

NEWS ABOUT TOWN AND COUNTY.

Miss Margaret Mignot was hostess at a bridge party Thursday night of last week, at her home on east High street, two tables being in play.

Boynnton Daggett is now able to be about the house, convalescing from a six weeks illness at the home of his mother, Mrs. Wells L. Daggett, on east Linn street.

Dr. S. S. McCormick, of Hublersburg, who had been confined to his room for two weeks, has so far recovered that he was able to be down stairs for the first time on Tuesday.

The public is invited to attend the musicale to be given in the Presbyterian church at 3 o'clock on Sunday afternoon. At that time members of the choir will be arrayed for the first time in their new vestments.

The annual football dance of the Bellefonte Academy will be held in the armory on Friday evening, February 18th, from 9 to 2 o'clock. Music will be furnished by Joe Buck's orchestra, of State College. All lovers of the dance are cordially invited.

The Presbyterian choir will give a musicale in the church on Sunday afternoon, February 13th, at 3 o'clock, at which time members of the choir will appear for the first time in the new vestments presented by a member of the church. The public is invited to attend.

Harry Jodon is critically ill at the home of his mother, Mrs. Foster Jodon, near Nigh Bank. Mr. Jodon returned to the farm seven years ago in ill health and has been regarded an invalid since that time, his condition developing a serious nature within the last few months.

The ladies of the Methodist Episcopal church will hold a measuring social in the lecture room of the church next Monday (Valentine day) at 7:30 p. m. Everybody is invited to go and have their measure taken. Entertainment and refreshments will feature the evening.

Some unknown person broke into the garage of Frank Bozini, near where the old Central Railroad of Pennsylvania crossed the Nittany valley highway, about eleven o'clock on Saturday night, and stole his automobile. The car was found in a lane just this side of Hecla, on Sunday, where it had been abandoned by the person who stole it.

A number of farmers living east of Centre Hall, along the Brush valley road, have opened negotiations with the Keystone Power corporation for an extension of the electric service down Brush valley, a distance of several miles from Centre Hall. While no definite agreement has yet been entered into it is quite probable that the line will be built some time during the year.

Every person interested in outdoor life and the natural beauties of the United States should go to the High school auditorium next Tuesday evening, February 15th, and hear Mr. Henry Warren Poor A. M., of Boston, lecture on "Our National Parks." Beautiful colored slides and motion pictures will illustrate the lecture which will begin at 8 o'clock. No admission will be charged.

J. Clair McCormick, son of Mr. and Mrs. J. Frank McCormick, of Lock Haven, a lineman in the employ of the Nittany Telephone company, fell from a ladder at Mill Hall, on Monday, sustaining a bad gash on the right knee and cuts and bruises on his face and chin. The ladder on which he was working slipped on the ice and he fell from a height of twelve feet. His condition is not considered serious.

Group Six of the Pennsylvania Bankers Association will meet in Altoona tomorrow for their thirty-second annual gathering. The meeting will be held in the Elks home and luncheon will be served at the Penn-Alto, G. A. O'Reilly, vice president American Exchange Irving Trust Co., of New York, and M. A. Kendall, vice president Farmer's Deposit National of Pittsburgh, will be the speakers. The ladies of the party will be entertained at bridge and "500" while the men are in session.

A dispatch from Lewistown, last Friday, stated that police of that city were searching for Miss Adaline Rocky, sixteen years old, five feet six inches tall, weight 120 pounds, dark brown hair and boyish bob; and Miss Lauretta Meyers, sixteen years old, five feet eight inches tall, weight 150 pounds, light brown hair and boyish bob, both girls being State College High school students who left home on Monday of last week and had not been located. The girls were hiking eastward.

The regular meeting of the hospital board was held on Tuesday evening. The principal matter under discussion was the unpaid pledges and it was decided that since every effort has been made to collect them without process of law nothing remains for the board to do but bring suit to enforce payment. There are approximately \$20,000 in unpaid pledges which amount would pay for the reconstruction work not yet completed. The board will exhaust every legal means to collect these pledges because they were presumably made in good faith and plans for the building program were made in consequence of that belief.

BOROUGH COUNCIL RUES SNOW SCRAPER PURCHASE.

Action to Rescind Order May be Taken at Next Meeting.

Six members were present at the regular meeting of borough council, on Monday evening, the absentees being Messrs. W. J. Emerick and W. H. Brouse. Secretary Kelly read the minutes of the last meeting and at the conclusion of the reading Mr. Cunningham addressed president Walker and asked that approval of the minutes be deferred, stating as his reason that he desired a reconsideration of the motion passed at the last meeting authorizing the purchase of a snow scraper. Mr. Cunningham stated that he had always been opposed to the purchase of the scraper because he felt that it would mean paying out \$2200 for a piece of machinery that could be used only a few times a year, while that amount of money would go a long ways towards making the extensions to sewers that council will probably be compelled to make this year. And it was because he felt that the approval of the minutes would more definitely bind council to the action of the last meeting that he asked that approval be deferred. Secretary Kelly and one or two other members differed with Mr. Cunningham's contention but in order to be on the safe side the president ruled that approval of the minutes be held over for the time being.

Mr. Cunningham then stated that he would not ask for a reconsideration of the motion to purchase the scraper at this meeting because he believed a full council, and especially the member who made the motion for its purchase at the last meeting of council (Mr. Emerick) should be present when any further action is taken. A statement was made at that time by Mr. Emerick that the Street committee was unanimously in favor of the purchase of the scraper, a fact which has since been denied by at least one member of the committee. Under the circumstances it was decided to postpone any further action on the scraper until next meeting.

At this stage of the proceedings president Walker called attention of council to the fact that they have been functioning with only eight members since the death of the late Thomas S. Hazel, while the law specifically states that there must be nine. He therefore suggested that the two members of the South ward come to the next meeting with a recommendation of a man to fill the vacancy in that ward.

The Street committee reported cleaning of streets and the collection of \$40 for a sewer extension and \$106.50 from Spring township for oiling Mill street.

The Water committee reported the collection of \$11.00 on the 1924 water duplicate; \$165.75 on the 1925 duplicate, and \$267.75 on the 1926 duplicate, a total of \$2853.50.

The Finance committee reported that there was a balance in the borough treasury of over \$6400, and requested renewal of notes aggregating \$11,500.

The Fire and Police committee reported that in accordance with power granted the committee at the last meeting of council the interior of the public building had been done over—all but the meeting room of the Logan fire company and the company will do that at its own expense. The committee also reported receipt of a check for \$46.75 from the citizens of Centre Hill and vicinity for the services of the Undine fire company on the occasion of a recent fire, and also a refund check for \$3.71.

The Sanitary committee reported that a new dumping place is badly needed but so far none has been located within a reasonable distance of the town.

Mr. Walker stated to council that Mr. Styles, connected with the Scranton Electric company, had been in Bellefonte recently and stated that if the fire alarm on the jail was elevated about ten feet higher in the air it would prove far more satisfactory, and also that an attachment can be secured at a cost of one hundred dollars which would enable the operator giving the ward signals. He suggested that it might be well to elevate the alarm and then at some future time, if council desired the signal attachment, it could be purchased.

Mr. Cunningham called the attention of council to the fact that the old Gamble mill property will likely be on the market again within the next six months and suggested that members of council consider the advisability of its purchase as a future supply of power. He made it plain that he was not recommending or advocating its purchase but simply bringing the matter before council at this time so the members could consider it from all points in the event the borough would be offered another opportunity to purchase it.

Bills approximating \$3455 were approved for payment, after which council adjourned.

Dr. Waterworth, of Clearfield, was in Bellefonte on Sunday to see Henry Kline, who has been confined to the Centre County hospital for two months as the result of injuries sustained in an accident at the Chemical Lime company's plant. Mr. Kline's condition was regarded as worse last week but Dr. Waterworth failed to find any alarming symptoms and gave the family every encouragement of a complete recovery.

John D. Meyer, of Tyrone, Chosen Bank President.

At a meeting of the board of directors of the First National bank, of Tyrone, last week, John D. Meyer, who has been vice president of the institution the past six years, was elected president as successor to the late John G. Anderson. Dr. John B. Nason was chosen vice president.

Mr. Meyer is a native of Centre Hall and for eleven years was superintendent of the Bellefonte schools. He gave up teaching in 1909 and started his banking career in Altoona. Later he became vice president of the First National bank of Tyrone and his election to the presidency is evidence that the stockholders and directors of the bank have confidence in his ability as a banker.

True Story of Lee Filmed Tomorrow Night.

The remarkable motion picture, "The Man They Could Not Hang," depicting the life story of John Lee, will be shown at the Moose theatre for one show only at 8 o'clock tomorrow night. It took a trip of 25,000 miles by water and many thousands by land to prepare this feature, New Zealand, Australia, South Africa, England, Ireland and Canada being some of the countries visited.

The company which presents this remarkable attraction here is exactly the same as appeared at many of the largest theatres in America and includes the well known actor, W. Leonard Howe, who relates the salient features of the case, and Miss Doreen Thompson, a Canadian prima donna, who sings the music allotted the special prologue and elsewhere.

Three Deer Moved to Death in Ice Floe.

One day during the January thaw, several weeks ago, dogs chased three deer off of Bald Eagle mountain down into the valley. At the time the ice was going out of Bald Eagle creek and the stream was not only full to overflowing but the water clogged with huge cakes of floating ice. The three deer attempted to cross the stream in order to get away from the dogs but evidently missed their footing and fell between the floating ice with the result that all were crushed to death. They were then thrown out onto the south bank of the stream, near the Sycamore club, and caught between cakes of ice they stood there in an upright position until frozen stiff when the next cold spell came along. The deer were still there up to a few days ago, according to last reports.

Some people hate flats but you will all be tickled to death when you see "McFaddin's Flats" at the Scenic next Monday, Tuesday, and Wednesday. Matinees daily at 2 p. m. 6-11

Boy Shoots Self Through Hand.

Bobbie Conrad, two and a half year old son of Mr. and Mrs. Charles Conrad, of Blanchard street, Bellefonte, is suffering with a bullet hole through the heart of his left hand, self-inflicted last Friday morning. Shortly after eleven o'clock, that morning, Mrs. Conrad asked Bobbie to go upstairs and bring down her apron. The lad willingly complied but failed to return at once. Mrs. Conrad went to the foot of the stairs and called to him to hurry and he answered yes. As she turned away from the stairway a revolver shot rang out upstairs, and running up the steps Mrs. Conrad found her little boy with a bullet hole through his left hand. The child had evidently found the revolver and was curiously examining the weapon when it was discharged. Fortunately the bullet missed the bones of the hand and it is hoped that the wound will heal without leaving the child a cripple.

Bald Eagle Train Wrecked, but NoBODY Hurt.

The night train on the Bald Eagle Valley railroad, due at the Bellefonte station at 8:16, was wrecked on Monday evening just as it was entering the borough limits. Nobody was hurt but about one hundred feet of track was torn up and it was exactly 7:26 o'clock on Tuesday morning when all the track damage had been repaired and the road opened to traffic.

While no official announcement has been given out as to the cause of the wreck it is pretty generally conceded that it was the result of a falling brake beam on the tender. The locomotive was not derailed and the engineer was able to stop the train within a hundred feet, or thereabouts. When stopped the locomotive just cleared the bridge over Buffalo run, with the tender on the bridge. The front truck of the tender was still on the rails but the rear truck was off. Every car was derailed back to the last truck on the rear car. While the passengers and trainmen were somewhat shaken up from the jarring of the cars in being hauled over the ties none of them needed the attention of a physician. It was necessary, however, to send another train from Tyrone to continue the run to Lock Haven.

Wanted! 50 bricklayers, 1000 carpenters and 500 laborers to help build "McFaddin's Flats," next Monday, Tuesday, Wednesday, at the Scenic. Call Charles Murray, the Irish hod carrier, or Chester Conklin, the Scotch financier. 6-11

Two Meetings of Bellefonte Chapter D. A. R.

Contrary to its usage of holding its meetings alternately in Bellefonte and State College both of the last two regular monthly meetings of Bellefonte chapter D. A. R. have been held at State College.

The evening of January 5 one Leonard member, Mrs. Charles M. Thompson, and four State College, Mrs. J. Wilmer Henszey, Miss Mary Foster, Mrs. T. E. Gravatt and Mrs. W. G. Chambers, at the home of the latter on Park avenue, received the more than fifty zealous (!) who had braved the elements that wintry night. The evening of February fourth Mrs. James I. Thompson, Mrs. William Frear, Mrs. David Allen Anderson, Mrs. Charles W. Stoddard, Miss Sabra Vought and Miss Chloe Haughenberry welcomed seventy-eight attendants at the University club.

Interesting features of the January program came in the response to the roll call with sayings of Benjamin Franklin, in the announcement, read by the chairman of the Music committee, Mrs. H. H. Havner, of a contest, nation-wide, for a suitable music-setting for the words of "America, the Beautiful," in the paper dealing with the comparative accomplishments of various D. A. R. chapters prepared by Miss Helen E. C. Overton, and read in her absence by Mrs. John I. Olewine.

"Wasn't it excellent!"—this on the lips of every one leaving the University club last Friday evening. A play entitled, "To be Dealt with Accordingly," enacted by a cast—a star caste, was the unanimous opinion—of five of the local State College membership, Miss Lucretia Van Tuyl Simmons, Mrs. T. E. Gravatt, Mrs. Edward M. Frear, Miss Louise Moss, Miss Sabra W. Vought, was one written by a student of drama at the University of Wisconsin, which presents in a sprightly, true-to-life way an evident phase of the immigrant problem.

The chapter's material possessions are being added to. Recently the surprisingly pictured tree of thirty-six individual State seals given from the collection of antiques in their late home on north Spring street, Bellefonte, by Miss Elizabeth Longwell and Miss Rachel Marshall, was fittingly and preserveringly framed by Miss Mira Humes.

Farmer's Meetings to be Held in Centre County.

A series of farmer's meetings have been arranged by county agent R. C. Blaney to be held in twelve different communities throughout Centre county.

The European corn borer is coming this way. In fact, Centre county is under quarantine. One of the main topics of discussion will be the "Borer," by G. F. McLeod, of State College. If the corn borer is checked it will mean the saving of thousands of dollars to the farmers in Centre county.

"How to Mix Feeds for the Dairy Cow to Get the Best Results," will be discussed by R. R. Welch, of the dairy extension department. Mr. Welch will also talk on the "Value of Better Sires."

The sessions will start at 10:30 a. m. and 1:30 p. m., in all but two communities. There will be an afternoon session only at Spring Mills and afternoon and evening sessions at Rebersburg. The meetings as arranged for Bellefonte have been cancelled. The following is a list of the dates and places of meetings:

- Spring Mills, February 14, 1:30, school building.
Stormstown, February 15, 10:30, Grange hall.
Howard, February 16, 10:30, old school building.
Rebersburg, February 17, 1:30.
Hublersburg, February 18, 10:30, Community hall.
Aaronsburg, February 19, 10:30, school building.
Unionville, February 21, 10:30, Grange hall.
Port Matilda, February 22, 10:30, Odd Fellows hall.
Centre Hall, February 23, 10:30, Grange Aaradica.
State College, February 24, 10:30, dairy building.
Yarnell, February 26, 10:30, school building.

These meetings are open to anyone who desires to attend, so pass the word along to your neighbor. Go and take a box lunch and spend the day, in the wish of the various committees in charge.

Don't wait until April first to move. Charles Murray and Chester Conklin in "McFaddin's Flats," at the Scenic next Monday, Tuesday, Wednesday. Don't phone. Go in person. 6-11

No motion picture show in this part of the State shows a better class of pictures than the Scenic in Bellefonte. It is the old, reliable and dependable place of amusement. Open every evening during the week, except Sunday, patrons are always sure of a good evening's entertainment. No "old-timers" are found on the program, every picture being new and up-to-date. The result is, people have confidence in the Scenic management to give the best to be had.

Flats for rent. Go to the Scenic next Monday, Tuesday, Wednesday, and look over "McFaddin's Flats." Charles Murray and Chester Conklin will escort you, matinee or night. 6-11

Mrs. Albert E. Blackburn and Miss Hattie Hart went over to Spangler, Sunday, where they have been spending the week with Mrs. Blackburn's sister, Mrs. James A. McClain. Mrs. Blackburn has been making one of her frequent visits to Bellefonte with her mother, Mrs. J. L. Spangler.

Mr. and Mrs. Clyde Blair, who are occupying the east side of the Myron M. Cobb house, on High and Thomas streets, came to Bellefonte a short time ago from Pittsburgh. Mr. Blair has been in the automobile business since coming east, and is now with the Dodge agency in this section.

Mrs. M. Ward Fleming, who has been in Bellefonte for the past two weeks, was called here from Phillipsburg owing to the illness of Mr. Fleming's mother, Mrs. W. I. Fleming. While here Mr. Fleming has joined her for several short visits. Mrs. Wilson Fleming is now rapidly recovering from her illness.

Miss Sterret, who had been here from Minneapolis, left Bellefonte yesterday morning, following a visit of several days with her cousins, Mr. and Mrs. John S. Walker and Miss Shortlidge, at their home on north Allegheny street. Miss Sterret is contemplating spending the summer abroad, as has been her custom for a number of years.

Cashier Jas. K. Barnhart, Asst. cashier C. E. Robb and Linn Krape, one of the tellers, will represent the First National bank of Bellefonte at the thirty-second annual conference of group 6 of the Pennsylvania Banker's Association, which will be held in Altoona tomorrow. Headed by Nelson E. Robb, who is a member of the Executive Committee of the Association, the entire personnel of the Trust Company will attend. There will be nine in the latter party.

Mrs. Clinton R. Owens, of Traer, Iowa, a sister of S. D. Gettig, and her three brothers, Henry C. Andrew and George I. Gettig, of Bradock, Pa., were all in Bellefonte last week for the funeral of Mrs. Gettig.

Mrs. Cleveland and Son Agree to Settle Accounts.

Last week the Watchman told of Sheriff E. R. Taylor going to New York State with extradition papers for Mrs. Leonore Cleveland, wanted in Bellefonte for skipping a board bill at the Garman house and also taking a car out of the State which had not been paid for.

Last summer four members of the Cleveland family spent considerable time at the Garman house, Mr. Cleveland and son being engaged in smoothing and polishing floors and also selling the machines with which the work was done. They did considerable work in Bellefonte and at State College and disposed of a number of machines. They also bought Miss Mary Justice's car and finally left without clearing up their board bill or paying in full for the car.

Learning that Mrs. Cleveland was in Elmira, N. Y., Sheriff Taylor went there with the necessary legal papers and brought her to Bellefonte accompanied by a daughter who, however, was not one of the party who were in Bellefonte last summer. But on Friday evening a son, Lewis Cleveland, who was here with the party, came to Bellefonte alone and he, also, was placed under arrest.

At a hearing before Squire J. M. Keichline, on Saturday morning, the Clevelands admitted their indebtedness to Mr. Bartley and an amicable arrangement was made whereby they paid a portion of the indebtedness down and the son was given his liberty to return to his work and earn money to clear up the obligation, but until that is done Mrs. Cleveland must remain in Bellefonte as a guest at the Garman house.

New Rest Room Being Equipped for Telephone Operators.

A new and larger retiring room is being fixed up and equipped in the Bush Arcade for the comfort and convenience of the seventeen young women who handle the telephone calls for Bellefonte and vicinity, according to Miss Hilda Haupt, chief operator. The room adjoins the central office and after it is completely overhauled will be equipped with new and comfortable furniture. A lavatory and wash room will also be among the conveniences.

In speaking of the work of the Bellefonte exchange Miss Haupt said that about 10,000 calls are handled daily. Of this number 8,000 are local calls, 1,800 out-of-town calls and the remainder special, the latter including information, repair clerk, chief operator, etc.

To handle these thousands of daily conversations, a switchboard containing eleven positions for operators is used. Of this number, four are required for handling local calls, six for taking care of the out-of-town calls, and one for making connections for rural telephones. The number of calls handled daily shows an increase over the number of last year, and indicates that Bellefonte is continuing to develop and progress as it has in the past.

Paul H. McGarvey Seriously Injured in Nasty Fall.

Paul H. McGarvey, the auto supply dealer of Bishop street, was seriously injured in a nasty fall between five and six o'clock on Sunday afternoon. He had driven his car into the Beezer garage for a supply of oil and while the man in charge was filling the order Mr. McGarvey stepped into the office. When the garage attendant had supplied the oil he called Mr. McGarvey and receiving no response went into the office to look for him. Not finding him in the front office he walked through the rear room and finally discovered him lying unconscious in the boiler room.

A physician was summoned as quickly as possible and Mr. McGarvey removed to the Centre County hospital. He had a nasty cut on the head just over the right temple and it was at first feared that he had sustained a fracture of the skull. He was only partially conscious at brief spells during all of Monday, but an X-ray Monday night failed to reveal a fracture of the skull. While he has improved somewhat, his injury being entirely to the head, it may be some days before he recovers completely.
