CENTRE HALL.

Mr. and Mrs. "Tommy" Hosterman spent a few hours in Tyrone on Tuesday evening.

Charlie Slack and family moved back to the farm on St. Patrick's day, an ideal day for a fitting.

Mr. and Mrs. John F. Kramer entertained his sister from Reading several days during the week.

The Methodist preachers of the Sunbury district went to their annual conference at Berwick on Tuesday.

Miss Mary Zerby, primary teacher, was compelled to close her school for several weeks on account of being ill.

Many of our citizens drive to Bellefonte quite frequently since we have such a good road. It takes only about 20 or 25 minutes of easy riding.

Mrs. Lucy Henney left for Philadelphia on Saturday. She went to New Bloomfield on Saturday, and on Sunday was accompanied to Philadelphia by her sister, Mrs. James Stuart.

Some of our Odd Fellows drove to Milroy on Tuesday evening, where they conferred the 2nd degree and enjoyed some "good eats," returning home in time to hear the clock strike twelve.

Mrs. Margaret Smith, who has been so ill for some weeks, does not show any great improvement. At times she is very strong, and then again is so weak that it seems impossible for her to recover her strength.

Mrs. Eliza Meyer had a very good sale on Saturday afternoon. After the sale she and John D. and Mr. and Mrs. J. W. McCormick drove to Tyrone. The house is now occupied by the new owner, Mr. Strohecker.

Miss Ruth Smith drove to her home in Centre Hall, on Tuesday evening, bringing with her Mrs. Mollie Gregg, who spent her evening at the Bartholomew home. Another recent guest of the Bartholomews was Miss Orpha Gramley, of Spring Mills.

Mrs. George Robertson, of Hartford, Conn., who spent three months in Florida, spent a week with her father, D. B. Brisbin, on her return to her home in Connecticut. She is in love with Florida and seemed very sorry to come back north while the weather is still so cold.

Her Idea of "Art"
A New York "artistic photographer," whose work adorns the pages of many "art" publications, has numerous requests for private engagements. One such came from the wife of a newly rich man, who telephoned for an appointment. "And how much do you charge?" she asked. "One thousand dollars," was the reply. The photographer heard a gasp, and then came, "One thousand dollars! Why, how large a picture do you take?"

River Leaves Much Silt
Farmers in the Imperial valley of California pay nearly \$1,000,000 a year for dredging out of irrigation systems the silt deposited by the Colorado river. Engineers have estimated the Colorado river carries past Yuma 196,700,000 tons of silt annually, and that an average of 185,000 cubic yards of it goes into the Imperial valley district every month.

Wind Power Impractical
Electrical energy has been obtained from wind-driven turbines in wind-mills, but the procuring of power in this way is not done commercially to any extent. The difficulties to be overcome are the variable output and variable direction of wind and the comparatively low concentration of available power.

Generally Speaking
The professor was asked to give his definition of woman. After clearing his throat he began in his leisurely way, "Woman is, generally speaking—" "Stop right there, professor," interrupted a lowbrow. "If you talked a thousand years you'd never get any nearer to it than that."

Hoped to Catch Sun
In the Peruvian Andes stand two ruined towers on opposite hills. Iron hooks are clamped into their walls for the purpose of stretching a net from one tower to the other. The net is intended to catch the sun!

Salesmanship
Floorwalker (to clerk)—When a lady customer comes in you ask her the size of her feet. She says, for example, "Seven." You say, "Oh, no; six will suit you, madam," and then fit her with an eight.

Giving Himself Away
Honesty that needs to be labeled is of a somewhat doubtful variety, and the man who is continually asserting that he is "as good as anybody" is thereby acknowledging his secret misgivings.

Pledge Always Sacred
When we give a pledge—of secrecy, of help, of friendship—we have given something that we must redeem for our self's sake. The trust of others is valuable, but self-respect is essential.

Charge It, Please
Osteopathy means "the science of the correct manipulation of the bones." Think of the edge an osteopath has on the rest of us when the baby needs a new pair of shoes.

Knew What He Meant
This telegram was received by the bride of a civil engineer who took only winter flannels to the tropics with him: "S. O. S. B. V. D. C. O. D. P. D. Q."

PRESENTING THE BETTER CLASS PHOTOPLAY
Week-Ahead Program

SATURDAY, MARCH 20:
"COWBOY AND THE COUNTESS," with CHARLES BUCK JONES. The dare devil of the plains wins the daughter of royalty and almost starts another European war doing it. The popular hero of action pictures and wonder horse, White Eagle, is the greatest thriller of his career. Also, Fox two reel comedy, "FIGHTING TAILOR."

MONDAY, MARCH 22:
"THE TORNADO," with HOUSE PETERS. Taken from the play of Lincoln J. Carter. This is a universal Jewel picture and one of the best Mr. Peters ever appeared in. The cyclone alone in this picture is worth the price of admission. All the thrills and action you will want. Also, Pathe News, Aesop's Fables and a single reel comedy, "WHISTLING LIONS."

TUESDAY AND WEDNESDAY, MARCH 23 AND 24:
"THE SONG AND DANCE MAN," with TOM MOORE, BESSIE LOVE and HARRISON FORD. Here is a Geo. M. Cohen great comedy hit. A sentimental comedy, with the stage life of Broadway for its glamorous background, centering around the character of a humorous, blustering, pathetic vaudeville trouper, who believes no matter what happens he is the greatest song and dance man in the world. Bessie Love's Charleston dance is worth coming to see. Matinees Daily. Also, first run two reel comedy.

THURSDAY, MARCH 25:
"BROKEN HOMES," with ALICE LAKE, GASTON GLASS and J. BARNY SHERRY. Here is another of the True Story Magazine pictures and one that is sure to please all who see it. Millions have read the story, now see it in the pictures. Also, Pathe News and Pathe Review. Good program. Don't miss it.

FRIDAY AND SATURDAY, MARCH 26 AND 27:
"MEMORY LANE," featuring ELEANOR BORDMAN and CONRAD NAGEL. The boy she loved retraced his steps over memory lane to find her and pierce the bubble of her love dream because breaking her illusion meant giving her happiness, and he wanted her to be happy. Where the dawn of tomorrow kisses the dusk of yesterday, that's where memory lane begins. We personally guarantee it. Extra on Friday night, 2nd chapter of the serial, "CASEY OF THE COAST GUARD." Extra on Saturday, good two reel comedy, "PAWN-SHOP POLITICS."

MOOSE TEMPLE THEATRE.
FRIDAY AND SATURDAY
"THE WANDERER," with a special cast including GRETA NISSEN, WALLACE BERRY, ERNEST TORRENCE and WM. COLLIER Jr. A wonderful story on the return of the Prodigal Son.

FRIDAY AND SATURDAY, MARCH 26 AND 27:
"DICK TURPIN," with none other than TOM MIX and his wonder horse "Tony."

WE THANK YOU

Opening a new store is by no means a task for a day. It is the result of a determined ambition, linked with energy and the honest faith in your fellow-man that he will respond to the confidence that you have in yourself, your policy, your experience—and your new store.

This confidence—backed by a store filled with quality, an unlimited amount of faith, an untiring determination to serve—and serve well—will eventually be appreciated by those you serve. And then, the new store is a real asset to the community and to you.

The new Nittany Shoe Store, which was opened Wednesday of this week, was opened to serve all Bellefonte and vicinity with better shoes and for less money than asked here-to-fore. Every possible opportunity to secure newer styles in footwear—and please the men and boys, as well as the girls—both young and old—were the factors in bringing to the opening thousands of people to enjoy the most elaborate display of Foot Fashions ever presented in this county. Saturday we will do it all over again for those out of town, who cannot possibly get in before the week end.
