Another Escaped Prisoner Captured.

A dispatch from Washington, Pa., last Friday, detailed the capture in Washington county, that morning, of William Wright, who escaped from the Rockview penitentiary on the evening of January 4th. Wright was orignially sent up from Washington county for 9 to 11 years for feloniously breaking and entering, larceny and felonious assault and battery. He was sentenced on November 9th, 1922, hence had served three years and not quite two months when he made his escape. Wright was captured, last Friday, following the robbing of two homes, in one of which the lifeless body of a woman was found, but whether he is guilty or only suspected of the robbery and being implicated in the woman's death has not been divulged.

grand opera solo.

The Bellefonte High school relay team, through the courtesy of Willis Wion, is enabled to go to Philadelphia to compete in the annual Penn relays. If it were not for this kind donation made by him of the use of a car and driver it would be impossible for the boys to take part in the meet.

It will be realized that the expense of train transportation and incidentals would be too great a burden to be born by the High school athletic association. Last year Mr. Wion also donated a car and driver, and to him must be awarded some measure of credit for the team's victory. If the victory is repeated this year, Bellefonte should realize that it was he who made it possible and whatever advertising the town gains through the performance of its team at Philadelphia, is due to his co-operation and interest in the school.

Cohen and Kalin Buying Again.

Walter Cohen and Max Kalin have bought the Ray property on north Water street from Mrs. Harriet Ray Smith. They expect to remove the old shirt factory building, grade off the lot and build a modern filling station and comfort spot for motorists.

Because the street is narrow they expect to use the entire plot so that cars can get into and out of the place without congesting traffic.

It is understood that the purchasers would like to secure the Waite property, adjacent to their plat, not only for the purpose of securing more room but to open the vista out to the water's edge and giving opportunity to beautify more effectively. As to whether an offer has actually been made for it we are not informed.

Young-Casper .- Harold M. Young, son of Mr. and Mrs. Frank C. Young, and Miss Margaret E. Casper, daughter of Mr. and Mrs. David E. Casper, both of Bellefonte, were married at 7.30 p. m. Tuesday, April 20th, at the Evangelical parsonage, by the pastor, Rev. Reed O. Steely. They were attended by Earl Barner and Cora Edna Young. Harold is employed by the Federal Match company. After a honeymoon they will take up housekeeping in Bellefonte.

-John K. Tener's gubernatorial campaign itinerary includes a visit to Bellefonte on May 10th.

Talk About Stars.

Just a few lines to let you know that the Scenic and Moose theatres announce that their programs for next week has a list of stars that are seldom seen booked in any houses for one week. Really, we offer more stars than there are in the heavens. Now look the following flock over and see for yourself if we are not correct: Saturday we have Jacqueline Lo-

gan and William Powell in "White Mice." Monday we offer Bebe Daniels, Ford Sterling and Warner Baxter in

'Miss Brewster's Millions?" Tuesday and Wednesday Corinne Griffith, Harrison Ford and Kenneth Harlan in "The Marriage Whirl." Thursday Betty Compson, House

Peters, Jay Hunt, and Rockliffe Fellows in "Counsel for Defense." Friday and Saturday Harry Langdon, the ace of comedians, in a laugh

feature, "Tramp, Tramp, Tramp." At the Moose theatre this Friday and Saturday H. B. Warner and Lillian Rich in "Whispering Smith."

In keeping with our slogan, "Where the better class photoplays are shown," we offer the above program for your approval and might say that the usual admission of 10 and 25 cents will prevail.
