

The Brungart "Freundschaft" Reunion a Decided Success.

The Brungart Freundschaft reunion, held at Grange park, Centre Hall, last Saturday, was a success despite the dampening influence of Jupiter Pluvius. Two hundred and twelve people were present, quite a number from distant places.

The Freundschaft Fersommeling was an interesting and entertaining feature, with reports from the historian, Miss Vera Brungart, at Washington, D. C., and the genealogist, Jasper R. Brungart, of Rebersburg. There was also an address by Hon. B. Morris Strauss, of Reading, a former member of the Legislature, who represented the Zeller family at the reunion, and on which family connection his talk was based. He quoted Henry Harbaugh D. D., who wrote, "We are among those who believe that any who care not about their earthly origin, care little as to anything higher." A short address was made by Mrs. Catherine B. Gutelius, of New York city, encouraging preservation of family records.

The date for the next reunion remains fixed—the third Saturday in August, but the place was left to the selection of the executive committee with many favoring Nittany valley.

Officers elected were as follows: President and genealogist, J. R. Brungart, Rebersburg; historian, Miss Vera Catherine Brungart, Washington, D. C.; vice presidents, W. Harrison Walker, Bellefonte; Dr. G. S. Frank and J. C. Hosterman, Millheim; John Wert, Tusseyville; Adam Heckman, Lamar; Noah Kreamer, Loganton; Allen McKibben and Luther Brungart, Loganton; treasurer, C. M. Bierly, Rebersburg; secretary, Dr. Fred Gutelius, Millheim.

Good Citizens.

Crime waves are with us. Our papers are full of murder and gunmen. And who are they? Largely young fellows.

There is much talk about causes and remedies but fundamentally it's lack of character, due to wrong environment, little home training and scant appreciation of right or wrong.

Start boys right, give them the proper perspective of life, show them their responsibility to society and give them an outlet for excess steam and you will stop criminal tendencies at the source.

The Young Men's Christian association is making a heroic effort to reach many more boys. It has tried and tested programs—developed out of many years' experience—appeal to boys of every type, under many conditions. Boys like it, enter into it, and grow into sturdy manhood through it.

This program is comparatively inexpensive. Our public schools average over \$65 per pupil per year. The Young Men's Christian association program, the country over, costs about \$12 per boy, and the boys put in part of this.

Because many boys or their parents are needy, and cannot afford to pay all costs, the work requires funds.

Such work needs your support both moral and financial. It requires men as well as money. It is much less expensive than courts or reformatories.

May we count on you to help to just as great an extent as possible?

With your support we can take our boys off the front page of yellow journals and put them in the blue book of good citizens.

Centre county's National Guard contingents—Troop A, of Boalsburg; Troop B and the headquarters troop, of Bellefonte, will return tomorrow from their fifteen days annual encampment at Mt. Gretna.

The Need for Glasses

is created by many different causes: Long-continued over-exertion which sets up strain; lack of normality in the eyes dating from birth; natural deterioration of normal powers brought about by age. Whatever the cause of Poor Vision, the priceless power of Good Vision is recognized, and the necessity for proper care is clearly important. Lenses made and fitted after a careful examination correct the eye-errors and make vision clearer and more comfortable. Moreover, the relief afforded and the more normal functioning permitted, conserves the natural powers, and in case of children, many times, permits the eyes to overcome the weakness. Considering the value of good vision, prudence recommends regular eye examinations.

We Devote Ourselves Exclusively to Examining Eyes and Prescribing Lenses for the Correction of Defective Vision.

Big Company Helps Local Merchants Keep Business at Home.

How one of the largest manufacturing concerns in the country co-operates with their dealers to keep local business in the hands of local concerns, was interestingly brought out in a talk with one of our leading tire merchants last week.

The company to which he pointed particularly for its work in this direction is the United States Rubber Company, which has perhaps gone further along these lines than any other tire concern.

There are several reasons, aside from the very good point of keeping home money at home, why our own local tire stores are the logical place to buy tires rather than the mail order houses.

Tires need looking after by an experienced tire man. He must have a well equipped and well stocked shop and be able to tell whether a tire is doing its work properly, and if not, why not.

For instance, an expert tire man can tell whether tires are wearing unduly because of the wheels being out of alignment and can correct the trouble in time.

If improperly equalized brakes are causing tire wear, the tire man can tell that and warn the owner.

This sort of service you cannot expect when you buy tires from mail order houses.

The United States Tire Company started eleven years ago to educate people to their interest in supporting the legitimate home town tire dealer. In addition to running its own educational campaign in local papers without interruption for eleven consecutive years, the Company encourages the dealer to supplement it with advertising of his own and helps him do it. Under certain conditions it even shares the expense of the dealer's own advertising.

Recent improvements in production methods now enable the United States Rubber Company to market, through the local dealers, tires of known quality, bearing the Company's full warranty, for as little money or even less than the cost of nameless mail order tires of uncertain value.

—One of the largest funerals held in this section for some time was that of John Daley Justice, on Sunday afternoon. Services were held at the home of his father, Lowery Justice, at Coleville, at 2:30 o'clock in the afternoon, by Rev. J. A. Mills, of the United Brethren church. Mr. Justice had for years been one of the most faithful members of the Logan fire company and most of the members, as well as many Undines attended. Burial was made in the Meyers' cemetery, in Buffalo Run valley.

—Mrs. J. Will Conley is offering her home on Logan street for rent for the winter. The house is in an exceptionally good condition, well furnished and with all modern conveniences. Those wanting a furnished house could not find one more comfortable or desirable than that of Mrs. Conley.

Great Drivers Entered for The Altoona Races.

Peter DePaolo, title holder of the 1925 championship season, will again be seen in action on the Altoona speedway on Labor day, when he will wage a speed battle against Harry Hartz, in a final chapter of a competitive schedule of racing.

That Hartz has been leading all drivers carrying A. A. A., registration cards thus far this year, necessitates DePaolo's second place standing being well guarded. Should Pete entertain hope of retaining the coveted crown for another year, he must put forth every bit of motor energy his famous No. 1 steel chariot possesses.

During recent competition, Pete was confronted with a foreign proposal, asking for his participation in the Italian Grand Prix to be held at the famous Monza course during September. A flattering guarantee was offered. Italian influence from various sources was exerted, but a definite decision was forthcoming. The directorate of the Sunny Italy national event also invited McDonough, of the Milton team, and Pete Kreiss, of the "Four Horsemen," a recently inaugurated group, piloting only front-wheel drives. Due to the presence of Premier Mussolini being assured at the Grand Prix, the intrepid little Italian-American race pilot particularly received indirect encouragement to accept the foreign offer. The matter rested in the balance for a time. Meanwhile in racing circles, much comment was heard. The contest board in an official document, petitioned all American pilots to complete the 1926 program of racing.

Pledge to the Public on Used Car Sales

1-- All used cars offered to the public shall be honestly represented.

If a car is suitable only for a mechanic who can rebuild it, or for some one who expects only a few months' rough usage on a camping trip, it must be sold on that basis. Each car must be sold for just what it is.

2-- All Studebaker automobiles which are sold as CERTIFIED CARS have been properly reconditioned, and carry a 30-day guarantee for replacement of defective parts and free service on adjustments.

This is possible because tremendous reserve mileage has been built into every Studebaker, which it is impossible to exhaust in years.

3-- Every used car is conspicuously marked with its price in plain figures, and that price, just as the price of our new cars, is rigidly maintained.

The public can deal in confidence and safety only with the dealer whose policy is "one price only—the same price to all." For, to sell cars on this basis, every one of them must be honestly priced to begin with.

4-- Every purchaser of a used car may drive it for five days, then, if not satisfied for any reason, turn it back and apply the money paid as a credit on the purchase of any other car in stock, new or used.

It is assumed, of course, that the car has not been smashed up by collision or other accident in the meantime.

We stay in business and succeed because it is our policy to make every sale make a friend—on used cars as on new. That is why we offer a five days trial on every used car that leaves our floor. Investigate these values:

- 1 Studebaker Special Roadster
- 1 " Special Touring
- 1 " Big Six Coupe
- 1 Jewett 4--Passenger Coupe
