Bellefonte Academy Won Closing Game on Saturday.

The Bellefonte Academy football team closed its regular season in a blaze of glory, on Saturday, by defeating the Dean Academy eleven, of Boston, Mass., 42 to 0. The game was played at Williamsport and several thousand fans were in evidence. The Academy's playing was consistent throughout the game, and the work of Capt. Hood, Williams, Daugherty, H. Smith, Marker and Gaudet was characterized as brilliant. Had the entire team been in such good physical condition the day they played the Pitt Freshmen the story of that game

would probably have been different. While the regular season is now a thing of the past Mr. Hughes has secured a post season game to be played at Cisco, Texas, on Christmas day. He is also hopeful of securing one at Tulsa, Okla., for New Year's day and if successful will make an effort to have at the game 1926 "Miss America" as a drawing star.

While the Academy lost the game to the Pitt Freshmen this year it was the only game lost, and only the second game in three years. In that time they have piled up the almost unbelievable total of 1186 points to but 60 scored against them. The record for this season was 335 points to 40, the games and the scores being as follows:

Academy 18 Gettysburg Freshmen
Academy 83 Irwin All Scholastics
Academy 27 State Freshmen
Academy 7 U of N. Y. Freshmen Academy 18 Academy 83 Academy 27 Academy 7 Academy 21 Academy 28 Academy 21 Syracuse Freshmen
Academy 28 Bucknell Freshmen
Academy 42 Catholic Prep of Erie

Coach Carl G. Snavely May Go to Bucknell.

Bucknell University is hard after coach Carl G. Snavely, of the Bellefonte Academy, and while he has not yet publicly announced his intentions it is just possible that he may receive such an attractive offer that in justice to himself he cannot afford to turn it down. Coach Snavely came to Bellefonte four years ago from Kiski, where he was assistant coach, and during his service at the Academy he has built up a football team that is known from one end of the country to the other. Even though the Academy lost one game this year it is easily the champion team of the country this season, as it has been the past three years. Should coach Snavely decide to go to Bucknell his services would be missed at the Academy, and while regrets would be felt over his departure headmaster James R. Hughes could not, nor would not, find any fault with his going.

Buy the Christmas Seals.

No house to house canvas will be made this year for the sale of Christmas seals. The Bellefonte committee has sent out one thousand letters containing one hundred seals each and it is hoped that all who receive them will find it convenient to keep and use the seals and send one dollar to the chairman. The same practice will be observed generally throughout the county. Outside of Bellefonte the local Christmas seal chairmen are as follows:

Clarence, Miss Edna J. Rogers. Howard, Mrs. J. Will Mayes and Mrs. J. F. Condo.

Milesburg, Miss Bessie Miles. Snow Shoe, Miss Leotta Campbell. Unionville, Mrs. J. S. Askins.

Hand Badly Torn in Corn Shredder.

William Robison, of Howard township, an employee at the Bellefonte silk mill, stayed at home on Monday to assist his father shred corn. In some unaccountable way he got his right hand caught in the shredder and it yas necessary to use planks to pry the shredder rolls apart a sufficient distance to release the hand. The young man was brought to the Centre County hospital where every possible effort will be made to save the hand.

Dear Friends at Home: I've been planning to write you the last two or three days but am glad I

affair and the work of a fanatic. The Red Lantern society, which is very anti-foreign, has been strong up and around Chengtu, and it seems the students have been back of a number of men who planned to kill off the foreigners gradually and thus relieve the country of them. Mrs. Sibley was visiting in Chengtu at the time to done. One day she wasn't feeling very well so decided to go for a short walk

Chengtu (foreigners) were not allowed to go on the street unless accompanied by a policeman.

Finally it was learned that the Red Lantern society had decided to wait until the foreigners went to the hills for the summer, and then they planned to kill them all. But the foreigners postponed their time of going and some of them didn't go at all. Up to this time we have not heard of any further fatalities, so I guess things are settling down up there all right. Mrs. W. R. NORTH.

County hospital was the scene of a wedding, at 11.30 o'clock on Tuesday morning, when James Herbert Hockenberry, who is a patient in the institution, was united in marriage with Miss Gwennie N. Hill, of Bellefonte. The ceremony was performed by Rev. Reed O. Steely in the presence of several of the nurses at the institution. Mr. Hockenberry, it will be recalled, is the young man who had his right foot badly injured several weeks ago while at work in the mine of the American Lime and Stone Co. He is now improving.

Naturally there will be considerable speculation as to the future of the Bellefonte airmail field. It will be recalled that Mr. Dickerson, of Chicago, the oldest pilot in the United States, made a flight over the airmail route several weeks ago, and that was likely in the interest of the National Air Transport, and at the time he stated that if they secured the contract they would fly over the same route established by the government and would use the present landing fields. This, at least, is some assurance that Bellefonte will continue on the airmail route. And if the comhave some medical and dental work pany also puts into service express planes it is quite possible that it will mean still greater activity at the Bellefonte field.

Graham Stock Co. at Moose Theatre All Next Week.
