Readjustment of Railroad Rates on Lime Shipments Ordered.

The Public Service Commission last Friday ordered a readjustment of railroad transportation rates on lime shipments from various producing points in Central Pennsylvania to points in the Pittsburgh district and to Sharon and Erie. The railroads affected have been ordered to file a schedule of revised rates on or before August 20th.

The decision was upon a complaint of the Eastern Lime Manufacturers' Traffic Bureau against the Baltimore and Ohio and a score or more of other transportation companies. The complainants are shippers of lime from Bainbridge, Bellefonte, Tyrone Forge, Union Furnace, Williamson, York and other points in the central parts of the State.

The Commission directed that rates from the various points, which are divided into a series of groups, should not exceed a scale varying from thirteen and one-half cents to seventeen and one-half cents to Pittsburgh and points in the Pittsburgh district and should not exceed a scale ranging from fifteen to nineteen cents to Sharon and Erie.

ETTERS.—The passing away of former county superintendent David O. Etters, at his home at State College at 5.45 o'clock on Saturday evening, was a distinct shock to his many friends throughout Centre county, very few of whom had even heard of his illness. The cause of death was given as congestion at the base of the brain.

David Orion Etters was a son of Peter and Elsie Mann Etters and was born in Snow Shoe township December 31, 1855; hence was 70 years, 5 months and 5 days old. His preliminary education was received in the schools of College township and when less than nineteen years old he engaged to teach the school at Peru for the term of 1874-'75. At the completion of the term he took a summer course at the Edinboro State Normal school. During the winter of 1875-'76 he was in charge of a school in Huston township and in the fall of 1876 he entered State College, where he graduated in 1881. He then spent one year in the southwestern part of the State doing work as a civil engineer, but a year later returned to State College as an instructor in mathematics in the preparatory department under Prof. John Heston, at the same time taking a post graduate course. In 1884 he was elected principal of the Bellefonte public schools, a position he filled until 1890, when he was elected county superintendent as successor to D. M. Wolf. He served as county superintendent until October, 1892, when he resigned to become supervising principal of the Bellefonte schools following the death of David M. Lieb. This position he filled most creditably until 1905, when he again became a candidate for county superintendent against C. L. Gramley, was elected, and through successive elections filled the office continuously until his retirement on account of having reached the age limit on May 1st, of this year. All told about half a century of his life had been devoted to educational work, and he put into it at all times the very best he had to give. He was possessed of a most remarkable memory and could give facts and data about any school in the county without referring to his reports.

On his retirement from the office of county superintendent his son William, who is in charge of an automobile supply store in Harrisburg, induced him to go down there and keep his books, and he was there three weeks, returning home the Saturday before Memorial day. On the 31st he had his handbag packed to return to Harrisburg but as he was not feeling well his wife induced him to stay at home and the next day he was compelled to take his bed. Mr. Etters was a member of the Phi Kappa Phi fraternity, the Bellefonte Lodge of Masons, Couderport Consistory and Jaffa Temple Order of the Mystic Shrine, Altoona.

On August 18th, 1885, he married Miss Lillie Curtis Musser, of College township, who survives with the following children: Paul W. Etters, Mrs. Howard D. Davis and David B. Etters, all of Philadelphia; Hugh Etters, of Huntingdon; William Etters, of Harrisburg, and Miss Kathryn, at home. He also leaves one sister, Mrs. Margaret Boyer, of Grand Rapids, Mich., and nine grand-children.

Rev. Donald Carruthers had charge of the funeral services held at his late home at State College at two o'clock on Tuesday afternoon, while interment in the Pine Hall cemetery was in charge of the Masonic fraternity.

A daughter of John and Christine Heise she was born at Keewaydin, Clearfield county, on January 29th, 1856, hence had reached the age of 70 years, 5 months and 6 days. Her early life was spent in that place and it was there she married Mr. Price. From Keewaydin they moved to Burnside township, Centre county, where they lived a number of years, coming to Bellefonte some ten or twelve years ago. Mr. Price died in May, 1924, but surviving her are the following children: Mrs. Martha Kelley, of Cape May; Mrs. Alberta Bucher, of Lock Haven; Frank and Mrs. Jeannette Loy, at home; Mrs. James Dalley, of DuBois, and John L., of Schuylkill Haven. She also leaves eighteen grand-children, one brother and two sisters, Isaiah Heise and Mrs. Anna Cantwell, of Candy, Oregon, and Mrs. Elizabeth Dan, thought to be in California.

She was a member of the Methodist church and Rev. Homer C. Knox had charge of the funeral services which were held on Sunday afternoon, the remains being taken to Keewaydin for burial.

J., on Wednesday of last week, where he had been for several months in the hope that the change might prove beneficial. He was a native of Island Creek, Ohio, and was almost sixty-one years old. He was a graduate of Richmond, Ohio, college and the Princeton Theological Seminary, class of 1889. He was ordained in the ministry shortly after his graduation and his first call was to the Bald Eagle charge. During his three years service on this charge he made his home in Bellefonte. Leaving here he filled charges at Frankfort, Pa., Lamington, N. J., and Jeffersonville, Pa., being called to the pastorate of the Philipsburg church on January 1st, 1920. Big Plant Nursery Being Established on Halfmoon Hill.

Charles Table is a new citizen of Bellefonte, but he is a fast worker just the same. He came here on Sunday from Springfield, Ohio, purchased four acres of ground on Halfmoon hill on Monday morning, was married on Monday afternoon, went to house-keeping the same evening, had two acres of ground ploughed on Tuesday and by Wednesday had a gang of men at work building hot frames for a plant nursery he will start on his newly acquired property, intending eventually to erect large greenhouses on the place.

Mr. Table is a German by birth and has devoted forty years of his life to plant nursery and greenhouse work. The two acres of ground which he will put under cultivation this year will be devoted to growing various flower plants to furnish wholesale to greenhouses this fall for their winter's supply. He will also plant some sweet corn for local markets. Next summer Mr. Table anticipates erecting his own greenhouse and will have it in addition to his plant nursery.

His marriage on Monday was to Mrs. Jennie Brown McEvoy, a sister of T. Clayton Brown, who had been a guest at the Brown home the past two weeks. They at once went to housekeeping in the furnished apartment of Mrs. Sara Satterfield, on the north side of the Brown property.

Bellefonte Lost to Jersey Shore on Saturday.

No ball team can win them all, and there is no reason to feel bad because Bellefonte came out at the tail end of the score in their game with Jersey Shore on Saturday. The score was 6 to 3 but even at that Jersey Shore fans, where the game was played, aver that it was a good contest. Jersey Shore led off with the scoring by getting two runs in the first inning. They also tallied up two more in the third. Bellefonte scored one in the fifth and two in the seventh, but Jersey Shore got one in the sixth and another in the eighth. Bellefonte had nine hits and three errors and Jersey Shore eight hits and three errors.

Mill Hall defeated the Kew-Bees, on Saturday, by the score of 5 to 4 and Williamsport P. R. R. downed Renovo 20 to 5. The standing of the clubs is as follows:

Table with 4 columns: Team, W, L, Pct. Mill Hall 4 1 800, Jersey Shore N. Y. C. 3 1 750, Bellefonte 3 2 600, Williamsport P. R. R. 2 2 500, Kew Bees 2 3 400, Renovo 0 5 000

Boys and Girls Club Activities.

Centre county will be represented by six boys and girls judging teams in the State-wide contest to be held at State College during young farmers week, June 16-19th. One of these teams will represent the Stormstown pig club and will be selected from a preliminary judging contest to be held in that community. This team will be eligible providing it wins first prize to enter the international boys and girls livestock judging contest to be held at Chicago.

Another team made up of the following boys, Milford Hazel, Aaronsburg; Walter Johnson, State College, and David Schenck, Howard, will enter in the club department contest as a county-wide team.

Four teams will be selected from the vocational students in the county and will enter in the vocational contest. The names of the boys making up these teams have not yet been made public, but it is hoped that Centre county will take its share of prizes in this State-wide judging contest and win the privilege of going to Chicago to the international contest this fall.

J. O. Stutsman has resigned as warden at Rockview penitentiary, effective July 1st. He does not intend to leave Bellefonte, however.

Oats is Harvested in Georgia.

Writing from St. Petersburg, Florida, under date of May 30th, Guy L. McIntyre, formerly of Bellefonte, says:

"Evidently Centre county has had a cold spring as you state that beans and lettuce have not yet poked their heads through the ground. About ten days ago I drove through Georgia and in many places found oats already harvested and hay being made. Corn was about ten inches high, peaches almost ripe and water-melons vines already looking interesting."

"I couldn't imagine finer weather than we have had in St. Petersburg for the past four months. Flowers are blooming every where and birds singing and I have seen a thousand varieties that I never knew existed."

Mr. McIntyre has returned to his business in Pittsburgh, where he expects to remain a few months before returning south.

County Sunday School Convention Held at Centre Hall.

A very interesting convention of the Centre county Sabbath school association was held at Centre Hall on Monday and Tuesday of this week. Over sixty delegates, representing most of the Sunday schools in the county, were in attendance. The greater part of Monday afternoon's session was taken up with departmental conferences and an address on "The Bible at Home," by Rev. A. L. Miller.

At the evening session the speakers were B. M. McGarvey, a Sunday school field worker; Rev. J. A. Mills, of Bellefonte, and W. E. Myers, secretary of the State Sabbath School association.

On Tuesday morning the various committees submitted their reports which showed a healthy growth in all divisions of Sunday school work. Miss Margaret Buck discussed the needs of Camp Kanestake, in Huntingdon county, and urged a greater interest therein than has been manifested in the past. Addresses were made by Rev. J. F. Harkins and Messrs. Myers and McGarvey.

In the afternoon the county and district officers held a meeting to discuss the work for the coming year, and at four o'clock the convention adjourned after passing a resolution thanking the people of Centre Hall for their splendid entertainment.
