**SLEEPLESS NIGHTS**

Often Caused by Bladder Weakness. It's Nature's Signal of "Danger Ahead". A. C. Eckhart, 3917 St. Clair St., Cleveland, O. says, "After taking Lithiated Buchu tablets one week, the burning and smarting let me, and with no desire to get up at night. You should get the credit as I had tried many things. I will be glad to write my experience to any one. Lithiated Buchu cleanses the bladder as epsom salts do the bowels, driving out deposits, neutralizes excess acids, thereby relieving irritation that causes getting up at night. The tablets cost 2 cents each at all drug stores. Keller Laboratory, Mechanicsburg, Ohio.

**Overdoing?**

Hurry, Worry and Overwork Bring Heavy Strain.

MODERN life throws a heavy burden on our bodily machinery. The eliminative organs, especially the kidneys, are apt to become sluggish. Retention of excess uric acid and other poisonous waste often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning perfectly is often shown by burning or scanty passage of secretions. More and more people are learning to assist their kidneys by the occasional use of Doan's Pills—a stimulant diuretic. Ask your neighbor!
