Diphtheria Campaign for Centre County.

Definite plans have been made to protect the children of Centre county against diphtheria. The treatment consists of an injection of toxin-antitoxin once a week for three weeks. It has no harmful effects and is certain to prevent the disease. The earlier the treatment is given after a child reaches the age of six months the better.

Parental consent slips must be signed for each child in the family by either one of the parents. No boy or girl will be given treatment without the signed slips. Signed slips for Bellefonte, Axe Man and Pleasant Gap must be in the hands of teachers, nurses or lay committee not later than November 4th.

Great Years in the Nation's History.

Interesting things have happened in 1929. Commander Byrd in a Fokker airplane, circled the North Pole. Photographs taken in Europe were transmitted on radio waves to America, and published in newspapers a few hours later. Gertrude Ederle, daughter of a New York butcher, swam the English Channel one hour faster than any of the five men who had swum it before her.

Is anything interesting going to happen in 1927?

For one thing, the Youth's Companion on April 16, will celebrate its HUNDRETH BIRTHDAY. During 1927, the Companion will continue more interesting reading than ever before in its century of successful life. Consider what you will get for \$2.00:

Whether you be Man or Woman—Farmer, Business Man, Laborer or Professional Man—your Interests are Mutual in Selecting your State Senator.

You want your District to be represented in the State Senate—represented in the sense that you have a man there who will be recognized by the State government.

You have had plenty of evidence of the futility and hopelessness of sending a Democratic State Senator to a Republican State Senate working under a Republican Governor.

You want results, not speeches.

You want something from the State Government. You have seen the result of having sent a man to Harrisburg who is entirely out of harmony and out of step.

You want your State Senator to sit up front with the men who plan and direct and execute, instead of sitting back with the mere handful of Democratic State Senators, sent there by other erring Districts like our own four years ago.

The fallacy of sending a Democrat to the State Senate does not lie in the fact of his being a Democrat, or in his believing in Democratic policies, but in the fact that he is out of place as a result-getter in a Senate eighty-five per cent. Republican.

Vote for Harry B. Scott next Tuesday. Let this District have Real Representation
