

NEWS ABOUT TOWN AND COUNTY.

Rev. Adelbert McGinnes, of Westfield, Penna., will hold services at St. John's Episcopal church here next Sunday morning at 8 and 11 o'clock.

A marriage license was granted at Cumberland, Md., on Saturday, to James Gilbert Marshall and Blanche Virginia Hoover, both of Bellefonte.

The Rt. Rev. J. H. Darlington, bishop of the Diocese of Harrisburg, will hold service in St. John's Episcopal church in this place, at 3 o'clock next Sunday afternoon.

County auditors H. H. Stover, Robert D. Musser and Samuel B. Holter came to Bellefonte on Monday to begin work on auditing the county accounts for 1925.

Mr. and Mrs. A. G. Morris Jr., who have lived for a number of years in the east side of the Cook double house on east Linn street, have leased the apartment over the City Cash grocery and will move there in the spring.

Eighty-five per cent. of the farmers in Centre county are owners of automobiles, according to statistics compiled in Harrisburg, the exact number being 1789. The average for the State is eighty per cent., so that Centre county is above the average.

The home of Ernest Fye, on Pike alley, Bellefonte, is under quarantine for a case of scarlet fever, his five year old daughter Helen being the victim. Health officer George Glenn states that in addition to the above case of fever there are also a few cases of chicken pox and whooping cough in Bellefonte.

Geo. W. Sunday, who for some time has been tailor for Montgomery and Co's., store in this place, has decided to go into business for himself. He has rented the room in the Heverly building, being vacated by the Flower shop, where he will open a store for the sale of men's clothing and furnishings.

The Bellefonte public schools opened on Monday after the ten day's holiday vacation, and it was with some reluctance that many of the children returned to their books, as they had such a delightful time during their vacation. The Bellefonte Academy, and State College also reopened this week.

Rev. E. H. Romig, of State College, preached in the Bellefonte Reformed church, on Sunday morning and immediately following the services a congregational meeting was held and a unanimous call extended to the Rev. Robert Thoma, of Dayton, Ohio, to become pastor of the church. It is not yet known if Rev. Thoma will accept the call.

The fifth game of bridge between the women of Lock Haven and those of Bellefonte, played at the Lock Haven country club Tuesday afternoon, resulted in a score of seventy-two in favor of Lock Haven, the final score being over twelve hundred in favor of Bellefonte. The game in February will be played at the Nittany Country club.

Mrs. Morris Furey moved this week, from the J. M. Bricker property on east Bishop street to the east side of the N. B. Spangler home on High street, vacated by the Richelieu family, when they moved to one of the apartments in the Richelieu building. The Bricker family now living on one of the penitentiary farms, will come to Bellefonte to occupy their own house.

Now that everything is beginning to settle down to normalcy again, following the holiday upheaval, Bellefonters will be able to take their customary relaxation by attending the motion pictures at the Scenic. Some of the greatest pictures ever produced will be shown at that popular place of amusement during the winter and spring. They will include interesting dramas, comedies and news features. Every evening you stay away from the Scenic you will miss something good, so be a regular and see them all.

Through misinformation one or more county newspapers printed the statement that a county superintendent was to be elected at the annual meeting of the school directors held in Bellefonte yesterday, but such was not the case. The election of a county superintendent will not take place until Thursday, April 13th, at which time a successor will be chosen to Supt. David O. Etters. The man elected at that time will serve for four years and two months, or until July 1st, 1930. At the present time there are six or more candidates in the field.

The State Highway Department is advertising for bids for the completion of the state road between Snow Shoe and Kylertown, a distance of almost five miles, which, when built, will give motorists a complete highway between Bellefonte and Clearfield, and points in the northwestern section of the State. It is also rumored that the road between Milesburg and Lock Haven will be built this year. If such proves to be the case it will give the utmost satisfaction to the people of Howard and all sections of lower Bald Eagle valley, who have been striving for a state highway through that section for a number of years.

BOROUGH COUNCIL REORGANIZES FOR THE CURRENT YEAR.

Fire Marshall Submits Good Report. Burgess Harris Tells of Reforms Needed.

Burgess Hard P. Harris stole a march on other borough officials, on Monday, by going before the retiring burgess, W. Harrison Walker, in the morning and taking the oath of office, report of same being made at the regular meeting of council on Monday evening, at which every old member was present. There were no verbal communications and the only written document was the report of the fire marshal for the year 1925, and it is such a creditable report that we publish the same in full, as follows:

Bellefonte, Pa., Jan. 1, 1926. To the Citizens, Fire and Police Committee and Borough Council: Sirs:—

I am proud to submit to you the following report of the fire department of Bellefonte: During the year just passed the department responded to sixty alarms of fire, namely: Number of alarms in borough, 53; number of alarms out of borough, 7. The alarms in the borough were divided into three classes: General alarms with both companies responding, 33; still alarms, with one company responding 16; false alarms, 4. Extinguished by chemicals, 34; extinguished by water, 9. Total value of property involved, \$235,600; total amount of damage done, \$15,825.

In arriving at the above figures only calls in which we actually had to use either chemicals or water to extinguish were computed, and does not include any out of borough calls.

After such terrible losses suffered in 1924, and an increase of almost 14 per cent in the number of alarms last year, I am highly pleased to state that our losses were approximately only 6 7-10 per cent of the total amount of property involved.

Some of the factors in keeping the losses to such small proportions were the efficiency and promptness of the department, the use of chemicals, and care in useless destruction. I also wish to emphatically state that as a volunteer organization we can justly feel proud of our fire department, as it would be almost impossible to find a more courageous, loyal and self-sacrificing body of men, who, even in the dead of night or in zero weather, respond to every call for assistance with a willingness and promptness that is remarkable.

I also wish to report that the amount of good hose in service is 2800 feet, 1400 feet in possession of the Undine company and 1400 feet in the hands of the Logan company.

There is also a small quantity of old hose in the department which could be pressed into service if necessary. We also have large quantities of acid, soda, and bottles for recharging our chemical tanks, enough I am sure to last over a year.

The apparatus is in excellent condition, being tested regularly, and kept bright and clean.

Both fire houses are kept neat and clean, and are open for inspection at all times.

I also wish to suggest that all fire hydrants be tested, and repairs made where needed, as promptly as possible, as this is an important factor in keeping down the losses.

And in conclusion I wish to thank the members of council for their loyal support of the department.

Wishing the citizens, council, and members of the department a Happy and Prosperous New Year, I am,

Sincerely yours, ROBERT E. KLINE, Fire Marshall.

Following the reading of the report Mr. Cunningham moved that a resolution of thanks be extended the fire marshal and members of the department, and that a copy of the resolution be sent to each company. It was so ordered.

The Street committee reported cleaning of streets and the collection of \$320.95.

The Water committee reported the collection of \$108.50 on the 1923 duplicate by the borough manager and \$234.84 on the 1924 duplicate. During the year his collections on the 1923 duplicate totaled \$2367.02, and on the 1924 duplicate \$1928.18. The committee also presented the check of the G. F. Musser company for \$750 for the rent of the Phoenix station for 1925. Mr. Cunningham reported that the linoleum and furniture have been purchased for the new office in the pumping building but has not yet been installed.

The Finance committee reported that the borough treasurer had paid off notes aggregating \$10,000 and had a balance on hand on January 1, 1926, of \$11,206.44. The committee also reported receipt of a check for \$260 from J. Kennedy Johnston on account of the 1921 tax duplicate. Request was made for the renewal of notes totaling \$10,500, which was authorized.

The Fire and Police committee reported that a new boiler had been installed in the public building and that it was much more efficient than the old one. The committee also reported that the wainscoting in the basement of the building is so rotten that it will have to be torn out and recommended that the room be plastered. Council authorized the work done. The committee also asked for the annual appropriations for the two fire companies and Mr. Emerick made a motion that two thousand dollars be placed in the sinking fund, both being authorized.

There being no further business bills totaling \$5,955.85 were approved for payment, the minutes of the meeting were read and approved, and upon motion of Mr. Emerick the old council adjourned sine die.

Immediately after adjournment burgess Hard P. Harris administered the oath of office to W. J. Emerick and W. Frederick Reynolds, of the North ward; Thomas Hazel, of the South ward, and W. H. Brouse and J. M. Cunningham, of the West ward. The third member from the West ward, John P. Eckel, was not present, as he is away on a trip to Florida. Burgess Harris also swore into office C. L. Gates, borough auditor.

Mr. Harris then took the chair and council organized by electing John S. Walker, president, and William T. Kelly secretary. Edward J. Gehret was re-elected borough treasurer and J. D. Seibert borough manager.

Burgess Harris then made his maiden speech to council in which he pledged his efforts to overcome the speeding of cars within the borough limits; advocated a one hour parking limit in front of the court house during business hours and the enactment of a curfew law controlling the hours in which children shall be permitted to roam the streets or attend picture shows at night unattended, suggesting 8.30 o'clock as a reasonable hour. He also urged that now that the spring and its surroundings have been beautified the streams flowing through town be kept clean and sightly. Burgess Harris pledged his best efforts in co-operation with council in making Bellefonte a model town in which to live.

There being no other business to transact council adjourned.

Attention, Hunters and Fishermen of Centre County.

A meeting of the Bellefonte Chapter of the Izaak Walton League of America will be held this (Friday) evening, January 8th, at 8 o'clock, in the grand jury room in the court house. All members as well as others interested in the conservation of fish and game are invited to attend.

William Wright Escaped from Rockview.

William Wright, known in prison parlance as No. 12637, made his escape from the Rockview penitentiary on Monday evening, taking advantage of the dark and rainy weather to get away undetected. Wright, who is a native of North Carolina, was sent up from Washington county for nine to eleven years for feloniously breaking and entering, larceny, felonious assault and battery. He has served about three years of his minimum sentence. He is five feet seven inches tall, 55 years old and weighs 165 pounds. He is quite bald and has light blue eyes. In addition to the regulation prison clothing he wore a blue sweater. The usual reward of fifty dollars will be paid for any information that will lead to his recapture.

You will be delighted with Swastika's entertainment all next week at the Moose theatre. 2-1t

Meeting to Elect Officers for Red Cross Committee.

The annual meeting of the Bellefonte Chapter American Red Cross for election of officers will be held Monday, January 11th, at 4 p. m., in the W. C. T. U. room, Petrikin hall. Everyone who subscribed in the last membership enrolment is entitled to vote, and it is hoped many will attend and help select competent officers. The executive board at present is as follows:

Hardman P. Harris, appointed chairman to complete the term of the Rev. M. DePui Maynard.

Office of vice chairman vacant since the Rev. Wilson Ard went away.

Charles M. McCurdy, treasurer.

Mrs. Max Gamble, secretary. Other members of the board are Miss Mary Blanchard, Mrs. Mary H. Brouse, John G. Love, Elizabeth B. Meek, Mrs. Blanche Schloss, Mrs. J. M. Shugert, Mrs. J. D. Seibert, Dr. J. L. Seibert.

The nursing committee is appointed, not elected.

During the month of December Miss Anna McCauley, public health nurse, made 122 nursing visits and assisted Dr. Barlett in the medical inspection of approximately 900 school children.

Former Bellefonte Woman Ends Life With Small Gun.

Mrs. Gertrude Mary McMullen, wife of William McMullen, of near Johnstown, took her own life the day after Christmas by shooting herself with a .22 calibre revolver. Her lifeless body was found about the middle of the afternoon by her daughter, Mrs. William Dowdell, who lives at home. Three shots in the head and one in the breast told the story of her death. Mrs. McMullen had been in ill health for some time which was assigned as the cause of her taking her own life.

She was a daughter of Harry and Margaret Noll Haag and was born in Bellefonte forty-one years ago. In addition to her husband she is survived by a daughter and son, Mrs. Dowdell and Kenneth, both at home. She also leaves her parents, residing in Bellefonte, and the following brothers and sisters: Ralph, Lieb, Paul and Sarah Haag, all of Bellefonte; Philip, of Tyrone, and Mrs. Dollinger, of Ashtabula, Ohio.

Mrs. McMullen was a member of the First United Brethren church, of Johnstown, and Rev. Charles H. Ashman had charge of the funeral services which were held on December 29th, burial being made in the Grandview cemetery, Johnstown.

Judge Keller Sworn Into Office at Noon on Monday.

When Judge Harry Keller was inducted into office at twelve o'clock noon, on Monday, he received the flattering ovation of a crowded court house to witness the ceremony. Judge Dale presided and a full complement of court officers was present. After court crier Thomas Fleming opened court in the customary way Judge Dale announced that the purpose of the gathering was to witness the induction into office of his successor on the bench as well as other county officers. He then stated that the oath of office would be administered to Judge-elect Keller by Recorder Lloyd A. Stover. Both Mr. Keller and Mr. Stover ascended the rostrum and with everybody standing the oath was administered.

Judge Dale then retired from the bench and Judge Keller announced that the prothonotary, Roy Wilkinson, would administer the oath to other county officers. John G. Love was then sworn in as District Attorney and John Decker and Jas. P. Condo as Jury Commissioners.

Practically every member of the bar was present and Judge Keller asked if there were any motions or petitions to present. None of the attorneys presenting any he made a neat little speech in which he thanked the people of Centre county generally for the honor conferred upon him and asked for the cooperation of every member of the bar in that his term upon the bench might prove a success.

THE COURT'S REMARKS.

Before this Court adjourns, I wish to say a few words to my fellow members of the Centre County Bar, officers of the Court and friends here assembled. I am deeply sensible of the duties and responsibilities of the high office which I have just assumed. I am also strongly impressed with my own shortcomings and lack of judicial experience.

In order that my term of office may be a successful one, I sincerely trust and confidently expect that I may have the cordial co-operation and friendly aid and assistance of the officers of the Court and members of the Bar. So far as I know, you are all friends of mine, as I am the friend of each one of you.

Naturally I shall make mistakes, but I want to promise and assure each of you, that I shall earnestly try to give everyone a square deal, and in all legal matters that may arise, to act justly and impartially, so far as in my power lies, without favor, or prejudice for or against either counsel or litigants, whether the latter be high or low, rich or poor.

It will be my highest ambition to conduct such legal business as may come before me, so that there may be no lowering of the high standard set by the many illustrious men who have preceded me as Judges of the Courts of Centre county.

You as members of the Bar, can materially aid and assist me in maintaining this high standard, by your own attitude toward the Court, and by your strictly fulfilling the oath which each of you has taken as attorney, of fidelity to the Court as well as to your respective clients.

I also desire to express my heartfelt appreciation of the presence here this morning of so many sincere friends and well-wishers, some of whom, I know, have come a considerable distance, and at great personal inconvenience, to be present on this occasion.

I also wish to say that I sincerely appreciate, and am deeply grateful for these beautiful floral tokens of your friendship and esteem. Brief speeches of felicitation were made by John Blanchard Esq., and Hon. Ellis L. Orvis, after which court was adjourned. At least two-thirds of those present went forward and congratulated Judge Keller. The Judge was the recipient of two large and beautiful floral offerings, one from Bellefonte friends and the other from Philipsburg, quite a number of residents of the latter place having motored over to see him sworn in.

Judge Keller goes on the bench under the most favorable circumstances. He had the support of the majority of the members of the bar in his candidacy and there is no raucor in the hearts of those who opposed him. He is a man of splendid legal ability and sound judgment, and every man who goes before him will be sure of a fair and impartial hearing. If he makes any mistakes they will be errors of judgment and not of the heart.

Judge Keller took possession of the judge's chambers in the court house on Monday, the same having been vacated by ex-Judge Dale, and his first official act was the appointment of Miss Mauvis Furey as assistant court stenographer.

On Wednesday afternoon he appointed the following board of road and bridge viewers: M. Ward Fleming, S. Kline Woodring, James C. Furst, H. B. Shattuck, John A. Way, H. H. Hewitt, J. Thompson Henry and J. Irvin Yarnell.

Messrs. Fleming, Woodring, Shattuck and Henry were re-appointments. Mr. Furst was appointed to take the place of John G. Love; Mr. Yarnell to take the place of L. E. Swartz; Mr. Hewitt to replace Hard P. Harris, whose term had expired, and Mr. Way to fill a vacancy on the board.

Judge Keller will make his official court appointments of tipstaffs, etc., later in the week.

Foster McGovern has resigned his position with the State Highway Department and on Tuesday matriculated as a student in Tri-State College at Augolis, Ind.

NEWS PURELY PERSONAL.

John P. Eckel left, on Saturday, on his long contemplated trip to Florida, expecting to be away several weeks.

Pohn G. Dauberman, of Centre Hall, was in town yesterday. He came over to attend the convention of County School Directors.

Miss Eliza M. Thomas, of Curtin St., departed Wednesday, for Downingtown, Pa., where she expects to spend the winter with Mrs. M. C. Breese.

Mrs. Robert Cole was called to Philadelphia Tuesday by the death of a cousin, she being now the only surviving member of her branch of the Newell family.

Miss Jane Bossert, who is teaching in Newark, N. J., and who had spent her holiday vacation at Mill Hall, was a New Year's guest of the Ollie Morgans, of High St.

Guests at the home of Mrs. James B. Noll, at Pleasant Gap, for the holidays were Miss Pauline Noll, who is a senior at Miss Illman's Training School for Kindergarten teachers in Philadelphia, and Harry Noll, who is located in Baltimore, Washington and Wilmington in the insurance business.

Mrs. S. C. Witmer was among those who, wanting to start the New Year with a clean slate, spent part of Saturday in Bellefonte looking after the good work and upon leaving this office remarked that she was "square with the world." This old sphere would be quite a happier one were there more Mrs. Witmners.

Daniel W. Beck, who occupies the old homestead farm at Centre Line, with his wife and daughter, and father-in-law, J. H. Heberling, were in Bellefonte on a business trip on Tuesday. Mr. Beck is a representative of one of the old-time families of the western section of Half-moon township and is one of the men who is making his farm pay.

Mrs. Robert A. Miller, with her son Robert Jr., were in Bellefonte between trains last Thursday evening. They were on their way home to Tyrone after a visit with Mrs. Miller's mother, Mrs. Jennie H. Jamison, at Spring Mills. Mrs. Jamison celebrated the eightieth anniversary of her birth on Tuesday and it was made the occasion of a family gathering.

Miss Rebecca Rhoads returned for the holidays, from attending various conventions and conferences of National organizations of which she is a Director, in Chicago, Detroit, and Washington. Last week Miss Rhoads sailed for Panama on her third "tour of visitations" at Government invitation to Army, Navy, and Coast Guard forts, posts, ships, stations and hospitals, which will take her to Haiti, Canal Zone, Cuba, Florida, Louisiana, Georgia, North and South Carolina. She expects to be back in Bellefonte again about March 1.

We had quite an agreeable surprise on Saturday when Joseph L. Markle dropped in for a little call. We hadn't seen him for a long time and he's such good company—so cheerful and encouraging that one always feels better for a chat with him. Mr. Markle is still farming near Houseville and, with his son William, was in town looking after some business. We have always carried the pleasantest memories of the Markle brothers, the lamented Abe and Joe, both of whom we came to know for their sterling worth when at State College thirty-five years ago.

Mr. and Mrs. H. C. Angell and Mr. and Mrs. R. J. Barnett, of Philipsburg, were visitors in Bellefonte for a part of Tuesday. Mr. Barnett is tax collector for Rush township and Mr. Angell has been an assessor there since 1913. The gentlemen had come over to look after some business with the County Commissioners, so the ladies just came along for the drive. With the new road completed up the Valley it is no trip at all, as compared with what it once was. In fact they came from Sandy Ridge in an hour and fifteen minutes without any attempt to make fast time. Mr. Angell told us that while business in the mines over there is picking up in volume, but that the price is not stiffening much.

New Year Business Changes.

The Sciartino brothers, Frank, Rosey, and Joe, have disposed of their fruit store in the Decker building to Joe Capparella and next week will sail for Sicily to visit their old home. The trip is being made because of the death of their father who, left considerable property, and their presence is necessary to the settlement of the estate. Frank will take his family with him back to the old country, and the trip holds forth great pleasure for the other two, as Joe will greet his family the first time since he came to this country fourteen years ago. It is also rumored that Rosey has visions of a boyhood sweet-heart in that far-off country that he may conclude to bring back with him.

The three brothers came to this country fourteen years ago, most of which time has been spent in Bellefonte. For a number of years they worked at the various lime stone industries but five years ago embarked in the fruit business and have been quite successful. As they figure now their stay abroad will be for about six months and the sale of their business was made with the understanding that when they return they can have it back if they want it.

George Sunday, who during the past year or two has been conducting a tailor shop in a room on the second floor of Crider's Exchange, has leased the room in the Heverly building occupied by Mathew Wagner as a flower shop and will in the near future open up a low priced clothing store there, carrying ready made clothing in competition to the mail order houses. He will also continue his work as a merchant tailor. Mr. Wagner will move his flower shop into the basement of the Harter building.

The Misses' Powers will remove their needle-work shop from the Doll room on Bishop street to the room on the second floor of Crider's exchange, which was vacated by Geo. W. Sunday, on Tuesday.

Work at the Hospital Progressing.

The new wing of the Centre county hospital is slowly nearing completion. Most of the white-coat is completed on the third floor, the second is about half done and the rough plastering is nearly all on on the first floor.

Several of the bath tubs are set and some of the heating apparatus is in place, but the cement base boards and doors in all of the rooms are as yet untouched.

Even if funds were in hand to push the work as rapidly as could be done it is doubtful if the new part could be gotten ready for occupancy much before the first of March, though the second and third floors might be completed and ready for use within a few weeks.

It is very gratifying to announce that the new heating system gives promise of entire satisfaction. The new boiler installed in the laundry building combines in one plant the four separate units that formerly were in use. It heats the hospital and nurse's home, supplies the hot water for bath rooms and furnishes steam for sterilizing. Aside from the economy in firing only one instead of four small boilers; it has been the means of removing a fire hazard and dirt nuisance from under the main hospital building.

If there is an installment due on your subscription to the hospital why not send it in at once and help facilitate the work of completing the addition for use?

Firemen Elect Officers.

At a regular meeting on Tuesday evening the Undine Fire company elected the following officers: President, P. H. Gherity; vice president, E. J. Gehret; recording and financial secretary, Albert Kniesly; trustees, Robert E. Kline, D. Paul Fortney and Ralph Eyre; chief, George Carpeneto; 1st asst., W. V. Smith; 2nd asst., Joseph Bauer; 3rd asst., Harry Haag; chief engineer, George Doll; 1st asst., Edward Kane; 3rd asst., William Hill; member of board of control, Charles Kellerman.

The Logans elected as follows: President, Thomas Morgan; vice president, Elmer Yerger; secretary, O. B. Malin; treasurer, Jacob Marks; trustee, Harry Dukeman; chief, John J. Bower; 1st asst., Edward Hull; 2nd asst., Philip Taylor; 3rd asst., George Derr; 4th asst., Jay Storch; delegate to the State convention, John J. Bower; alternate, Elmer Yerger; delegate to district convention, Michael Shields; member of the board of control, Alexander Morrison.

Clearfield County Man in Centre County Jail for Forgery.

Millard Nearhood, of Pottersdale, Clearfield County, was brought to the Centre County jail last Friday morning in default of \$1,500 bail to answer to the charge of forgery. It is alleged that Nearhood victimized a number of merchants of Philipsburg last week through the medium of forged checks, all of which were drawn on the Karthaus bank. He was arrested by Philipsburg officers and in default of bail was removed to jail for trial at court.

Dreiblebis—Bottorf.—William E. Dreiblebis and Miss Mildred Bottorf, both of State College, motored to Boalsburg last Thursday where they were united in marriage at the Lutheran parsonage by the pastor, Rev. W. J. Wagner. They were attended by Walter and Miss Maude Dreiblebis. Immediately following the ceremony the young people were driven to Tyrone and left on the evening train on a wedding trip east. On April first they will locate on the farm of the bridegroom's father, at Fairbrook.

Grangers and Others are Invited.

Hon. John A. McSparran, Past Master of the Penn'a. State Grange, will install the officers for the coming year of The Penn State Grange at a meeting open to the public Tuesday evening Jan. 12, 1926, at 7:15, 100 Horticulture building, State College, Pa. Following the installation Mr. McSparran will address the gathering on matters of present day interest. Grangers of Centre county are especially urged to be present.

Both fire companies were called out about seven o'clock on Tuesday evening by a slight fire in the kitchen of the Robert Kniesly apartment in Crider's Exchange, but the flames were extinguished with chemicals before any great damage was done.

Guy Coll to Move Barber Shop.

On and after January 19th Coll's barber shop, at present located in the Keystone Gazette building, on Allegheny street, will be located in the Bush House block, in the room to be vacated by the North piano exhibit.

"The Midshipman," with Raymond Novarro, at the Scenic next Tuesday and Wednesday. 2-1t

FOR SALE.—Dockash Double Heater, in good condition. Inquire of Mrs. H. M. Kerstetter, Pleasant Gap, Pa. 70-2-1t

Bellefonte Grain Markets.

Table with 2 columns: Grain type and Price per bushel. Includes items like Wheat, Oats, Rye, Corn, Barley, and Buckwheat.
