Keystone Power Corporation Testing Meters. The regular meter testing period of the Keystone Power corporation will be conducted this summer in the territory served by the Bellefonte and State College offices. Every three years the Power company makes a periodical test of all the meters located on the premises of their consumers. The purpose of these tests is to make an inspection of the meters to see that they are in perfect running condition. For the convenience of the company's consumers each meter tester will be equipped with a meterman's badge of the West Penn system. This badge will identify the men conducting the work and will greatly assist the consumers in recognizing them as representatives of the local company. In order that these men may be thoroughly familiar with all the
