that moment to this has not done a thing but sit, like Micawber, and wait for something to turn up.

Two weeks ago the Centre Democrat published part of the Meek plan and commented on it in such a way as to leave no doubt in any discerning mind that there is a well defined effort to discourage the re-opening of the Centre County bank under any plan. We presume it was sponsored by Mr. Ivan Walker who has been temporary receiver for the creditors for three years. He has an iron in the fire. He has had three years of fees and hopes for more, naturally, but the lame attempt to discourage a new bank undertaking by saying that the suggested one of \$50,000.00 capitalization would be too small to give the necessary bond required of a receiver was a smoke screen that any one can see through. Couldn't any officer of the new bank, as an individual, get just as large a bond as Mr. Walker can? It would be furnished by a bonding company in either case and the creditors would pay for it just as they have been paying for the one already given by Mr. Walker.

Then, again, our contemporary quoted an advertisement of one of the local banks that seems to have been strangely timed for its possible effect on the situation. It was headed: "Banking is Not Get Rick Quick Business." Of course it isn't. The Meek plan holds out no such promise. But there is far more to be made by a well managed bank than the quoted advertisement attempted to lead the people to believe. The bank in question stated that it had been sixty-two years building up its surplus of \$250,000. It has been in existence sixty-two years, but practically all of its handsome surplus and large dividends have been earned within the last twenty-seven years. So that with the real facts known the attempt of the Democrat to use that advertisement as a discouraging argument should have an almost reverse effect on the creditors.

The solution is as muddled today as it was three years ago. The creditors know nothing of their affairs. There has been no statement made to them as to the cost of the proceedings thus far, as to how much money there is on hand for distribution, where it is, or anything else that concerns them. These are things many of them want and have a right to know and the "Watchman," because it speaks for a family that is one of the very largest creditors of the bank, joins them in the demand that an accounting be rendered.

It is the creditor's committee's duty to do this. There is no longer a temporary receiver. Mr. Walker's position was cut from under him by the ruling of the Supreme court, so that the only agency with a semblance of authority the creditors now have is the committee they selected three years ago.

Clinton County Farmer Killed by Harvesting Machine.

While operating a self-binding harvesting machine, on his farm near Loganton, on Wednesday, Clarence C. Brungard was thrown from the seat in front of the machine when his team frightened and ran away, and so badly injured that he died in the Lock Haven hospital Wednesday night. Mr. Brungard will be remembered as the man who had the first contract for carrying the mail from Bellefonte to Lock Haven, through Nittany valley, following the shut-down of the Central Railroad of Pennsylvania. He leaves a wife and seven children.

What is said to be one of the most valuable deposits of fire clay in Centre county has been uncovered on the farm of N. R. Stiver, near Martha Furnace. It is a vein fourteen feet in depth, about half of which is known as soft clay and the other half hard. The Stiver farm adjoins the farm of former county treasurer G. G. Fink, and it is quite likely he as well as other farmers in that locality will investigate their lands to see if the vein of clay is general.

Up to Monday of this week over six hundred applicants had been registered for the Freshman class at The Pennsylvania State College, and indications are that many more applications will be received than can be accepted, owing to inadequate college facilities which make it necessary to limit the class to approximately one thousand students.

Haugh—Hammond.—The wedding of C. Hubert Haugh, son of Mr. and Mrs. John Haugh, of State College, and Miss Blanche E. Hammond, a daughter of Mr. and Mrs. Martin K. Hammond, of Lancaster, took place at four o'clock on Tuesday afternoon, June 30th, in the United Brethren church, the Covenant, Lancaster. Church decorations consisted of palms, ferns and gladioli, and a large number of invited guests were present to witness the ceremony, which was performed by the bride's pastor, Rev. O. T. Ehrhart, the ring service being used.

The bride, who wore a gown of white satin crepe and duchess lace, with a veil of tulle caught with orange blossoms, and carrying a shower bouquet of lilies of the valley and white roses, was given in marriage by her father. Her sister, Miss Helen Hammond, attended her as maid of honor. She was dressed in blue crepe de chine and carried a bouquet of pink roses and sweet peas. Miss Marie Smith, of Reading, was bridesmaid, and her gown was yellow crepe de chine and cream lace. She wore a picture hat and carried roses and snapdragons. Miss Lucille Rife was flower girl, Robert Jones, of Altoona, officiated as best man and the ushers were Daniel Rife and William Weidman.

Immediately following the church ceremony about one hundred guests from State College, Centre Hall, Altoona, Harrisburg, Reading, Philadelphia and Lancaster attended the reception held at the Stevens house, and later the young couple left on a wedding trip to Niagara Falls and points in Canada. They will make their home in State College where the bridegroom is a partner in the Highland grocery.

Foreman—Heywood.—Arthur R. Foreman, son of James Foreman, of St. Paul street, Bellefonte, and Miss Agnes Heywood, of Youngstown, Ohio, were married on June 30th, at 8:30 o'clock a. m., at the home of the bride's sister, in that city. Mrs. William W. Wade. The ceremony was performed by Rev. H. P. Hill, of the A. M. E. church, and the attendants were Miss Esther Heywood, sister of the bride, as maid of honor, and Harold Pendleton, best man. The wedding trip included visits in Pittsburgh and Huntingdon and on July 5th Mr. and Mrs. Foreman reached Bellefonte and will make their home with the bridegroom's father.

Albright—Campbell.—Clarence F. Albright and Miss Margaret E. Campbell, both of Bellefonte, were married at the Reformed parsonage, Bellefonte, on Sunday morning, the ceremony being performed by the pastor Rev. Dr. A. M. Schmidt, the ring service being used. Mr. and Mrs. Albright have many young friends who join in wishing them a happy and successful married life.

St. Clair—Duell.—Roy St. Clair, of Lock Haven, and Miss Nellie May Duell, of Driftwood, were married at the Reformed parsonage, Bellefonte, on Monday afternoon, July 6th, by the pastor, Rev. Dr. A. M. Schmidt. The ring service was used and the young couple were attended by W. E. Harvey, of Lock Haven, and Miss E. Jane Duell, a sister of the bride.

The first of the open air religious services to be held in Bellefonte this summer will be on Sunday evening when union services will be held in the park between the court house and Centre county jail. These services in past years had been held in front of the High school building, on Allegheny street, but the noise of passing automobiles marred the beauty of the open air worship. On Sunday evening the public will be asked to refrain from driving up jail hill during the services, but everybody is invited to attend the meeting. Rev. Homer C. Knox will be the minister in charge.

As a memorial to the memory of Gen. James A. Beaver, Dr. James G. White, of New York city, has established a fund of \$25,000 the income from which is to be used for a loan fund for needy men students at The Pennsylvania State College. Several years ago Dr. White established a similar fund for the use of women students and his total bequests now amount to \$72,000.

There was a falling off in the attendance at the Bellefonte curb market, on Wednesday morning, only seven wagons and trucks being lined up in front of the court house. Huckleberries and black raspberries were the only offering in the berry line and there were not enough of buyers to take all of them at the price of 25 cents a quart.

Charles M. McCurdy, president of the First National bank, entertained a party of gentlemen at dinner at the Furst camp on Fishing creek yesterday afternoon. It was in honor of Judge S. McC. Swope, of Gettysburg, who is visiting Mr. McCurdy for a few days.

The members of Troop B, 52nd machine gun battalion, of Bellefonte, are furnishing up their equipment and sprucing up generally in preparation for their annual two week encampment at Mt. Gretna. They will leave Bellefonte the first week in August.

Bellefonte Still Leads Centre County League by Small Margin.

The Bellefonte baseball team started off like a house on fire at the opening of the Centre County league but the flame has been dying out of late, and while the home team still leads the league it has only a small margin over Hecla, and another spurt is necessary if they don't want to fall back in the class of "has-beens." The results of the games played the past two weeks are as follows:

July 2.—Bellefonte 16, State College 5; Hecla 6, Millheim 1.

July 4.—Hecla 7, Bellefonte 6; Bellefonte 6, Hecla 4. Millheim 9, State College 2; Millheim 9, State College 4.

July 9.—State College 7, Bellefonte 5; Hecla 13, Millheim 2.

July 11.—Millheim 11, Bellefonte 4; Hecla 11, State College 2.

On Saturday of this week Hecla will play at State College and Bellefonte will have a double header at Millheim. On June 27th there was some dissatisfaction at the game between Bellefonte and Millheim at the latter place, and which at the time was credited to Bellefonte by the score of 9 to 8. Millheim protested and to save argument the game was thrown out and will be played tomorrow.

Next Thursday Bellefonte will play at State College and Hecla at Millheim. The standing of the clubs to date is as follows:

Table with 4 columns: Club Name, W., L., P. C. Bellefonte 9, 5, .643; Hecla 6, 9, .400; Millheim 7, 7, .500; State College 4, 11, .267.

The Boy Scouts of Bellefonte will leave next Monday for a two week's outing at Camp Kline, near Jersey Shore.
