Bellefonte High Basket Ball Team Wins from Hollidaysburg.

The Bellefonte High school basket ball team staged a comeback, last Friday night, and defeated Hollidaysburg by a 21 to 13 score. This is the first win in three league games for the local quintet. Hollidaysburg, using a veteran aggregation, was outclassed far more than the score indicates and were more than lucky to escape with so small a score. Time after time the Red and White banked the ball for an easy basket but the ball, posing on the rim or circling the basket, would finally fall the wrong way. With any kind of breaks Bellefonte would have had at least ten points more. The B. H. S. defense was noteworthy, for the visitors registered only one basket within the foul zone. As their defense was good, so was their offense very ragged at times. Poor passing and uncertain handling of the ball greatly handicapped the team. A good part of this is due to inexperience and lack of training, faults which practice and later games will eradicate. Although their play was not in all things perfect, the old B. H. S. fighting spirit and will to win was evident during every second of the

This (Friday) night the boys will entertain the basket ball team from Tyrone High. The game promises to be a battle from start to finish. Mathematically B. H. S. has a chance to move into second place in the league by winning this game. Sport lovers will recall the memorable football game last fall between the two teams. The game will be played in the Y. M. C. A. gymnasium and will start at the usual hour.

Although they had a comfortable lead at the beginning of the second half the Bellefonters never let up for an instant. Many shots at the basket just missed by an eye lash. Luck seemed to be against them for they had to shoot two or three times before one would drop for a two-pointer. Catty Farley, during the time she was on her feet, scored 13 field goals and one foul for a total of 27 points. Mary Smith accounted for the other nine points. The guarding by Mary Rogers and Lucille Smith was excellent, as is evident from the fact that Lewistown got but 6 baskets to our 17.
