

JUDGE DALE,

The Peoples' Candidate for Judge of Centre County.

THIS IS THE MAN FOR JUDGE OF THE COURTS OF CENTRE COUNTY.

HE STANDS SQUARELY FOR THE ENFORCEMENT OF THE LAWS.

Young, energetic and capable. The one man who possesses those splendid qualities of heart and mind which eminently qualify him for the position of Judge.

Next Tuesday voters of Centre county by the thousands will go to the polls and cast their votes for Judge Dale by Marking an X in their straight party column and then placing an X after the name of Arthur C. Dale in the column of candidates for Judge on the November election ballot.

Judge Dale is the Peoples' candidate for Judge and the men and women of Centre county will determine by their vote who will administer the law for the next ten years to come.

Judge Dale was born in Bellefonte, Centre county, Pennsylvania, on the 24th day of September, 1889. He was educated at the Bellefonte Academy, graduated from college with the degree of Bachelor of Liberal Arts, as a member of the bar of Centre county, a member of the bar of the Supreme Court of Pennsylvania, was elected District Attorney of Centre county in November, 1923, and became Judge of the Courts on the 11th day of December, 1924.

Since he has been presiding over the courts of his own county he has made a splendid record. He has enforced the law, has placed in the county treasury thousands of dollars in fines imposed and collected from violators of the law. Together with the District Attorney and the Juvenile Court officer he has lifted a great burden of expense from the shoulders of the tax payers by bringing many dependent children from orphans' homes, where they were being maintained and supported by Centre county, in to this county and placing them in good homes where they are now maintained without expense to the tax payers.

Judge Dale has dispatched the business of the courts promptly and in a surprisingly efficient manner. His splendid command of the English language, his grasp and understanding of the law, his legal learning and ability and his splendid legal mind have won for him the praise and commendation of the men and women of Centre county. In the short time which he has had to display to the people of his county the splendid natural gifts with which nature has endowed him he has won a place in the hearts of the citizenship of this county which render him an outstanding figure in public life of the finest county in the great State of Pennsylvania. An intellect trained and educated to comprehend the deep rooted fundamental principles of the law and ready address with which to give those principles expression so that they can be clearly understood by all, a judgment mature beyond his years, a kind heart, and a deep interest in all the affairs of his county, from corporate and business interests to the problems which arise in the lives of the humblest citizens, all combined, constitute him the ideal type of man to serve the people of Centre county as their Judge.

Throughout the entire county the people are taking into consideration the qualifications of the three candidates for Judge of our courts, and with one acclaim the public mind has centered on Judge Dale, the Peoples' candidate for Judge of the courts for the next ten years.

Thousands of citizens of Centre county know what has been done by the determined, progressive, efficient work that the officers of the court appointed by him, have accomplished to bring about economy in order that the greatest good might be done to the greatest number of the citizens of the county.

Judge Dale, although an independent Republican politically, has displayed no partisanship since he has been on the bench. He believes as do thousands of people in this county that the Judgeship should be non-partisan and that the man who presides over the courts in rendering his decisions should know no party, sect or creed and should justly, fairly, impartially and conscientiously decide the cases which are tried before him, being governed solely by the facts of each and every individual case and the law of the land which is applicable to those facts. No political influence should determine the conduct of the court. A Judge should be free from partisan influences to the end that he may do justice between man and man.

Those who are well informed on the political situation in Centre county have come to this conclusion, that Judge Dale will be overwhelmingly elected on next Tuesday, the third day of November, by reason of the fact that the contest between the two men who contend with him for office has been waged in such a spirited manner. Both these men by their supporters have claimed that Judge Dale hasn't a chance of election, but despite this fact the voters of Centre county know and realize that the principles for which Judge Dale stands meet with the approval of the great mass of the people, the people who are not subject to machine control, the people who exercise their right of franchise after careful thought and deliberation, the people who want a non-partisan Judge in order that the judicial office shall be free from any influence which might prevent justice and render a hardship upon litigants.

Every vote cast for Judge Dale next Tuesday will be a vote for Judge Dale alone and not a half vote for either of the two men who are seeking the office now being filled by your Judge. Judge Dale, the Peoples' candidate, has the best chance of election. Anything that may be said to the contrary notwithstanding.

At the primaries he received thirty-three and one-third per cent. of the vote that was cast in Centre county. The men and women who voted for him knew that he was a non-partisan candidate on the Republican, Democratic and Prohibition tickets. They knew also that if nominated on one, two or three of these tickets he would stand steadfastly by the thousands of voters who supported him at the primary election and who will support him on November 3rd. They knew that he would not betray the trust and confidence reposed in him by them and for this reason they will vote for him on the 3rd day of November next and will bring their influence to bear in their respective communities to increase their vote in order that Judge Dale, their own candidate, shall win by the handsomest majority ever accorded a candidate in Centre county.

Bear in mind that the issue in Centre county is clearly defined. Judge Dale stands for the enforcement of the laws and he has said so emphatically, straight forwardly and unequivocally. He has done even more than this. He has demonstrated since he has been on the bench just where he stands on this vital question.

The Peoples' candidate for Judge is a real lawyer. He knows the routine of the court room, he has been a practical trial lawyer, he has tried many cases before Centre county jurors, who know him and know his splendid ability as a trial lawyer. His handling of cases of exceptional note, well known to the people, gained for him a reputation which extends beyond the limits of Centre county. His charges and judgments since he has been on the bench have been generally commended. He is the type of man which the people of Centre county want for their Judge. And wanting him, they will vote to continue him in office rather than to remove him so that a partisan Judge may occupy the position which he now holds.

Republicans, Democrats and Prohibitionists, alike, are convinced that Judge Dale is the man for Judge of the courts and will vote to keep him on the bench in order that the splendid policies put into force by him for the benefit of the people of his county shall carry on and shall meet with no interruption.

Voters of Centre County by the Thousands

Want to know how they can retain their party regularity and still vote for the PEOPLE'S CANDIDATE FOR JUDGE. It can be done easily, according to law. Just two marks will do it---

If a Republican, mark your Ballot thus :

Republican	X
Judge of the Court of Common Pleas (Vote for One)	
Arthur C. Dale	X

If a Democrat, mark your Ballot thus :

Democratic	X
Judge of the Court of Common Pleas (Vote for One)	
Arthur C. Dale	X

A ballot marked as above must be counted as a vote for every Republican or Democratic candidate except Judge of the Court of Common Pleas, for which office it must be counted as a vote for Judge Dale. Thus you will vote to keep the Judgeship non-partisan. For all other offices you will vote a straight ticket for the party of your choice.

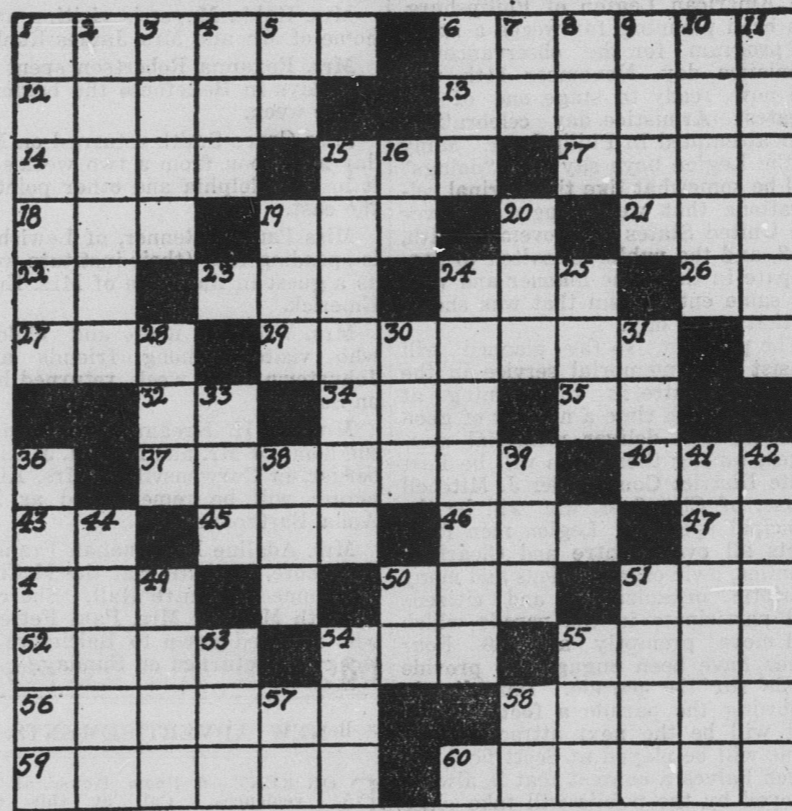

Be sure to place an X after the name of Arthur C. Dale on the November Election Ballot.
