**Silverware Stolen at State College Recovered in Pittsburgh.**

With the arrest of two men in Pittsburgh, last Friday night, silverware valued at more than three thousand dollars, alleged to have been stolen from the Henszey hospice, at State College last Wednesday night, has been recovered. The men arrested are Edward Bleich, aged 24 years, and Joseph Purnick, aged 20. Police chief Yougel went to Pittsburgh and identified the silverware as that stolen at the College and also identified Bleich as having lived at the College several months ago.

The arrest of the two men was more of an accident than design. Pittsburgh police were notified on Friday that somebody was frequenting one of the cottages at Camp Girl Shy. They went to investigate and were amazed at finding the stolen silverware stored in the cottage. The police hid in the cottage and during the night three young men came in. Bleich and Purnick were captured but the other man escaped. The young men also had two automobiles that police believe have been stolen but they have not yet located the owners.

**THE SEASON'S RECORD.**

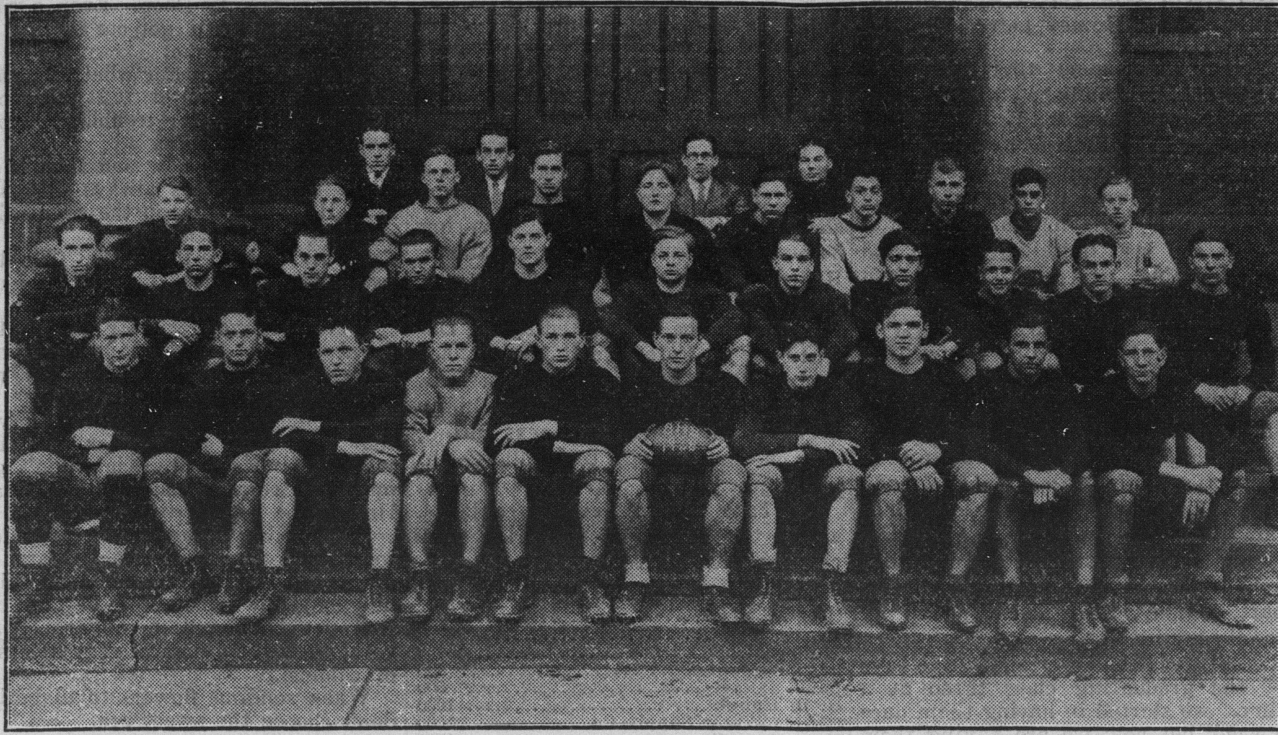

During the season Belleville High has played nine games, winning 8 of them, losing none and being held by Tyrone High to a scoreless tie. They have scored a total of 243 points to 13 for their opponents.

Much of the credit for the above record is due to the wonderful coaching of the athletic director, J. R. Riden, and the loyal support given the team by the entire faculty and school. They stood back of them at all times and gave the boys every encouragement possible. But the splendid success of the season was not achieved by the above alone. The indomitable will and fighting spirit of the players themselves is what counted in their successive string of victories. Capt. Heverly proved himself an able leader and fighter. He was in every play from the start to the finish of the game and was loyally backed up by every man on the team. It was not only an aggregation of individual stars, but superb team work that enabled them to win so consistently. Every loyal Belleviller has good reason to be elated over the team's success, and more than all in the gentlemanly way in which they played the game at all times.

The record for the season stands as follows:

Belleville 31	Snow Shoe	0
Belleville 27	Altoona	0
Belleville 68	Mc. Union	0
Belleville 46	Catholic High, Altoona	0
Belleville 18	Jersey Shore	0
Belleville 0	Tyrone	0
Belleville 13	Huntingdon	7
Belleville 35	Juniata	0
Belleville 7	Lock Haven	0

**Before a Great Crowd in Lock Haven Our Grid Warriors Win Last Game of the Season Fight Gloriously for 7 to 0 Victory**

Headed by Kiwanis, with Wetzler's band of Milesburg and the Odd Fellows band of Belleville, a thousand or more local rooters took the highway to Lock Haven yesterday afternoon to cheer the undefeated High school football gladiators of Belleville. The boys must have been greatly inspired for they played wonderful football and were up on their toes from the starter's whistle until time was called at the end of the grueling game.

Their victory was well earned, for Lock Haven was a worthy foe. Last year it was the champion High school team of the east and many of the stars of last year's victories were in the lineup yesterday.

The day was slightly overcast and snappy, ideal football weather, and the fur coats and heavy ulsters in the crowd were comfortable as well as ornamental. The High school contingent of over two hundred students who were grouped down about the twenty yard line were in such a frenzy of excitement that they yelled themselves hoarse and hot under the spell of their peppy cheer leaders, Betsy Shank and Fred Fisher.

After the game they did a snake dance on the Lock Haven grid and many of the crowd lingered in that place until late in the evening flaunting the red and white and giving the High yell.

**The story of the game follows:**

There was a crowd of between three and four thousand on the field when the Lock Haven team in purple sweaters and their hand wearing purple capes appeared. The field was soft muck and it was apparent the game was to be played in the mud.

The Belleville team took the field just as the combined Wetzler and Odd Fellows bands marched on at the head of a great crowd of rooters for the red and white and the local cheering section broke loose with the Hi yells.

**THE GAME IN DETAIL.**

The game started promptly at two. Lock Haven defended the north goal and kicked off to Heverly who ran the ball back 15 yards before being downed. We could make no gains and kicked to Bergman, colored, on Lock Haven's 20 yd. line, he fumbled but one of his teammates recovered the ball.

Lock Haven made 5 yds. through the left of our line but failing to gain on next play kicked to Crust in mid-field. Paul ran back five, but Belleville fumbled on the first play and the ball was in Lock Haven's possession on our 40 yd. line. Lock Haven went through left again for 5, made an incomplete pass and lost the ball on downs. Heverly had his shoulder hurt in this play but was fixed up by Dr. Rogers.

Belleville then tried a pass, failed to complete and kicked. Lock Haven kicked on second play to our 10 yd. line. Heverly made a poor return but Furey downed Bergman in his tracks. Lock Haven lost ball on downs and Belleville completed her first pass but did not gain through line and kicked to Bergman on Lock Haven's 20 yd. line. Quarter ends.

Lock Haven kicked out of bounds on her 30 yd. line and Belleville made first down. Brown substituted for Worrick. Lock Haven penalized 5 for offside. Katz makes 2 through right. Belleville carries ball to Lock Haven's 3 yd. line but can't go over. Lock Haven kicks to Crust who is downed in his tracks. Belleville gains one through centre. Belleville penalized 5. Incomplete forward pass. Belleville kicks out of bounds on Lock Haven's 20 yd. line. Lock Haven completes one forward pass for 10 and then kicks to Crust who carried it back 10. We fumble and Lock Haven gets ball. Lock Haven went through centre for 5, but penalized 5 and then kicks. We kick back. Lock Haven fumbles and its Belleville's ball on their 30 yd. line, Gingher recovering the ball. Belleville completes pass for 6. Another to Furey for 20. We tried for field goal but missed. Lock Haven's ball on their 5 yd. line when half ends.

**BETWEEN THE HALVES.**

Combined Belleville bands march around the field. Lock Haven cheer leaders, four natty looking boys and a charming girl, carry great basket of Mums across
