

NEWS ABOUT TOWN AND COUNTY.

The Bellefonte fish hatchery is still sending out trout for distribution in the streams of the State.

George C. Bingham and family moved into their own new home on east Curtin street, on Monday.

The Bellefonte Academy and the Pennsylvania State College both closed for their holiday vacation last Friday.

The usual Christmas carolers will be abroad in Bellefonte tomorrow morning, starting on their rounds at four o'clock.

Elmer C. Straub this week purchased a lot on the north side of west Curtin street and in due time will erect thereon a comfortable home for himself.

The condition of Mrs. Fred B. Healy, who underwent an operation at the Centre County hospital last week, is very much improved, and she is now on the way to permanent recovery.

It pays to advertise in the Watchman. Last week a Bellefonte woman inserted a four line ad for the sale of a range. She sold it an hour after the paper was on the street on Friday morning.

Lock Haven people are already starting arrangements for the entertainment of the Central Pennsylvania Methodist Episcopal conference, which will be held in that place the week of March 15th.

While coasting on the lawn of the Charles M. McCurdy home, on east Linn street, last Saturday, Bobby Blair, adopted son of Mr. and Mrs. Russell Blair, collided with a tree and sustained a compound fracture of his right arm.

The annual meeting of the Centre County Agricultural Extension Association was held in Bellefonte yesterday but the members were late in gathering so that it was impossible to get a report of same in time for this issue of the Watchman.

Christmas comes but once a year but the Scenic is always open for the entertainment of the people of Bellefonte and vicinity. Many Bellefonte women are literally fagged with holiday shopping and an evening at the Scenic should prove a pleasant relaxation. The pictures are all worth seeing and the music will be worth hearing. If you are not a regular get the movie habit and see them all.

Accepting a ride home from Bellefonte, on Tuesday evening, Miss Dorothy Davidson, of Snow Shoe intersection, a Bellefonte High school student, was the victim of an automobile accident when two cars crashed together down near John McCoy's electric plant, sustaining hip and back injuries which necessitated her removal to the Centre County hospital. None of the other occupants of the cars were seriously hurt.

It is reported that Rev. George Edward Hawes, who recently resigned as pastor of the Market Square Presbyterian church, in Harrisburg, will in the future engage in evangelistic work. He has already secured engagements for the month of February in Tennessee and March in Massachusetts. He is planning to move his family from Harrisburg to Philadelphia early in the new year, where they will establish their permanent home.

The Bellefonte postoffice has been literally swamped this week with both incoming and outgoing holiday mail. While postmaster John L. Knisely has not yet been able to check up on this year's business compared to that of former years, the employees have been so rushed that they aver it has been the biggest business of any year. The mailing business at the postoffice was especially heavy on Monday, and one of the employees remarked that it "looked as if everybody in Bellefonte spent Sunday wrapping up Christmas packages."

While Bellefonte people are enjoying their Christmas dinner tomorrow the Bellefonte Academy football team will be getting into their togs for their game with Randolph College, at Cisco, Texas. The team arrived at Sherman, Texas, on Sunday, and notwithstanding the fact that it was during the church hour were given a royal welcome. They remained at Sherman Monday and Tuesday and practiced on the High school field. On Tuesday evening they left for Cisco and reached there on Wednesday, which gave the boys several days in which to become acclimated.

For some time past a sales contest has been waged by the various Chevrolet agencies in this part of the State and as a wind-up it was understood that the losers should entertain the winners at a turkey dinner. The dinner was served at Waterstreet Inn, in Huntingdon county, Wednesday evening of last week, and was attended by the officials and employees of the Decker Bros., of Bellefonte, with their wives, as well as members and employees of other agencies in Centre county. It is needless to say the get-together dinner proved a most enjoyable event.

CONCLUSION OF DECEMBER COURT.

Only a Few Cases Heard in Civil Court This Week.

Court convened for the second week on Monday morning with Judge Harry Keller on the bench.

After hearing motions and petitions the first case called was that of Elmer Jackson vs. Paul Baroutsis, being an appeal. After the jury was challenged court adjourned until 3:00 o'clock awaiting the arrival of the Hon. Harvey W. Whitehead, president judge of the Lycoming courts, who was to preside this week, the cases being special.

The above case grows out of the erection of a building by the defendant at State College, having let the contract for excavation and foundation to P. B. Colgan & Company, the plaintiff having been employed by them, and when difficulties arose between the defendant and his contractor the plaintiff continued work and brought suit against the defendant for \$175.00, after some negotiations were had with counsel for the plaintiff. By agreement only one of these cases was tried, the result of this trial to control the three judgments. This case went to trial on Tuesday morning and ended on Wednesday forenoon by the court giving binding instructions to the jury to find in favor of the plaintiff for \$463.93 on the note that was on trial.

James E. Foster vs. Pure Coal Mining company, a corporation, being an action in assumpsit. The case was continued on Tuesday afternoon on the application of the defendants that they could not get a necessary and material witness and also that one of counsel for the defendants was sick.

Christmas Cheer will be Broadcast in this Community.

Sheriff E. R. Taylor has nine unfortunate confined to his keeping in the county jail and all of them will be served the same kind of a dinner that will be partaken of by the sheriff and his family at their own table.

Up at Rockview penitentiary there are now 669 prisoners on the roll, and all of them will be served the same kind of a dinner usually given on Christmas day, which will consist of roast pork, browned potatoes, Irish and sweet, and various other dishes. No work will be done but taking care of the stock and kitchen duty and the inmates will take turns at these. A supply of smokes for the day will also be furnished each prisoner.

AMERICAN LIME PLAYS SANTA TO KIDDIES.

The American Lime and Stone company played Santa Claus to the children of its employees last evening. At a monster tree erected near its main office the employees and their children enjoyed a regular Christmas program of music, after which candy and gifts were distributed to all children between the ages of 4 and 12 years. It was something new in the history of the American Lime and naturally made a big hit with both the employees and children.

The climax of the week-end cold wave was reached on Sunday morning when some thermometers in Bellefonte registered 14 and 15 degrees below zero, while others from four to five. At some points in the county twenty below was reported.

No Paper Next Week.

The Watchman will adhere to the time honored custom of giving all employees a week's vacation during the holidays, consequently no paper will be issued from this office next week. We know that every reader of the paper will miss its weekly visit and we hope that none of you will begrudge us the week's rest. And our sincere wish is that every Watchman reader may have a very happy Christmas and holiday season.

Farmers Cutting Down Old Orchards for Saw Handles.

A number of farmers in Centre county are trimming out the old trees in their apple orchards and selling the sound wood to Ditson & Co., of Philadelphia, for saw handles. A carload of logs were shipped from the Bellefonte depot last Friday, which made the second car to be shipped out this fall. Only good, sound wood is shipped, partially decayed trees being used for firewood.

Twenty-nine Doe Hunters Killed Twenty-nine Does.

Twenty-nine hunters from Centre Hall and vicinity did not get sport enough hunting bucks during the fifteen days of the open season, so took out a license to hunt does over in Mifflin county. And they had all the luck that was coming to them as each man killed his doe, so that quite a cargo of venison was brought over to that town. But as one of the hunters put it, it was no trick to shoot a doe, they could almost have clubbed them to death.

Large Crowd Present at Community Tree Services.

Notwithstanding the cold weather on Sunday evening a large crowd gathered in the Diamond for the singing at the Community tree. Mrs. Alberta Krader was in charge and many children assisted in the singing. At the close of the services at the tree the children were invited to go to the Spigelmyer store for their treat of candy, but there was such a jam there that they were compelled to send them to the court house where the boxes were distributed. A sufficient number of boxes had not been prepared to go around all the children but the names of those who failed to get a treat were taken and they were promised a box the next day.

Hon. Cyrus E. Woods Appointed to Interstate Commerce Commission.

Centre countians have cause to feel just pride in the appointment by President Coolidge, on Monday, of Hon. Cyrus E. Woods, of Greensburg, as a member of the Interstate Commerce Commission to succeed Frederick I. Cox, of New Jersey, whose term expires on December 31st. While not a native of Centre county he is intimately connected with it through his ancestry and the fact that many of his relatives still live in Harris and Ferguson townships.

Mr. Woods will have the distinction, if the appointment is ratified by the Senate and there is no reason why it should not be, of being the first Pennsylvanian to serve on that body. The Commission was created by Act of Congress in 1887 and Pennsylvania's claims to representation have always been ignored up to the present time. Mr. Woods has the ability to make an admirable member. He is a lawyer by profession and has had much valuable experience in public life which should enable him to sit in impartial judgment upon the many perplexing questions brought before the Commission.

A dispatch from Greensburg names Miss Florence Blair, of Bellefonte, as co-respondent in divorce proceedings instituted by Mrs. Pauline Kern against her husband, Dr. William A. Kern, a dentist, of Jeannette. Miss Blair was said to have been connected until recently with the Columbia hospital, Wilkingsburg. So far as can be learned the young lady is unknown here.

Bellefonte Council Holds Short Session on Monday Evening.

The holiday rush kept several Bellefonte councilmen away from the regular session, on Monday evening, and the number present just constituted a quorum for the transaction of business.

Harold Benner, John Weber and Malcolm Young, all of south Allegheny street, were the only visitors. They also joined in a request for a sewer extension on that street, while Benner also wanted a water extension to a new home he is building and Weber asked that the street be put in better condition. The water question was referred to the Water committee and the sewer and street to the Street committee.

George Kelly stated that the Public Service Commission had approved the agreement with the Keystone Power corporation for furnishing electricity to operate the pumps at the new pumping station.

Mr. Kelly also read a summons in trespass against the borough in an action instituted by Miss Wright to recover damages for injuries sustained in a fall on an icy pavement, last winter, in front of the Charles Smith property, on Bishop street, the case to be heard at the February term of court.

The Street committee report included work on sewer on Spring street and Pike alley and hauling snow off the streets in the business section of the town.

The Water committee reported minor repairs and the collection of \$63.48 on the 1924 water duplicate; \$745.60 on the 1925 and \$1099.63 on the 1926. The committee also reported that the 1926 duplicate had been completed and with the estimated meter bills will total a little over \$207,000, which is several hundred dollars more than the 1925 duplicate.

The Finance committee reported a note for \$3000 due December 20th, at the Bellefonte Trust company, and the Secretary stated that the borough treasurer intended paying the note.

The Fire and Police committee reported that the borough solicitor had advised against paying over to the State money collected by the borough in fines for reckless driving, a total of \$32.50. He stated that a test case is now in the courts and until it is decided it is a question whether the borough or the State is entitled to the fines.

Mr. Cunningham called attention to the fact that the borough lines on the Phoenix mill property should be definitely established, as abutting property owners were claiming ground that should, and probably does, belong to the borough. The matter was referred to the Water committee to have a survey made, the correct lines established and entered of record.

Bills were approved to the amount of \$1138.00, after which council adjourned.

\$80,000 Awaiting Distribution to Centre County Bank Depositors.

Ivan Walker, trustee of the voluntary bankrupt estate of Mary C. Harris, this week presented a petition to M. Ward Fleming, referee in bankruptcy for this district, specifying that he has in his possession \$80,000 in funds accruing from the above estate, and requests permission to make a distribution of the same among the bank's depositors. The amount above stated would mean about a fifteen per cent. dividend on the total claims against the defunct Banking company. This is the first direct step taken by Mr. Walker or anybody else toward making a distribution of the money on hand, and if his request is granted by the referee the distribution will likely be made early in the year.

After considering the petition it will be necessary for Mr. Fleming to send notices to all the bank's depositors apprising them of the desire of the trustee and if no objections are filed within a reasonable time the referee will then issue an order authorizing the distribution. Following this the depositors will be notified to appear and prove their claims, and if they are found correct they will then be paid their pro rata share of the money in hand.

The payment of this money, or acceptance of the same by the depositors will in nowise create a hazard as relates to any other money which may accrue from the final settlement of the bank's affairs. Any further funds collected will in like manner be paid over to the depositors by those in charge.

Oscar Wert Killed in Accident at Chemical Lime Plant.

Mr. Wert was 56 years old and a native of Pennsylvania. He had been in the employ of the company for two years. He is survived by his wife but no children. Arrangements for the funeral are not known at this writing.

A very delightful caller at the Watchman office, on Tuesday, was Miss Miriam Beck, of Snydertown, who attended to some business affairs and did a little holiday shopping while her father, Mr. John H. Beck, attended a meeting of the Farmers' Mutual Fire Insurance company.

A. C. Thompson, of Philipsburg, recent candidate for the Legislature on the Democratic ticket, was a Bellefonte visitor on Monday. While he lost out in his attempt to become one of the law makers at Harrisburg he has not lost confidence in his party and is just as staunch a Democrat now as ever.

Among those who were in Bellefonte last Thursday for the funeral of the late Joseph Hoy were Mr. and Mrs. Edward Cox, Harry Cox and Oscar Johnson of Tyrone; Mrs. Grant Pifer, Mr. and Mrs. Alton Hoy and Mr. and Mrs. Robert Hoy, of Wilkingsburg; Rev. and Mrs. W. Mrs. Gephart's daughter, Miss Elizabeth, arrived home, Saturday, from an extended visit with her brother and his family, at Bronxville, and with Mrs. Hiller, in Philadelphia.

Edward H. Miller, who has been with the Philadelphia Rapid Transit Co., so long that he is surely one of "Mitten's Men," is back at his old home here for a regular Christmas vacation. Ed makes frequent short visits to his brothers in Bellefonte, but not having taken a summer vacation because of a press of work, he expects to remain longer this time. He is stopping with his brother Maurice and family on east High street.

If there had been nothing else to remind us of the advent of Christmas we would have known it last Saturday when John C. Mullinger and his grandson, Ellery Mullinger, dropped in for a little call. Ever since the lad has been large enough to go about with his grandfather the two have made a trip to Bellefonte the week before Christmas to do a little shopping and Ellery is just "foxy" enough to see to it that his grandpa looks after his interests first.

Miss Mary Coleman, of Brookland, D. C., a pre-medical student at Trinity College, Washington, and a school mate of Miss Mary Shoemaker, will be the honor guest at the Shoemaker family Christmas celebration, Monday, at their home on west High street. The guests will include the entire family, Dr. and Mrs. Ebe and their two children and Miss Augusta, of Pittsburgh; Miss Ellen, of Flourtown; Miss Mary, a student at Trinity college, Washington; Mr. and Mrs. Philip Shoemaker, Mr. and Mrs. T. Collins Shoemaker and John.

John B. Gaheen, of Ferguson township, was in town during the fore part of the week doing duty as a juror in court. During the course of a little chat with him we found that he is as much impressed with the difference in type of the present generation of men as compared with that of half a century ago, as we are. Then, in every township and town of the county, there were half a dozen or more outstanding men capable of able leadership in any cause. Men whose learning, strength of character and integrity made their communities stand out always in the civil, political and religious activities of the entire county.

Among the Bellefonte college students who have come home for Christmas and the holiday vacation are Mahlon Foreman, from the University of Michigan; Basil Martin from Susquehanna University; Mahlon Robb and Warren Cobb from the University of Pennsylvania; Mary Woodring and Catherine Meyer from Irving College; Mary Robb, from Wilson College; Betty Zerby from Smith College; Mollie Shugert from Fairfax Hall; John Curtin from Lehigh; Joseph Parish from Jefferson Medical College; Mary Katz from the Sargent school; Charles Dorworth Jr., from Princeton; Elizabeth Hoag from Mansfield Normal; Evan Blanchard from the Kent school in Connecticut; Miss Ann Wagner and Miss Ruth Deitrick from Cedar Crest College; Rebecca Dorworth and Mary Harvey from Briarcliff on the Hudson.

Woodring-Loy.—The home of Mr. and Mrs. William Loy, in Altoona, was the scene of a pretty wedding, at 6.45 o'clock on Saturday evening, when their only daughter, Miss Margaret Lillian Loy, was united in marriage to Robert M. Woodring, only son of Mr. and Mrs. Robert H. Woodring, of Bellefonte. The ceremony was performed by Rev. J. E. Shillington, the bride's pastor.

The attendants were Isabel M. Resig, as maid of honor, who wore pink crepe; Betty Wilson, as bridesmaid, who wore green crepe, and Ethel Peterson, as bridesmaid, who was daintily gowned in blue crepe. Each carried a shower bouquet of pink sweet-heart roses. Little Laura Hoover, dressed in yellow crepe, was flower-girl and scattered rose petals in the bride's path. Alice Kunes, a cousin of the bride, sang, "I Love You, Truly," just preceding the ceremony. Lois Patterson played the wedding march, and also during the ceremony. The bridegroom was attended by George Loy, a brother of the bride, as best man. The ushers were Joseph and Leroy Loy, brothers of the bride.

Immediately following the ceremony, a course luncheon was served, covers being laid for seventy-five guests.

The bride is an accomplished young lady, and was a teacher in the Madison school. The bridegroom is a graduate of Marietta college at Marietta, Ohio, and a member of the D. U. fraternity. After an overland trip through Ohio, the happy young couple will establish a home in Kansas City, Mo., where the groom holds a responsible position, as manager with the Fred Harvey firm.

Five Truck Loads of Christmas Presents for Rockview Prisoners.

Up to noontime yesterday five large truck loads of Christmas presents had been received at Rockview for the 669 inmates of the penitentiary and it is quite likely that another truck load or two will be received today. The presents ranged in size from a tiny package that could be held in the hollow of the hand to some the size of a bushel basket. As every package must be opened and searched most thoroughly officials at that institution have been kept on the jump every day this week and well into the night, in order that the task may be completed and every package delivered in time for Christmas morning. The packages were hauled from the Bellefonte postoffice to the penitentiary in one of the big trucks of the institution.

"Uncle Sammy" will have no cause of complaint as to the volume of his holiday business as the mails were never congested as they have been this week. Christmas cards and parcel post packages have so clogged the regular channels that it has taken two days for letters to come from Harrisburg to Bellefonte. Only two extra men have been on duty in the Bellefonte postoffice and the regular force has been so swamped that deliveries were made at irregular periods. But the crush will likely ease up today and by next week business will be down to normal.
