Bellefonte, Pa., April 30, 1926.

NEWS ABOUT TOWN AND COUNTY.

Up to March 1st licences for 2660 dogs had been issued in Centre county.

If its Hershey's ice cream you want call at Davison's, successor to Sourbeck. 71-18-1t

The state highway oiling schedule for this week includes Centre Hall borough and Centre Hall to Livonia.

The Catholic daughters of America, will hold a card party in their club rooms, Friday evening, April 30. Admission 25c.

Adam Y. Wagner, who has been so critically ill at his home on Willowbank St., was reported as being a bit brighter yesterday.

The Bucknell Freshman baseball team will play the Bellefonte Academy, on Hughes field, this afternoon at 3 o'clock. It will be a good game to see.

Hon. John S. Fisher, Republican aspirant for Governor, will be in Bellefonte today. A public reception will be given him at the Broeckerhoff house at noon.

The regular monthly meeting of associated business men, will be held Wednesday evening, May 5, at 8.30 p. m. in the court house. Every member is asked to be present.

Charles E. Dorworth, editor of the Republican, entertained the Hon. Cyrus Woods and Col. Theodore Davis Boal at dinner last Monday evening. The visitors were in town for the Pepper-Fisher conference held that night.

The Penn State Thespians are this week making a southern tour with their musical comedy show, "The Kid Himself," playing in three States and the District of Columbia. They started in Williamsport on Tuesday evening and follow with appearances in York, Harrisburg, Washington, Baltimore, Old Point Comfort, and Hampton Roads, Va.

Mrs. Mary Flinn Lawrence, of Pittsburg, vice chairman of the "Pinchot-for-Senator" committee, has announced that Miss Rebecca Naomi Rhoads, of this place, is the Pinchot aide for Centre county. A perfectly natural appointment, that. The thing that interests the Pepper-Fisher crowd around here most, however, is how much aid is Rebecca Naomi going to give the Governor.

Thomas Schreckengast, ten year old son of Mr. and Mrs. Lester Schreckengast, of Nittany, who was critically hurt when run down by an automobile on Sunday evening, April 18th, died last Thursday afternoon. An inquest was held the same afternoon and the driver of the car, Mr. Heltwell, of Mackeyville, was exonerated of blame for the accident. The funeral was held on Saturday, burial being made at Snyderstown.

Members of the Lutheran congregation of Duncansville gave a reception to their pastor, Rev. Isaac Krider, last Friday evening, in celebration of his eightieth birthday anniversary. Rev. Krider is a native of Centre county, having been born and raised in Ferguson township. He has been pastor of the Lutheran church at Duncansville the past thirty-six years and is still in active service. All the ministers in that section of Blair county and many people not members of his church attended the reception.

Representatives from the women's clubs of State College, Boalsburg and of Howard, were guests Monday night, of the Bellefonte club at their regular meeting in the High school auditorium. After an hour of business, and a short musical program, arranged by Mrs. Louis Schad, the remainder of the evening was given over to the committee, who had the social part of the program in charge. The guests contributed so much to the pleasure of the evening, that it is hoped, there will very shortly, be a repetition of the visit.

Electricians are now installing the generator at John McCoy's new hydro-electric plant and, if no unforeseen interference develops, it is thought the giant machine will be given its first trial at producing electricity in about ten days. The generator house is about completed, a last bit of concrete retaining wall was being poured on Tuesday and all that yet remains to be done is grading the grounds about the plant. When all of Mr. McCoy's plans have finally been worked out the unsightly old dam and surroundings of a year ago will have been transformed into a really pleasing prospect.

J. B. Forsht, for the Forsht Motor company, Philipsburg, has made an application to the Public Service Commission for a certificate of public convenience to operate motor vehicles for the purpose of carrying passengers, freight, merchandise or other personal property between Philipsburg and Bellefonte by way of Snow Shoe. A public hearing will be held before the Commission in Harrisburg, on May 13th. While we know nothing about the Forsht Motor company, we do know that the present transportation facilities between Philipsburg and Bellefonte are entirely inadequate. In fact they couldn't be much worse and if Mr. Forsht can get a certificate and improve conditions of travel between the two towns he will be doing both a good service.

TWO TRAGICAL FATALITIES.

Nick DeLallo Crushed to Death by Falling Rock.

Nick DeLallo, one of the best and most faithful workmen at the Chemical Lime company operations, was instantly killed at 9.45 o'clock on Sunday morning when he was hit by a falling rock in the No. 1 quarry. He was one of the company's best drillers and had just completed drilling a hole in the face of the high cliff of rock. He was in the act of disconnecting the air hose preparatory to placing a shot when a large stone, evidently loosened by Saturday's rain, dropped from the top of the quarry and struck him on the top of his head. He was killed instantly.

DeLallo was born in Italy and would have been fifty-seven years old next month. He came to this country when little more than a youth and for thirty-six years had been employed in the quarries near Bellefonte. He was a naturalized American and a good citizen. Surviving him are his wife and nine children: Mrs. John Vets and Peter, of Bellefonte; George, of Hazleton; Lucy, Anthony, Joseph, Nancy, Angelo and Margaret, all at home.

Funeral services were held in the Catholic church at ten o'clock on Wednesday morning by Rev. Father Downes, after which burial was made in the Catholic cemetery.

ANOTHER FATAL ACCIDENT.

John Cogan, of Wingate, died in the Centre County hospital on Sunday morning as the result of injuries sustained last Thursday when he was run over by a wagon loaded with old railroad ties. Cogan, who was about fifty-five years of age, worked for James Davidson and at the time of the accident was hauling old ties to the Davidson home. He was riding on the load of ties when one of them slipped, throwing him off the wagon. He fell beneath the wagon and before he could roll out of danger the heavily loaded vehicle caught him and ran over his breast. All the ribs on his right side and three on the left were broken and one lung badly crushed.

Cogan was a native of Pinecroft, Blair county, but had worked for Mr. Davidson at various times during the past twenty or more years. He leaves a widow, three daughters, two sons and a brother living at Pinecroft. Burial was made in the Stover cemetery on Tuesday afternoon.

Annual Meeting of Centre County Engineering Society.

A fair-sized crowd of enthusiastic members attended the annual meeting of the Centre county Engineering society, which was held in room 201, engineering A building, State College, last Wednesday afternoon. Following the approval of the reports of the secretary and treasurer, president E. D. Walker reviewed the work of the society for the past year. Col. W. P. Rothrock opened a discussion which considered certain engineering and design features of State College buildings.

Society delegates were elected for the meeting of county delegates which will be held at State College at two o'clock on June 12th to elect certain trustees of the Pennsylvania State College, as follows: J. W. Henszey and H. A. Leitzell, State College, and B. L. Weaver, Bellefonte; alternates, S. M. Shalleross, Bellefonte, and Col. W. P. Rothrock, State College.

Officers of the society for the ensuing year were elected as follows: President, E. D. Walker; vice president, W. P. Rothrock; secretary and treasurer, E. A. Holbrook.

President's Secretary Acknowledges Invitation to Summer in Bellefonte.

Burgess Hard P. Harris last Friday received a letter from the secretary of President Coolidge acknowledging the invitation to spend the summer in the Hastings home in Bellefonte, stating that the kind offer will be given due consideration when the President takes up the question of a summer White House.

Of course there are some people who are inclined to scoff at the idea of President Coolidge even considering Bellefonte as a summer home, but there is no good reason why he couldn't be made just as comfortable here as anywhere else. Bellefonte has entertained in the past men of just as much importance as the President. In fact the town is noted as the birthplace of great men, even if one of them reached the Presidential chair, and all of them lived and died here.

Aside from that fact, Bellefonte has as many if not more material attractions as any other town in the State, so why is there anything preposterous in inviting the President to come here?

Max Kofman in Auto Accident.

On Monday evening Max Kofman took a motor run down Bald Eagle valley in his father's Studebaker runabout. Returning home he was unable to negotiate the sharp reverse curve at the Lingle farm with the result that the car plunged over the bank, turned turtle and was badly wrecked. Two wheels were completely smashed, the top was caved in and the car looked as if it had been struck by a cyclone. Max sustained two fractured ribs and a few cuts and bruises, but no serious injuries.

Port Matilda to Have Three Elections in May.

Now that the prospective borough of Port Matilda has shaken herself free of legal entanglements she has run into a regular orgy of election days.

Everything was set for the election of her first borough officials on Tuesday, January 26, last. At that time the ballots were all printed and from their size it looked as though about every able bodied resident of the village was willing to immolate him or herself on the altar of the first borough service.

Then remonstrants stepped in and the election was held up until they changed their minds by deciding that they were no longer opposed to the ambitions of the borough.

Now they are confronted with more elections in May than the ordinary district has in an entire year.

On May 4th they will have to hold a primary to nominate a ticket for the following officers that must be filled: Judge of election, two inspectors, one burgess, seven councilmen, one tax collector, two overseers of the poor, one assessor, two justices of the peace, two auditors, one constable and one high constable. It will be noted that they are not to elect school directors at this time. This is because of overlapping of township and borough authority in control of the school properties which cannot be reconciled until later.

May 15th they will have their borough election, when the new officials will be chosen from the nominations made on the 4th.

Then, on May 18th, the borough will hold its first regular primary for the county and State ticket nominations.

Mother's day will soon be here. Place your order for Mother's day candies at Davison's candy shop, successor to Sourbeck. 71-18-1t

Retrial of Big Case in Court This Week.

A special session of court is now being held in Bellefonte for a retrial of the now celebrated case of James H. Cullen, of New York, vs. the Estate of the late Congressman Charles H. Rowland, of Phillipsburg, an action in deceit to recover damages for alleged misrepresentation in the sale of a coal mine in Clearfield county, by Congressman Rowland to Mr. Cullen in 1917.

The case was originally tried at the February term of court, 1925, before Judge Miles J. Potter, at which time the jury returned a verdict in favor of the plaintiff in the sum of \$40,073.32.

Attorneys for the defendants promptly made a motion for a new trial and following argument Judge Potter granted the same for the reason that he considered the verdict excessive.

The case this week is being tried before Judge Harry Keller, of Bellefonte. The plaintiff is represented by attorneys M. Ward Fleming, of Phillipsburg, and Spangler and Walker, of Bellefonte. The interests of the defendants are being looked after by attorneys A. M. Liveright, of Clearfield; George W. Zeigler, of Phillipsburg; and Orvis and Zerby, of Bellefonte. A complete resume of the case was given at the time of the trial a little over a year ago.

The second trial this week is being contested through all the phases of legal technicality. The plaintiff has taken up all the time so far and the defense is yet to be heard, so that it looks as if the case will run through most of next week.

Odd Fellows Have Big Gathering at State College.

Central Pennsylvania Odd Fellows invaded State College on Tuesday for their annual meeting in celebration of the 107th anniversary of the founding of Odd Fellowship in America. It is estimated that two thousand members of the order were present with one hundred officially credited delegates at the business meeting, while the total crowd was between five and six thousand.

At the business meeting Berwick was selected as the place for holding next year's celebration and officers for the ensuing year were elected as follows: President, Harry C. Keightley, of Williamsport; vice president, Gilbert Rupp, of Harrisburg; secretary, W. E. H. Laird, of Williamsport; assistant secretary, Anthony Cockburn, of Williamsport; treasurer, Harland B. Prutzman, of Williamsport; chaplain, G. W. Morton, of Renovo.

The big parade in the afternoon was a feature of the gathering. It was in four divisions and in addition to the hundreds of Odd Fellows ten bands were in line. Following the parade the visitors were given an opportunity to inspect the College property. In the evening a degree meeting was held and also a dance in the college armory.

The fact that manager T. Clayton Brown has signed up for his stock of motion pictures for the ensuing year is evidence that the many patrons of the Scenic can feel assured that the programs during 1926 will be just as good as they have been in the past. The very best producers are included in Mr. Brown's list and the pictures he has booked cannot be seen anywhere else in Bellefonte but at the Scenic. That's why you should be a regular.

Auxiliary Takes No Action in Matter of Hospital Laundry.

At the regular monthly meeting of the executive board of the woman's auxiliary of the Centre County hospital, held in the W. C. T. U. rooms, in this place, on Monday, there were twenty-seven members present.

State College was represented by Mrs. Laird Holmes and Mrs. J. Martin.

Zion, by Mrs. Emma Noll and Miss Mary Struble.

Hubbersburg, by Mrs. S. S. McCormick and Mrs. F. E. Vonada.

The others present were from the Bellefonte auxiliary.

Manager Wm. H. Brown, of the hospital, appeared before the board with the suggestion that the women take over the management of the laundry at the institution. The reaction to the idea seems to have been that the ladies feel that the work is not in line with the purposes of their organization and that they are not at present favorable to any such undertaking so it was laid on the table.

During the month of April they made and sent to the hospital 24 sheets, 24 bed spreads and 9 wash cloths. In addition to this the Catholic Daughters sent 6 doz pillow cases and the auxiliary of the Methodist church finished 18 large sheets, 2 crib sheets, 6 counter-panes and 24 pillow cases.

The receipts from the recent food sale were reported as having been \$71.50.

The following committees were appointed to serve for the next four months:

Visiting committee: Mrs. Laird Holmes, Mrs. M. Brouse, Mrs. Schloss, Mrs. Chas. Thompson.

Purchasing committee: Mrs. Harrison Walker, Mrs. Allison, Mrs. Robert Morris, Mrs. Emma Noll.

Cutting committee: Mrs. W. J. Emerick.

Special committee: Miss Mary Blanchard, Mrs. Eben Bower, Mrs. J. P. Lyon, Mrs. Steely.

County organizers: Mrs. R. R. Blair, Mrs. Beach, Mrs. W. J. Kurtz, Mrs. Clara Leathers.

The total membership of the various auxiliaries is now as follows: Bellefonte 430, State College 170, Millheim 85, Zion 64, Unionville 46, Centre Hall 40, Milesburg 35, Howard 31, Spring Mills 16 and Aaronsburg 14.

The Bellefonte auxiliary will hold a rummage sale on Wednesday, May 12th. Those having donations who are unable to send them should call Mrs. Russell Blair and they will be called for.

Rally Day at Evangelical Church.

Rally day services were held at the Evangelical church in Bellefonte on Sunday and they were fraught with such spiritual and material interest that the pastor, Rev. Reed O. Steely, and every member of the congregation has experienced a wonderful feeling of encouragement all week.

As an incentive to a large turnout the pastor secured for both the morning and evening services the Coburn orchestra of twelve pieces and a choir of twenty voices from the same place. And so the musicians would feel more at home he invited their pastor, Rev. H. C. Kleffel to be present and preach the sermons. It was a splendid combination. The visiting pastor delivered two eloquent discourses and the music of both the orchestra and the choir was worth hearing.

The result was when the real object of the rally was reached, an effort to raise money to reduce the church debt, everybody was in a mellow mood and the handsome sum of one thousand dollars was contributed and pledged. This will materially reduce the debt incurred last year in enlarging and remodeling their church property, which is now on a par with most of the churches in Bellefonte.

Flemington Woman Found Dead in Fishing Creek.

Mrs. George F. Gray, of Flemington, disappeared from her home early last Thursday and on Friday morning her dead body was found in Fishing Creek, about an eighth of a mile below the Flemington bridge. Authorities believe that her drowning was the result of an accident. She was a daughter of Mr. and Mrs. John Bressler, was born in Flemington and lived there all her life. In addition to her husband she is survived by one daughter, Hazel Gray, a school teacher in Lock Haven. She also leaves three brothers and three sisters, one of the latter being Miss Hilda Bressler, of State College.

Y. M. C. A. Directors to Be Elected on May 5th.

The nominating committee of the board of directors of the Bellefonte Y. M. C. A. have nominated the following men to be voted for at an election to be held on May 5th as directors to serve the ensuing three years: James R. Hughes, Calvin Troup, W. J. Emerick, Clarence E. Williams, Harry C. Taylor and J. Kennedy Johnston. While six men have been nominated only five are to be elected. All senior members of the Association are entitled to vote, and each voter must vote for only five names.

The annual Sabbath School conference of the 9th district of Centre county will be held in the Methodist church, at Lemont, Pa., on May 1st, 1926. Afternoon service at 2 o'clock, evening service at 7 o'clock. Box supper. Everybody is cordially invited to attend.
