Forestry Week and Arbor Day Observed by Centre Co. High Schools.

The rural high schools of Centre county beautified their school grounds by planting ornamental evergreens around the buildings in observance of Spring Arbor day.

Through the county Vocational Supervisor, all the schools received fine, three foot specimens of Norway spruce, larch, and Japanese red pine, from the Penn nursery. The high school boys planted the trees and the entire student bodies of most of the schools held regular Arbor day exercises for the purpose of teaching all students the necessity of forest conservation in Pennsylvania. Along with the Arbor day exercises, a few of the communities held general community clean-up day. The high school pupils co-operated with the townspeople in cleaning up streets, alleys, school grounds, and urged every resident to clean up and paint their properties.

The New Cave at Woodward Opened.

The new cave at Woodward, this county, which was cleaned out and made attractive for visitors last summer has been put in better shape during the closed season and is now open to the public.

Unlike Penn's cave, the new one is dry. Walks have been made through the cavern so that the beautiful rock formations can be seen to greater advantage and it is likely to become quite a place of interest to motor parties.

A notice in the Pittsburgh Post, on Tuesday morning, mentioned the death in that city, on Monday, of Charles W. Augenstein, aged 71 years. He is survived by his wife, Mary Dewalt Augenstein. Burial was made on Wednesday.

Many Prominent Centre County Men and Women Enthusiastically Endorse Pepper and Fisher.

Announcement this week of the formation in Centre County of a Committee of One Thousand to advance the candidacy of George Wharton Pepper for United States Senator was accompanied with a statement by Chas. E. Dorworth, chairman, predicting that the county will give a plurality of at least 1500 for Senator Pepper, and also for John S. Fisher for Governor, at the primaries on May 18th. In his statement, Chairman Dorworth said:

"Based upon personal interviews with several hundred Republicans, including active party workers in all sections, I believe that I am justified in predicting that Centre County will register a decisive victory for both Senator Pepper and Mr. Fisher. Governor Pinchot has lost the bulk of his substantial strength in the county. The most valuable among his supporters of four years ago are earnestly and actively backing the candidacy of Senator Pepper. Sentiment is crystallizing rapidly among Republicans in response to the plea of the committee of representative women that no votes be wasted on Pinchot but cast solidly for Pepper to defeat Vare.

"Centre County is irrevocably opposed to Vare. This county has a greater registration of Republican women, as compared with the number of registered Republican male voters, than any other county in the interior of the State. The women of the county are almost a unit in supporting Mr. Fisher for Governor, as well as Pepper for Senator. That they hold the balance of power in the county is conceded by all persons who have intelligently analyzed the situation. Making liberal allowance for the vote that will be cast for Mr. Beidleman in Philadelphia, Bellefonte and State College, which admittedly are his strongest points, Mr. Fisher will carry the county by a large margin.

"The great majority of the Republicans in the county are unreservedly in favor of the policies of President Coolidge and of permanent party leadership in the State by those who represent and speak for the Coolidge administration. This party leadership is exemplified in the candidacy of Senator Pepper and Mr. Fisher, also that of Col. Smith for Lieutenant Governor, and James F. Woodward for Secretary of Internal Affairs. Based upon an anticipated normal primary vote, it is my belief that the Pepper-Fisher ticket will carry Centre County by 1500 as a minimum."

In line with his declaration that the supporters of Senator Pepper and Mr. Fisher include what might be termed the "bone and sinew" of the Republican party in the county, Chairman Dorworth quoted expressions from many prominent business men and women to that effect. Among the number who expressed themselves were the following:

Judge HARRY KELLER.
As a Republican citizen, it is my personal belief that the best interests of the Republican party, and the welfare of our State, call for the return of Hon. George Wharton Pepper to the United States Senate, and also for the nomination and election of the Honorable John S. Fisher for Governor. Because of their eminent fitness, their ability gained through experience in public affairs, and their splendid character as men, it will be a pleasure to me to vote for them at the primary election on May 18th.

Rev. HOMER C. KNOX.
Pastor Bellefonte Methodist Episcopal Church.
Being of Republican faith, I have a choice to make among three candidates—Vare, Pinchot and Pepper. I have chosen Pepper. First, because of his reputed clean, Christian character. Second, his nationally recognized ability. Third, he is neither "soaking wet," nor is he a "political autocrat," but stands for a clean government, in full support of our President's policy.

T. H. HARTER.
Editor Keystone Gazette.

It was Tom Reed who coined the epigram: "A statesman is a dead politician," a saying which sprang into such popularity that it has been adopted as a rule. But that there are exceptions to all rules is illustrated in the personality of George Wharton Pepper, who is a statesman, is alive, and never was a politician. He stands high in the councils of the nation; and is in full accord with President Coolidge, than whom there is no higher standard of judgment, or rule to follow. I have not an unkind word to say against Governor Pinchot; but I cannot see the propriety of turning one good man out just to put another one in when there is no good reason assigned for so doing.

John S. Fisher is practically one of us. He has been definitely and directly identified with the business interests of Centre county for many years, and he has always played the clean game. He is the same John S. Fisher in politics as he is out of it. He lives a clean, healthy life and expects every one else to do the same, which is why he, alone of the four candidates in the field for Governor, comes clean on the matter of law enforcement, which is in accord with eighty per cent. of our people and which entitles him to that per cent. of the votes cast at the Centre county primaries on Tuesday, the eighteenth day of this month.

Rev. REED O. STEELY.
Pastor Bellefonte Evangelical Church.
The candidates of my choice in this

campaign are George Wharton Pepper for United States Senator and John S. Fisher for Governor. They represent the principles for which good citizens stand, and that is why I am for them. I most earnestly hope that they are nominated and elected.

JAMES H. POTTER.
Potter-Hoy Hardware Co.

Pennsylvania, the greatest State in the Union, should have in the United States Senate one of the best and ablest sons that she has, and there is none better equipped for the position than George Wharton Pepper, and he is going to be kept there. Also, a worthy running mate could not be found than John S. Fisher for Governor.

Mrs. W. L. FOSTER.
State College, Pa. Vice Chairman.

Mrs. Foster has rendered a service of inestimable value to Senator Pepper. She has exerted her influence among the women of the county to have them present a solid front for Pepper to defeat Vare. Mrs. Foster is personally supporting Mr. Fisher for Governor. She is keenly alive to the danger of Vare winning out on May 18th, if the women divide their strength between Pepper and Pinchot. Discussing the situation, Mrs. Foster said:

"It will be Senator Pepper, or it will be Vare. Pinchot cannot win. If we center our strength upon Pepper, he will win. If we divide our strength, Vare will win. I have talked with many of our most active Republican women and find that they are rapidly coming to understand the situation, and once they understand it they do not hesitate to make known their decision for Senator Pepper. However, it will not help much if women who so decide fail to take the trouble to go to the polls and vote on May 18th. I am making this personal appeal to the women of Centre County to decide now that they will not permit anything to interfere, but to turn out in large numbers on primary election day. Centre County has the highest percentage of registered women voters of any interior county, if not in fact in the entire State. It is to be hoped that our county will rank equally high in the woman vote at the primaries. Every woman who votes for Pinchot will help Vare. Every woman who fails to vote will help Vare. Every woman who votes for Pepper will be doing her part to defeat Vare. Personally, I am just as deeply interested in the nomination of Mr. Fisher for Governor. I am likewise supporting Colonel Ernest Smith for Lieutenant Governor, and James F. Woodward for Secretary of Internal Affairs."

Mrs. AUGUSTA M. QUIGLEY.
Wife of the late Judge Henry C. Quigley.
My position in the campaign is perfectly clear. I am working, actively and earnestly, for Senator Pepper and Mr. Fisher. They are thorough-going Christian citizens and public officials of demonstrated efficiency. Pennsylvanians owe it to Pennsylvania to nominate and elect them. I, for one, am doing my part to help, and very gladly, too. I want to see this ticket win.

NELSON E. ROBB.
Treasurer Bellefonte Trust Company.

The business world wants to see Senator Pepper continued in the Senate at Washington, because it has every confidence in his ability and stability, his sound, well-ripened judgment, and his constructive rather than destructive methods in matters affecting the public welfare. I regard him as among the foremost of the ablest and most distinguished men in the Senate, and as a perfectly safe, dependable supporter of President Coolidge's wise policy of efficient economy. Business men in not only our own State, but elsewhere, will look forward with confidence if Senator Pepper is renominated. They will view the future with doubt and uncertainty if he is defeated. I have the same high personal regard for the confidence in John S. Fisher. His determined opposition to any additional increase in taxation, and his advanced and thoroughly sound stand in favor of economizing along carefully considered lines in all branches of the State government, command my admiration and heartiest approval. I shall vote for Senator Pepper and Mr. Fisher.

GEORGE H. YARNELL.
Former Sheriff of Centre County.

After studying the situation from all angles, I have decided that it is my duty as a citizen, and also as a Republican interested in the future of our party, to vote for Pepper for Senator and Fisher for Governor. I believe that they, more so than any of the other candidates, represent the administration of President Coolidge. We know that we can safely follow the national administration leadership, and that it is the only permanent leadership offered to us at this time. I am convinced that it will be the best thing for the Republican party in Centre County in the long run if we stand by this leadership. For these reasons, I shall vote for and do everything I can to help nominate and elect Senator Pepper and Mr. Fisher.

Mrs. JENNIE R. HASTINGS.
Wife of late Governor Daniel H. Hastings.

I am enthusiastically for Pepper and Fisher. I am asking my friends everywhere to take the time and trouble to vote for these two exceptionally fine candidates. Centre County women are becoming aroused to the importance of the situation, and are earnestly and loyally rallying to the Pepper-Fisher standard.

Colonel W. F. REYNOLDS.
President Pennsylvania Match Company.

I believe from the business man's standpoint that our best interests will most valuably be served by the selection of Mr. Pepper for Senator and

Mr. Fisher for Governor. The positive need to the business world is stability both at Harrisburg and Washington. We have this stability at Washington with President Coolidge and Senator Pepper. We will have it at Harrisburg with John Fisher as Governor. For the good of the Republican party, in our home county as well as in the State and Nation, I consider it of vital importance that we do everything in our power to nominate and elect Senator Pepper and Mr. Fisher. I am for the whole Pepper-Fisher ticket.

O. E. MILES.
Well known merchant at Milesburg, Pa.

We are for Senator Pepper and Mr. Fisher because we believe that they are the very best men we can name at the present time. We look upon them as representing the splendid policies of President Coolidge, and we're for the President.

Colonel THEODORE DAVIS BOAL.
Boalsburg, Pa.

There is so much of importance involved in this campaign that I feel that I cannot do too much to help the Pepper-Fisher ticket. Senator Pepper is so admirably qualified in every way that there should be no question about his being re-nominated. Pennsylvania is most fortunate to have available a man like John S. Fisher for Governor. Colonel Smith, for Lieutenant Governor, is one of the best in the world. It's a pleasure to get out and work for this ticket. That is what I am doing, and shall continue doing every day until the polls close. I am glad that sentiment in Centre County is overwhelming for the Pepper-Fisher ticket.

HARDMAN P. HARRIS.
Burgess of Bellefonte.

It would seem to me that George Wharton Pepper for Senator and John S. Fisher for Governor are head and shoulders above all other candidates and I shall vote for them at the primaries. I am urging my friends everywhere to stand loyally by the whole Pepper-Fisher ticket. No one need be ashamed to stand up and fight for this ticket. On the contrary, if Pepper and Fisher are nominated they will help our local ticket next November. Clearfield County has so many more Republican voters than has Centre County that the election of our Republican candidate for State Senator, Mr. Scott, is largely up to Clearfield County. Fisher is strong in Centre County, but he is even stronger in Clearfield. Any Republican sincerely interested in Mr. Scott's election, and who is considering voting for Beidleman, should keep in mind the fact that Fisher is the man who can help Scott next November, and therefore should vote for Fisher on May 18th.

S. WARD GRAMLEY.
Cashier Millheim Banking Company.

I am openly, actively for Pepper for Senator and Fisher for Governor. They appeal to me as being the strongest men we can nominate. I look upon Senator Pepper and Mr. Fisher as representing the policies of President Coolidge and Secretary of the Treasury Mellon. Mr. Fisher's administration as Banking Commissioner merited and commanded universal admiration. He would make an ideal Governor. Sentiment in this section is strongly for Pepper and Fisher.

JAMES R. HUGHES.
Headmaster Bellefonte Academy.

I'm one hundred per cent for Senator Pepper and Mr. Fisher. This is a campaign where I believe it to be the duty of citizens to openly declare where they stand. I consider that I am only doing my duty as a citizen when I say that I am supporting Senator Pepper and Mr. Fisher. I am proud to be classed as among those supporting these two men, whose every qualification gives us confident assurance that Pennsylvania will continue to be brilliantly represented at Washington, and that with Mr. Fisher as our Governor we may look forward to four years of honest, clean, progressive administration of our State affairs. With Pepper and Fisher as our nominees, the Republican party will be on the aggressive, and not on the defensive, and will go forward to triumphant victory next November.

JAMES C. FURST.
Former District Attorney of Centre County.

I want every friend I may have anywhere to know that I am doing everything I possibly can for the Pepper-Fisher ticket. This ticket represents the Coolidge administration, and I am entirely willing to accept and follow the leadership of our splendid President. Senator Pepper exemplifies the very best in the Republican party. The more I have learned to know John S. Fisher the more I have become impressed with the fact that he is the type of man we need at Harrisburg as Governor. With the election of Senator Pepper and Mr. Fisher the Republican party in Pennsylvania will have a safe, permanent leadership. With anything short of this we will have a make-shift leadership of the kind that cannot last.

CHARLES F. COOK.
Bellefonte.

Every Republican voter in Centre County should consider this one point now, rather than after it may be too late. What possible chance will our local ticket have next November if Vare and Beidleman are nominated. We might just as well look this matter squarely in the face now, because we may have to face it after the primaries. If Vare wins, then look out for a revolution at the November election, because the people of Pennsylvania will never stand for Vare, and ours as well as a lot of other local tickets may go down with the avalanche. We are sure to win for every man on our ticket if Pepper and Fisher are nominated. They are men of the highest type. They have the confidence of the people. They will attract strength to our local ticket. It seems to me as simply good, common sense to vote for Pepper and Fisher.

JOHN G. LOVE.
District Attorney of Centre County.
I am for the Pepper-Fisher ticket,

because it represents the Coolidge administration and permanent leadership for the Republican party. Senator Pepper has demonstrated most exceptional ability at Washington. He is entitled to re-election. It is an established custom in the Republican party in our State to re-elect worthy, capable Senators. We know where we stand with the President if we return Mr. Pepper to the Senate. We know that if we elect John S. Fisher as Governor that our administration at Harrisburg will be in line with the Coolidge administration. To my mind this is the best guarantee we could have that when we are voting for Fisher we are voting right. No one can follow two leaderships at one time. I am following the leadership of the President by actively supporting the Pepper-Fisher ticket.

J. WILLIAM WETTER.
Phillipsburg, Pa. Supt. Madeira-Hill Coal Co.

The Pepper-Fisher ticket is my ticket. I'm for it heart and soul. The business interests of the nation need Senator Pepper at Washington. We are solidly back of President Coolidge. In this contest the Pepper-Fisher ticket means the Coolidge administration leadership, and as such it should be supported loyally and unselfishly by all Republicans. John Fisher has been my close, personal friend for years. He is able, clean and honest. He will be one of the best Governors in the history of Pennsylvania. It is the confident hope and prediction of many other personal friends of Mr. Fisher, as well as my own, that Phillipsburg and Rush Township, as well as every other section of Centre County, will return a smashing fine vote for the whole Pepper-Fisher ticket.

MISS A. BLANCHE UNDERWOOD.
Bellefonte, Pa. Executive Director of Woman's Force.

Too much praise cannot be given to the Centre County women who are doing a splendid work for Senator Pepper and Mr. Fisher. It is really remarkable how many women have taken such a deep interest in this campaign, and how largely they are of one mind as to the importance of the issues involved. I find from talking with women from various sections that sentiment is pretty much the same throughout the county. Our women have awakened to the realization that it is up to them to prevent the election of Vare. They are coming to understand that Governor Pinchot cannot be nominated, and that the only way to defeat Vare is by voting for Senator Pepper. This sentiment is growing rapidly. It is my belief that Centre County women will give a wonderfully large vote for Mr. Pepper for Senator and Mr. Fisher for Governor. With these men as our nominees we will have a ticket for which we can work with pride and satisfaction. Our earnest appeal to the women of the county is that they turn out and vote on May 18th for the Pepper-Fisher ticket.

Mrs. MARY A. WAY.
Halfmoon Township, now residing in Bellefonte.

I am asking my friends everywhere to vote for Senator Pepper and Mr. Fisher. I sincerely hope that the women of Centre County will not waste their votes by casting them for Governor Pinchot. Every woman who votes for Mr. Pinchot will actually be helping Vare. Every woman who votes for Senator Pepper will be helping to defeat Vare. I trust that our women will see the matter in this light and take the trouble to go to the polls and vote for Pepper. Mr. Fisher, just as does Senator Pepper, stands for the principles which mean so much to our Christian homes. His record is the best guarantee that he will efficiently and honestly represent us as Governor. I consider it a privilege to vote for men like Senator Pepper and Mr. Fisher.

Mrs. JOHN P. LYON.
Bellefonte, Pa. Active for Governor Pinchot four years ago; now just as earnestly and effectively supporting Senator Pepper.

I am profoundly disappointed in Governor Pinchot, for whom I worked so hard four years ago. In this campaign I am working just as hard, if not more so, to advance the interests of Senator Pepper. I am doing so because I believe it is the very best thing the women can do for Pennsylvania. I want to be proud of my State, and therefore wish to see it ably represented in the United States Senate. It rests largely with the women in the State to determine whether we shall have Senator Pepper or Vare. Our duty is clear. The women's vote should not be divided between Senator Pepper and Governor Pinchot, but should be cast solidly for Senator Pepper to defeat Vare. The time has come when this will be at the primary election on May 18th. Pepper can be nominated; Pinchot cannot, and Vare may be. Every woman should keep that fact in her mind when she goes to the polls.

WORLD'S ONLY FIVE RING CIRCUS IN WILLIAMSPORT.

Rumor Now Confirmed. Biggest Circus, Ringling Bros. and Barnum & Bailey Headed This Way.

Yoo-hoo! Skinnay! Lookit, lookit! World's first and only five ring circus coming this way! A hundred double-length railroad cars loaded with the ten thousand wonders of the Ringling Brothers and Barnum & Bailey Combined Shows that will give performances at Williamsport May, 21.

Never has there been more than three rings in the past. Now the famous brother showmen have fixed it so folks at the ends of the tent can see just as much as those who sit near the middle. Imagine five big circus rings in a row with stages set in between. That means that five companies of performing horses, twenty-four in a group, are presented at one time. The same is true with the elephant actors—five herds all performing stunts at one time.

Big acts are the rule in the great new circus of 1926. Aside from the five troupes of liberty horses, two hundred others, each ridden by an expert in costume execute drills and splendid maneuvers on the mammoth hypodrome track. Thirty additional ones are of the high-school type, while a score of superb thoroughbreds leap hurdles and barriers of record height. The number of trained horses alone carried for this season's program reaches the astounding total of three hundred and fifty.

The equines but share honors in the twenty-two displays. In addition to them are the eight hundred acrobats, bareback champions, gymnasts and high-wire artists. These embrace the world's foremost men and women stars including a host of recently imported foreign features. Some of these number families of nine, eleven and fifteen in an act. A hundred of the world's funniest clowns enliven the more than two hours of circus program. The tournament is the most dazzling yet devised. The menagerie has been increased to more than a thousand rare animals. The tent which houses them is almost as large as the big-top of other seasons. The 1926 main-tent seats over 15,000 people.
