

NEWS ABOUT TOWN AND COUNTY.

"Honest Jim" Smoyer has returned to his duties with the P. R. R., in this place, after a lay-off of nearly three months caused by illness.

Merchant Wm. H. Brouse has so far recovered from his recent attack of pneumonia as to be able to be up and about his room for a part of the day.

Mrs. C. M. Sellers, formerly of Fillmore, died in Altoona Wednesday evening. Funeral in the Methodist church, Bellefonte, Saturday morning at 10.15.

From thirty degrees above zero on Wednesday to ten below yesterday morning is the variable kind of winter weather that is now being doled out to us by the weather man.

The Hon. J. Laird Holmes, Centre county's representative in the Legislature, got a place on the committees on agriculture, game, law and order, forestry, geological and judicial.

That radials are becoming popular among farmers is seen from the fact that whereas there were only 83 in the farm houses of Centre county in 1925 it is estimated that there are now 266 sets in use.

The Woman's Civic club, of Pleasant Gap, will meet in the Methodist church, at that place, next Tuesday evening, at 7:30 o'clock. Rev. Reed O. Steely, of Bellefonte, will be the speaker of the evening.

In the list of the appointments made by the House, on Tuesday, Fred Thompson, of Bellefonte, was given his old place as one of the custodians of the committee rooms. He was the only Centre county man who so far has been able to pick a plum from the administration plum tree, not counting Editor Dorworth, who did not have to pick his.

The regular meeting of the Woman's club will be held at the residence of Mrs. W. E. Clark, 203 E. Linn street, on Monday, January 31st, at 7:30 o'clock. An enjoyable program has been prepared on old furniture, china, pewter and brass, and there will be various pieces of these on exhibition. All who are interested are invited.

At a recent meeting of the Bellefonte Chapter of the American Red Cross the report of the chairman showed that a fund of \$1000 had been raised through memberships and pledges made. While this amount is not sufficient for a year's work the committee hopes to be able to add to the fund in some way in order to retain the services of the community nurse.

An application was filed with the Public Service Commission, on Tuesday, for the incorporation of the Patton Electric company, of Patton township, Centre county. Evidently residents of Buffalo Run valley are going to make an effort to have the benefits of electricity in their homes. This will mean another extension of the Keystone Power corporation's service.

The scenic has no need of putting on a circus to draw a crowd. The high-class quality of the motion pictures shown there attracts all the movie fans in Bellefonte and vicinity. They realize that only the best and latest pictures obtainable are shown at this popular place of amusement and that is the reason so many people are regulars. The scenic always has been and will continue to be Bellefonte's leading motion picture theatre.

A man by the name of J. H. Murray was brought to the Centre county jail, on Tuesday, on the charge of swindling Philipsburg women by selling them a course in psychology. It is charged that his operations consisted in selling the course, collecting a deposit then failing to make good his part of the bargain. On leaving Philipsburg Murray went to Altoona where he was arrested on Monday on a warrant issued by a justice of the peace, of Philipsburg.

There seems to be a misunderstanding abroad in Bellefonte regarding the membership in the local library. The impression is that only Y. M. C. A. members are privileged to hold membership in the library. This is an error, as the benefits of the library are extended to the public in general on library business regulations. The charges are as follows: Twenty-five cents a month, or \$3.00 a year. This entitles subscribers to two books a week. The library is open on Tuesday afternoons from 2.30 until 5 o'clock, and Friday evenings from 7 to 9 o'clock.

Janet Woerner, who makes her home with her grandmother, Mrs. S. E. Showers, on Spring street, developed a case of scarlet fever early last week and was promptly put into quarantine in a room on the third floor of the house, in charge of her aunt, Miss Eva Showers. Owing to the contagious nature of the disease, however, the community nurse and two school teachers, Misses Heffly, of Johnstown, and Crider, of Lock Haven, moved across the street, temporarily, to the William Smith home. The teachers have been off duty ever since but will be permitted to resume teaching next Monday.

UPRISINGS IN CHINA ENDANGER MISSIONARIES.

Fear Felt Here for Safety of the W. R. North Family.

The continued mob uprisings in China, which have been directed not only against certain divisions of government but against some foreigners, particularly the British, has reached that stage where the entire foreign element has been ordered to proceed from the inland towns to points of greater safety. Only recently the Watchman published a letter from Mrs. W. R. North (who prior to her marriage was Miss Sarah Shuey, of Bellefonte) in which she failed to express much apprehension over the situation at Chungking, but that letter was four months old and now the situation has become so acute at Chungking that the Norths and all their co-workers have been ordered to leave the city and are now on their way down the Yangste river on a twelve hundred mile journey to Shanghai.

As much of the territory through which they will have to pass is also infested with mob-crazed Chinese considerable fear is felt here by the friends of Mr. and Mrs. North and their little boy Billy over their safety. Information relative to the condition at Chungking was received on Saturday by Mr. and Mrs. C. C. Shuey in a message from the Board of Foreign Missions in New York city. The message, which was as follows, is self-explanatory:

To the relatives of Missionaries of the Board of Foreign Missions of the M. E. church located in Szechwan province, West China.

We fully appreciate your anxiety in connection with your loved ones who are in West China and am sending you the latest official information that has reached us from that field.

Bishop Grose cabled us from Chungking, West China, that the situation is not promising and that he is arranging for the women and children in the western part of the province to leave the field.

Since his cablegram the developments at Hankow and Foochow, as well as other points, have rendered the situation more critical and it has seemed best that all women and children in Szechwan and locality go down the Yangste river, with the exception of a few families where children are not involved.

May I say that I was a resident of the city of Chungking over forty years ago when we passed through a mob uprising, and that while of course the situation is critical we have seen no indications of attempts to take foreign lives. May I further say that in Bishop Grose's cable he stated that he would do his utmost to protect the lives of our missionaries, and that the American consul is also exerting himself to that end.

Yesterday (probably last Thursday) we received a cablegram from Shanghai stating that the following missionaries were enroute down the river:

Miss Helen Barton and the families of W. R. North, Joseph Beech, Raymond R. Brewer, S. H. Liljestrand, W. M. Gentry, W. A. McCurdy, C. G. Rape and others.

Signed FRANK D. GAMEWELL.

Child Burned to Death in Tadpole Region.

The thirteen months old daughter of Mr. and Mrs. Ira Harpster, of Tadpole, was so badly burned by an explosion of kerosene, last Wednesday evening, that she died within a few hours.

The father of the child was ill with a bad attack of pneumonia and needing some hot water quickly a member of the household poured kerosene on the fire to hasten it along. The kerosene exploded and the burning liquid was thrown on the child setting his clothes on fire. Though very ill and clad only in his night clothes Mr. Harpster got out of bed and went out into the yard to get water to extinguish the fire. The house was saved but the child's death followed and Mr. Harpster's condition was rendered more critical by his exertion and exposure. The child was buried in the Gatsburg cemetery on Friday afternoon.

Clinton County Man Killed With Own Gun.

On Tuesday of last week George E. Bressler, of Flemington, went out into the woods to hunt foxes. He failed to return home and on Wednesday a searching party found him dead, a portion of his head having been blown off by the accidental discharge of his gun while in the act of crawling over a wire fence. Mr. Bressler was a cousin of Rube Bressler, the well known ball player, and was forty-two years old. He was employed by the New York and Pennsylvania Paper company. He is survived by his wife and several children, as well as a number of brothers and sisters, among the latter being Miss Hilda Bressler, of State College. Burial was made at Flemington on Friday afternoon.

Associated Business Men Hold Annual Banquet and Meeting.

About sixty members of the Associated Business Men of Bellefonte met at the Brockerhoff house on Monday evening at 6:30. In the absence of F. W. West, president, vice-president Harry M. Murtorf presided. After a fine meal by mine host Landsy, the regular business meeting was held. The treasurer reported a balance of \$1290.34. The secretary read the minutes of the previous meeting and gave his annual report of the year, which contained many of the outstanding projects sponsored by the Association during the year 1926. The auditing committee reported that the accounts of the treasurer had been audited and found correct.

A motion was then passed relative to the closing half-holidays for 1927. Beginning June 1st, all stores will close each Thursday afternoon during June, July, August, September, January and February. This was unanimously passed. A motion was passed to close all day on holidays during 1927, New Year's day, Memorial day, July 4th, Labor day, Armistice day, Thanksgiving and Christmas. A motion passed that the publicity committee be instructed to advertise all dates of closing time in the newspapers at least one month previous to June 1st.

The following officers were then elected for the year 1927: F. W. West, president; H. M. Murtorf, vice-president; John M. Bullock, treasurer; John B. Payne, secretary.

The following members gave short talks and suggestions to the Association to be followed out during the year: N. E. Robb cautioned the business men on allowing too much credit and warned them of selling goods to an unknown customer on the installment plan. He advised the merchants to cut down on their book accounts. James R. Hughes gave an interesting talk on the spirit of the organization and stated that the interest in such an organization would be kept up solely by the attendance of its members.

T. H. Harter, of the Gazette, gave a very spirited talk on "Appreciating Bellefonte." He gave some interesting remarks on a recent western trip and compared the bleak open spaces of the west with the fertile valleys of Pennsylvania. He stated that loyalty at home will build your town. He also endorsed the words of Mr. Robb in making the statement of restricting credit and demanding the cash, that your patrons will think more of you and your business. Clyde Swartz also spoke on the loyalty of Bellefonters and urged that we boost our town in every way possible.

American Lime and Stone Co. Dinner-Dance Enjoyable Affair.

The American Lime and Stone company gave its annual dinner-dance to all of its salaried employees and to certain members of the Charles Warner company, of Wilmington, Delaware, last Saturday night, at the Nittany Country club, which contained several interesting features. At the start of the meal, each guest was given a puzzle sheet with four questions which they were given to work on between bites, from the soup to the nuts. This sheet carried much of interest and created quite a lot of discussion. Miss Isabel Neving won the ladies prize and Ed H. Schneider, New York sales representative, won the gentlemen's prize. During the last course of the dinner Mr. Schneider and Mr. Bock favored the party with vocal selections.

After the meal Mr. Charles H. Warner, the president of the American Lime & Stone company, gave his address to the employees, and his remarks were very much enjoyed and appreciated by everyone present. The next feature of the evening was an old fashioned spelling bee, with the office girls as pupils and Mr. Warner as teacher, which turned into a very gruelling contest and only after a volume of words had been spelled correctly was it possible to give the first prize to Miss Esther Hines and the second to Miss Catherine Reese.

Frank M. Mayer Petitions in Voluntary Bankruptcy.

Frank M. Mayer, owner and operator of the flouring mill in this place formerly owned by Ullsh and Bashore, has filed a petition in voluntary bankruptcy to the United States Courts.

The mill has been closed for several days while the schedule of assets and liabilities was made. The disaster is not very serious, however as the assets approximate \$60,000 with the liabilities not more than \$10,000 in excess of that amount.

The cause of the difficulty is said to be partially due to the old hazzard that millers took when they accepted wheat on storage.

One Man Killed, Three Children Hurt in Auto Accidents.

Icy roads and moonshine liquor were responsible for the death of Theodore Taylor, aged 24 years, of Shingletown, about five o'clock on Sunday morning, when an automobile driven by Henry Sents, also of Shingletown, and in which Taylor was riding, skidded on the icy roads in the Loop, turned turtle and pinned Taylor beneath the car. His body was crushed and he was dead when released.

Sents was arrested on the charge of driving a car while intoxicated and was brought to the Centre county jail. It is quite possible that a charge of manslaughter will be preferred against him.

Taylor's parents are dead but he is survived by two brothers, George, of State College, and Charles, of Boalsburg. Burial was made at Boalsburg on Wednesday afternoon.

The children injured were Barbara and Betty Rhoads, daughters of Mr. and Mrs. Albert Rhoads, of east Lamb street, and Geraldine Confer. The little girls were coasting down Ridge street, on Sunday evening, from Lamb to Linn, and shortly after eight o'clock made a trip just as Millard Hartswick was going up Linn street in his car. He did not see the coasters until it was too late to stop and the result was they ran into the rear portion of his machine.

Mrs. W. Harrison Walker ran from the house and helped pick the children up and Mr. Hartswick took them all out to the Centre county hospital. There it was found that Barbara, 14 years old, had sustained a cut on the head, cut on the right hand, cut on the right knee and bad bruises on the right hip. Betty, aged 8 years, had a small cut on the left knee and bruises while the Confer child, also 8 years old, sustained a number of bruises on her legs.

After having their injuries all attended to the three children were removed to their homes and all are getting along as well as possible.

Last Friday morning Raymond Ammerman, an employee in Montgomery & Co's store, drove to Tyrone in Hassell Montgomery's car to meet the latter who was returning home from a trip east. Just as he was entering Tyrone the machine skidded and crashed into a telephone pole, breaking the glass in the windshield and doors and almost tearing the top off the car. Ammerman was thrown from the car and sustained a deep cut in his forehead. Passing automobilists took him to a physician's office where his injuries were attended to and then he went to the station and when Mr. Montgomery arrived informed him of the mishap. The two men went to the scene of the wreck and on examining the car found it could be run home on its own power, so drove it to Bellefonte.

Bellefonte Outclassed Mount Union

Bellefonte High school boosted its average in the Mountain High school basket ball league, last Friday evening, when Mount Union High was downed by coach Riden's cage artists, 53-24. From the opening whistle the red and white tossers took the lead and held supremacy throughout the forty minutes of play. At no time were the Bricktowners dangerous. When the first session terminated, the score stood 28-6.

During the concluding period the score continued to climb. Although presenting more opposition than before, the Mount Union boys still found themselves completely outclassed in every department of the game. Unable to penetrate Bellefonte's impregnable five-man defense, they were compelled to resort to long shots.

Manager Ben Kauffman's aggregation scored a total of 25 field goals. Of this number Heverly registered 10, Katz 7, Furey 4, Emil 3 and Watson 1. Watson and Katz each tallied once from the fifteen foot line.

This (Friday) evening, while the boys of Bellefonte High are in Tyrone contesting with Tyrone High for Mountain league honors, the Bellefonte girls will be entertaining the Misses of State College High in a game on the local Y. M. C. A. floor.

Coach Hollingsworth has been carefully preparing her candidates for the team and they are expected to give a good account of themselves. On February 11, there will be a return game at State College.

Judge Keller Will Show No Leniency.

Last week, when Judge Keller sentenced a young man who had pleaded guilty to what is generally known as highway robbery or banditry, to a term of from ten to twenty years in the western penitentiary, being the limit allowed to be imposed for this crime under the law, he gave warning that so far as he was concerned, no leniency would be extended to those who were convicted in his court of this offense.

This ought to be a warning to foreign bandits to stay out of Centre county, and to local bandits as to what they may expect if they come before Judge Keller for sentence.
