—John McCoy has completed the installation of a new wheel at his hydro-electric plant below town. It is a smaller wheel than the one it replaced and of the same design as the old one, but it is hoped will consume so much less water that it can be operated continuously. The larger wheel drew the head down so fast that it could be operated only about fourteen hours a day.

Two Deaths in One Family Within Ten Days.

The sudden and unexpected death of Miss Katherine Gummo, at Rib Lake, Wis., on Sunday night, was quite a shock to her relatives and many friends in Centre county. Miss Gummo, who of late had been making her home with her sister, Mrs. Elizabeth Dunlap, at Pine Grove Mills, left Bellefonte early in October for Rib Lake to assist in caring for her brother, Charles Gummo, who was suffering with a serious attack of pneumonia. Mr. Gummo passed away on October 29th and Miss Gummo became ill herself with the same disease. On Sunday her sister at Pine Grove Mills was apprised of her serious condition and Mrs. Dunlap's daughter, Miss Leah Dunlap, a trained nurse in Philadelphia, was making arrangements to leave for Rib Lake on Monday to help care for her aunt, when word was received of her death, just ten days after the passing of her brother.

Both Charles and Katherine Gummo were children of Charles and Frederica Barthe Gummo and were born in Buffalo Run valley, the former over seventy years ago and Miss Katherine on July 4th, 1859. Mr. Gummo married a Miss Purdie, of Benner township, and many years ago went west and located in Wisconsin. He is survived by his wife and several children. Burial was made at Rib Lake.

Katherine spent her childhood on the home farm but when she grew to young womanhood came to Bellefonte and lived here a number of years. Later she went to Wisconsin, then to Minnesota and finally New York. She then made a trip abroad to visit relatives of her father and mother but returned and spent ten years in California. At the solicitation of her aunt, Miss Christiana Barthe, she went to Germany in 1903. Her aunt died early during the world war but it was not until 1923 that Miss Gummo was able to leave Germany and return to her native country. Since that time she had been making her home with her sister, Mrs. Elizabeth Dunlap, at Pine Grove Mills.

She was a member of the Methodist church all her life, a conscientious christian woman, who had the love and esteem of a wide circle of friends, all of whom will deplore her passing away. The surviving sisters and brothers of both Mr. and Miss Gummo are Mrs. Dunlap, of Pine Grove Mills; David Gummo, of State College; John, David Gummo, of State College; John, of Fairbrook; George, of Stormtown, and William, in Wisconsin.

The body arrived here Wednesday evening and was taken directly to the Dunlap home at Pine Grove Mills and interment will be made in the cemetery at that place this afternoon at 2.30 o'clock.

"Cheer Up" at the Richelieu Theatre November 18 and 19.

"Cheer Up" is the name of a musical revue that will be given at the Richelieu theatre November 18th and 19th, under the auspices of the Bellefonte Kiwanis club for the cause of the underprivileged child. The cast will be made up entirely of Bellefonte people, the principal characters to be taken by Mrs. Robert Walker, Miss Celia Moerschbacher, Miss Lucile Smith and Donald Conrad, Miss Marie Martin and Irvin Martin, Russell Blair, Richard Noll, Cecil Walker and Nevin Noll.

There are five acts in "Cheer Up," the first being a "kiddies minstrel," in which will appear sixty children, from 6 to 12 years of age. They will entertain with minstrel jokes, black face chatter, songs and dances, and as a special feature a Charleston chorus of little tots.

The second act is a typical carnival scene, with booths, side show, etc. A big dance contest will also take place in this act.

Act three represents an old-fashioned garden, with prim spinsters and blushing maidens doing the dainty dances in grandmother frocks and hoopskirts.

Act four portrays a cabaret scene in New York, with beautiful women, songs and dances. A feature of this act will be the big double chorus composed of high school couples and cabaret couples, something worth seeing.

The fifth and closing act shows beautiful girls on huge electric lighted seesaws, something never before shown in a home talent production in Bellefonte.

Now that you have read what "Cheer Up" will be like make your plans to be there and help the good cause.

—A corps of State highway engineers have been engaged the past week in making a new survey of the road between Bellefonte and State College, particularly in the vicinity of Pleasant Gap and Lemont. While it has not yet been definitely decided upon the department is considering a big cut off at each of the towns. That at Pleasant Gap to start at the fish hatchery and cut through to the main highway near the Whiterock siding. At Lemont the plans are to switch off this side of Lemont where the road runs in to Houserville and cut across in almost a direct line to the old Centre Furnace. These changes would not only shorten the road but would get rid of two or more dangerous curves and eliminate the danger to school children and others in the towns of Pleasant Gap and Lemont.

Two Boys Arrested for Stealing Automobile.

Albert Hyde and Clayton Root, two boys 15 and 16 years old, of Rochester, N. Y., were arrested at the state highway, near Hecla park, at noon last Saturday, by chief of police Dukeman, who proved to be automobile thieves. The boys were caught in the act of trying to steal gasoline from the car of Joe Bazine, who lives down near the overhead crossing of the old Central Railroad of Pennsylvania. Chief of police Dukeman was notified and jumping in his car drove down the state highway and discovered an abandoned Ford roadster standing at the Bazine place but the boys had disappeared.

On being informed that they had started walking down the highway he started after them but did not overtake them until he reached the road going into Hecla park. When he stopped the lads they at first denied any knowledge of the stolen car but Mr. Dukeman told them to get in his car and he took them back to the abandoned Ford where they finally confessed to having stolen it. In the car were two extra tires, two tool kits, two suit cases with the boys clothing, and a five gallon can about half full of oil. On communicating with the Rochester police Mr. Dukeman learned that the car had been stolen on October 27th, and the boys had been on the road since that date.

Owing to the tender age of the boys they were not held in the Centre county jail but placed in the borough lock-up to await the arrival of officers from Rochester, N. Y., on Tuesday.

—Upwards of one hundred Bellefonte young men and women, boys and girls, will take part in the big musical revue, "Cheer Up," at the Richelieu November 18 and 19. Don't fail to see it. 45-1t

Philipsburg Sportsmen Dam the Moshannon.

Several months ago members of the Centre Game, Fish and Forestry association, of Philipsburg, said "dam the Moshannon," and lo and behold, it is now dammed. The above association is one of the most active in Centre county in the propagation and protection of fish, game and forests. Most of the members love to hunt and fish. A wide range of the Alleghenies furnishes a big field for hunting but their fishing reservations were poor, which led to the movement to erect a fish dam on the Black Moshannon west of Beaver Mills.

The work is now completed and they have a dam about four hundred feet in width, twelve feet deep and over a mile in length. Work on the dam was started August 3rd and it was completed October 23rd. The breast of the dam consists of 245 feet of masonry, 150 feet of which is from twelve to fourteen feet high, four feet thick at the bottom and two feet at the top. A fishway was built in the dam thirty feet long and seventeen feet wide with a solid cement bottom. The spillway is twenty-two feet wide and reinforced with stone. The total cost of the dam was \$1,957.69, but much of the labor was performed by members of the association for nothing.

All the association needs now is to get the dam filled with trout and then they can fish to their heart's content.

Money Refunded to Baseball Teams.

The managers of each of the six teams which composed the Susquehanna baseball league have received from the league treasurer a check for \$88 refund on the \$100 forfeit deposited at the beginning of the season, which is really something rarely heard of in amateur baseball. Ordinarily the league management and every club is so deep in the hole that it is a problem how they are going to get out, and the return of forfeit money is almost an unheard of proceeding.

Inasmuch as the championship of the league was never determined it has been decided to hold the twelve gold baseballs purchased as souvenirs until next season, when the league will probably be increased to eight teams instead of six. Every town represented in the summer got considerable sport out of the game, and the different managements are looking forward to greater interest next year.

—Among the successful candidates in Blair county, at the election last week, was Samuel Gray Hartsock, of Eldorado, who was elected to the Legislature. Mr. Hartsock is a native of Centre county, having been born and raised in Buffalo Run valley. While he is a Republican in politics, and naturally not in accord with our political doctrines, he is an honest and conscientious gentleman and will no doubt make an able representative.

—Tomorrow will be Pennsylvania day at State College and one of the attractions will be the football game with Bucknell. This will be State's last game before meeting Pitt on Thanksgiving day.

Bellefonte Academy Trowned Cathedral Prep, at Erie.

The Bellefonte Academy football team won a notable victory, last Saturday, when they defeated the Cathedral Prep team, of Erie, 42 to 0. Cathedral Prep is a school of about the same rating as the Academy and its players are all ex-High school stars. At the opening of Saturday's game the Prep boys started like a whirlwind, making a ten yard run around end and several other substantial gains. Then they attempted a forward pass but Wilson intercepted the ball and ran sixty yards through the entire Prep team for a touchdown. Duch Waite, the former Bellefonte High school star, played a wonderful game for the Academy and assisted materially in piling up the score. Capt. Hood had so far recovered from his recent injuries that he was able to play in the first and fourth periods. While the first Academy team was winning its victory at Erie the second team went to Bellwood and trimmed the Bellwood Tigers 51 to 0.

Today the Academy will journey to Morgantown, W. Va., where tomorrow they will play the West Virginia University freshmen. On November 20th the Academy will play the Pitt Freshmen at Lock Haven. This will be a hot contest as neither team has been beaten this year. For the benefit of Bellefonters who desire to see the game a block of 245 tickets is now on sale at Zeller's drug store and anyone intending going down should get their ticket at once, as all unsold ones must be returned.

The Academy's Thanksgiving day game will be with an independent team, at Scranton, on Saturday, November 27th, they will play Dean Academy, of Massachusetts, at Williamsport.

Since the beginning of the 1924 season the Academy has lost but one game and that to the Syracuse Freshmen last year, when the score was 6 to 0 in favor of Syracuse. In only five games has the Academy's goal line been crossed for a total of 32 points while the Academy has scored the unprecedented total of 1070 points, a record that overshadows that of any other team in the United States.

PENN STATE LOSSES BY ONE FIELD GOAL.

One field goal, or the small margin of three points, was Penn's victory over the Penn State football team, at Philadelphia, on Saturday. It was a small score but enough to win. State was at one time within six feet of Penn's goal line but the Quakers stiffened and the Nittany lions could not develop the necessary punch to put the ball over. The State payers, however, showed better form than in any previous game this season, and the blue and white's supporters are hoping that the improvement will continue until she meets Pitt on Thanksgiving day.

BELLEFONTE HIGH AND TYRONE FAIL TO SCORE.

Many Bellefonte football fans motored to Tyrone, on Saturday, to witness the game between the Bellefonte High school eleven and Tyrone High. Neither team was able to score, although Bellefonte probably had the edge on the Tyrone boys and on several occasions were within the shadows of Tyrone's goal posts but fell down at the crucial moment. Heverly and Miller were the best ground gainers for Bellefonte while LaPorte started for Tyrone. Bellefonte made ten first downs during the game to five for Tyrone. Bellefonte tried a number of forward passes, only one of which was completed.

Small Game Season will Close Tomorrow.

The small game season, with the exception of rabbits, will close tomorrow (Saturday), rabbits continuing legal game until November 30th. While there has not been an overabundance of squirrels and pheasants bagged by Centre county hunters, the total has been greater than for several years and bears out the pre-season's prediction that small game is becoming more plentiful. Rabbits are said to be quite numerous and many of them will probably be bagged before the season for killing them closes.

The open season for bear came in on Wednesday and while the country is not overrun with this kind of game there are quite a number of them in the mountains of Centre county but hunting for them will be better sport later in the season.

Conditions in Armenia Described as Staggering.

Near East relief asks for \$300,000 to care for the orphans already in their charge and for hospitals, blankets and erection of shelter for the sufferers in the cities and villages. Further cables from parts of Armenia devastated by earthquakes say the need is utterly staggering. They must have blankets at once, more hospitalization and more shelter. Light shocks continue and rain and snow now falling, with weather much colder. An appeal is being made to the people of Centre county to help. Send money, small or large amounts, to Charles M. McCurdy, Bellefonte, county treasurer.

—The Bellefonte Lodge of Elks will hold their annual memorial services for deceased members on Sunday, December 5th. Rev. Robert Thana, of the Bellefonte Reformed church, will be the orator of the day.

Keller—Buoymaster.—Edward L. Keller, an instructor at State College, and Miss Dessa B. Buoymaster, a stenographer in one of the departments at the College, were married at the parsonage of the Lutheran church, in Hollidaysburg, on Monday evening, by the pastor, Rev. M. Stanley Kemp.

The bridegroom is a native of Harrisburg while the bride's home is in Hollidaysburg. The young couple will take up their residence at State College.

—By order of the Clinton county court 200 gallons of whiskey that had been confiscated and cached in the jail at Lock Haven was given to the Centre county hospital. On Monday president Geo. H. Hazel and manager Wm. H. Brown went down to Lock Haven with a truck and brought the liquor to this place. The return trip was guarded by Sheriff Hanna, of Clinton county, and a State policeman. The liquor is said to be of good quality and is valued at \$2,000.

—Joseph Kadish and Kate Kadish, his wife, of Mulligan Hollow, Rush township, are under one thousand dollars bond for their appearance before the November term of court in Bellefonte to answer to the charge of manufacturing and selling intoxicating liquor. When their home was raided last week officers found a ten gallon copper still, a half-gallon jug full of moonshine, another half-gallon jug partly filled and a two gallon jug partly filled, as well as eighty gallons of mash.

—The splendid programs of motion pictures are attracting good crowds at the Scenic every evening in the week. Bellefonters are there because they know it is the one place where they will always see worthwhile pictures, while visitors in town always follow the crowd and that is the reason of the Scenic's popularity. When in doubt as to where to spend your evenings always choose the Scenic and you're sure of several hours of good entertainment.

—Yesterday was the coldest morning of the season, so far, thermometers in Bellefonte being down to twenty degrees above zero. We probably got the tail end of the blizzard which swept over the western States early in the week, when considerable snow fell in some places.

—Anyone wanting good eats for Sunday—homemade bread, pies, cakes, etc., are reminded that the Ladies Auxiliary of the American Legion will furnish it at their food sale, at Zeller's drug store, tomorrow (Saturday) from 10 a. m. until 4 p. m.
