The Water committee reported some minor repairs at the Phoenix pumping station and the collection of \$6.00 on the 1923 water duplicate, \$37.25 on the 1924 duplicate and \$888.19 on the 1925, a total of 931.44.

The committee presented a written request of G. Edward Haupt for an adjustment of water rates on several buildings he owns on north Thomas street, and the matter was referred back to the committee.

The Finance committee reported that the borough treasurer had paid off six thousand dollars in floating notes and had a balance on hand of \$4,591. He also asked for the renewal of notes for \$18,000 and \$7,000, which was authorized.

The Fire and Police committee reported receipt of a check for \$100 from the Rebersburg water company as a voluntary contribution for the services of the Undine fire company at the fire in that village on October 15th. Two-thirds of the money will go into the borough treasury and one-third to the fire company.

The Sanitary committee reported that one more resident of Pine street had tapped the sanitary sewer put down on Stony Batter.

Regarding the request of C. F. Tate for sewer connection to the apartment he is constructing over his garage on Pike alley, Mr. Brouse, chairman of the Street committee, recommended that the borough extend the sewer on Spring street from a point above the Centre County bank building to Pike alley, a distance of 184 feet, and Mr. Tate will put down the sewer on Pike alley, a distance of 65 feet, at his own expense. The committee was authorized to have the work done.

Mr. Brouse stated that Charles Schad would like to have a pavement put down along the east side of north Allegheny street from Curtin street to Beaver street, and the matter was referred to the Street committee.

Borough manager James D. Seibert informed council that an extension should be made to the culvert under the new extension of north Water street, and that a sanitary sewer should be laid at the same time. The matter was referred to the Street committee and borough manager.

Bills to the amount of \$1742.56 were approved for payment, after which council adjourned.

Bellefonte High School Triumphs Over Jersey Shore.

The Bellefonte High school football team journeyed to Jersey Shore, last Friday, and although they were outweighed ten to fifteen pounds to the man they brought home another slab of bacon, winning the game by the score of 16 to 6. While they chalked up another victory their goal line was crossed for the first time this year. Jersey Shore put up a stubborn game and Bellefonte's first score was made in the initial period when Garbrick kicked a field goal. In the second quarter Katz made an end run for 22 yards, the longest of the game, and Heverly crashed through the line for the first touchdown. In the third quarter Bellefonte made its second touchdown through a series of hard line plunges. The touchdown made by Jersey Shore was in the fourth period and was the result of a completed pass and an end run. Bellefonte made 10 first downs and lost 40 yards through penalties. Jersey Shore had 4 first downs and lost 45 yards through penalties.

Tomorrow the Bellefonte High will play the Tyrone High at Tyrone, which will probably be one of the hardest games of the season.

BELLEFONTE ACADEMY DEFEATS BUCKNELL FRESHMEN.

Among the injured men who could not even start the game were Capt. Hood and Kozicki. Williams, another star player, was in the game for only a short time, so that a number of second string men assisted materially in the Academy's victory.

PENN STATE WINS 20 TO 12.

Up on Beaver field, State College, the Penn State eleven managed to defeat the Washington University team by the score of 20 to 12. This is one of the games the Penn State routers would like to see won, and a large number of the student body will go down to see the battle. The Penn State cadet band will also go to Philadelphia for the game.

The Millionaire's Secret.

To be a millionaire, a man must not only get rich; he must be able to stay rich. A certain well-known millionaire, when asked how he stayed rich, said: "I invest money only in sound, established companies."

That man has learned a valuable secret. But a man's money, however much he has, is never worth so much to him as his mind, his intelligence.

Has it ever occurred to you that you should invest your intelligence just as carefully as you invest your money?

Why not invest your intelligence in a sound company by subscribing to the Youth's Companion? It is the oldest magazine for young people in the world—and nearly the oldest of all the American magazines. It is also one of the most interesting. Practically every famous author of the past hundred years has written at one time or another for the Companion. Only this fall, for example, the Companion published a new story by Jack London. Do you like stories of adventure? Mystery? They are all in the Youth's Companion.

Here are the terms of an investment guaranteed to be profitable:

- 1. The Youth's Companion—52 issues in 1927, and
2. The remaining issues of 1926.
All for only \$2.

3. Or include McCall's Magazine, the monthly authority on fashions. Both publications, only \$2.50.

We Called Their Bluff.

Yeager's Tiny Boot Shop advertised in this paper that they can sell shoes and heavy rubber foot wear equal in quality and cheaper in price than any Shoe Store or Mail Order House in United States. We were challenged by some skeptical persons who doubted our advertisement and we proved to them our assertions by producing the shoes at the prices from the so called cheapest Mail Order catalogue. These skeptical persons were convinced that which we advertised was true and they purchased from us and not the Mail Order House.

Our prices are made possible by the fact that we are selling shoes from a hole in the wall and our daily expense is only 63c which is less than twenty dollars a month, and this is not much more than the cost of operating a large shoe store for one day. You the shoe purchaser must pay the operating expense of any store, but not at Yeager's.

PLEASE NOTICE.—Yeager's Tiny Boot Shop is located off the Diamond in Bellefonte between Bezers Meat Market and the Richelieu Theater. The public are creatures of habit and we have been told many of our customers that when they read the advertisements of Yeager's Tiny Boot Shop they thought it was still at the old Yeagers Shoe Store room in the Bush Arcade building. We wish to inform our customers that there is an other store located in the old Yeager Shoe Store room but it is not in any way connected with Yeagers Tiny Boot Shop up at the top of the street.
