ONCE VALUABLE PROPERTY

NOW A PILE OF RUINS. Wind and Weather Knocking Down Old Steam Heating Plant.

Wind, weather and idleness are playing havoc with the old steam heat and gas plant, at the corner of Spring and Lamb streets, Bellefonte. Compelled to close down in the early stages of the world war, when the price of coal made it impossible for the owners to operate the plant, it has been allowed to lie idle ever since, and being the subject of considerable moved to the basement of the Decker litigation, it was never sold nor dismantled and the ravages of idleness and time have played havoc with what at one time was deemed a very essential utility. During the past week or two the entire roof surrounding the big brick smokestack caved in right on top of the auxiliary high pressure boiler, and the remainder of the building is so decayed and timeworn that it is a menace to people passing close to it, and it is only a question of time until the whole thing will collapse.

Bellefonte is probably one of the few towns in the State, of its size, that does not have the advantage of either natural gas or artificial gas. The old gas plant was built over seventy years ago, in 1855 to be exact, at a cost of \$50,000. That was a lot of money at that time, but it was before the days of electric light and gaslight at that time was a big improvement over the coal oil lamp and vital statistics of the State Board of tallow candle. Naturally for over a third of a century it had the lighting business in Bellefonte without op-

position. In 1884, Bellefonte was one of the pioneer towns in the introduction of steam heat, and a plant was established in connection with the gas plant at an expense of \$75,000. The expansion of the business necessitated

more were expended for this purpose. Then came the collapse when the price of coal made it impossible to operate the plant, and both the gas and steam heat plant were shut down. board of Bellefonte instituted conof taking over the property for school students. purposes. The jury appointed to appraise the value of the property named \$7,500 as the figure. At the time mortgage is held by Mrs. Mary L. Association and in the Y. W. C. A. > Joseph Alexander Home Robbed on Sunday Night.

The home of Joseph Alexander, of near Unionville, was broken into on Sunday night and robbed of a gold watch, two gold-bar pins, a dollar in cash and a good, square meal. From must have been quite hungry, and suspicion points to a colored convict, Joe Williams, who made his escape from the Rockview penitentiary some time last Thursday evening. The man was serving a sentence of three to six years, and had been sent up Home Economic Worker to be Locatand nine o'clock and guards were promptly hustled out in all directions

On Thursday afternoon two strange negroes were observed driving slowly along the State highway through gave rise to the thought that Williams may have been taken away with police officials within one hundred miles were notified but no one saw a car with three colored men in it. On Friday night two lunch baskets of men employed at the limestone quarries up Buffalo Run valley were rifled belief that the negro was still in this section. Such being the case the robbery of the Alexander home might also have been done by him, and especially as he made away with an unusually large quantity of food. A plate carried off by the burglar was found in a swampy piece of ground between the Alexander home and the foot of Bald Eagle mountain.

Well Known Bellefonte Couple Cele- | SOLDIER BOYS MAKING brate Wedding Anniversary.

Mr. and Mrs. George H. Hazel celebrated the silver anniversary of their marriage last Saturday at a dinner in their honor in the apartments of Mr. and Mrs. William H. Kline, Mrs. Kline being their elder daughter.

On March 27, 1901, Mr. Hazel was married to Miss Emma Wagner. The ceremony was celebrated at the home of the bride's parents, Mr. and Mrs. A. Y. Wagner, on Willowbank street, and at the time was quite a festal event. Mr. Hazel was then a clerk in the Joseph and Co., store of which he is now manager and half owner, and his fellow employees then presented the young couple with a satin silver cake plate. The ceremony was performed by the late Rev. Thomas Levan Bickel, then pastor of the Reformed church; assisted by the Rev. A. A. Black, of Boalsburg, who was Miss Wagner's pastor before her family moved to this place.

That they have been blessed with good fortune during the quarter century of their married life was signified by the presentation to Mr. and Mrs. Hazel, on Saturday, of a replica of the silver dish that had been given them so long ago; the first by his fellow clerks, the replica by his em-
