

NEWS ABOUT TOWN AND COUNTY.

Up to May 1 there had been 3230 licenses for dogs issued in Centre county.

The small boy with the toy pistol and other fireworks is already in evidence, though the Fourth of July is still ten days away.

Republican county chairman W. I. Fleming has already opened up headquarters and is getting his lieutenants in shape for the fall campaign.

The Dim Lantern, out at Runville, may not be reopened this summer, owing to the stringent help laws now in force, as well as the difficulty in securing the right kind of help.

Users of the Academy tennis courts will please take notice that while Mr. Hughes is glad to have people play on the courts at the athletic field they will not be permitted to play without tennis shoes.

Members of St. John's Catholic church will hold a festival on the church grounds tomorrow (Saturday) evening, beginning at five o'clock. The public is cordially invited and is assured of an abundance of good things to eat.

Public sale of the household goods of the late A. Y. Wagner will be made tomorrow, Saturday afternoon, June 26, starting at one o'clock. The sale will be held at his late home on Willowbank street and those looking for furniture, utensils and what not will find everything in good condition at the Wagner sale.

Federal postoffice inspector H. S. McMinn, of Altoona, was out in the Snow Shoe region on Tuesday making an investigation of the recent robbery of the Clarence postoffice. It is alleged that two Italians are suspected of being implicated in the robbery, though nothing definite has been obtained against them so far.

The Bellefonte Methodist Sunday school will picnic at Hecla park on Thursday, July 1st. The church bell will ring at 8 o'clock a. m., as a signal for gathering at the church, and automobiles and busses will leave promptly at 8:30. An invitation is extended to all friends of the church to join in this summer outing.

At the first meeting of borough council in May the Street committee recommended closing the streets before the month of June so that they would be in shape to stand the summer traffic. It was a very worthy recommendation and one commended generally. But June is almost over and the oil has just arrived, though it was ordered long ago.

Miss Helene C. Williams purchased the Mrs. Harriet Ray Smith property at public sale, on Saturday, and on Monday moved there from the Benner building on High street. Mrs. Williams, who has been quite ill for several weeks, was removed to the new Curtin street home of her daughter on Tuesday from the Mrs. Showers home on Spring street.

Seven automobiles and one horse and buggy were lined up at the opening of the curb market, on Saturday morning. Most of the farmers complained about the backward season which has retarded all kinds of garden truck, so that about the only things in this line offered for sale were new onions, radishes and lettuce. Butter and eggs, old potatoes, a few dressed chickens and quite a quantity of strawberries were among the things in evidence.

Formal re-opening of the Methodist home for the aged at Tyrone was held on Monday, on the sixth anniversary of its dedication. A regular program of services was held at three o'clock at which time Rev. James B. Stein, secretary of the board of philanthropies, submitted a financial report in which he stated that more than \$500,000 had been expended on the two homes in the past six years. Open house was held at the home for three days during which time scores of people visited it on a tour of inspection.

G. E. Ardery, of Huston township, but at one time a mail carrier in Bellefonte, came to Bellefonte late Monday night and swore out a warrant for the arrest of Clyde Wills, who he charged with the theft of an automobile tire. The young man was captured in Tyrone on Tuesday morning and sheriff E. R. Taylor went to that place and brought him to Bellefonte. It is the general belief that Wills' arrest will probably result in clearing up a number of robberies that have occurred in upper Bald Eagle valley during the past several months.

Harry Flack, chairman of the Fire and Police committee of Bellefonte council, and policeman Thomas Howley spent most of Sunday afternoon on south Water street directing automobilists to the new parking ground on the east side of the street. The ground has been put in good condition for parking and convenient driveways cut through the curb at both ends of the ground. While automobilists offer no objection to parking there only a small per cent of them seem to realize that the parking place has been especially provided to relieve the congestion on the street, which is not wide enough for parking and open traffic.

GERMAN CANNON GOES TO ARMORY.

Borough Asked to Build Driveway Around Centre County Hospital.

William H. Brown, manager of the Centre County hospital, appeared before borough council, on Monday evening, and asked that the borough build a driveway around the Centre County hospital as a contribution to that institution. He pointed out the fact that there is in existence an Act of the Legislature which permits counties, cities and boroughs to make contributions to hospitals, although it is a matter entirely within the province of council. He stated that the building is now nearing completion and the ground plans include a driveway around the hospital building. A portion of the driveway will have to be graded but the most of it will be on the old driveway. Mr. Brown said the hospital management was short of money and if council can see its way clear to constructing the driveway it will be a contribution very much appreciated. The matter was referred to the Street committee and borough solicitor for investigation and report.

John Lambert appeared before council and stated that he is building a new house on south Allegheny street, just about one hundred feet from the reservoir, and, though he is outside the borough limits, would like to have both water and sewer extensions. He explained that he was adverse to putting down a cesspool because of the possibility of contaminating Bellefonte's water supply, hence his request for a sewer outlet. This matter was also referred to the Street committee and borough solicitor.

A notice was received from Charles Miller that he had made application for a renewal of his certificate of public convenience to operate a taxi service in Bellefonte and vicinity.

The Street committee reported various repairs on a number of streets. The Water committee reported that a place has been cleaned up for the new board fence at the Phoenix mill property. Also the borough manager's check for \$120.00 for old junk sold and checks from the G. F. Musser Co., for \$125.00 for rent for the Phoenix mill property for the months of April and May. The committee also presented a bill from the G. F. Musser Co. for \$62.14 for plumbing, and asked that it be referred back to the committee and borough manager for investigation.

The Finance committee asked for a new note for \$1,000 to meet current bills, which was authorized.

The Fire and Police committee reported that the new parking place on south Water street had been completed and a policeman was there all day on Sunday to direct motorists where to park. As high as ten cars were parked there at one time and the total during the day was close to one hundred and fifty. A superficial count was made of the persons who visited the big spring during the day and the number was six hundred.

Mr. Cunningham called attention to the fact that the old German cannon, presented to the borough in 1919, occupied a rather dangerous position in the Diamond, and the armory board having expressed a desire to have it placed in front of the armory, he made a motion that it be put in position there, though it still remains the property of the borough. The motion carried.

A resolution was passed accepting the offer of Mr. Landsy for a temporary parking ground on south Water street, and providing that the property be turned back to him upon demand.

The question of the Pike alley sewer was again brought up, and as there seems to be a difference of opinion as to its condition the president instructed the Street committee and borough manager to replace the present terra cotta sewer with iron pipe, and then the borough will have done its part in cleaning up the nuisance complained of.

In the matter of the request of George C. Bingaman for water and sewer extension to a new house he is erecting on east Curtin street, the committees reported progress and the matter was referred back with power. Bills were approved to the amount of \$3,522.86, after which council adjourned.

Jersey Cow Qualifies for Register of Merit.

Prince's Jean of M. B. 515704, a senior three-year-old Jersey cow, owned by the Pennsylvania State College, has completed an official 365-day test in which she produced 589.01 pounds of fat and 12168 pounds of milk. She carried her calf for 180 days of this time. With this record she qualified for the register of merit of the American Jersey Cattle Club. Prince's Jean of M. B. was tested once previously and in that test she produced 540.15 pounds of fat and 11296 pounds of milk qualifying for a silver medal in senior two-year-old form.

At a regular session of naturalization court, on Monday morning, citizenship papers were granted to twenty aliens, two applications were continued and one dismissed. In the latter case the applicant had recently plead guilty to a violation of the liquor laws and he will now have to wait five years before he can again take out naturalization papers.

Logan Fire Company to Picnic at Hecla July 5th.

Members of the Logan fire company are making arrangements for their annual picnic which this year will be held at Hecla park on Monday, July 5th. A good program of sports is being arranged with dancing both afternoon and evening. Band concerts will be held at intervals during the day. As Bellefonte will have no general celebration everybody who can possibly do so should go to Hecla park and spend the day with the firemen. They are entitled to the support of the public generally.

Public Health Association to be Organized in Centre County.

A meeting will be held in the grand jury room in the court house on Tuesday, June 29th, at two o'clock p. m., for the purpose of organizing a county public health association. The meeting will be in charge of Dr. J. L. Seibert, county medical director, and J. L. Tressell, public health officer. Dr. Charles H. Miner, secretary of health; Dr. Edgar S. Everhart, field organizer; and others from the central office at Harrisburg will be present and present the question of co-operation through a health association.

All persons interested in public health are invited to attend this meeting. Public health is purchasable within natural limitations and any community can to a certain extent determine its own death rate.

Penitentiary Gardens are being Replanted.

Last week we mentioned the fact that the gardens at the Rockview penitentiary, which covered about eleven acres of ground, had been almost entirely washed away by the hard rain storms of Monday afternoon and evening. In fact what wasn't washed away was buried in a sea of mud and completely ruined.

As soon as the ground dried sufficiently to permit of working it a large gang of men was put to work, the gardens restored as far as possible and this week are being replanted. As the penitentiary had no plants of its own left over 11,000 tomato plants were purchased in Philipsburg and two consignments of 10,000 each received from New Jersey. With a favorable season these plants will probably come along in time that the ripe tomatoes can be used to feed the new cannery in the fall.

New Tea Room for Milesburg.

Walter A. Hugg and Martha N. Kramer will be the proprietors of a new tea room that will be opened at Monument place, Milesburg, at noon today. In connection with the tea room will be a gas filling station, rest room, etc. Walter Hugg is a son of Mr. and Mrs. Toner A. Hugg and will be recalled as the leading saxophone player in the old Boys' band, of Milesburg. During the past three years he has been a member of John Roman's orchestra, of Reading, which traveled all over the New England States, but tiring of blowing his way through life returned home some weeks ago and has decided to go into business in his home town. Miss Kramer, his partner in the enterprise, is his aunt, a daughter of Mr. and Mrs. Cook Kramer, of Berwick, but formerly of Milesburg, and she is well equipped to carry her end of the undertaking. When the tea room is opened at noon today 400 Esquimaux pies will be given away.

At the Scenic this Friday and Saturday, "Sandy" another big screen hit. 26-1t

State Health Car Coming to Centre County.

The State Department of Health is planning to bring the traveling health and dental car to Centre county during the month of July.

There will be with the health car State doctors, nurses and dental hygienists. Careful and complete examinations will be given to every well baby and little child of pre-school age, free of cost.

Only a complete physical examination will reveal the child's condition. Every child entering school next fall for the first time should have a complete physical examination. It pays to discover defects early and have them corrected.

The invitation is given to every mother in Centre county to take her children to the health car and find out whether or not her child's eyes are right, his nose, throat and ears normal, his heart and lungs sound, his bones and joints as they should be; how fast he should grow and gain; how heavy and tall he should be.

Days will be set apart for the car to be in every district in the county. Watch the papers so that you will know just when and where to go. Every mother is privileged to take her child to the place most convenient for her to reach. Let nothing stand in your way. You owe it to your children. Health is the best legacy you can bestow upon them. This is a big opportunity, do not miss it.

See "Sandy" at the Scenic this Friday and Saturday. It sure is a knockout. 26-1t

Auto Accident on Nittany Valley State Highway.

On Tuesday evening Joseph Parrish took his sister, Miss Mary Parrish, Misses Alice and Anne Fox and Mrs. LeRoy Plumb and two children for a drive down Nittany valley in the new Studebaker car purchased by Dr. Parrish on Saturday. Down at the Earl Yearick farm, about midway between Zion and Hublersburg, Max Perlman, a traveling salesman of New York city, attempted to pass the Parrish car.

He gave the passing signal and Joe gave him the right of way. Thus far all reports of the accident agree. People who happened along right after the accident happened aver that Mr. Perlman pulled back on the road too quickly and caught the Parrish car with the result that his own car was thrown against the bank at the right side of the road and upset. Others allege that when Perlman pulled back onto the highway the rear end of his car skidded and it ran across the highway, hit the bank and upset, and was then run into by the Parrish car.

When the collision occurred Miss Alice Fox fainted but fortunately no one was hurt. Naturally the wreck caused a dispute as to the liability and before either of the cars were moved highway patrolman Millard Solt was summoned to the scene. Just what conclusion he arrived at has not been made public, and will not be pending a settlement of the responsibility. The Parrish car had just been purchased last Saturday and had run less than one hundred miles.

Last Saturday there was a collision between two cars on the Bald Eagle concrete highway up in the vicinity of Fowler. In one of the cars was a man from Syracuse, N. Y., with his wife and child. All three were injured. In fact it was first reported that the man's back was broken but after reports say such is not the case. All three were taken to the Altoona hospital for treatment.

Two young ladies, a Miss Miles and a Miss Miller, are reported as having been killed and three other young people seriously injured in an automobile wreck on the concrete highway over the mountain from Sandy Ridge to Bald Eagle. According to the report six people were in a big Oldsmobile on their way down the mountain when the driver attempted to pass a Ford car ahead of him. In doing so his car skidded and plunged down over the side of the mountain with the above fatal results. The accident happened late Wednesday night.

Intoxicated Driver Gets One Year in County Jail.

At a brief session of court held in the library in the court house, on Saturday morning, B. Frank Clewell, of Port Matilda, plead guilty to driving an automobile while intoxicated and was sentenced to pay the costs and serve one year in the county jail. In August, 1924, Mr. Clewell was brought before the late Judge Henry C. Quigley on a similar charge but the evidence at that time showed that while he was intoxicated he was not driving the car when it was wrecked on the Allegheny mountain. Because of this fact Judge Quigley placed him on parole for a period of one year on condition that he sign a pledge not to take a drink. The fact that this latter case was his second offense had considerable to do in his drawing a jail sentence at this time.

Emilio Scitti, of Buffalo Run valley, plead guilty to manufacturing and possession of moonshine liquor. He told the court that it was his first experience in making moonshine. That he hadn't sold any of it but had made it merely for his own use and had only three and a half jugsful. The court imposed a fine of \$200 and costs, which Scitti promptly paid.

Candidates Primary Expenses in Centre County.

Centre countians did not get a very big slice of the \$195,000 spent by the Pinchot family in the Governor's primary campaign for United States Senator. Former Judge Arthur C. Dale's account shows but \$200 received and only \$151.75 paid out.

Major H. Laird Curtin, who was in charge of the Vore-Beideman campaign, did a little better. He got \$1100 and spent every cent of it, but had no unpaid bills.

Editor Charles E. Dorworth, who was in charge of the Pepper-Fisher campaign, refused to file his account in the office of the clerk of the courts of Centre county, but sent it to Harrisburg, and no statement has been made of how much money was spent here in behalf of the candidates he represented. But it is the general impression that the sum run into the thousands, although at that it would be but a drop in the bucket to the two million and over spent in the entire State.

Summer began on Monday, the longest day of the year, and while the weather is not yet extremely warm it is just right to spend your evenings at the Scenic watching the motion pictures. Every man and woman is entitled to several hours relaxation and entertainment every day, and no place in Bellefonte offers a better class of amusement than the Scenic. All pictures shown there are the best that can be procured, and they're all new and up-to-date. Be a regular and see them all.

Among the Watchman office callers on Monday afternoon was Samuel T. Reel, of Tyrone, who was on his way home from a brief visit among old friends in Centre county, and stopped in to enroll his name as a regular subscriber of the Watchman so that he can keep informed of all that goes on in this section. Mr. Reel is originally from the vicinity of Boalsburg and naturally is interested in the affairs of his old home community.

Mrs. H. B. Mallory, of Altoona, has been in Bellefonte for the past month, visiting with her niece Mrs. Donald Gettig, at the Gettig home on North Thomas street, and with her sister and brother, Mrs. W. C. Coxey and M. R. Johnson and their families. Mrs. Mallory will be in Bellefonte until after the wedding of her niece, Miss Esther Johnson and Ebbert Hollibaugh, which will take place Wednesday, the 30th of June.

James R. Hughes, with his Sunday school class, returned home Saturday night from one of the most delightful experiences the boys have ever had. A thorough sight seeing trip of Washington, D. C., Alexandria, Annapolis and Philadelphia with its Sesqui, filled the trip with historical interest. The only thing to mar their pleasure was Mr. Hughes' illness when at Philadelphia; while alarming, it no doubt would have become serious but for prompt attention and care given him by John Furst and Mr. and Mrs. Walter Furst, who were housing the boys during their stay in the city.

Miss Anna Miller, who is spending the summer with Mrs. R. G. H. Hayes, went to her home at Salona this week, where she will be until July.

Mrs. V. Lorne Hummel, of Philadelphia, and her son Valentine, are in Bellefonte for the summer, called here by the serious illness of Mrs. Hummel's mother, Mrs. George Williams. Mrs. Williams and daughters, Miss Helene and Mrs. Hummel, are now occupying their new home on Curtin street.

Miss Henrietta Sebring and Miss Baynes, of Bryan, Ohio, a medical student at the U. of P., were here from Philadelphia during the week, guests of Miss Sebring's parents, Dr. and Mrs. John Sebring. Having driven up in Miss Sebring's car, they left early yesterday morning for the return trip east.

The Rev. E. E. McKelvey, of Hazleton, former pastor of the local Methodist church, with Mrs. McKelvey and their two daughters, Frances and Rachel, came to Bellefonte Wednesday, remaining for an over night visit. The party was on a drive to Newton Hamilton, where the girls will spend the summer at the Methodist camp. Frances is now a Sophomore at Wilson college.

A motor party, that spent enough time in Bellefonte yesterday to greet a few friends and have a look at the trout, was composed of Mr. and Mrs. Samuel E. Goss, and Dr. and Mrs. H. F. Rentschler, of Reading. They had been visiting Mr. Goss' sister in Altoona and on the return drove down through Pine Grove Mills, State College and here just so the Rentschlers, who had never before visited Centre county, could see what a sacrifice the Goss' made when they moved from here to make their home in Berks.

Bernard McGovern, of Frenchville, is working on an order for twenty live copperhead snakes, which must be from twenty-four to thirty inches in length. The order was received from a resident of Mahaffey and last week McGovern delivered an even dozen of the reptiles. Copperheads are quite plentiful in the vicinity of Frenchville and he anticipates little trouble in filling the order. The average price paid is about three dollars per snake.

"Sandy," the 1926 model hit, at the Scenic this Friday and Saturday.

Just after the noon hour, last Saturday, Miss Ella A. Gates, who makes her home with Mrs. Mary Kane, at Roopsburg, was sitting on the front porch when Mrs. Kane heard her cry out in evident alarm. Going out to see what was wrong she was confronted by a big blacksnake crawling up onto the porch. Mrs. Kane killed the snake, which measured five feet in length. Some days previous she killed a four foot rattler in the field above her house.

William M. Garman, who the past two years has been chief clerk at the Brockerhoff house, is off on a month's vacation and will devote part of his time to pushing the sale of No-Grow-In, his wonderful remedy for ingrown nails, an advertisement of which will be found on page five of this issue of the Watchman.
